

1 Based on Alfa Romeo premium import high-performance mid-size SUV segment and the latest available competitive information. 2 No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. 3 ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 4 LDW is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 5 FCW system is solely an alert system for the front of the vehicle which does not take any actions to change the vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 6 Apple CarPlay and Android Auto require a compatible mobile device connected via USB cable to the system. Data plan rates may apply. 7 SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. **If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel, you must call SiriusXM at 1.866.635.2349. See the SiriusXM Customer Agreement for complete terms and get more information at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. 8 The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 9 Always check visually for vehicles prior to changing lanes. 10 Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. 11 This system is not meant to be used while the car is in motion. 12 Requires a mobile phone equipped with the Bluetooth Hands-Free Profile.

*Alfa Romeo*

THE LATEST ALFA ROMEO LINEUP HAILS FROM A LONG LINE OF IMPRESSIVE PREDECESSORS. THIS GENERATION POSSESSES A BROAD RANGE OF TALENTS MEANT TO APPEASE DISCERNING DRIVERS OF EVERY TYPE — EXPERTLY DELIVERING ITALIAN PASSION AND SEDUCTIVE STYLE.

*Stelvio: power in its most  
beautiful form*

STELVIO QUADRIFOGLIO shown in Rosso Competizione Tri-coat.

For those who are rarely satisfied, Stelvio Quadrifoglio delivers best-in-class 505 hp,<sup>1\*</sup> 4-mode Alfa DNA Pro Drive Mode Selector with Race mode, and a twin-clutch rear differential that optimizes traction. Drivers of Stelvio will make the most of every turn, thanks to the standard 8-speed automatic transmission and steering column-mounted aluminum paddle shifters that allow for shifting in less than 100 milliseconds. The view from inside the cockpit offers a natural leather landscape accented with crafted stitching; outside offers a unique rear fascia and a dual-mode quad exhaust.

## ALFA ROMEO STELVIO QUADRIFOGLIO

DRIVETRAIN
All-aluminum 2.9L twin-turbocharged V6 engine with 505 hp and 443 lb.-ft. torque

*Giulia: a bloodline that traces  
back to the throne*

GIULIA: Ti Sport shown in Montecarlo Blue Metallic, Ti Lusso shown in Vulcano Black Metallic and Quadrifoglio shown in Rosso Competizione Tri-coat.

The revered cloverleaf on the sculpted fender serves notice of the Giulia Quadrifoglio's status; its endless driver-centric details bring out the competitive best in both machine and operator. Performance leather/Alcantara® seats, Quadrifoglio leather-wrapped steering wheel with Red push-button start, 19-inch aluminum wheels, a carbon fiber rear spoiler and an active aero front splitter all help to create the unique, exhilarating Giulia Quadrifoglio experience.

Giulia Ti Sport stirs up adrenaline with athletic talents that reward drivers at every turn, while Giulia Ti Lusso steps up its Italian propensity for high style. These are performance sedans whose competitive side extends to creature comforts. A leather-wrapped dash and upper door trim and genuine wood or aluminum interior trim graciously greets drivers and passengers. The leather-wrapped steering wheel with available steering column-mounted aluminum paddle shifters puts both performance and luxury in hand.

*4C: an extraordinary bond  
between driver and road*

4C COUPE shown in Rosso Competizione Tri-coat.  
4C SPIDER shown in Giallo Prototipo.

Alfa Romeo 4C has perfected the Italian art of seduction — irresistible style, craftsmanship and performance cues include a leather-wrapped, flat-bottom steering wheel, performance seating with accent stitching, available carbon fiber Italian flag exterior mirrors and front fascia with carbon fiber vents. The available Carbon Fiber Interior Trim Group includes a carbon fiber instrument panel bezel, shift bezel, air vents and cluster bezel. A combination of sport suspension, large self-ventilated cross-drilled brake discs and staggered wheels reflect the 4C passion-fueled heritage of racing. Along with its advanced ride control system, the connections among driver, road and car couldn't be stronger.
