Inspires exploration.

The new Bentleyga takes you on a journey unlike any other. This completely reimagined SUV fuses luxury and performance to inspire exploration without limits.

Modern, distinctive and commanding, the new Bentleyga unites cutting-edge design and innovation, allowing you to experience everything this world has to offer.

Its all-road performance, unrivalled ride comfort and incomparable on-road handling are everything you would expect from a true Bentley, and more. This versatile SUV draws upon its breathtaking performance, innovation and considered design to deliver an unsurpassed, dynamic driving experience with a confident and striking presence.

The new Bentleyga Speed possesses formidable power, unrivalled speeds and an exclusive sporty aesthetic, while the V8 model brings comfort and luxury together in perfect balance. The new Bentleyga Hybrid completes the range, with future-focused technologies that make it the most advanced electric vehicle Bentley has ever made.

Are you ready to find your extraordinary?

Visit the **Bentley website** to start your journey.

New Bentleyga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

The new Bentayga Hybrid.

The new Bentayga Hybrid represents the future of Bentley, reshaping the experience of navigating the city – and travelling beyond it. Through the use of innovative technologies, combined with the heights of Bentley craftsmanship, every journey becomes effortless in every way.

This remarkable SUV expands the definition of Bentley performance by enhancing one particular attribute: a sense of calm. The blissful silence of its all-electric mode extends for 50 km (NEDC) / 17 miles (NAR EPA)*, enough to cover those everyday journeys, making the Bentayga experience as serene as it is exhilarating. And when the E Motor is combined with the powerful V6 engine, you will enjoy responsive acceleration that takes you from 0 to 60 mph in just 5.2 seconds (0 to 100 km/h in 5.5 seconds), and enables you to soar to a top speed of 158 mph (254 km/h).

With the lowest CO₂ emissions of the new Bentayga range, along with smart, safe and convenient Connected Car services and intelligent navigation, the new Bentayga Hybrid is a pioneer in luxury e-mobility.

*17 mile all electric range, NAR EPA cycle, subject to type approval.

Bentayga Hybrid is currently available to order in USA, Canada, Puerto Rico and China.

The new Bentayga V8.

The new Bentayga V8 seamlessly fuses powerful performance with groundbreaking innovation, encompassed in unrivalled Bentley design.

With a commanding V8 engine and twin-scroll turbochargers that deliver power, speed and efficiency, you can expect an uncompromising, dynamic driving experience. Taking you from 0 to 60 mph in 4.4 seconds (0 to 100 km/h in 4.5 seconds) and on to a maximum speed of 180 mph (290 km/h), you will hear the immensely satisfying Bentley V8 burble every time it accelerates.

As capable, composed and supremely comfortable off-road as it is in the city, the new Bentayga V8 offers the choice of four*, five or seven** seat configurations – allowing the whole family to explore together.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

*Cost option.
**Regional applicability.

The new Bentayga Speed.

Formidable power and breathtaking design create an incredibly immersive driving experience in the fastest SUV Bentley has ever made.

The new Bentayga Speed harnesses the power of an advanced W12 engine and two twin-scroll turbochargers to deliver phenomenal performance, achieving 0 to 60 mph in a thrilling 3.8 seconds (0 to 100 km/h in 3.9 seconds) and top speeds of 190 mph* (306 km/h). Truly, nothing can compete with its unique combination of on-road exhilaration, off-road capability and outright sporting luxury.

Exclusive Speed detailing throughout the vehicle emphasises its status as the most powerful Bentayga. From the body-coloured elements on the highly sculpted exterior, to the elongated spoiler, dark-tint headlamps and matrix grille, its formidable presence can be felt wherever the road takes you.

Subtle Speed badging and exclusive 22" wheels further enhance its unique and compelling aesthetic, resulting in a car that perfectly balances sport, style and luxury.

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

Own a First Edition.

To celebrate the arrival of this inspiring SUV, we have created a rare and collectible edition available as a Bentayga Hybrid or Bentayga V8: the new Bentayga First Edition.

Its exclusive design details include First Edition badging, both on the exterior and inside the car – with the interior also featuring a unique quilting pattern. Should you wish, you can also have either the words First Edition or the Bentley wings embroidered onto the seats.

A selection of the most desirable options available on the new Bentayga have been incorporated into this limited edition as standard. These include the advanced Touring Specification, the exquisite Mulliner Driving Specification and the Naim for Bentley premium audio system, to name a few.

You can explore the ultimate expression of this commanding SUV [here](#).

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

Bentayga Hybrid is currently available to order in USA, Canada, Puerto Rico and China.

DESIGN

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

Driven by design.

See and be seen in the distinctive new Bentayga.

Following modern Bentley design language, the new Bentayga truly is a sight to behold. From its reimagined front grille, new lights and dominant upright face, to its bold new lower bumper design with larger intakes and deeply sculpted surfaces, this SUV makes its presence felt, wherever it is.

The new Bentayga's redesigned roof spoiler gives it a longer and more elegant profile. This is complemented by a new chrome fender vent that is positioned above the 'power line' on the body side. Meanwhile, the lower door mouldings catch the light for a captivating effect that sweeps the eye to the striking and powerful 22" multi-spoke wheels.*

At the rear, the latest evolution of Bentley design continues. New elliptical tail lamps are set into a beautifully sculpted tailgate panel, which pushes the boundaries of seamless contouring to the limit. Echoing the design of the rear lamps, the new Bentayga's bold, updated bumper features oval shaped split tailpipes and a prominent 'Bentley' badge.

It all results in a stunning, distinctive visual identity.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

The beauty of light.

The new Bentayga turns to its new elliptical front lamps to light the way. The headlamps bear Bentley's signature 'crystal cut' design, which achieves a unique effect with transparent internal surfaces and sharply defined diamond edges. A chrome 'crown' insert within allows the lamps to sparkle even when not illuminated.

The main tail lamp function is contained within an intricate 'lattice pattern' ring. This results in a one-of-a-kind, deep three-dimensional glow that is unique to Bentley.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

Immaculate inside.

The new Bentayga's cabin sets the benchmark for SUV interiors – the ultimate in luxury, usability and the latest technology. It features a new, intuitive, high resolution, 10.9" touchscreen that spans the full width of the redesigned centre fascia.

Light floods in from above to illuminate the luxurious interior, courtesy of the tilt and slide panoramic roof. Beneath it, every detail of the new Bentayga's handcrafted cabin has been meticulously considered. The famous Bentley wings marque has once again inspired the architecture of the cockpit, forming the symmetrical, double-wing arrangement that flows from door to door.

The interior design balances the relationship between veneer, leather and metal, combined with ergonomics, to provide you with unparalleled comfort. This marriage of elements continues as the textured pattern on the switchgear is placed alongside soft leathers and beautiful gloss veneers for luxury you can feel with every touch.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

For the driven.

When seeking the extraordinary, look no further than Bentley.

New dimensions provide optimal legroom and comfort in the rear cabin, particularly in the Four Seat Comfort Specification*, allowing passengers to unwind and recline without compromise.

You can choose from four*, five or seven** seat arrangements, along with an optional Front Seat Comfort Specification*. This offers a six-setting massage function and 22 different types of adjustments, including cushion and backrest bolsters, to offer both driver and passengers a truly indulgent and relaxing experience.

The new Diamond Brushed Aluminium finish* on the fascia and door panels is a modern take on a traditional finish. This technique creates a stunning visual 3D effect, resulting in added depth when viewed from any angle. The Mulliner Driving Specification* has been updated with a new quilting design, which features a 'diamond in diamond' pattern, adding further depth and texture to the interior.

*Cost option.
*Regional applicability.

Never blend in.

The new Bentayga Speed is the ultimate statement of luxury, style and performance – even before the impressive W12 engine roars into life. This formidable power can be seen in every inch of the phenomenal design unique to Speed.

Bold additions to the exterior design include new and unique front and rear bumpers, as well as side sill extensions. A prominent tailgate spoiler hints at the performance potential within, while dark tint headlamps and tail lamps, accompanied by a dark tint matrix grille and lower bumper grilles, add to its commanding aesthetic. Speed badging and unique 22" ten-spoke Speed wheels – available in three finishes – elevate this look further still.

Inside the cabin, an exclusive colour split option incorporates Alcantara elements and unique colour accents to add an extra touch of luxury and refinement. This is accompanied by handcrafted contrast stitching of the diamond quilting – a feature available only on the Speed – where one of the twin stitching lines is replaced with a contrasting colour to create a captivating look.

The Mulliner Driving Specification comes as standard on the Bentayga Speed. This includes a 'diamond in diamond' stitching pattern, which adds a subtle yet stunningly intricate touch, demonstrating how luxury can truly be found in every detail.

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

ENHANCED EXPERIENCE

Bentayga Hybrid is currently available to order in USA, Canada, Puerto Rico and China.

Uncompromising in every sense.

There is no need to compromise on performance, capability or comfort when you choose the new Bentayga. This commanding car has elevated the Sports Utility Vehicle to dramatic new levels, combining contemporary design with timeless craftsmanship to deliver an unmistakable aesthetic. Alongside phenomenal power and innovative technology, practicality goes hand in hand with comfort. Whether you are golfing or skiing, heading across continents or across town, navigating roads or leaving them far behind, the new Bentayga is perfectly equipped for every journey.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

A place to relax.

Regardless of where you are, you can rely on the new Bentayga's elegant cabin interior to provide you with the comfort you desire.

Every element of the cabin is crafted by hand. The veneers are carefully selected and meticulously mirror-matched to create a seamless flow of wood around the car's occupants.

This refinement continues in the seats, where new ergonomically designed cushions and backrests ensure complete comfort. For true audiophiles, the Naim for Bentley* premium audio system promises to give you the best audio quality, from the deepest bass to the highest treble.

The Touch Screen Remote (TSR) system is conveniently located in the rear of the central console, allowing rear passengers to control a wealth of entertainment and features.

These include rear seat massage*, heating and ventilation*, climate control and sound, for a comfortable and cocooning experience.

Wireless phone charging is integrated in the stowage area forward of the gear lever. A convenient feature that ensures you stay connected to the world around you.

From comfort you can touch, to comfort you can feel, this modern SUV uses air ionizers to purify the air in the car. By removing particles and impure contaminations from the air, they can enhance your wellbeing, wherever your journey takes you.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

*Cost option.

Refined and practical.

When it comes to the realities of modern luxury living, the new Bentayga is a car for all seasons and all lifestyles.

Innovative features have been designed to enable a whole spectrum of outdoor pursuits, across a vast range of climates and temperatures – from sea level on the Côte d'Azur to the snowline in the Sierra Nevada – so that your destination can be as exhilarating as the journey. The new Bentayga V8 and Speed both deliver a towing capacity of 3.5 tonnes – more than ample for speedboats, gliders and horseboxes. The electrically retracting tow bar** lies behind the rear bumper when not in use.

All features and accessories*, from an aerodynamic roof box to a range of tailored storage solutions for skiing, fishing, diving and other active pursuits, offer the luxury of practicality, whilst echoing the unmistakable new Bentayga styling. The spacious boot provides ample storage space, while the hands-free tailgate, easy-load boot function and load assist tray** enable effortless opening, closing and loading.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

*Cost option.

TECHNOLOGY

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

Intuitive technology.

Bentley has long set the standard in luxury, all-wheel drive engineering, integrating the latest technologies in discreet and unobtrusive ways. Born of 'intelligent functionality', they are designed to enhance the enjoyment of driving.

Created with the driver in mind, the technology in the new Bentayga can be easily configured to suit your personal tastes, including several driver assistance systems to aid urban driving, grand touring and more robust off-roading.

This innovative SUV comes equipped with the latest suite of Connected Car services, accessible in-car and remotely via the My Bentley app, allowing you to monitor the location and status of your car, and control a host of functions wherever you may be. These services are designed to enhance your journey, making it safer, smarter and more convenient – even when you are apart from your vehicle.

However, the connectivity doesn't end with you and your car. The new Bentayga harnesses infrastructure data such as real-time traffic information, green light prediction and swarm services from other road users to warn of potential hazards on your chosen route. These Connected Car services mean the progress of your journey can remain uninterrupted, so whatever adventures you embark on, each can be relished to the full.

You can explore more innovative features [here](#).

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

From city roads to no roads.

Remarkable performance allied with exceptional handling and peerless ride comfort lets you experience every environment in world-class refinement.

Drive Dynamics Mode allows you to adapt to your surroundings using an intuitive rotary dial. Whether you're navigating the city or enjoying the open road, you can switch instantly

between four on-road driving modes – Comfort, Sport, Custom and Bentley.

The All-Terrain Specification* adds four additional Responsive Off-Road Settings, to deliver more drive modes than any other car. The 'Snow & Grass' setting provides grip on low friction surfaces, 'Dirt & Gravel' gives optimum traction on loose debris, 'Mud & Trail'

configures the car's systems for muddy, uneven surfaces and 'Sand' gives greater confidence over dunes. And all the while, exhaustively tested underfloor protection ensures all key components are preserved.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

An unrivalled driving experience.

The experience of driving a Bentley always has been – and always will be – at the heart of what makes it such an exceptionally desirable automobile. The new Bentayga is no exception.

Its comprehensive driver assistance systems are focused on enhancing and perfecting the ride experience – creating a cocoon of unrivalled comfort and security. A wide range of technologies have been developed to aid driving in the city: Blind Spot Assist*, Exit Warning*, Reversing Traffic Warning*, Traffic Sign Recognition*, Top-View Camera,

Pedestrian Warning* and more. The head-up display* artfully feeds driving-relevant information into your line of vision, without distracting from your driving line.

Longer journeys also take on a greater sense of freedom. Adaptive Cruise Control*t, Night Vision*t, Bentley Safeguard Plus*t and High Beam Assist allow you to enjoy the new Bentayga's performance at speed on the open road.

Bentayga Hybrid is currently available to order in USA, Canada, Puerto Rico and China.

Connect to more.

The new Bentayga is poised and equipped with the latest suite of Connected Car services, harnessing real-time information to respond intelligently to the ever-changing world around you. These intuitive services are accessed seamlessly in-car, or remotely via the My Bentley app – the ultimate partner to any Bentley owner – making your journey and your daily life smarter, safer and more convenient.

Smart

Real-time traffic information gathers up-to-the-minute traffic data into the navigation system, enabling you to plan more effectively and avoid traffic congestion by dynamically re-routing your journey. In addition, the new Bentayga utilises the power of cloud data to enhance every journey. Google's Point of Interest search provides easy, voice-controlled access to information about notable locations you may encounter on the way, while song recognition, news and weather feeds add further infotainment, effortlessly integrating technology as you drive.

With a built-in Wi-Fi hotspot*, you and your passengers can link your smart devices to the touchscreen through Android Auto*, Apple CarPlay** and Wireless Apple CarPlay** – enhancing the Connected Car experience and allowing you to bring your world into the new Bentayga. The content from your device is displayed on the section of the screen furthest from the driver, so that useful driving information is never obscured.

Safe

Innovative safety features include Private eCall* and Roadside Assistance, which automatically connect you to a Bentley Emergency Call Centre or the Bentley Roadside Assistance team in the event of an accident, establishing your location and condition of the vehicle.

Furthermore, Theft Alert and Perimeter Alert will send you push notifications if your car leaves a predefined geographical area or if the alarm is activated.

Convenient

Every journey in the new Bentayga can be seamlessly interlinked with your day-to-day life. Calendar integration synchronises your personal device calendars with the car and your My Bentley app, combining them with features such as Auto Read Out and navigation assistance. Natural Speech Interaction allows voice control of over 200 functions within your car, ensuring your hands needn't leave the wheel.

When you're apart from your Bentley, Activate Heating allows you to adjust the climate control, preparing your cabin and passenger area with an optimum temperature ahead of your journey. You can even check the status of your locks, lights, mileage and fuel.

Always on

The My Bentley app is quite simply your essential companion, allowing you to stay connected to your car, wherever you are in the world. From knowing where it is, accessing its status, locking it and controlling specific functions, it provides the ultimate convenience.

Every aspect of the My Bentley app benefits from automatic updates, meaning new features will be deployed and improved without you having to tap a finger. Simply search and download the My Bentley app on the App Store or Google Play.

The city, recharged.

The new Bentayga Hybrid takes connectivity and technology to the next level with a suite of forward-looking features designed to enhance city living, even when you're away from your car.

When driving in Hybrid mode, the intelligent navigation system maximises range and efficiency from the outset by choosing the most appropriate power source for each stage of your journey. If your route takes you through a city with an electric-only zone, it will even account for this in its planning, making sure the battery keeps enough power in reserve during the earlier stages of your journey.

In addition to the core suite of My Bentley Connected Car services, Bentayga Hybrid includes exclusive features made to enhance your electrified journeys further. Accessed via the My Bentley app, tools such as My Battery Charge allow you to initiate charging remotely, while the E-Charging service lets you find charging stations near you, however far you've travelled from home. Step into the perfect driving environment with the Bentayga Hybrid's My Cabin Comfort. This feature will either heat or cool the internal cabin to an optimal 22°C, enabling you to begin every journey in maximum comfort, regardless of outside conditions.

Bentayga Hybrid is currently available to order in USA, Canada, Puerto Rico and China.

Connected Car services vary by market, please visit My Bentley support site for details.

Screen time, reimagined.

For stunning views, you do not have to look far.

The new Bentayga features a completely new, high-resolution touchscreen infotainment system. This 10.9" screen has a resolution of 1920 pixels by 720 pixels, providing sharp, crystal-clear images, and is underpinned by cutting-edge software to provide a high level of future-proofing. Here, you can intuitively control your personal device or smartphone which connects to the screen via Android Auto®, Apple CarPlay®* or Wireless Apple CarPlay®* for a seamless experience.

There is also a fully digital Driver's Information Panel located behind the steering wheel, not only creating a contemporary look within the cockpit, but also providing more customisation and choice. For example, there are two main views: classic, which shows the traditional two dial design, or expanded, where only the left dial is in view, giving an expanded area for maps and media depending on your personal preferences.

*Regional applicability. Apple CarPlay is a registered trademark of Apple Inc.

PERFORMANCE

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

The ultimate SUV.

The new Bentayga delivers Bentley's unique and exhilarating driving experience through a balance of raw power and efficiency, making it supremely versatile on-road and off-road. As should be expected, it possesses the typical Bentley characteristics of phenomenal torque with ample reserves of power – ensuring a surge of acceleration is always available should it be needed.

Whether you opt for the exceptionally responsive V8 engine, the formidable W12 engine or the Hybrid powertrain's seamless combination of a V6 engine with an innovative E Motor, you will experience Bentayga's thrilling capabilities – with Bentley's DNA defining them all. Each model delivers the Bentley hallmarks of exhilarating power and dynamic performance. And with the new Bentayga Hybrid, a new characteristic has been forged: endless serenity.

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

Bentayga Hybrid is currently available to order in USA, Canada, Puerto Rico and China.

Perfectly controlled, everywhere.

The engrossing driving experience offered by the new Bentayga range is enhanced by exceptional ride comfort and phenomenal handling – both on and off the road.

The 8-speed transmission ensures optimum gear selection and smooth, irresistible acceleration through multiple gear changes. And the 48V Active Roll Control System, known as Bentley Dynamic Ride*, unites the presence of an SUV with the performance of a sports car and the refinement of a luxury saloon.

This incredible SUV is engineered to perform perfectly at lateral and longitudinal angles of up to 35°, and in a wading depth of up to 500 mm. The advanced Torsen All-Wheel Drive (AWD) system delivers power to the wheels with the greatest available traction – while delivering unwavering confidence to the driver.

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

*Cost option on Bentayga V8.
Not available on Bentayga Hybrid.

The new Bentayga Hybrid.

The new Bentayga Hybrid balances speed and power with forward-focused technologies to create the most advanced and progressive electric vehicle Bentley has ever made.

Its perfectly balanced combination of a 3.0 litre V6 combustion engine and powerful E Motor injects effortless power into every drive, for exceptionally rewarding journeys in the city and beyond. With a twin-scroll turbocharger that enables optimal

responsiveness and maximum efficiency, the two motors work seamlessly together to provide an impressive 700 Nm (516 lb ft) of combined torque. This allows the Hybrid to go 0 to 60 mph in just 5.2 seconds (0 to 100 km/h in 5.5 seconds), before surging on to a top speed of 158 mph (254 km/h). With electric-only driving, it can reach an impressive 84 mph (135 km/h), and thanks to an electric-only range of 50 km (NEDC) / 17 miles (NAR EPA)*, you can savour the uniquely tranquil experience for longer.

Three intelligent driving modes ensure that you can enjoy the most serene and efficient drive at all times. The all-electric EV Drive mode is optimised for short journeys and city driving, while Hold is designed to preserve battery charge for when you need it. Hybrid mode intelligently combines the V6 engine and E Motor, using information from your planned journey in the navigation system, to maximise range and performance.

Back at home, the elegant recharging unit enables you to recharge your Bentayga between drives, with two programmable timers allowing you to plan ahead for specific departure times.

Bentayga Hybrid is currently available to order in USA, Canada, Puerto Rico and China.

*17 mile all electric range, NAR EPA cycle, subject to type approval.

The new Bentayga V8.

The new Bentayga V8 is powered by the most advanced V8 engine ever built. Powerful and efficient, it offers exhilarating performance and a dynamic driving experience accompanied by a distinctive sound that announces the car's immense capabilities.

This advanced engine can produce a thrilling surge of power, with 542 bhp (550 PS) at your disposal. It reaches its maximum torque of 770 Nm (568 lb ft) at just under 2,000 rpm and maintains this through to 4,500 rpm. This ensures rapid acceleration whatever your driving speed – enabling the new Bentayga V8 to take you from 0 to 60 mph in just 4.4 seconds (0 to 100 km/h in 4.5 seconds), and on to a staggering top speed of 180 mph (290 km/h).

The V8 engine isn't just relentless, it is also highly efficient. It employs a Variable Displacement System to shut down four of the eight cylinders when not required, reactivating them again as soon as they are needed without the driver even noticing. 'Start-stop' technology is deployed not only when the vehicle is stationary, but also at 'near-stop' speeds. The result is emissions of just 302 g/km of CO₂, a combined driving fuel economy of 21.2 mpg and a generous range of over 635 km.

In short, the V8 engine delivers exhilaration as well as efficiency to create an extraordinary driving experience.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

The new Bentayga Speed.

The new Bentayga Speed puts the formidable power of a class-leading W12 engine in your hands, offering ferocious performance with breathtaking top speeds. This is the most powerful SUV Bentley has ever made – and it's the fastest SUV ever to grace the road.

The W12 engine's phenomenal power translates to a maximum torque of 900 Nm (664 lb ft) and a 0 to 60 mph time of just 3.8 seconds (0 to 100 km/h in 3.9 seconds). With 626 bhp (635 PS) at your disposal, it will continue to gain speed for as long as the accelerator pedal is depressed, before reaching an unrivalled top speed of 190 mph (306 km/h)*.

Variable displacement technology ensures maximum engine efficiency is achieved by shutting down six of the twelve cylinders when they're not needed, resulting in a more than practical range of nearly 400 miles or 644 km (NEDC). And with the twin-scroll turbochargers engineered for optimum response, you won't feel any hint of turbo lag – whether six or twelve cylinders are in operation. This ensures a rewarding driving experience that elevates both efficiency and power, redefining what an SUV engine can do.

The true power of the new Bentayga Speed is revealed in Sport mode. This stirs the senses with more performance-focused engine and transmission settings, greater exhaust character during start-up and gear downshifts, and firmer suspension for enhanced handling – transforming a rewarding drive into an incredibly exhilarating experience.

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

*Max speed when fitted with Carbon Ceramic brakes.

PERSONALISATION

Express your desire.

With a host of accessories and styling options allowing you to configure your new Bentayga to your personal taste, it is highly unlikely you will ever see another one like yours.

You can choose from an extensive palette of exterior paint colours, all of which are designed to maintain their brilliance for many years to come. With numerous different wheel designs, hide options, beautiful natural veneers and distinctive trim options, almost every visible feature of your new Bentayga can be customised to your own specification.

To make the new Bentayga truly yours, you have the choice of three optional stitching configurations to add a finer finish – contrast stitching*, contrast stitching with seat piping* or cross stitching*.

Should you desire even more freedom to tailor your new Bentayga, you may opt for the dramatic Blackline Specification*, or consult the Mulliner team at the Bentley factory in Crewe to undertake completely bespoke modifications to meet your specific requirements.

Visit **Mulliner** to discover more.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

*Cost option.

Exterior finish.

Colour can be a powerful expression of who you are. That's why we offer a wide range of exterior colours carefully curated by the Bentley design team, each one chosen to emphasise your new Bentayga's unique presence on the road.

With the new Bentayga, you can choose from seven standard exterior colours – increasing to 17 with Bentayga Speed – that range from the understated to the bold, or you can include the extended range to give you a total of 62 colours*. This extended range now includes two new colours: Patina, a mid-tone beige reminiscent of Champagne and silk, and Viridian, a mysterious dark emerald green inspired by the EXP 10 Speed 6.

Should you desire something that truly stands out, you can explore the Bentley Mulliner* range of exquisite paint options, which are available in solid, metallic, satin and pearlescent options, as well as in striking duo-tones. Alternatively, if you have an exact colour in mind – whether it's found on a favourite item of clothing, flower or piece of art – Mulliner offers a bespoke colour matching service* that can create a paint option which is entirely personalised to you.

To discover more, visit [Mulliner](#).

*Cost option.
Bentayga Hybrid is currently available to order in USA, Canada, Puerto Rico and China.

Intrepid wheels.

Your choice of wheel can subtly or dramatically alter the character of your SUV.

To make your new Bentley truly distinctive, you can choose between three striking alloy wheel options: a 21" five twin-spoke design, a 22" five spoke directional design* and a 22" ten spoke directional design available with the Mulliner Driving Specification*. Each of these wheels is available in a choice of breathtaking finishes.

The new Bentley Speed includes an exclusive 22" 10 spoke alloy wheel as standard, available in your choice of three finishes: painted, or the optional dark tint or black painted.

To explore the options for yourself, visit our [online configurator](#).

New Bentley V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

Compelling veneers.

Bentley's enthusiasm for fine materials and handcrafted finishes can be clearly seen in the new Bentley's flawless veneers. Sustainably sourced from forests around the world, each leaf of wood can be traced right back to the tree it came from; the beginning of an intricate process that takes around five weeks for every car. The veneers are sanded and lacquered five times, taking a full ten days to reach the Bentley standard of finish. The resulting shine is both lavish and deep, beautifully highlighting the natural grain of the wood.

Our vast choice of veneers is detailed on the next page. And should you desire a more contemporary twist, why not discover our latest eye-catching technical finishes, including high-gloss Carbon Fibre, offering a formidable, sporty element; or the stunning new Dark Tint Diamond Brushed Aluminium*, where each diamond is brushed in three directions to give an exceptional, textured 3D effect finish.

With the new Bentley Speed, you can choose from an extended range of luxurious veneers as standard: Crown Cut Walnut, Piano Black, Dark Fiddleback Eucalyptus and Dark Stained Burr Walnut – with Koa, Burr Walnut, Tamo Ash and Liquid Amber options also available.

How will you make your fascia a thing of beauty? **Create yours.**

Tint*

Please refer to specifications and options on pages 48 to 54 for standard and optional veneers.
*Applied to fascia and door waistrail. Piano Black to Centre Console and picnic tables (if selected).

Natural hides.

Every inch of the new Bentayga's interior is upholstered by hand. Crafting the hand-selected leather hides is a time-honoured process involving skills that take years to learn.

From the fascia to the leather headlining*, every inch of the cabin requires a specialised approach. Sections of the hide with high natural elasticity are reserved for curved surfaces like the seats, rather than for piping or flatter areas such as door inserts. The steering wheel, meanwhile, is covered in a highly resistant leather to ensure the natural chemicals from the driver's skin are not absorbed, creating grip, comfort and longevity.

The Bentley design team have chosen five standard leather colours and 10 further options, along with five colour combinations, to let you express your individual style. The new Bentayga Speed also has a unique colourway. Each option complements the interior perfectly.

The new Bentayga Speed comes with the exclusive Colour Specification as standard, which means the full range of hide colours are available to you at no extra cost.

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

*Cost option.

Cumbrian Green

Imperial Blue

Please refer to specifications and options on pages 48 to 54 for standard and optional hides. Please note, the colours reproduced are for representation purposes only and therefore vary slightly from the actual vehicle.

Black Specification.

The Black Specification* dramatically changes the character of your car. In addition to replacing all exterior polished chrome with all-black brightware, it includes a new front bumper with carbon fibre blade, carbon fibre side sills, black 22" five spoke wheels and black exhaust tailpipes. A striking carbon fibre rear spoiler completes a look that will certainly stand out.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

Mulliner Driving Specification.

The Mulliner Driving Specification* brings the distinctive Mulliner aesthetic to the interior of your new Bentayga. Its considered style includes diamond-quilted seats, sports pedals, embroidered Bentley emblems and the full selection of hide, carpet and interior colour combinations. Exclusive 22" wheels and stunning fuel and oil filler caps provide the perfect finishing touches.

*Cost option.

Optional packages.

Bentley configurator.

Taste is a wonderful thing to have, and it is something you can use to make your new Bentayga truly unique. Use the Bentley configurator to make your distinctive SUV as individual as you.

Start your extraordinary journey today.

Visit the Bentley online **configurator**.

New Bentayga V8 WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ – 294 g/km.

Financing your new Bentayga.

Our finance agreements are tailored to ensure you make the most of your investment.

While other financiers look only at the circumstances of the customer, Bentley Financial Services creates bespoke packages, based not just on your needs and income, but also on the vehicle you have in mind.

To discover more, please talk to your local Bentley retailer or visit [BentleyMotors.com](https://www.bentleymotors.com)

Experience it for yourself.

As with every Bentley, there is only one way to truly appreciate this remarkable SUV – to sit in the driving seat, take the wheel in your hands and feel the breathtaking surge of acceleration as you put your foot down.

To take the next step on the journey of acquiring your new Bentayga, we recommend a conversation with a Bentley retailer. You can find your nearest showroom [here](#).

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

WORLD OF BENTLEY

The Bentley Collection.

The Bentley Collection is a selection of lifestyle products inspired by the design, craftsmanship and performance of our cars.

With many items lovingly crafted by highly skilled artisans, the Bentley Collection takes our exciting heritage and vision for the future, and seamlessly weaves it into extraordinary statement pieces.

From stylish accessories to exquisite finishing touches for the office or home, every item captures the inherent qualities of craftsmanship, tradition, exclusivity and style.

To view the complete range, please contact your local Bentley retailer or visit the online store at BentleyCollection.com

The Bentley Experience.

With the opportunity to visit our Crewe factory, the Bentley Experience offers a unique insight into the design and engineering required to create a Bentley.

You'll see the full model range and explore a dedicated personalisation area, bespoke Mulliner room and Bentley boutique, for a window into the world of Bentley.

To register your interest and find out more, please contact your local **Bentley retailer**.

Bentley events.

We run a number of events each year for Bentley drivers and enthusiasts.

From the Extraordinary World programme, which offers the opportunity to explore some of the most remote and beautiful landscapes in the world from the luxury of a new Bentayga, to exclusive drives through Europe experiencing the finest cuisine and culture on offer, there is a Bentley event to satisfy everyone.

To discover more, please talk to your local Bentley retailer or visit **BentleyMotors.com**

The Bentley Network.

Imagine an app that puts the world of Bentley in your hands.

The Bentley Network app provides access to essential owner services, an exclusive line of communication with Bentley and membership of a global community of like-minded owners – placing the future of Bentley, quite literally, at your fingertips.

Available exclusively to Bentley owners, the app is a fast track to a world of unique events – with priority invitations to everything from thrilling driving experiences to intimate dinners and some of the most exhilarating races in the global motorsport calendar.

The wealth of extraordinary owner services includes initiatives such as 'Bentley on Demand', which allows you to use a Bentley when travelling.

Through the Bentley Network app, you will be the first to hear our latest news, announcements and exclusive content.

You can also share your ideas, inspiration and experiences with an online community of like-minded owners.
