Cadillac

DARE GREATLY

BE IN COMMAND OF EXTRAORDINARY PASSIONS

Precise craftsmanship. Assured performance. Ingenious technology. Together they transform every drive into a masterful experience. Completely satisfying and unmistakably Cadillac.

The 2017 CTS.

CTS Luxury in Radiant Silver Metallic. Shown with available equipment.

PASSIONS

Craftsmanship
Performance
Innovation

Every millimeter is a chiseled

vision of modern craftsmanship

Attention to detail

makes the interior truly transporting

A collection of engines

offers only one choice. Performance.

Advanced technologies with the power

to transform a cabin into a cockpit

Selections

CTS Premium Luxury in Stellar Black Metallic. Shown with available equipment.

INTERIOR

CURATED TO COMPLEMENT. EACH AND EVERY DRIVE.

The tailored CTS interior features striking materials, including real wood trim and supple yet strong available Semi-Aniline leather engineered for durability and delight. In every case, these options are curated to work together beautifully, so no matter which you choose, the cabin will be a stunning expression of your personal style.

OFFERED FEATURES: 20-WAY PERFORMANCE FRONT SEATS • TRI-ZONE CLIMATE CONTROL • ADAPTIVE REMOTE START • AMBIENT INTERIOR LIGHTING • CUSTOMIZABLE 12.3" LCD DISPLAY • REAR VISION CAMERA • SURROUND VISION • REAR CAMERA MIRROR

CTS V-Sport Premium Luxury interior in Kona Brown. Shown with available equipment.

Preferred seating

20-way performance front seats are available in Semi-Aniline leather and feature power-adjustable seatback bolsters and manual thigh support.

Very personal comfort

Available Tri-Zone Climate Control allows driver, front and rear passengers to adjust temperatures individually.

A head start, with a smart start

Integrated into your key fob, Adaptive Remote Start engages the engine from up to 100 yards away, and can also sense outside temperature to activate the appropriate cabin climate control.

Lighting so ingeniously hidden, it's revealing

Ambient interior lighting employs LED spotlights and light pipes to subtly highlight cabin craftsmanship.

Determine your data

An available, customizable 12.3" diagonal LCD Gauge Cluster allows you to choose how to display vehicle data, entertainment, communications and navigation information in full color.

A forward-looking rear view

When in reverse, the Rear Vision Camera automatically displays a live image of the area behind you on the Cadillac CUE screen. Guidelines plot your intended trajectory, helping you see people and objects that might be in your path.

A higher look at what surrounds

Available Surround Vision provides a bird's-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected on the Cadillac CUE screen, helps increase your awareness when parking or in Reverse.

A brilliant look back

With just a touch, the available Rear Camera Mirror streams HD video to the rearview mirror. This view (A) offers substantially more vision than an ordinary mirror. And a simple toggle instantly reverts it back to a traditional mirror (B).

| EXTERIOR

METAL RICH WITH MEANING

Cutting-edge aerodynamics, innovative lighting, advanced metal work. These, and the belief that a vehicle should move you even when standing still, are all hallmarks of CTS exterior design.

OFFERED FEATURES: CRYSTALLINE LED LIGHTS • INTELLIBEAM HEADLAMPS • INLAID HOOD •
ILLUMINATING DOOR HANDLES • INTEGRATED REAR SPOILER • CARBON BLACK PACKAGE
WITH DISTINCT EXTERIOR AND INTERIOR FEATURES

CTS Premium Luxury in Crystal White Tricoat. Shown with available Carbon Black Package and other equipment.

Illuminating innovation

The hundreds of crystalline LED lights that accentuate the exterior are also more energy efficient than traditional technologies. Available High-Intensity Discharge (HID) headlamps feature Adaptive Forward Lighting that automatically turns headlamps according to steering wheel inputs to provide improved road illuminations.

A grand entrance is all but guaranteed

The powerful lines, curves and planes of the inlaid hood are the metal-crafter's work at its most sophisticated.

Innovation you can see

Available Intellibeam headlamps automatically turn high beams on or off, according to outside conditions. The system also disengages high beams when approaching headlamps or taillamps are within range.

A concealed advantage

Hidden behind the grille, the Active Aero Grille Shutters automatically close to maximize aerodynamics when additional cooling is not required.

A smart finish

The integrated rear spoiler features a 48-LED center brake lamp to help manage airflow and create downward force.

Improved visibility with impressive style

Available Illuminating Door Handles deliver both.

| PERFORMANCE

PROVEN ON THE FAMED NÜRBURGRING TEST TRACK

Experience authoritative acceleration and dynamic handling each and every moment. From remarkably powerful and efficient engines, to precise handling and a finely tuned suspension, driving the 2017 CTS is to enjoy, to the fullest, the prerogatives of performance.

OFFERED FEATURES: 3.6L V6 TWIN TURBO, 3.6L V6 OR 2.0L I4 TURBO ENGINES & 8-SPEED AUTOMATIC TRANSMISSION • MAGNESIUM PADDLE SHIFTERS AND DRIVER-SELECTABLE MODES • MAGNETIC RIDE CONTROL • ALL-WHEEL DRIVE WITH ACTIVE TORQUE TECHNOLOGY • ACTIVE FUEL MANAGEMENT • FRONT BREMBO® PERFORMANCE BRAKES • WEIGHT BALANCE

Fierce and efficient engine options

For maximum performance, the available 3.6L V6 Twin Turbo delivers a pulse racing 420 hp and 430 lb-ft of torque. The available 3.6L V6 is equipped with Active Fuel Management and delivers 335 hp. The standard 2.0L Turbo 4-cylinder delivers a potent 268 hp and a Cadillac-estimated 30 highway mpg. All engines are paired with an intelligent 8-speed automatic transmission for responsive shifting, and each features Auto Stop/Start technology for optimal efficiency.

Innovation firing on all cylinders

Active Fuel Management imperceptibly activates or deactivates 2 of the 6 cylinders, found within the 3.6L engine, according to your driving needs.

Precision balanced with 50/50 weight distribution

Advanced alloys and engineering create near-perfect 50/50 front-to-rear weight distribution for improved handling and cabin quiet. The Rear-Wheel Drive CTS is among the lightest in its class.

CTS Premium Luxury in Crystal White Tricoat. Shown with available equipment.

Race-proven

Carved from lightweight aluminum alloy, Brembo front brakes bring a host of advantages including greater stopping power and wear resistance.

Power controlled is power enjoyed

Magnesium Paddle Shifters allow you to move through the 8-speed automatic transmission manually. And driver-selectable modes (Tour, Sport, Snow/Ice and, with V-Sport models, Track) let you tune the steering, suspension and transmission depending on road conditions and your preference.

Reading the road 1000 times a second

Cadillac's Magnetic Ride Control automatically adjusts the suspension to road quality and weather conditions. The system reads the road up to 1000 times a second, tuning the suspension for a highly responsive, smoother drive in otherwise shaky scenarios.

Sure footing

For additional control, available All-Wheel Drive with Active Torque Technology maximize stability and handling, delivering impeccable control in less than perfect driving conditions.

| V-S P O R T

IN JUST 4.4 SECONDS, THE CTS V-SPORT REVEALS ITSELF

That's how long it takes the 420-hp, Twin Turbo V6 engine to propel this remarkable sedan from 0 to 60 mph. A variety of sophisticated handling and vehicle management features assure all this power remains firmly under your control.

OFFERED FEATURES: 8-SPEED AUTOMATIC TRANSMISSION • 18" WHEELS WITH SUMMER-ONLY PERFORMANCE TIRES • ELECTRONIC LIMITED-SLIP DIFFERENTIAL • HEAD-UP DISPLAY • V-SPORT GAUGE CLUSTER • PERFORMANCE DRIVER-SELECTABLE MODES • V-SPORT PREMIUM LUXURY

Partner in performance

Paired with the 420-hp, Twin Turbo-V6 engine, the 8-speed automatic transmission features Performance Algorithm Shifting. This advanced technology maximizes performance by seamlessly selecting the best gear for quicker shifts and a more satisfying drive.

Style comes full circle

18" 10-spoke Ultrabright machined finish wheels with After Midnight painted pockets compliment the V-Sport's aggressive stance.

Conquer curves

The electronic Limited-Slip Differential (eLSD) automatically redirects power to the drive wheels with the best traction, for better corner exit acceleration and making driving well balanced throughout a turn in most road conditions.

Project the information that matters

The available Head-Up Display (HUD) projects speed, audio, navigation and other information onto the front windshield, so you can keep your eyes safely on the road.

Performance: a customized view

Use the available customizable V-Sport Gauge Cluster to emphasize your tachometer, mph or other information in three reconfigurable themes.

Select the most satisfying ride

Four driving modes — Tour, Sport, Track and Snow/Ice — calibrate steering, suspension and transmission depending on your preference and road conditions.

The extraordinary made even more so

V-Sport Premium Luxury enhancements include 20-way performance front seats, Tri-Zone Climate Control, a reconfigurable gauge cluster, as well as a full-color Head-Up Display (HUD).

CTS V-Sport Premium Luxury in Dark Adriatic Blue Metallic. Shown with available equipment.

| TECHNOLOGY

A VARIETY OF TECHNOLOGIES. A SINGLE FOCUS.

The CTS is equipped with a variety of advanced technologies that deliver one powerful promise — masterful services and convenience. From the satisfying feel of controls to seamless digital interfaces, all meet your needs with the greatest elegance and efficiency.

OFFERED FEATURES: CADILLAC CUE® WITH PHONE INTEGRATION • BOSE® TECHNOLOGY • ONSTAR 4G LTE AND AVAILABLE BUILT-IN WI-FI® HOTSPOT • HEAD-UP DISPLAY • WIRELESS CHARGING

More than information at your fingertips

Cadillac CUE puts a suite of information and entertainment offerings, including climate, audio, settings control and available 3-D GPS Navigation, at your command. Plus, it offers the all-new Cadillac Collection, where you'll be able to select and install a range of apps from music to audiobooks to weather style apps. (Data plan rates apply.)

Your phone, even smarter

Cadillac CUE Phone Integration with Apple CarPlay™¹ compatibility allows you to access your contacts, Apple Music™ and other information from your iPhone® with a touch of the screen, shown below. You can also access Siri,² so features are easily accessible to you or your front-seat passenger. Phone Integration also offers Android™ Auto³ compatibility.

¹ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. ² Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. ³ The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com.

Stay connected or engaged

OnStar 4G LTE and available built-in Wi-Fi hotspot² allows you to connect up to seven devices at the same time, up to 50 feet away. And just as convenient, compatible devices can be powered with the Wireless Charging feature.³

A special venue deserves audio to match

A premium 11-speaker Bose sound system is standard equipment. And for a more immersive experience, an available 13-speaker Bose Surround system features Centerpoint® 2 surround technology.

Performance front and center

Available Head-Up Display (HUD) projects selected information onto the front windshield, so you can keep your eyes safely on the road.

CTS Jet Black interior shown with Apple CarPlay and other available equipment.

| SAFETY

A HEALTHY OBSESSION WITH SAFETY

A true focus on driver and passenger well-being is never done. In the CTS, this focus manifests itself in innovations and advances that deliver nothing less than confidence.

OFFERED FEATURES: SAFETY CAGE • INTELLIGENT SAFETY SYSTEMS (INCLUDES SIDE BLIND ZONE ALERT WITH LANE CHANGE ALERT, FORWARD COLLISION ALERT & REAR CROSS TRAFFIC ALERT) • RAINSENSE WIPERS • LANE KEEP ASSIST WITH LANE DEPARTURE WARNING • ADAPTIVE CRUISE CONTROL • AUTOMATIC SAFETY BELT TIGHTENING • FRONT AND REAR AUTOMATIC BRAKING • SAFETY ALERT SEAT

Innovation that keeps watch to the front, rear and side

FRONT

Maintain an intelligent space

Adaptive Cruise Control uses both radar and cameras to maintain a set distance between you and the vehicle ahead.

Truly forward thinking

Forward Collision Alert monitors traffic ahead, alerting you if a potential collision is imminent, while Following Distance Indicator shows the following time to the vehicle ahead (in seconds) in the Driver Information Center (DIC).

An intelligent wiper

Rainsense Wipers automatically engage when rain is detected, adjusting their speed to the rain's intensity. Whenever wipers are activated, Auto-Dry brakes automatically positions the brake pads closer to the rotors to sweep away moisture and improve performance.

SIDE

Travel the straight and smart

Using monitors to sense lane boundaries, Lane Keep Assist gently turns the steering wheel if the system anticipates the vehicle is leaving the lane unintentionally or without using your turn signal. Working in conjunction with the Safety Alert Seat, Lane Departure Warning sends a visual alert in the cluster and a warning pulse through the seat cushion.

All clear

Side Blind Zone Alert monitors your blind spots, so if a vehicle is in the adjacent lane, and you've activated your turn signal, an icon on the side mirror illuminates to alert you. Lane Change Alert surveys the area well beyond the side blind zone, and flashes the side mirror warning icon to alert you of a rapidly approaching vehicle.

INSIDE

Strong enough to crumple

The ultra-high-strength-steel safety cage features strategically placed crumple zones that help absorb and manage crash energy. The safety cage is also equipped with 10 standard air bags, including knee air bags for the driver and front passenger, and side-impact air bags for front and rear passengers.

Firmly reassuring

During emergency braking or sudden maneuvers, available Automatic Safety Belt Tightening activates. When conditions revert to normal, they ease automatically.

Grabs your attention. Subtly.

Cadillac's patented Safety Alert Seat sends a discreet pulse to the left, right or both sides of the driver's seat, indicating the direction of the threat — left, right or front.

REAR

Brighter backing out

When backing out of a parking space, Rear Cross Traffic Alert warns of oncoming traffic to either side of your vehicle.

Gain precious time

Up to certain speeds, Front and Rear Automatic Braking can sense imminent front and rear collisions and automatically engage the brakes, if you have not already done so, helping to reduce the severity of the collision. The system may even help avoid a collision at very low speeds.

STANDARD FEATURES

2017 CTS Features

DRIVETRAIN

2.0L Turbo Direct-Injection, VVT 4-Cylinder Engine With 268 hp and 295 lb-ft of torque with Auto Stop/Start
Transmission 8-speed automatic with performance algorithm shifting
Driving Modes Driver-selectable
Exhaust Dual outlets with chrome tips
Rear-Wheel Drive

CHASSIS AND SUSPENSION

Brakes Brembo® front, four-wheel vented disc with antilock braking system, Duralife rotors and featuring Auto-Dry and intelligent Brake Assist
Steering ZF premium, speed-sensitive, variable-effort power rack-and-pinion, electric system
Suspension, 4-wheel Independent Front MacPherson-type with dual lower ball joints, twin-tube struts and direct-acting stabilizer bar; rear five-link with twin-tube shocks

EXTERIOR

Active Aero Grille Shutters
Grille With Galvano satin-chrome accents
Lighting
 Projector halogen headlamps with LED vertical light signatures
 Adaptive forward lighting
 Daytime running lamps
Mirrors Body color, power, heated, with integrated turn signal indicators
Solar-Absorbing Windshield
Spoiler Rear decklid integrated with LED Center High-Mounted Stop Lamp (CHMSL)
Windshield Wipers Driver-selectable variable speed
Wheels 17" aluminum wheels with painted finish (see page 45 for more details)

INTERIOR

Adaptive Remote Start Activates heated/ventilated seats (if equipped), climate control system and rear defroster
Air Filtration System Automatic air circulation and air quality
Armrest Center front and rear with hidden storage
Audio Cruise Control and Driver Information Center (DIC) controls
Audio System Bose® premium 11-speaker sound system
Bluetooth®¹ Hands-Free Calling and data-service streaming with Natural Voice Recognition

1. Go to my.cadillac.com/learn to find out which phones are compatible with the vehicle. **2.** Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. **3.** Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. **4.** Requires data plan, compatible vehicle and compatible device. Some features require factory-installed remote start, power locks, Tire Pressure Monitoring System or active OnStar service. **5.** Capabilities vary by model. Visit onstar.com for details and system limitations. Message and data rates may apply. Requires active OnStar service, email address and enrollment in Advanced Diagnostics. **6.** Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. **7.** If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink. XM satellite service is available only to those in the 48 contiguous U.S.A. and D.C. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. **8.** Not compatible with all devices. **9.** The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com. **10.** Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information. **11.** Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. **12.** Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. **13.** Before making a lane change, always check the Side Blind Zone Alert display and the side and inside rear mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal. **14.** Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information go to <https://my.cadillac.com/learnAbout/cadillactires/> or see your dealer. **15.** Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. **16.** Vehicles equipped with these linings will experience faster accumulation of brake dust on wheel surfaces and may produce more noise than with standard linings.

LUXURY

Enjoy 2017 CTS Features + these enhancements:

Bose 13-speaker Centerpoint Surround Sound System (requires Navigation)
Driver Awareness Package Forward Collision Alert, Forward Distance Indicator, Side Blind Zone Alert,¹³ Lane Change Alert, Rear Cross Traffic Alert, Lane Keep Assist with Lane Departure Warning, IntelliBeam headlamps, Safety Alert Seat and Rainsense Wipers

OWNER BENEFITS

Our owners deserve it all. That's why 2017 vehicles are backed by a comprehensive suite of owner benefits. To learn more, visit: cadillac.com/CTSoownerbenefits

ONSTAR

With available OnStar¹ you can get immediate help, outsmart and avoid vehicle theft, reach destinations, stay connected, even manage your vehicle's health. To learn more, visit: cadillac.com/onstar

ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

TIRE SEALANT AND COMPRESSOR KIT

If your vehicle has a tire sealant and compressor kit, it uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than ¼-inch or a tire that has unseated from the wheel. The sealant can only be used on one tire, one time before its expiration date.

ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

¹ Visit onstar.com for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T. ² Roadside Assistance Program and Courtesy Transportation Program are not part of the New Vehicle Limited Warranty. A separate booklet titled, "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.

UPDATED SERVICE INFORMATION

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-782-4356 or by visiting www.helminc.com.

NEW VEHICLE LIMITED WARRANTY

World-class coverage comes standard on every 2017 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)

Powertrain limited warranty with no deductible, Roadside Assistance Program² and Courtesy Transportation Program²

COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)

Bumper-to-bumper coverage. Tires — defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.

RUST-THROUGH COVERAGE

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years and unlimited mileage. Cosmetic or surface corrosion—resulting from stone chips or scratches in the paint, for example—is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.
