YOU KNOW YOU WANT A TRUCK.

The 2017 Colorado was named *U.S. News & World Report's* Best Compact Truck for the Money! That's three years in a row for Colorado – the truck that keeps raising the bar higher.

The available V6 offers the most horsepower of any midsize pickup. An available GM-exclusive Duramax® 2.8L Turbo-Diesel engine generates best-in-class towing power^{2,3} and torque² and makes Colorado America's most fuel-efficient pickup^{2,4}. And Colorado ZR2 is the truck built specifically to dominate the off-road.

Colorado. Powerful. Capable. Rugged. It's everything you ever needed in the one pickup you've always wanted.

¹ View U.S. News & World Report at cars.usnews.com. ² Based on available 2017 model year competitive information. ³ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁴ EPA estimated MPG city/highway: Colorado with available Duramax 2.8L Turbo Diesel engine 22/30 (2WD), 20/28 (4x4).

THE TRUCK OF A LIFETIME.

A CENTURY OF CHEVY TRUCKS. For 100 years, Chevy trucks have been part of the American Dream. The partner you can count on in the fields, the factories and the work sites all across this great land. Together we've spent a century

building a nation and an unbreakable bond with our owners. And together, we're ready to take on the next hundred years. Learn more about the Chevy truck journey at chevrolet.com.

EXTERIOR DESIGN

1. LEGENDARY LOOKS. Projector-beam headlamps, a gunmetal grille and model-specific badging bring a one-of-a-kind appearance to Z71.

2. NO ROADS NEEDED. OR WANTED. With 17-inch Dark Argent Metallic-painted cast-aluminum wheels and all-terrain tires, Colorado Z71 4x4 is trail ready from the start.

3. STEP RIGHT UP. It's easy to reach the cargo bed of Colorado with the ingenious CornerStep rear bumper.

4. GET A GRIP. Corner hand grips are standard on Colorado and cargo tie-down rings from Chevrolet Accessories are available, elevating cargo bed functionality to an even higher level.

ZR2

**NO PAVEMENT?
YOU GOT THIS.**

Colorado Crew Cab Long Box
ZR2 4x4 Diesel in Red Hot with
available features.

MOST CAPABLE MIDSIZE CHEVY TRUCK EVER. With segment exclusives such as front and rear electronic locking differentials and a Multimatic DSSV™ Damping System that offers an exceptional ride, plus one-touch terrain select for desert, mud or mountains, nearly 2 inches of front and rear lift, and a 3.5-inch wider stance, ZR2 is the ultimate off-road midsize pickup.

POWER SOURCES. Where you're going, ordinary engines just won't do. The available GM-exclusive Duramax 2.8L Turbo-Diesel 4-cylinder produces a best-in-class 369 lb.-ft. of torque! And the 3.6L DOHC V6 sets high standards too, delivering a massive 308 horsepower and 275 lb.-ft. of torque.

WHEN WE SAY TRAIL READY, WE MEAN IT. Tubular rocker panels protect your lower doors when you head off-road, while skid plates defend against underbody damage. A bed-mounted spare, available from Chevrolet Accessories, helps ensure you have the most rear clearance possible when roads get steep.

¹ Based on available 2017 model year competitive information.

1. MULTIMATIC DSSV DAMPING SYSTEM.

The dampers on ZR2 work equally well in the dirt or on the highway, easily absorbing big hits when off-road and providing a smooth ride on-road.

2. LOCKING DIFFERENTIALS.

Segment-exclusive front and rear electronic locking differentials take power from the wheels with less grip and transfer it to the wheels with more traction to get you moving.

3. AGGRESSIVE ANGLES.

Approach, breakover and departure angles are maximized to enhance your four-wheeling experience.

4. BED-MOUNTED SPARE TIRE CARRIER.

Designed specifically for Colorado ZR2, this durable carrier available from Chevrolet Accessories lets you move the spare tire from underneath the vehicle, providing easy access and extra clearance when you go off-road.

Colorado Extended Cab Long Box ZR2
4x4 Diesel in Deepwood Green
Metallic with available features.

ZR2 LOOKS THE PART TOO. The front fascia, grille and hood scoop let everyone know ZR2 has arrived. Front and rear wheel flares, 17-inch wheels with a 31-inch overall diameter and a spray-on bedliner with ZR2 logo intensify the appearance.

WHAT'S INSIDE MATTERS. ZR2-specific Jet Black leather-appointed seating, embroidered head restraints and sill plates are standard. Four-way power driver and front passenger seat adjusters ensure customized comfort. And the Driver Information Center displays your off-road performance.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet dealer or a Chevrolet Division-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first) or b) the balance of the applicable portion of the New Vehicle Limited Warranty. See your dealer for details. Some vehicles are shown with equipment from an independent supplier. GM licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

INTERIOR DESIGN

Colorado Z71 interior in Jet Black/Dark Galvanized with available features.

YOUR HOME AWAY FROM HOME.

The available leather-appointed seats and standard cloth seats are contoured for maximum support and leg room. For added comfort on a cold day, heated front seats are included with leather-appointed seats and available with cloth.

QUIET TIME YOU CAN COUNT ON.

Colorado was the first truck in its class to combine design features such as inlaid triple-sealed doors and thick windshield and side glass to help reduce wind noise inside the cab.

SPACE FOR ALL YOUR STUFF. A huge center console provides secure storage for your valuables. Crew Cab models feature a fold-down rear seat with hidden underseat storage.

EVERYTHING YOU NEED TO KNOW.

An available full-color multi-function display¹ provides critical data when you need it, including tire pressure readouts, instant and average MPG, digital speed, fuel range and much more.

Z71 STYLE. Colorado Z71 features a choice of an exclusive Jet Black/Dark Galvanized or all Jet Black cloth/leatherette-appointed interior that's durable and easy to clean.

POWER UP. Two USB ports² are available and two charge-only USB ports² are standard on LT and Z71.

¹ Standard on LT, Z71 and ZR2. ² Not compatible with all devices.

AMERICA'S MOST FUEL-EFFICIENT PICKUP.^{1,2}

COLORADO EXCELS AT EFFICIENCY. With its available Duramax 2.8L Turbo-Diesel 4-cylinder engine, the award-winning Colorado is the most fuel-efficient pickup you can buy^{1,2} — offering a remarkable EPA-estimated 30 MPG highway and a maximum highway range of 630 miles per tank³

BEST-IN-CLASS TORQUE? The Duramax Turbo-Diesel engine doesn't stop at efficiency. It also offers a class-leading 369 lb.-ft. of torque². Towing, hauling or passing, you'll feel the type of strength you need in the toughest situations.

ALL TRUCK, ALL THE TIME. The Duramax 2.8L Turbo-Diesel takes midsize truck capability to unprecedented levels. The 4-valves-per-cylinder design contributes to excellent performance as well as best-in-class fuel economy². With an engine block made of durable cast iron, there's no doubt this Duramax engine was created specifically for trucks.

¹ EPA-estimated MPG city/highway: Colorado with available Duramax 2.8L Turbo-Diesel engine 22/30 (2WD), 20/28 (4x4 except ZR2), 19/22 (ZR2). ² Based on available 2017 model year competitive information. ³ Range based on EPA-estimated 30 MPG highway for Colorado 2WD with available Duramax 2.8L Turbo-Diesel engine and fuel tank capacity. MORE AVAILABLE TOWING THAN ANY COMPETITOR.¹

¹ Based on available 2017 model year competitive information. ² Requires available 3.6L V6 engine and available Z82 Trailing Package. ³ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁴ Requires Colorado 2WD model with available Duramax 2.8L Turbo-Diesel 4-cylinder engine and available Z82 Trailing Package. ⁵ Tow/Haul mode is included with available 3.6L V6 engine or Duramax 2.8L Turbo-Diesel 4-cylinder engine.

7,700 LBS. OF TOWING POWER. A properly equipped Colorado with the available 3.6L V6 engine can tow up to 7,000 lbs.^{2,3} With the available Duramax 2.8L Turbo-Diesel 4-cylinder engine, it can tow up to 7,700 lbs.^{3,4} That's full-size capability in a more maneuverable package.

FULLY BOXED FRAME. This rugged foundation provides maximum hauling capability. Strategic use of advanced high-strength steel reduces mass while reinforcing strength.

RUGGED TRUCK. SMOOTH RIDE. With a coil-over-shock front suspension, rear leaf springs, asymmetric rear shock placements and a wide track, Colorado is solid, smooth and capable – loaded and unloaded.

ACTIVE TOW. This new feature helps make lining up your hitch and trailer easy. Just shift into Reverse and press the Active Tow button on the rear vision camera screen. A single guiding line appears to help you center the hitch ball and trailer coupler. Standard on ZR2 and available on Colorado models with Tow/Haul mode.

TRUCK-PROVEN TECHNOLOGIES. Electric Power Steering, 4-wheel disc brakes and long-lasting Duralife™ brake rotors deliver a confident drive. An automatic locking rear differential is available on WT and LT and standard on Z71 models. Driver-selectable full locking front and rear differentials are standard on ZR2.

6-SPEED AUTOMATIC TRANSMISSION. An electronically controlled 6-speed automatic transmission with Tow/Haul mode⁵ and auto grade braking can be paired with either the 2.5L 4-cylinder

or available Duramax 2.8L Turbo-Diesel 4-cylinder engine.

8-SPEED AUTOMATIC TRANSMISSION. This strong, durable, smooth-shifting transmission, which also includes Tow/Haul mode⁵ and auto grade braking, is constructed with extensive amounts of aluminum and magnesium to help reduce size and weight. See the specifications section for transmission availability.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

YOU KNOW YOU WANT A SAFE TRUCK.

A comprehensive package of available innovative driver assist technologies use strategically located cameras to help warn you of potential risks on the road – or even in a parking lot.

AVAILABLE SAFETY PACKAGE. This package, available on LT models, includes Lane Departure Warning and Forward Collision Alert. A rear vision camera is standard on all models.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Colorado is following a detected vehicle much too closely.

REAR VISION CAMERA. When traveling in reverse at low speeds, the standard rear vision camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the screen in the center stack. So it's easier to back up, park or hook up a trailer.

STABILITRAK WITH TRACTION CONTROL. The advanced StabiliTrak® Electronic Stability Control System with rollover mitigation works in conjunction with standard ABS and Traction Control.

SIX AIR BAGS. Every Colorado offers six standard air bags! Sensors determine how many air bags deploy – including side air bags for the driver and front passenger.

TEEN DRIVER. This technology helps encourage better driving habits in a number of ways, including an in-vehicle report card that displays the frequency of certain available active safety feature activations, muting the audio system when front-seat occupants aren't wearing their safety belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed.

HIGH-STRENGTH STEEL FRAME. The ladder-type frame is made from 83% high-strength steel and ultra-high-strength steel for enhanced occupant protection and reduced mass.

ROLL-FORMED STEEL PICKUP BOX. Colorado features an exclusive roll-formed steel pickup box with advanced high-strength steel, which is stronger and lighter than traditional stamped-steel designs.

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other

printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Midsize Pickup segment and latest available competitive information. Excludes other GM vehicles.
