

EQUINOX 2019

CHEVROLET

Equinox Premier AWD in Cajun Red Tintcoat (extra-cost color) with available features.

HAVE YOU EVER WONDERED WHAT IT'S LIKE TO HAVE IT ALL?

The award-winning Equinox is more than the perfect balance between design and technology. It's also the "Most Dependable Compact SUV," according to J.D. Power¹ (award based on 2015 model).

From any angle, the sculpted exterior makes a stunning statement. Within a wonderfully spacious and refined interior, intuitive technology keeps you seamlessly connected and entertained.

Equinox offers a trio of turbocharged engines that deliver the performance and efficiency you need for the daily drive or a weekend getaway. And available advanced safety technologies can help enhance your confidence on the road.

Consider the intelligently designed Equinox to be the complete package. It's everything you need, to do everything you want.

¹ The Chevrolet Equinox received the lowest number of problems per 100 vehicles among Compact SUVs in the J.D. Power 2018 U.S. Vehicle Dependability Study, based on 36,896 total responses, measuring problems experienced during the past 12 months by original owners, surveyed October–December 2017. Your experiences may vary. Visit jdpower.com/cars.

EXTERIOR DESIGN

YOUR INVITATION TO INDULGE.

Equinox Premier AWD in Cajun Red Tintcoat (extra-cost color) with available features.

**BECAUSE YOUR LIFE'S TOO BIG
AND TOO BUSY FOR A CAR.**

Equinox Premier AWD in
Nightfall Gray Metallic with
available 2.0L turbo engine
and other available features.

A close-up photograph of the front left corner of a red car. The image highlights the intricate design of the headlight assembly, which features multiple lens elements and a prominent orange turn signal lens. To the left of the headlight is a chrome-accented grille with a series of horizontal slats. The car's body panels are a vibrant, glossy red, and the lighting is dramatic, emphasizing the car's contours and textures.

SCULPTED STYLE. With its unparalleled balance of sportiness and sophistication, Equinox will command attention on any road. The chrome-accented grille (with additional chrome bars on Premier) adds upscale distinction.

HIGH-INTENSITY LIGHTING. Ultra-contemporary lighting – LED daytime running lamps on all models plus LED headlamps on Premier models – sets a bold tone.

1. SEE AND BE SEEN. Power-adjustable, heated exterior mirrors with integrated turn signal indicators are available on LT and standard on Premier.

2. YOU'LL GET NOTICED. Equinox Premier features LED taillamps that offer crisp, bright illumination. These taillamps are also included on LT with the available Lights and Bright Package.

3. THE SKY'S THE LIMIT. Get some air and put some wind in your hair. A panoramic power sunroof with power sunshade, available on LT and Premier, gives everyone a wide-open view.

4. CHROMED DUAL-OUTLET EXHAUST. Premium details such as these chromed exhaust outlets add a custom touch. Included with the available 2.0L turbo engine on LT and Premier.

INTERIOR DESIGN

**SURROUND YOURSELF IN RICH,
REFINED INTELLIGENCE.**

Equinox Premier interior in
Brandy with Jet Black accents
and available features.

Equinox Premier interior in Brandy with Jet Black accents and available features.

¹ Does not detect people or items. Always check rear seat before exiting.

SIT BACK AND ENJOY. Equinox is one indulgent crossover, with ample room for five passengers. Rear seatbacks can be placed in two positions – fully upright or slightly reclined – via an easy-to-reach manual lever.

SPACIOUS ACCOMMODATIONS. Equinox has an impressive 39.7 inches of rear-seat leg room. That's more than the 2018 Ford Escape offers.

DON'T FORGET YOUR LAPTOP. Rear Seat Reminder¹ activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the engine under certain conditions, you will get a reminder to double-check for valuables left behind.

ELEGANT APPOINTMENTS. From bright finishes such as available Galvano chrome to soft ambient lighting, Equinox Premier has the style you're seeking. And the Premium Cloth on L, LS and LT models,

or perforated leather appointments on Premier, will make you feel like it's crafted just for you.

FREEDOM FROM THE START. Your morning balancing act of keys and coffee just got easier. Standard Keyless Open and Start provides a simple way to get going.

HEATED AND VENTILATED SEATS. With the touch of a button, Equinox Premier provides the comfort of

standard heated driver and front passenger seats. Ventilated driver and front passenger seats, as well as heated rear outboard seats, are available on Premier.

PERSONALIZED SETTINGS. Memory settings on the driver door can be programmed to adjust the seat and mirror positions for two different drivers. Standard exclusively on Premier.

TECHNOLOGY

1. myChevrolet Mobile App! Download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off your engine, lock or unlock your doors² (requires paid subscription after trial), send destinations to your available navigation³ system, view key vehicle diagnostic information, set parking reminders and more. Requires available Remote Access Plan.⁴

2. Apple CarPlay COMPATIBILITY. With Apple CarPlay,⁵ you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

3. BETTER DRIVING HABITS. Perfect for new drivers, Teen Driver technology helps encourage better driving habits in a number of ways, like providing an in-vehicle report card that monitors the activation frequency of select available safety tech features, muting the audio system when front-seat occupants aren't wearing their seat belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed.

4. INSIDE INFORMATION. The available multi-color Driver Information Center provides info you need like speed and trip/fuel information. And if you opt for the Chevrolet Infotainment 3 Premium System⁶ with Navigation,⁷ it can even note the posted speed limit of the highway you're traveling.

¹ Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Device data connection required. ² Requires paid subscription. Services are subject to User Terms and limitations. ³ Send-to-Navigation requires subscription. Service varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. ⁴ Remote Access Plan does not include emergency or security services. Visit onstar.com for details and limitations. ⁵ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁶ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁷ Map coverage available in the United States, Puerto Rico and Canada.

Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries.

Equinox Premier interior in Brandy with Jet Black accents and available features.

1 Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. **2** Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations. **3** Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. **4** The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details. **5** If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.

Android, Android Auto, Google, Google Play and other marks are trademarks of Google LLC.

ON-COMMAND CONNECTIVITY. With the standard Chevrolet Infotainment 3 System,¹ you can easily handle calls, play music and access contacts from your compatible smartphone via the color touch-screen display or through voice commands.

Wi-Fi IN YOUR EQUINOX. Chevrolet offers available built-in 4G LTE Wi-Fi² that provides a better in-vehicle experience than your smartphone. Our strong signal means you have a fast and reliable connection for up to seven devices.

EASY SMARTPHONE CONNECTION. With Android Auto³ compatibility, you can interact with select smartphone apps. This system takes some of your compatible Android[™] phone's features and lets you access them on the touch-screen display. You can access your phone, text messages, music, navigation and more.

STAY CHARGED UP – AND TUNED IN. Conveniently charge your compatible cell phone with the available wireless charging⁴ system. And for your listening pleasure, SiriusXM,⁵ standard on LT and Premier for three months, lets you choose from over 150 channels of commercial-free music, live sports, news, talk and entertainment.

AVAILABLE ADVANCED SAFETY TECHNOLOGY HELPS YOU COVER THE ANGLES.

ADAPTIVE CRUISE CONTROL – CAMERA. Available on Premier, this feature uses a forward-looking camera to enhance regular cruise control. The cruise control speed is automatically adapted in order to maintain a driver-selected following gap between the vehicle and vehicles detected ahead while the driver steers, reducing the need for the driver to frequently brake and accelerate.

FRONT PEDESTRIAN BRAKING. If the system detects that a pedestrian is directly ahead and a collision is imminent, and the driver has not already applied the brakes, the system alerts the driver and may even automatically apply the brakes to help the driver avoid or reduce the harm caused by the collision. Available on Premier.

LOW SPEED FORWARD AUTOMATIC BRAKING. Available on Premier, camera-based Low Speed Forward Automatic Braking can help mitigate front-end collisions with detected vehicles at speeds below 50 mph. It does this by applying the brakes if the driver has not already done so to potentially reduce the collision's severity. The system may even help avoid a collision at very low speeds.

FORWARD COLLISION ALERT. This available feature monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it can alert the driver to a potential crash. It also can warn the driver if their Equinox is following a detected vehicle much too closely.

LANE KEEP ASSIST WITH LANE DEPARTURE WARNING. At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins leaving the lane without the use of a turn signal.

AVAILABLE LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT. Radar sensors in the rear corners of the vehicle help detect fast-approaching vehicles in the adjacent lanes as well as moving vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as Lane Change Alert with Side Blind Zone Alert, this available feature alerts you to crossing vehicles behind your Equinox when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected from either side.

REAR VISION CAMERA. When traveling in Reverse at low speeds, the standard rear vision camera helps provide a real-time view of the area immediately behind your Equinox on the touch-screen display.

REAR PARK ASSIST. This available feature helps you when backing up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when taillamps are detected in front of the vehicle, the available IntelliBeam[®] high beam assist intuitively adjusts between low and high beams.

Equinox Premier AWD in Nightfall Gray Metallic with available features.

OVERALL VEHICLE SCORE FOR SAFETY!¹

— NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION

¹ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.nhtsa.gov). ² Read the vehicle Owner's Manual for important feature limitations and information.

CONFIDENCE AND CONVENIENCE PACKAGE. This combination of confidence and convenience features is designed to make every drive more enjoyable. It includes Rear Park Assist², Rear Cross Traffic Alert² and Lane Change Alert with Side Blind Zone Alert². It also includes outside heated power-adjustable mirrors with turn

signal indicators, remote vehicle starter system, dual-zone automatic climate control, heated front seats, a leather-wrapped steering wheel and Universal Home Remote. The Confidence and Convenience Package is available on LT. It includes a power liftgate on 1.5L and 2.0L models.

CONFIDENCE AND CONVENIENCE II PACKAGE. This option includes the Safety Alert Seat², Adaptive Cruise Control – Camera², Forward Collision Alert², Front Pedestrian Braking², Low Speed Forward Automatic Braking², Following Distance Indicator², Lane Keep Assist with Lane Departure Warning²,

IntelliBeam high beam assist and HD Surround Vision². Other convenience features include a heated steering wheel, 8-way power front passenger seat, ventilated front seats and heated rear outboard seats. Available exclusively on Premier.

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

1. HD SURROUND VISION! This available feature can help you parallel park and maneuver at low speeds into tight garage spaces with ease. HD Surround Vision gives you a virtual bird's-eye view of your Equinox on the 8-inch diagonal color touch-screen. The system is made up of four high-definition cameras – a rear vision camera, a forward-looking camera in the front grille and one under each side mirror of the vehicle. All camera viewpoints simultaneously merge to transmit a clear side-by-side digital image to the display screen, helping you to see the areas behind or in front and around you. Several additional views are also available.

2. SAFETY ALERT SEAT! This available seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other available onboard crash avoidance systems.

3. CORE STRENGTH. The Equinox body structure is both lightweight and robust. The use of high-strength steel and optimized joint architecture for increased torsional strength contributes to the confident driving experience.

PERFORMANCE

Equinox Premier in Cajun Red Tintcoat (extra-cost color) with available features.

UP TO
32 MPG | **1.5L** | **170**
HIGHWAY¹ (EPA ESTIMATED) | TURBO ENGINE | HORSEPOWER

¹ EPA-estimated MPG city/highway: 26/32 (1.5L FWD). ² EPA-estimated MPG city: 26 (1.5L FWD), 25 (1.5L AWD), 22 (2.0L FWD), 22 (2.0L AWD), 28 (1.6L Turbo-Diesel FWD) and 28 (1.6L Turbo-Diesel AWD).

A TRIO OF TURBOS. The exhilaration for Equinox comes with the power of three. Choose from a 1.5L turbo, an available 2.0L turbo or an available 1.6L Turbo-Diesel, each one designed to bring you the power and torque you need for your daily drive or a weekend getaway.

1.5L TURBO. This turbocharged 4-cylinder engine uses the technologies of Continuously Variable Valve Timing and Direct Injection to deliver responsive performance with unexpected

efficiency. It puts 170 horsepower at your command, along with 203 lb.-ft. of torque. EPA-estimated MPG city/highway is 26/32 (FWD) and 25/30 (AWD).

2.0L TURBO. Taking performance to an even higher level is the available 252-horsepower 2.0L turbocharged engine that also generates 260 lb.-ft. of torque for plenty of towing power. EPA-estimated MPG city/highway is 22/29 (FWD) and 22/28 (AWD).

STOP/START ENGINE TECHNOLOGY.

Standard on every Equinox, this fuel-saving² technology automatically shuts down the engine as you come to a stop under certain driving conditions, such as at a stoplight. The engine seamlessly restarts when you take your foot off the brake.

9-SPEED AUTOMATIC TRANSMISSION.

Available exclusively with the 2.0L turbocharged engine, the highly advanced 9-speed automatic is designed to help

keep the engine operating at near peak efficiency. Shifts are smooth and precise due to the advanced controls and small ratio steps. It's a world-class combination.

CAPLESS FUEL SYSTEM. An ingenious capless fuel system is something you'll appreciate every time you fill up. Behind the fuel-filler door, a small spring-loaded door replaces the traditional screw-on gas cap. Included on models with 1.5L and 2.0L turbocharged engines only.

Equinox Premier in Summit White
with available 1.6L Turbo-Diesel
engine and other available features.

1.6L TURBO-DIESEL

AVAILABLE

UP TO
39

EPA-ESTIMATED
MPG HIGHWAY¹

A MAXIMUM HIGHWAY RANGE OF
UP TO 577

MILES PER TANK²

¹ MPG city/highway with available 1.6L Turbo-Diesel engine: 28/39 (FWD) and 28/38 (AWD). ² Based on EPA-estimated 39 MPG highway (FWD) and fuel tank capacity. Your range may be less.

HIGH-TORQUE 1.6L TURBO-DIESEL.

With start/stop technology, this efficient engine is ideal for those long daily commutes. The turbocharger helps provide loads of low-end torque with a healthy peak of 240 lb.-ft. at only 2000 rpm for impressive passing and merging power.

6-SPEED AUTOMATIC TRANSMISSION.

Tuned for quick launch feel and fuel-efficient¹ cruising, the 6-speed automatic perfectly complements the 1.6L Turbo-Diesel engine. Auto grade braking can help reduce the need to brake during a hill descent.

CAPABILITY

Equinox Premier in Nightfall Gray Metallic with available 2.0L turbo engine and other available features.

¹ EPA-estimated MPG city/highway for Equinox with available AWD: 25/30 (1.5L), 22/28 (2.0L) and 28/38 (1.6L Turbo-Diesel). ² Requires available Towing Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

A CONFIDENT RIDE. This premium driving experience begins with a solid foundation. The robust body structure complements a suspension that has been precisely tuned for comfort and agile handling.

SWITCHABLE ALL-WHEEL DRIVE. This available system on LS, LT and Premier models enhances traction and control on slippery or snow-covered roads. Conveniently, you can leave switchable AWD on year-round, since the rear wheels only engage when the system senses reduced traction. In FWD mode, AWD components completely disengage for greater fuel efficiency!

TOW UP TO 3,500 LBS² Bring on the jet skis, small camper or boat. Trailer Sway Control, Hill Start Assist with Automatic Vehicle Hold and a factory-installed towing package are all included with the available 2.0L turbocharged engine.

EASY TRAILER HOOKUP. With available HD Surround Vision, you can choose a rearview camera view to help you line up your hitch with a trailer.

VERSATILITY

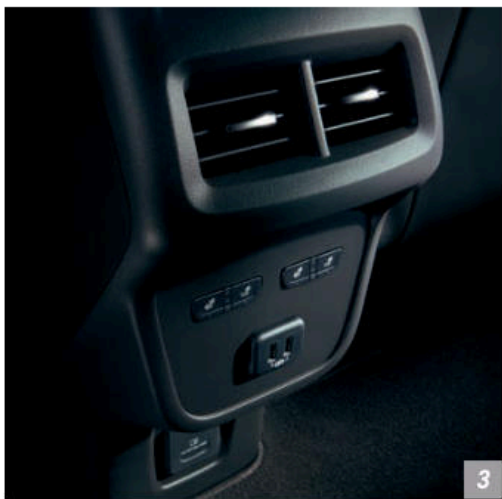

UP TO 63.9 CU. FT. OF CARGO SPACE. When you need to transport larger items, Equinox excels. With the rear seats folded, a virtually flat load floor is created with up to 63.9 cubic feet of maximum cargo capacity.¹

PLACES FOR EVERYTHING. You've got stuff and Equinox has places to put it. In addition to the LED-lit center console compartment, you'll find dedicated storage for a cell phone, four cup holders, map pockets and an available flip-down compartment for sunglasses.

EVEN THE UMBRELLA. Weather the storm with umbrella storage in both front door pockets. There's also water bottle storage in all four doors.

KEEP YOUR CARGO IN PLACE. Conveniently placed cargo hooks, standard on all models, elevate Equinox functionality even further.

¹ Cargo and load capacity limited by weight and distribution.

1. HANDS-FREE GESTURE LIFTGATE.

Open and close the liftgate simply by using a kicking motion under the rear bumper. It's so nice to have when you've got your hands full. Standard on Premier only.

2. PROGRAMMABLE LIFTGATE.

The power liftgate features a programmable memory height that can be set for easy reach or to accommodate areas with low ceilings. Available on LT and standard on Premier.

3. REAR-SEAT CONTROLS.

Rear-seat passengers can select open or closed settings for ventilation, with the temperature and fan speed synced to the driver settings. For added convenience, two rear charge-only USB ports¹ are standard on Equinox, while a 120-volt outlet is standard on Premier and available on LT.

4. SECRET STORAGE.

An easy-to-access compartment beneath the rear load floor is a great place to keep valuables such as laptops or purses out of sight.

¹ Not compatible with all devices.

Universal Home Remote programmable transmitter, includes garage door opener

1 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. **2** Excludes spare tire. **3** Visit onstar.com for limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. Roadside service provided by Allstate Roadside Services. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system. **4** Read the vehicle Owner's Manual for important feature limitations and information. **5** Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. **6** Visit my.chevrolet.com/learn for vehicle and smartphone compatibility. **7** Not compatible with all devices. **8** Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations. **9** Does not detect people or items. Always check rear seat before exiting. **10** Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations. **11** If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. **12** The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Chevrolet will warrant each 2019 Equinox from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2019 Equinox comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

¹ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. ² Whichever comes first. See dealer for details. ³ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations. ⁴ Connected Services include navigation services and Remote Access Plan, and 1 month/3 GB of 4G LTE data (whichever comes first) from vehicle delivery date. Services are subject to User Terms and limitations. Certain services require working electrical system, cell service and GPS signals. OnStar links to emergency services. Visit onstar.com for more details. ⁵ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

CHEVROLET CONNECTED SERVICES AND ONSTAR Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle services plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment,

specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Compact Crossover segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order.
