

IMPALA 2018

CHEVROLET

Impala Premier in Blue Velvet Metallic
with available features.

INDULGE YOURSELF IN AWARD-WINNING LUXURY.

Impala doesn't just stand on its own with the world's leading premium sedans. It stands out entirely. The acclaimed Impala was America's "2017 Best Large Car for the Money," according to *U.S. News & World Report*¹.

The 2018 Impala honors its storied name with style that's gracefully aggressive, artistically aerodynamic and passionately refined. Inside a spacious, carefully crafted interior, you're embraced in exquisite comfort. And you'll stay connected with an available built-in Wi-Fi[®] hotspot².

Is the award-winning Impala the world's finest large sedan? Ultimately, that's something you'll decide when you experience it for the first time.

¹ View U.S. News & World Report at cars.usnews.com. ² Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T.

**PREMIUM ELEGANCE WITH
UNCOMMON SPACIOUSNESS.**

1. BRING IT ON. Carry everything from luggage to golf clubs with 18.8 cubic feet¹ of trunk space. There's even an available hidden underfloor storage space. And with the standard 60/40 split-folding rear seatback, it's easy to accommodate longer items like skis or even a bicycle.

2. POWER UP. Plug a laptop or other device into the available 120-volt outlet at the rear of the center floor console.

3. GET SITUATED. Find that perfect driving position with an available power-adjustable steering wheel and 8-way power-adjustable front seats featuring power lumbar control. Available memory settings save preferences for two different drivers.

4. WEATHER THE STORM. You can conveniently store your umbrella in either of the two front door pockets.

¹ Cargo and load capacity limited by weight and distribution.

EXPERIENCE A HIGHER LEVEL OF LUXURY.

From the flowing instrument panel to meticulous French stitching, beauty surrounds you in the luxurious Premier interior. The available heated steering wheel with a power tilt/telescoping feature combines with available heated and ventilated perforated leather appointed front seats to offer year-round comfort.

IMPALA STRIKES THE PERFECT CHORD.

Your favorite songs come alive with the available Bose® Centerpoint® Surround Sound premium 11 speaker system, while the sounds of the outside world almost disappear with triple-sealed doors and acoustic laminated glass.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

WE'VE GOT YOUR BACK. YOUR SIDES. YOUR FRONT.

TECH THAT HELPS YOU STAY SAFE. Some of the most impressive Impala features are the ones you can't see, including available Forward Collision Alert, Lane Departure Warning, Lane Change Alert with Side Blind Zone Alert, and Rear Cross Traffic Alert.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Impala is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

AVAILABLE LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT. Radar sensors in the rear corners of the vehicle help detect fast-approaching vehicles in the adjacent lanes as well as vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence.

REAR CROSS TRAFFIC ALERT. This available radar-based feature alerts you to crossing traffic behind your Impala when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

REAR VISION CAMERA. When traveling in reverse at low speeds, the standard rear vision camera provides a real-time picture of the area immediately behind your Impala on the touch-screen display.

ADAPTIVE CRUISE CONTROL. This available feature uses radar sensors to maintain your selected cruise speed and following gap distance to a detected vehicle ahead, automatically braking when necessary, even in stop-and-go traffic.

FORWARD AUTOMATIC BRAKING. Using the same radar sensors as Adaptive Cruise Control, available Forward Automatic Braking can help mitigate front-end collisions with detected vehicles or even prevent them at very low speeds. The system alerts the driver if it detects an imminent collision.

OVERALL VEHICLE SCORE FOR SAFETY:¹

– NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION

Impala LT in Cajun Red Tintcoat (extra-cost color) with available features and Chevrolet Accessories.

¹ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ² A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ³ Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁴ Visit onstar.com for coverage map, details and system limitations.

CORE STRENGTH. With high-strength steel helping form a rigid structure around the passenger compartment and 10 standard air bags,² Impala establishes a solid foundation for safety.

STABILITRAK[®] ELECTRONIC STABILITY CONTROL. This standard system automatically reacts to sensor data, which can help you stay on course in challenging weather and road conditions.

ONSTAR AUTOMATIC CRASH RESPONSE³
In a crash, built-in sensors can automatically connect you to a specially trained OnStar Advisor who will help you get the assistance you need – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response is included in the OnStar Guidance Plan⁴ limited service trial.

RAZOR-SHARP REFLEXES. A stiff body structure and athletic stance allowed Impala engineers to precisely tune ride and handling. Premium electric rack-and-pinion steering provides crisp, responsive handling. The steering radius is enhanced by a variable-effort feature, which increases power assistance during low-speed maneuvers.

AVAILABLE 305-HP 3.6L V6 ENGINE.

Would you appreciate robust performance with an EPA-estimated 28 MPG on the highway? With this 305-hp 3.6L V6 matched to an electronically controlled 6-speed automatic transmission, Impala leaps from 0 to 60 mph in 6.8 seconds.³

197-HP ECOTEC® 2.5L ENGINE.

With Direct Injection and Variable Valve Timing, this 4-cylinder engine offers an EPA-estimated 22 MPG city/30 highway. In certain conditions, standard stop/start technology can automatically shut off the engine when stopped and enables a smooth transition when the brake pedal is released.

¹ Requires available 3.6L V6 engine. ² EPA estimated. ³ Based on initial vehicle movement.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other

printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Car Sedan segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.
