

SPARK 2016

CHEVROLET

FIND **NEW** ROADS™

UPTOWN, DOWNTOWN AND EVERYWHERE IN BETWEEN.

Take on the road with style. Offering an estimated 41 MPG highway¹ and the technology to keep you in touch with your world, Spark is the fuel-efficient¹ small car that turns heads and turns new corners in providing confidence, control and connectivity. Apple CarPlay™ and Android Auto™ compatibility² provides a simple and smart way to use some of your phone's features through standard Chevrolet MyLink.³ And thanks to nimble handling, Spark is perfect for narrow streets and getting you into all the hot spots – like the last parking space on the block.

¹ EPA-estimated 31 MPG city/41 highway with available CVT transmission. ² Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. ³ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark does not include functionality such as enhanced voice recognition, Gracenote and CD player.

Spark 2LT in Toasted Marshmallow
and Spark 2LT in Lime, both
with available features.

DESIGN

EVERYTHING YOU WANT, WHERE YOU WANT IT.

- 1. With the seats down, Spark offers 27.2 cu. ft. of cargo room! Or for a night out on the town, it comfortably accommodates four with 83 cu. ft. of passenger room¹ when the seats are up.*
- 2. Smart design includes halogen headlamps for visual impact and maximum visibility.*
- 3. Spark offers an available power tilt/sliding sunroof so you can enjoy the fresh air while running errands.*

¹ Cargo and load capacity limited by weight and distribution.

Spark 2LT interior in Jet Black with Beige seat inserts and dash trim.

COMFORT IN ALL DIRECTIONS.

Slide behind the wheel of the all-new 2016 Spark and prepare to be impressed. From premium materials to the latest technology, Spark surpasses all expectations. Sporty, color-coordinated

seats are designed for comfort, with standard heated leatherette seats on the 2LT model. The center stack provides easy access to information, and Chevrolet signature blue ambient lighting guides you to port connections.

TECHNOLOGY

Spark 2LT in Lime.

¹ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.

STAY IN THE KNOW WHEN YOU'RE ON THE GO. Seamlessly connect your smart devices and Spark to the Internet. After initial setup, whenever your Spark

is on, available 4G LTE Wi-Fi^{®1} is automatically on too. It offers great signal quality and bandwidth for up to seven devices. OnStar 4G LTE¹

provides a better in-vehicle experience than you'll get with your smartphone. Our stronger signal means you have a fast, easy and reliable connection.

Connected by  4G LTE

APPLE CARPLAY AND ANDROID AUTO.

With Apple CarPlay™ and Android Auto™ compatibility,¹ you can interact with some of your smartphone apps from your phone in a smart, simple manner, similar to the way you're used to through voice controls or the touch-screen in your car. Plug your compatible iPhone® or Android smartphone into the USB port² to access your phone, text messages, music and navigation, as well as some of your favorite apps on the Chevrolet MyLink³ 7-inch diagonal color touch-screen. Each system is engineered to present many of the features you rely on most.

androidauto

¹ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. ² Not compatible with all devices. ³ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark does not include functionality such as enhanced voice recognition, Gracenote and CD player.

SAFETY

WE'VE GOT YOUR BACK, FRONT AND SIDES.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Spark is following a detected vehicle too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

REAR VISION CAMERA. Standard on Spark, the rear vision camera displays a view of the area immediately behind the vehicle on the 7-inch diagonal color touch-screen – making it easier to see what's behind you while backing up.

REAR PARK ASSIST. This available feature helps you back up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects up to eight feet behind the vehicle.

STABILITRAK® ELECTRONIC STABILITY CONTROL. In challenging weather and road conditions, this standard system helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually going. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Spark on track. This innovative safety technology is especially helpful during emergency maneuvers and difficult driving conditions.

10 STANDARD AIR BAGS. That's more standard air bags² than any other competitor in this class. Every Spark includes dual-stage frontal and knee air bags for driver and front passenger, head-curtain side-impact air bags for front and rear outboard passengers, and front and rear seat-mounted side air bags.

ONSTAR AUTOMATIC CRASH RESPONSE! In a crash, built-in sensors can alert a specially trained OnStar Advisor who can be connected into your Spark to see if you need help – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar is standard for the first six months.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Spark Owner's Manual for more important safety information.

¹ Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ² A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

COLORS/WHEELS/FABRICS

LIME

15" Steel (LS)

15" Silver-Painted Alloy (LT)

¹ Extra-cost color. ² Standard on LS and 1LT. ³ Standard on 2LT.

WARRANTY

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2016 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 60,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

CHEVROLET COMPLETE CARE Every new 2016 Chevrolet Spark includes two visits for maintenance (oil and filter changes, tire rotations and multipoint vehicle inspections). Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935) GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD The Chevrolet BuyPower Card – Every purchase you make with the BuyPower Card from Capital One® helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
