

We  
looked  
beyond  
looks.

**Look fast.** *We designed Avenger to make a big first impression. It's not every day that an automobile stops people in their tracks on great looks alone. But Avenger does. It simply looks every inch the versatile sports coupe that it is. With a choice of two overhead cam multivalve engines, plus*

*a fully independent*

*double-wishbone suspension and speed-sensitive rack-and-pinion steering, you know Avenger isn't going to stay in any one place very long. But if it did, you could check out the details that will make a lasting impression. Like a spacious interior that features a real backseat with leg room for adult-sized passengers. And a split-folding feature that adds up to plenty of room for your favorite gear. Great*

*looks always seem to hold out a promise for much more. Which is exactly what Avenger delivers. With a vengeance.*

Avenger  The New Dodge

SPORT

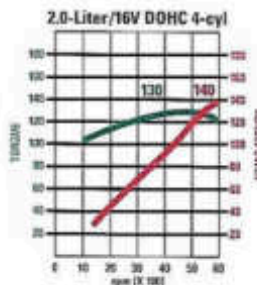

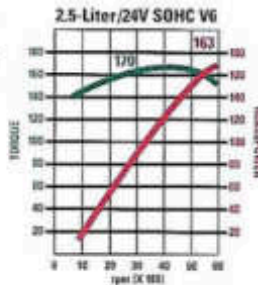

# Driving is a privilege

*The 2.0-liter 16-valve DOHC four-cylinder engine with five-speed manual transaxle delivers a satisfying sense of authority, while the available 2.5-liter SOHC 24-valve V6\* engine with four-speed automatic transaxle and selectable overdrive lockout responds enthusiastically to your perfectly reasonable demand to get where you want to go now.*

*\*Built by Mitsubishi Motors Corporation.*

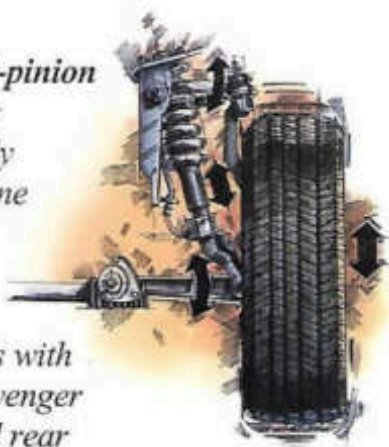

*The Avenger ES' standard 17-inch tires and cast aluminum wheels make more than just a good showing. They help fulfill the design promise of Avenger's wide, road-hugging stance.*

# ge, this is a right.

and-controlling rack-and-pinion steering, sway-surmounting stabilizer bar, and fully independent double-wishbone suspension work together to discipline every road Avenger travels. You may choose to travel those roads with greater authority in Avenger complete with front and rear stabilizer bars and 17-inch tires.

The Dodge/Skip Barber Driving School and the Skip Barber Racing School have chosen Dodge as the exclusive supplier of vehicles and engines for all their teaching and racing operations. Avenger's  
available remote  
keyless entry system  
includes a Vehicle Theft  
Security System and a pushbutton  
panic alarm that activates interior  
lamps, headlamps and horn for  
up to three minutes.

The traction of front-wheel drive and the  
security of all-season tires combine to give  
you complete confidence in Avenger's  
handling, come rain or shine.

Next Generation driver and  
front-passenger air bags\*  
are standard, naturally.  
Standard knee blockers and  
height-adjustable front  
shoulder belts are also safety essentials with Avenger.

\* Certified to the Federal Regulations that allow less forceful air bags. Always use  
seat belts. Remember a backseat is the safest place for children.
