

2011 DODGE DURANGO

THE NEXT-GENERATION DODGE DURANGO // CAPABLE. VERSATILE. REFINED.

DISCOVER
DURANGO
ENTIRELY ORIGINAL

ALLOW US TO INTRODUCE OURSELVES

DURANGO EXPRESS Welcome to the majors. Three rows of seats are standard issue so you can haul the whole crew on road trips aplenty. Express arrives ready to go with a 3.6L Pentastar® V6 Flex Fuel engine that drinks unleaded or E85 fuel.

DURANGO HEAT This SUV cuts a profile as strong as the engine it bears. We're talking about standard 20-inch wheels and the 290 hp Pentastar V6. Two rows of seats leave plenty of room behind them for gear.

DURANGO R/T Not for the faint of heart. R/T is powered by the legendary 5.7L HEMI® V8 with Fuel Saver Technology. Tow up to 7,400 lbs (when properly equipped) behind while sitting tall in R/T's uniquely styled interior cabin.

DURANGO CREW For those who appreciate the good life and want three rows of seating to accommodate like-minded travelers. Crew takes them on, comfortably loaded with standard features (CrewLux package shown).

DURANGO CITADEL Top-shelf everything. Citadel makes a strong statement, from its premium Nappa leather trim and Black Comodo Elm woodgrain interior to its gleaming exterior featuring a signature chrome grille and 20-inch chrome-clad wheels. Heated and ventilated first-row seats, Uconnect Navigation, and a 10-speaker Alpine® entertainment system are just a few of Citadel's luxurious bastion of standard features.

CITADEL

FORTRESS OF STEEL

Dodge Durango Citadel shown in Blackberry Pearl.

ROLLS LIKE THUNDER, HANDLES LIKE LIGHTNING. // How do you make a drive more engaging than ordinary? You consider every corner. Durango engineers focused on the details to deliver the difference in every element of design and engineering. From powerful yet efficient engine choices to a fully independent multilink suspension, this ride is assertive and agile all at once. Unassuming features like laminated front safety glass and thousands of durable body welds enable Durango to drive quietly while delivering a big kick.

Dodge Durango Citadel shown in Nappa Axis-Perforated Leather Trim in Black.

The next-generation Durango may have been built for the crew, but the cockpit was designed exclusively for the driver: chrome accents, soft-touch surfaces, and the convenience of standard automatic Three-Zone Temperature Control and power adjustable steering column with memory feature. For further pampering, the available ultra-premium heated steering wheel sends soothing warmth to the surrounding 360 degrees, so wherever you grab, you feel the heat. First- and second-row heated seats are offered to quickly help chase away the cold.

PREMIUM NAPPA LEATHER TRIM // EMBRACED BY FRENCH SEAMS

Dodge Durango Citadel shown in Nappa Axis Perforated Leather Trim in Tan.

AN ACRE OF LEATHER TREATED WITH A WORLD OF CARE.

Durango's interior is a modern package of comfort, technology, and versatility. With a plethora of available seating configurations, Durango stretches the limits in seating flexibility. All three rows of seats are crafted with ergonomic contours for the long-distance comfort of seven passengers [two rows, five passengers on Durango Heat models]. Seats are constructed with recycled polyurethane foam and are available in plush cloth or leather trim, depending on model. Along with reclining front seats, second-row seats recline 12 degrees. Second-row passengers will enjoy a full-bodied measure of head and leg room. Cargo won't be cramped, thanks to a spacious 36.3 cubic feet of volume behind the second row. When hauling longer loads, the front-passenger [excluding Durango Citadel models] and rear seats fold flat, the second-row seats fold and tumble for easier entry and exit. Third-row head restraints^{(1)*} fold down with the press of a button on the center console to improve rearward visibility. Heat models replace the third-row seats with 14.6 cu ft of under-floor storage. Stunning Sapphire Blue LED lighting illuminates front-door map pockets and cup holders. Available features include heated and ventilated front seats, heated second-row seats, and heated steering wheel.

*A note about this brochure: All disclaimers and disclosures can be found on page 26.

INTUITIVE TOUCH-SCREEN TECHNOLOGY

UCONNECT® // WANT THE LATEST IN TECH FULLY INTEGRATED IN-DASH? U GOT IT.

Here's to the well-connected, to those who travel with a soundtrack and never need maps to know where they're headed. Outfit your Dodge Durango with Uconnect to help stay in touch with the people, music, and places that matter most. Uconnect acts as a hub for your most important media – cell phone, satellite radio, navigation system, and personal devices such as an iPod® or smartphone. The Uconnect user-friendly systems are designed to make your life easier, wherever you roam. The available SIRIUS Travel Link™ brings a wealth of useful information to your fingertips, including: national weather information for current and forecasted weather, fuel prices to check local gas prices, sports scores for in-game and final scores, as well as weekly schedules and local movie theater listings.

Join fellow Dodge enthusiasts and tell your story by posting comments, participating in discussions, and sharing your photos and videos. Join our community on Facebook, follow us on Twitter, and check us out on YouTube.

WARNING: ITEMS STORED OVERHEAD MAY HAVE SHIFTED DURING FLIGHT.

Everything you want. Everything you need. And a place for everything. The next-generation Durango offers outstanding in-car infotainment choices, with a 10-speaker Alpine® premium sound system including a subwoofer and high-powered 506-watt amplifier (standard on Durango Heat, Durango R/T, Durango Crew, and Durango Citadel models). Opt for an upgraded Media Center 430N radio featuring GPS navigation from Garmin®. This dependable, must-have navigation tool features the intuitive Garmin user interface and brings the Garmin consumer experience to a factory in-dash radio. The available SIRIUS® Backseat TV™⁽¹⁾ features live content from three family channels - Nickelodeon,™ Disney Channel,® and Cartoon Network™ - to stream directly to your Durango on a 9-inch screen. Want more? The available DVD player features an input jack to accommodate the all-important gaming and video possibilities during long trips. The system includes a remote control and two wireless headsets. An available remote USB port lets you stream live music from a compatible storage device. And with Bluetooth® streaming audio, up to eight Bluetooth enabled media players can enjoy the tunes.

THIS IS THE CREW

DURANGO CREW WITH CREWLUX PACKAGE SHOWN IN BRILLIANT BLACK CRYSTAL PEARL.

THE NEXT-GENERATION DURANGO. // Durango not only gets its momentum from formidable powertrains, but also from its bold Dodge style, athletic stance, and aggressive angles. Sophisticated touches like chrome accents, sleek wheels, and available self-storing roof rack crossbars that seamlessly fold into the roof rack present a cleaner appearance. New High Intensity Discharge (HID) headlamps with auto-leveling not only offer a custom fit-and-finish appearance, they also automatically adjust high-beam brightness and intensity while ensuring the headlights are aimed safely down the road [available on Durango R/T and Durango Citadel models].

ENGINEERS WORKED HARD TO MAKE IT LOOK
THIS EASY. Developed for style as well as function,
Durango's available power liftgate adds easy access to
the rear cargo area. Press the key fob liftgate button
twice for hands-free opening or closing, or press the
liftgate button on either the overhead console or inside
the rear cargo area. All models feature a sporty rear
spoiler, sculpted wheel arches with noise-dampening
lined wheel wells, and jeweled, wrapped taillamps. Dual
3.5-inch chrome exhaust tips are standard on every
VB-equipped Durango and on the Durango Heat model.

Dodge Durango Crew shown in Bright Silver Metallic.

Dodge Durango R/T shown in Redline 2 Coat Pearl.

R/T

A SPORT UTILITY THAT BRAGS SPORT AND SCREAMS UTILITY. With a powerful, efficient V6 or V8 engine and tightly tuned, agile handling, the next-generation Durango is engineered for those who love driving. Both engine choices feature Variable Valve Timing (VVT) on the intake and exhaust valves to help improve fuel efficiency and maximize performance. **ALL-NEW 3.6L DOHC PENTASTAR® VVT V6 – NAMED ONE OF WARD'S 10 BEST ENGINES FOR 2011** Advanced automotive engine technology results in unsurpassed V6 power⁽¹⁾ – an exceptional blend of high torque, fuel efficiency, low emissions and first-rate noise, vibration, and harshness (NVH) control. The numbers speak for themselves – 290 horsepower, 260 lb-ft of torque, estimated RWD fuel economy of 16 city/23 highway mpg, and a more than 500-mile driving range. Flex Fuel capability lets you fill up with gasoline or E85 fuel. **5.7L HEMI® V8 WITH FUEL SAVER TECHNOLOGY AND VVT** Durango's available HEMI V8 engine gives drivers impressive highway RWD fuel economy (EPA estimated 20 highway mpg), thanks to Fuel Saver Technology that uses sophisticated algorithms to seamlessly transition from eight cylinders to four when full power is not required, providing an increase in efficiency. Get ready for all-around power

with Durango's 5.7L HEMI V8. This powerhouse delivers 360 horsepower and 390 lb-ft of torque. **DRIVING DYNAMICS** Its impressive aero-performance was developed during extensive wind-tunnel testing, resulting in smart improvements like stowable roof-rack crossbars that fold down into the side rails to help air glide smoothly over the roof, for a quieter and more efficient ride. With an all-new short/long arm front suspension and isolated multilink rear suspension, Durango lets you take charge of the pavement like never before. Cornering maneuvers are eagerly anticipated with Durango's aggressive shock and spring rates and large sway bars. A fully automatic and seamless all-wheel-drive (AWD) system with active variable torque distribution (on V8 models) works with electronic brake controls for enhanced vehicle stability. Durango's new body structure's torsional stiffness is improved over previous models, resulting in enhanced durability and reduced NVH. This is what it takes to deliver a world-class ride.

BEST-IN-CLASS¹²¹ STANDARD AND AVAILABLE TOWING. The next-generation Durango is ready to head out. Models with the standard 3.6L Pentastar® V6 engine tow an impressive 6,200 pounds [when properly equipped]. Outfit Durango with the 5.7L V8 engine and it tows up to an enormous 7,400 pounds [when properly equipped]. When paired with the brawny, active all-wheel-drive system, it can haul those heavy water toys out of the water with ease. Trailer Sway Control [TSC]¹³¹ senses trailer sway and takes action by automatically applying the right amount of braking to maintain control. Pushing the Tow/Haul button [on V8 models] allows for improved vehicle performance and shifting during trailer towing, heavy-load hauling, or driving through [or over] the mountains.

WITNESS THE EXPERIENCES WITH MOPAR ACCESSORIES

MOPAR: WHEN EXPRESSING YOURSELF IS NOT AN OPTION.

Enhance your Durango with Authentic Dodge Accessories by Mopar and you'll make your vehicle even more outstanding.

20-INCH CHROME WHEEL This premium wheel is machined to match Durango specifications to run true and balance easily for a smooth ride. Features the Dodge brand logo on the center cap.

CHROMED MESH GRILLE INSERT Make your grille stand out with this bright mesh insert that's both protective and attractive.

CHROME MIRROR COVERS Custom covers are designed for easy installation on the front side of your exterior rearview mirrors. A simple yet noticeable display that enhances the style of your Durango.

MOLDED RUNNING BOARDS Our premium running boards are constructed of heavy-gauge steel for safe and easy entry and exit, and feature a Black plastic outer cover for the finishing touch [Late availability].

SLUSH MATS These custom-fit mats feature deep grooves to help prevent water, snow, and mud from doing a number on your vehicle's carpet. Available for front and rear.

DOOR SILL GUARDS Durable guards are constructed of brushed stainless steel to enhance the style of your vehicle and protect all four interior door sills from scratches. Front door guards prominently feature the Durango name. For the full range of accessories, visit mopar.com.

AUTHENTIC DODGE ACCESSORIES

AUTHENTIC DODGE ACCESSORIES

IT ANSWERS "DID YOU SEE THAT?" WITH A CALM "YES I DID."

BLIND SPOT MONITORING (BSM)⁽¹⁾ Dual radar sensors constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminating icons on sideview mirrors and by an audible chime if the turn signal is activated. Available. **ADAPTIVE CRUISE CONTROL (ACC)**⁽⁴⁾ Automatically adjusts cruising speed to maintain a preset distance between your vehicle and the one ahead. Available. **FORWARD COLLISION WARNING (FCW)**⁽⁴⁾ Radar sensors detect when your vehicle may be approaching an obstacle too rapidly, alerting the driver with an audible chime and visual warning. Available. **PARKVIEW® REAR BACK-UP CAMERA**⁽⁴⁾ Provides a wide-angle view on the radio screen of the area behind the vehicle. Available. **PARKSENSE® REAR PARK ASSIST SYSTEM**⁽⁴⁾ When in Reverse, sensors detect the presence of objects in the backup pathway and provide an audible and visual warning. Available. **KEYLESS ENTER-N-GO** This technology automatically unlocks doors when you pull the handle instead of having to fumble for a key fob. Once inside, a simple press of the start/stop button and the brake pedal brings Durango's engine to life. Available.

Dodge Durango Citadel shown in Dark Charcoal Pearl.

ACTIVE + PASSIVE SAFETY

GREAT THINKING WENT INTO PREVENTING THE UNTHINKABLE.

With more than 45 standard and available security features, reassurance is engineered into every Durango. **AIR BAGS⁽¹⁾** Advanced multistage, full-length side-curtain, and front-seat mounted side thorax air bags are all standard. **FRONT-SEAT ACTIVE HEAD RESTRAINTS⁽²⁾** Front seat active head restraints move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and occupant's head, thereby helping to reduce the chance of injury. Standard. **RAIN-SENSING WIPERS AND RAIN BRAKE SUPPORT** Front wipers activate when raindrops are detected, and a new smart brake system helps dry the brake rotors on wet roads. Available. **IMPROVED CRUSH ZONES** Designed to divert and dissipate impact energy away from the passenger compartment, helping to minimize injuries in the event of an accident. Standard. **ELECTRONIC STABILITY CONTROL (ESC)⁽³⁾** Vehicle-wide network of safety sensors provide instant aid when they detect that you're veering off your intended path. This robust system includes Electronic Roll Mitigation (ERM), antilock brake system (ABS) with Brake Assist, all-speed traction control, and Trailer Sway Control (TSC).⁽⁴⁾ Standard.

ACTIVE HEAD RESTRAINTS (1)

DOUBLE LAMINATED
SAFETY GLASS

AVAILABLE FULL-TIME ALL-WHEEL DRIVE

WANT TO STAY CONNECTED? U GOT IT. Outfit your Durango with Uconnect® to help stay in touch with the people, music, and places that matter most. It acts as the hub for your most important media – cell phone, satellite radio, navigation system, and personal devices such as an iPod® or smartphone. The Uconnect user-friendly systems are designed to make your life easier, wherever you roam.

PHONE. Talking on the phone while driving has never been easier – or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address book⁽¹⁾ – up to 1,000 entries. Simply press the phone button on your steering wheel and say the name of a contact to place calls while driving.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUS® Satellite Radio⁽²⁾ channels, make and receive calls, select navigation destinations, and record voice memos. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. Manage all of your media. You'll have multiple ways to access audio, including SIRIUS Satellite Radio⁽²⁾ (your first year of service is included), a 30GB hard drive, and iPod Control with Voice Command and Bluetooth streaming audio. Rear Seat Video can be accessed four ways: SIRIUS Backseat TV,⁽³⁾ DVDs, compatible multimedia devices, and gaming consoles.

NAVIGATION. Provides turn-by-turn guidance by voice prompts and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest. Add SIRIUS Traffic⁽⁴⁾ for real-time traffic updates, including accident alerts, road closings, and traffic flow. Your first year of SIRIUS Traffic⁽⁴⁾ service is included.

SIRIUS TRAVEL LINK.⁽⁵⁾ Brings a wealth of useful information to your fingertips including: national weather information for current and forecasted weather, fuel prices at local gas stations, sports scores for in-game and final sports scores, and local weekly movie listings and schedules (late availability).

¹Required SIRIUS Radio, Traffic, Travel Link, and Backseat TV subscriptions sold separately after trial period. Other fees and taxes will apply. SIRIUS Traffic and Travel Link available in select markets; Backseat TV subscription not available without SIRIUS Radio subscription; and SIRIUS data displays and individual product availability vary by hardware equipment. SIRIUS service available only to those at least 18 years of age in the 48 contiguous U.S.A., DC, and Puerto Rico (with coverage limitations), while Internet radio is also available in AK, HI, and PR. Fees and programming subject to change. Service automatically renews and you will be billed, at their current rates, unless you call 1-888-538-7474 to cancel. Subscriptions governed by SIRIUS Terms and Conditions available at sirius.com. Service available in Canada, see www.siriuscanada.ca. ²Based on Ward's Vehicle segmentation. When properly equipped. ³Always check visually for vehicles prior to changing lanes. ⁴ACC is a driver's convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. ⁵FCW system is solely an alert system for the front of the vehicle which does not take any actions to change the vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. ⁶Always check entire surroundings before backing up. ⁷The Advanced Front Air Bags in this vehicle are certified to the new federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ⁸Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ⁹No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ¹⁰Phone must support Bluetooth Phone Book Access Profile (PBAP). ¹¹In-dash DVD capability is not available in all states. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See your dealer for details. ¹²Based on Ward's segmentation.

5-YEAR/100,000-MILE POWERTRAIN LIMITED WARRANTY Transferable. See dealer for a copy of limited warranty. Includes towing to an authorized dealer. **3/36 BASIC LIMITED WARRANTY** Dodge vehicles are covered by a Chrysler Group LLC 3-Year or 36,000-Mile Basic Limited Warranty. See your dealer for a copy of this limited warranty. Excludes normal maintenance and wear items. Chrysler has a vested interest in your satisfaction with your new vehicle. **Chrysler Service Contracts** offer extended service plans to help ensure that you'll enjoy your vehicle for many years down the road – for just pennies a day. For more information, see your Dodge dealer, call (800) 442-2666 or visit dodge.com/esc. Enhance your Dodge Durango with Authentic Dodge Accessories by Mopar. They're designed specifically for your vehicle, for exceptional fit, finish and performance. Visit your dealership or mopar.com. With **Uconnect**,[®] you're always connected – to people, places, music, movies, and the Internet. **SIRIUS[®] Satellite Radio** delivers over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic and weather. Factory-installed SIRIUS Satellite Radio includes a one-year subscription. For more information, go to sirius.com. **Dodge Life** is a collection of handpicked items bearing the powerful Dodge name – from Motorsports apparel and collectible die-cast models to the hottest items for work and weekend fun. It's all found at dodge.com/life. **Honoring Those Who Serve**. Chrysler Group LLC proudly supports the members of the U.S. Armed Forces and their families.

REAR CROSS-PATH DETECTION – In parking lot situations, the system will notify the driver if a vehicle is traveling toward the rear of the vehicle. An audible chime will sound and an icon will illuminate in the rearview mirror. (included with Technology Group)						P
HILL START ASSIST – Prevents vehicle from rolling back for ten seconds when starting vehicle from a hill						
ELECTRONIC STABILITY CONTROL (ESC) – Includes vehicle stability management system, Electronic Roll Mitigation, 40-speed traction control, Brake Assist, and four-channel anti-lock brake system						
HOMELINK, UNIVERSAL TRANSMITTER – Programmable radio frequency transmitter for garage door, security gate, and security lighting, mounted in overhead console						
KEYLESS ENTRY AND GO – Push-button ignition system with proximity entry. Driver can leave the key fob in pocket or purse. The doors are unlocked by touching the exterior door handle. The vehicle will start with a push of a button on the instrument panel once the brake pedal is depressed						
PARKVIEW, REAR BACK-UP CAMERA – Rear-mounted camera with 5-inch display, activated when vehicle is shifted into Reverse. Includes ParkSense® Rear Park Assist System™ (ParkSense touch-free® radar, included with Popular Equipment Group and Entry Navigation/Commuter Group)	P					P
PARKSENSE, REAR PARK ASSIST SYSTEM – Detects vehicles and objects behind vehicle, includes shut-off alarm. (included with Popular Equipment Group and Entry Navigation/Commuter Group)	P					P
POWER OUTLET – 115V, 150-watt power outlet located in rear of center floor console						
– Three 12-volt power outlets, located on the instrument panel, the second console, and in the rear cargo compartment						
RAIN BRAKE SUPPORT						
READY ALERT BRAKING – Anticipates situations when the driver may initiate an emergency brake stop, and uses the ESC pump to exert brake pads against the rotors, decreasing the time required for full brake application						

SAFETY AND SECURITY (continued)

SECURITY ALARM – Monitors doors and liftgate. Indicator lamp in I/P cluster

BENTRY KEY ENGINE IMMOBILIZER – Electronic transponder in key determines if valid key is being used to start vehicle

TRAILER SWAY CONTROL – Works in tandem with ESC to help improve handling in adverse towing conditions caused by crosswinds and traffic.
