# 1987 DODGE

**W**hen you create a vehicle that's unequalled and after two years it's *still* unequalled, you know you have something special. Dodge Caravan.

With front-drive to ensure traction and stability. Styling that flows along sophisticated carlike lines. Standard features wherever the eye comes to rest. And most important, room. For hauling adults. Kids. Pets. Cargo. You name it, and Caravan's rear liftgate and sliding side door open wide to take it in and take it on the road.

This is the vehicle that taught America what to expect from the perfect family transportation system, including the one and only 5/50 Limited Warranty. See back cover for details.

**T**his revolutionary vehicle built a reputation for carrying on. All kinds of people. All kinds of cargo. From town to country to city to seashore. Caravan is as versatile as they come.

There was nothing quite like it, and there still isn't. It's a combination economy car. Luxury car. Family sedan. Station wagon. And versatile van.

Caravan has the amazing capacity to drop off the soccer squad in the morning, pick up and deliver an antique grandfather clock at noon, go grocery shopping at three, and still be home by six to take Mom and Dad to dinner at the club. What's more, this van of many moods fits as neatly into your garage as it does into your lifestyle.

Among Caravan's many amenities is the easy-to-read instrument panel message center, shown at the left, that provides up-to-the-minute information for driver safety and convenience.

**T**he original still sets the standard for the American marketplace. With a potential bounded only by your imagination, Caravan totally redefines family transportation. Accept no imitations.

To set styles you have to have style. And Caravan comes through with a trim, agile body that's unique as well as easy to drive. And attractive enough to go anywhere.

From its newly redesigned grille with new aero type bright light halogen headlights right back to its versatile liftgate, everything about the popular Caravan spells class.

And most importantly, Caravan has a capacity to please that remains unequalled. This year's additions to the already impressive list of standard features include a sliding side door lock for extra security, a 20-gallon fuel tank on SE and LE models for increased range, and a long lasting stainless steel exhaust system.

All this from a vehicle that rides and handles like nothing you've ever driven before.

Inside, Caravan is richly appointed with a variety of standard features the others call optional. Choose Caravan, and luxury, comfort, convenience and security are yours.

One look inside the luxurious Caravan and you know. This is an interior that comprises a wealth of standard features. All contributing to the ultimate driving experience. All at no extra cost to you.

This year the Caravan LE offers comfortable seating expertly redesigned to fit precisely the contours of your body. In addition to already standard features such as tinted glass, front storage drawer, and rear window wiper/washer, the 1987 Caravan provides the convenience of deluxe intermittent windshield wipers, standard on all models. And a superior sound AM stereo\*/FM stereo radio standard on Caravan LE.

Caravan lets you exercise your options, too. For 1987, a new available rear heater provides greater comfort for rear seat passengers. And a redesigned overhead console available as part of the Popular Equipment Discount Package on LE models offers map/reading lights, outside temperature and compass readouts, plus two handy storage compartments.
