

2016 DODGE JOURNEY

This is the brand our grandparents drove. It's the brand that started with humble beginnings and now holds a multitude of best-in-class awards. It's the brand that boasts both style and power, and never makes you choose between the two. With more than 100 years under their belt, each of the seven vehicles in the 2016 Dodge lineup pays homage to its iconic bloodline with award-winning

features and superior craftsmanship. The powerful engines and bold exteriors of each vehicle beg to be taken out on the open road. The Dodge name continues to live on with the same determination that the Dodge brothers had when first creating the brand. It's time to put the pedal to the metal and live fast.

HERE'S TO THE NEXT 100 YEARS OF INNOVATION.

2016 DODGE JOURNEY

IT'S NOT JUST ABOUT THE MILES YOU TRAVEL, BUT THE LIFE EXPERIENCES IN THOSE MILES. EVERY TURN OF THE ODOMETER CAPTURES THE TIME SPENT GETTING TO THE PLACES AND PEOPLE THAT MATTER MOST. AND WITH AVAILABLE SEVEN-PASSENGER SEATING, THERE'S ROOM FOR EVERYONE. FROM THE DAILY COMMUTE TO BACK-ROAD ADVENTURES, JOURNEY TACKLES YOUR TRAVELS WITH AN INTERIOR THAT'S A MASTER OF STORAGE, OFFERS AN AMAZING DEGREE OF VERSATILITY AND WELCOMES YOU WITH TECHNOLOGY AND COMFORT. THE POWER TO EXPLORE COMES FROM AVAILABLE ALL-WHEEL DRIVE (AWD) AND ENGINE OPTIONS THAT ARE AS EFFICIENT AS THEY ARE CAPABLE. THIS IS THE ULTIMATE COMBINATION OF FORM AND FUNCTION. THIS IS THE 2016 DODGE JOURNEY.

TRENDING NOW

There's something to be said for dressing right for the occasion. Journey is a crossover that does just that. The split-crosshair honeycomb grille, jeweled wraparound headlamps and highly sculpted front fascia are perfectly suited for city streets. The rugged stance, five doors and available ring-of-fire LED taillamps make it ready for adventures that require more than an overnight bag.

Journey Crossroad is set apart by a robust exterior with unique front and rear fascias with Platinum accents, distinctive 19-inch Hyper Black aluminum wheels and a Gloss Black grille with fog lamp bezels. R/T models wear their badging with 19-inch wheels, a monochromatic exterior and dual exhaust with bright tips.

////// Journey Crossroad shown in Granite Crystal Metallic.

ROOM FOR EVERYTHING BUT COMPROMISE

The buck stops here. Journey's interior gives, never takes. It starts with must-have features like Dual-Zone Temperature Control, stadium seating, soft-touch surfaces, and flexible five- or seven-passenger seating. Opt for a 10-way power driver's seat including four-way lumbar adjust, heated front seats and a full-circumference heated steering wheel for greater luxury.

With 90-degree rear-door openings and available Tilt 'n Slide second-row seats, accessing the available third-row seats is effortless.

A standard center console boasts 12-volt power outlets, a remote USB port, and auxiliary audio input and storage. An available 115-volt/150-watt two-prong outlet easily powers portable game devices or audio hookups. Second- and third-row passengers can access the available Rear DVD Entertainment System that features a nine-inch screen, premium speakers, two sets of wireless headphones and a remote control.

THE ULTIMATE MOBILE DEVICE

Opt for the available largest-in-class⁽¹⁾ 8.4-inch touchscreen. This screen features icons used for radio and SiriusXM[®] Satellite Radio⁽²⁾ controls, personal devices like an iPod[®] or smartphone, climate controls, and available navigation and Bluetooth[®] compatible phones. Bring your own tunes via remote USB port with an iPod mobile device control or Bluetooth Wireless Streaming. Available hands-free calling⁽³⁾ can be operated through steering wheel-mounted controls or the touchscreen. It's just that simple. Visit drivesconnect.com for a list of available options.

⁽¹⁾A note about this feature: all disclaimers and disclosures can be found on the back cover.

///// VERSATILITY NEVER LOOKED SO GOOD

CARGO AREA ///// A standard hidden storage bin and access door to the tool and jack compartment are located behind the rear seat. When hauling gear is the priority, simply fold down the second- and available third-row seats for up to 67.6 cu ft of cargo capacity. Five-passenger models feature a tri-fold load floor with in-floor storage bin.

DUAL IN-FLOOR STORAGE ///// The second-row floor provides even more clever storage. Two in-floor storage bins with latching lids can each hold up to a dozen 12-oz cans, plus ice. For added convenience, these bins have removable, washable liners so they're a snap to clean, and make the perfect tailgating accessory.

FLIP 'N STOW ///// Standard on Crossroad and R/T and available on SE and SXT, this fold-flat front-passenger seat flips forward to reveal a bin ideal for concealing a camera or tablet.

CENTER FLOOR CONSOLE ///// This deep, easy-to-access floor console features cup holders, 12-volt outlets, remote USB port, auxiliary audio input, out-of-view storage and available 115-volt/150-watt two-prong power outlet.

STORAGE POCKETS ///// Found on all four passenger doors, molded storage pockets give you more places to stash your travel items, as well as 20-oz drink containers and more.

CLASS-EXCLUSIVE^{MSRP} SECOND-ROW INTEGRATED CHILD BOOSTER SEATS ///// There's no need to fumble with bulky, heavy booster seats anymore. Journey is the only crossover in its class^{MSRP} to offer this invaluable feature.

REAR CUP HOLDERS ///// Cup holders conveniently located on the rear quarter panel accommodate 20-oz drinks or juice boxes. Two more cup holders can be found in the second-row fold-down armrest.

LIVE LIFE TO THE FULLEST

- 1 // Spacious glove box
- 2 // Flip 'n Stow
- 3 // Center console storage
- 4 // Dual in-floor storage
- 5 // Cargo area storage

Properly secure all cargo.

////// Journey R/T in Billet Silver Metallic.

ESCAPE THE EVERYDAY: GO BOLDLY

Journey's confident swagger comes from its advanced automotive engine technology and the surefootedness of available all-wheel drive (AWD). Journey helps you make the most out of your travels, without having to choose between performance and efficiency.

Journey offers two different but equally impressive powertrains. It starts with a responsive 2.4-liter DOHC 16-valve dual Variable Valve Timing (VVT) engine that releases 173 horses and generates 26 mpg highway.* If a bigger performance boost is what you crave, step up to the available award-winning 3.6-liter DOHC Pentastar® VVT V6 engine. This powerplant is mated to a smooth-shifting six-speed automatic and delivers 283 horsepower and an impressive 25 mpg highway,[†] and allows you to travel over 500 miles on a single tank of gas.

Sometimes getting away from it all means taking a lot with you. Whether you're towing a boat or an ATV or hauling camping gear, Journey's measured muscle easily handles 2,500 lb when properly equipped. Standard Trailer Sway Control^(††) helps maintain control of the load being pulled.

Tackle Mother Nature's handiwork with available AWD capability. The system makes it easier to drive on snowy, wet or ice-laden roads. When the system senses wheel slippage, it immediately responds with a transfer of power to the rear wheels for a very noticeable uptick in driving performance.

*EPA estimated 19 mpg city/26 mpg highway. Actual mileage may vary.

†EPA estimated 17 mpg city/25 mpg highway (FWD), 16 mpg city/24 mpg highway (AWD). Actual mileage may vary.

SAFETY & SECURITY FEATURES

PARKSENSE® REAR PARK ASSISTTM /// This system detects objects within 6.5 feet of the backup pathway and provides both an audible chime and visual warning. Available.

PARKVIEW® REAR BACK-UP CAMERATM /// This system displays an accurate visual reference of what is behind the vehicle when it's in Reverse. Available.

ELECTRONIC STABILITY CONTROL (ESC)TM /// This system is designed to assist drivers in maintaining control of their vehicle during extreme steering maneuvers. ESCTM senses when a vehicle is starting to spin (oversteer) or plow (understeer), and attempts to correct the vehicle's course by automatically controlling the throttle and applying the brakes at individual wheels. Standard.

ALL-WHEEL DRIVE (AWD) /// A system that automatically detects wheel-slip and sends additional power to the wheels with the most traction. Available.

ANTILOCK BRAKE SYSTEM (ABS) /// Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. Standard.

IT'S ALL ABOUT YOU CONNECTING

HERE'S WHAT YOU CAN DO. REMAIN FOCUSED ON THE ROAD WITH YOUR HANDS ON THE WHEEL, WHILE YOU COMMUNICATE, NAVIGATE AND STAY ENTERTAINED.

- LISTEN TO MUSIC, TALK SHOWS AND SPORTS. ACCESS ALL GENRES, FAVORITE ARTISTS, WINNING TEAMS – ALL THE TIME WITH SIRIUSXM® SATELLITE RADIO⁽¹⁵⁾

DODGE

DODGE IS A REGISTERED TRADEMARK OF FCA US LLC.

[1] Data is calculated using the latest available year-over-year (YOY) retail vehicle registrations. [2] Based on the latest competitive information and Ward's Standard Specialty segment based on Car & Driver 4-mile time. [3] Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. [4] Uconnect Access is available only on equipped vehicles purchased within the 50 United States. Services can only be used where cellular coverage is available, see coverage map for details. For a complete list of Uconnect Access services, please visit http://www.dodgeconnect.com/features/uconnect_access/packages. Vehicle must be registered for Uconnect Access and fulfill minimum subscription requirement. [5] The 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the Cancel button on the Uconnect touchscreen. [6] Provides direct-dial access to Roadside Assistance Service. Vehicle must be within the United States, have network coverage and be registered with Uconnect Access with an active subscription that includes the applicable feature. Additional roadside assistance charges may apply. Check warranty for details. [7] If you have this feature and have reported your vehicle as stolen to an appropriate law enforcement agency, Uconnect will try to locate your vehicle after receiving proper documents and once law enforcement contacts Uconnect Customer Care. Uconnect may refuse to locate your vehicle if you do not provide the requested information or documents. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. [8] Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must also be properly equipped and in an active and usable cellular range. Theft Alarm Notification is only available on factory-installed alarms. [9] Based on the latest available competitive information and Ward's Middle Specialty Vehicle segment. [10] No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. [11] Excludes non-mass-production vehicles based on horsepower, top speed and NHTSA-certified 4-mile testing. [12] Based on the latest available competitive information and 2015 Ward's Large Regular Car Vehicle segment. Excludes other FCA US LLC vehicles. [13] Based on the latest available competitive information and 2015 Ward's Small Upper Sedan Vehicle segmentation rating under \$25,000. [14] Always check visually for vehicles prior to changing lanes. [15] SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan you choose will automatically renew themselves and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and get more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. [16] WiFi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for WiFi usage. WiFi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of WiFi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using WiFi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. [17] Based on the latest competitive information available. [18] Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. [19] LDM is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [20] FCW system is solely an alert system for the front of the vehicle which does not take any actions to change the vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [21] Voice Post Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). Phone and some other smartphones do not currently support Bluetooth MAP. Visit UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Visit UconnectPhone.com for system and device compatibility. [22] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. [23] The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. [24] Transbrake. See dealer for complete details and a copy of the 5-Year/60,000-Mile Powertrain Limited Warranty.
