Available Options

Many options can be ordered separately to meet your driving needs. They include:

Sensor

Available on all models, Remote Fingertip Illuminated Entry Package required on Spirit. Offers the assurance to walk up to your car and unlock the doors. The system is also designed to activate if a door is pried open without using the key.

Power Sport Soft 50/50 Bi-Driven Side Bucket

(Requires Popular Equipment Discount Package on Spirit.)

There is a six-way power adjustable 50/50 seat (left driver's driver-side bucket. A power seat is especially helpful for tall drivers who need to move the seat back for more leg room. Or for short drivers who need to move the seat forward to see over the steering wheel and the front of the car(s) and down. The rear section tilts back for more comfort. Both seats have adjustable head restraints for safety and comfort, and the front seat has a fold-down armrest.

Air Conditioning

Environmentally controlled air conditioning features a high-capacity condenser and electronic evaporator. A refrigeration sensing thermostat helps maintain the temperature you've selected.
