FWD 18 city 27 hwy

21 combined mpg³

6-speed SelectShift[®]
automatic transmission

MASTER YOUR ELEMENT.

Whether you're pushing it hard on that stretch of open road or taking corners with ease, Ford Taurus is the full-size sedan experience you're looking for. With a choice of engines, you've got as much power as you care to possess. Stay poised through the corners, even when accelerating, with Torque Vectoring Control.⁴ The system applies slight braking force to the inside front wheel as needed to help more torque reach the road and keep Taurus firmly planted.

Keep on track through sharp turns with Curve Control.⁴ When it senses you're taking a curve too quickly, the system can slow Taurus by as much as 10 mph in about a second to help maintain control. All-wheel drive (AWD)¹ balances torque between the front and rear wheels to enhance handling and traction. Also equipped with vented front rotors (all rotors vented for SHO), Taurus is designed for maximum agility.

SOOTHE YOUR SENSES. Rest your hand on soft-touch surfaces in this meticulously assembled interior with finely stitched seats and eye-catching accents. Heated and cooled power front seats, power-adjustable pedals and power sideview mirrors are standard on Limited and SHO. All feature memory¹ to make life even more convenient.

Bring tranquility to your day with a grip of the heated steering wheel² or from a gentle breeze through the power moonroof.² Change your mood by choosing from one of the 7 colors of ambient lighting.² For your listening pleasure, enjoy the sound from a new Audio System from Sony^{®2} with Clear Phase™ and Live Acoustics™ technology. Experience this – and more – on every drive in a 2017 Ford Taurus.

SiriusXM Radio

Listen to everything you love with SiriusXM.^{®2,3} Get over 150 channels including all genres of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you'll hear it all with a 6-month trial subscription to the All Access package, included with your new Taurus. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.

2017 Ford Taurus | ford.com

Limited leather-trimmed interior in Charcoal Black with perforated inserts and available equipment. ¹Memory feature on driver's seat only. ²Available feature. ³SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI.

SYNC 3

In addition to all the voice-activated benefits of SYNC² – placing and answering calls, and controlling music from your devices – you'll love the easy-to-use interface of SYNC 3.^{1,2} An 8" color LCD screen displays phone, audio and navigation² features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.² SYNC 3 also brings you the options of Apple CarPlay^{TM3} and Android Auto.^{TM4}

Voice-Activated Navigation System²

Includes a 5-year complimentary trial subscription to SiriusXM[®] Traffic and Travel Link[®] services.⁵ Global Positioning System (GPS) technology is combined with available 3-D mapping and provides voice-guided turn-by-turn directions. You'll get detailed traffic information, plus current and forecasted weather and fuel station locations and prices.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora[®] and iHeartAuto), thanks to standard SYNC AppLink.⁶

Siri Seamless Integration

Bring the power of Siri[®] into Taurus with Siri Eyes Free,⁷ your paired iPhone[®] and a long press of the voice-recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available.⁸ All you need is a Wi-Fi[®] connection.

2017 Ford Taurus | ford.com

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. ²Available feature. ³Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. ⁴Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply. ⁵SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI. ⁶SYNC AppLink is available on select models and compatible with select smartphone platforms and requires any compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ⁷Requires SYNC 3. ⁸Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

SHO

SUPER HIGH OUTPUT.

Go from 0-60 mph in 5.5 seconds! Hit the quarter mile in 14.4 seconds! "The Super High Output version of the venerable Taurus is the order of the day," says InsideHook.com. "It's got ample room for five with the ability to frighten all of them thanks to 365 horses² from the twin-turbocharged V6 EcoBoost engine." Together with standard all-wheel drive (AWD) and vented disc brakes, Taurus SHO excels at true enthusiast performance. Plus an EPA-estimated rating of 24 hwy mpg.³

Add additional capability with the SHO Performance Package, which includes: a 3.16:1 final drive ratio, an enhanced sport-tuned suspension, high-performance front brake pads, sport-calibrated steering, and performance summer tires.^{4,5} A "Sport Mode" setting on the AdvanceTrac[®] electronic stability control system even lets you do some fine-tuning of your own.

3.5L EcoBoost^{®5}

365 horsepower²
350 lb.-ft. of torque²
EPA-estimated rating:
16 city 24 hwy
19 combined mpg³
All-wheel drive (AWD)

HELPS KEEP THINGS STABLE. Standard AdvanceTrac® electronic stability control¹ helps keep all 4 wheels firmly planted, particularly in inclement weather. Constantly monitoring road conditions and driver responses, the system can automatically adjust engine power and apply individual brakes for an added measure of driving confidence.

SENSES WHAT YOU CAN'T SEE. BLIS® (Blind Spot Information System)² alerts you with a light in either sideview mirror³ if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, notifies you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Taurus out of a parking space. Either way, BLIS with cross-traffic alert² helps keep you aware of things that may be just out of your line of view.

HELPS YOU STAY CENTERED. Our Lane-Keeping System^{2,4} can detect lane markings and apply torque to the steering wheel if it senses your vehicle drifting unintentionally out of its lane. If needed, the Lane-Keeping System can also send gentle vibration pulses to the wheel to prompt you to steer back toward center.⁴ A Driver Alert System² also monitors your driving behavior – including the crossing of lane markings and other factors – and warns you in the message center if you could use a break from driving.

ALLOWS YOU TO SET YOUR PACE. Get a heads-up from adaptive cruise control & forward collision warning with brake support.² This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If a hazard is detected, it flashes a warning on the windshield, sounds an alarm, and preps the braking system to help.

2017 Ford Taurus | ford.com

SHO in White Platinum Metallic Tri-coat. Limited in Shadow Black. Both with available equipment. ¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ³BLIS replaces standard integrated blind spot mirrors. ⁴Lane-Keeping System does not control steering.

SHOW YOUR STREET CRED.

After just one use of its active park assist,¹ you'll never go back to parking Taurus the "old-fashioned" way. Whether you're backing into a perpendicular spot or slowing down to parallel park, ultrasonic sensors can identify a parking space that is the right size, then the system steers the vehicle into it. All you do is follow on-screen prompts, and operate the accelerator, brake and gear shifter as needed. No second guessing. Much less stress.

New Vehicle Limited Warranty. We want your Ford Taurus ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
