

GENESIS

# 2021 GENESIS G70

## HERE'S TO WHAT'S NEXT, NOT WHAT WAS.

When it comes to automobiles, the brands that have traditionally defined luxury were born a century ago. And while we admire those who came before us, we're not bound by their traditions.

At Genesis, we're free to invent our own way of doing things. Free to think about the future of luxury without holding onto the past. Our designers and engineers see through new eyes, with a sense of wonder. It's why, in just a few years, we've quickly transformed the level of innovation you can expect from a luxury car. And from a luxury car company.

The Genesis Experience extends beyond exquisite engineering to include thoughtfully conceived owner benefits designed around real needs and wants, respecting how you actually live.

## IT'S CHANGED A LOT OF EXPECTATIONS. WHAT ABOUT YOURS?

From the moment it was introduced, the Genesis G70 began filling a trophy case with awards from the world's leading automotive authorities that rate quality, safety and customer satisfaction. As flattering as that is, the opinion that matters most to us is yours.

Look at the sleek, bold lines and athletic stance of the G70. Take your place in the driver's seat, grip the steering wheel and let your eyes scan the interior's surfaces and textures. Then find your favorite stretch of road.

Put the dynamic response of the G70 2.0T or 3.3T's engine, suspension and braking to the test. Will the G70 fulfill your demands of a luxury performance sedan? You're the ultimate expert. And we think you'll be surprised by how fully it meets your expectations. Blown away, in fact.

## PRESS THE ACCELERATOR. LEAVE AN IMPRESSION.

In the G70 2.0T, a 2.0L Turbo GDI 4-cylinder engine unleashes 252 horsepower,<sup>1</sup> which flows from engine to wheels through an 8-speed Shift-by-Wire automatic transmission complete with race-inspired paddle shifters on the steering wheel.

Rev-matching helps ensure engine RPMs are automatically elevated to match the optimum speed of the next gear, resulting in smoother downshifting for peak performance. Prefer performing in the clutch? The 2.0T Sport M/T features a smooth-shifting 6-speed manual gearbox.

Behind the wheel of the G70 3.3T, you'll command 365 horsepower and 376 lb-ft of torque from an all-aluminum 3.3L Twin-Turbo GDI V6.<sup>2</sup> Like the 2.0T, its 8-speed electronic transmission includes Intelligent Drive Mode, which lets you choose a driving dynamic to suit your mood. Choose Sport mode, and your G70 holds the appropriate gear in a corner during stints of spirited driving to achieve smooth, brisk acceleration as you exit the turn.

The G70 driver can even adjust the engine sound for maximum sonic effect. Using Active Sound Design technology, engine sounds are enhanced with acoustics generated by the audio system. Ready to slow things down? An available Brembo<sup>®</sup> braking system delivers high-performance stopping power.

## POWER, MEET CONTROL.

The true measure of a performance sedan isn't raw power. It's how the engine's power is harnessed at the point of contact, where the rubber meets the road. The G70 offers a wealth of precision engineering that enhances traction and driving confidence. The 3.3T comes equipped with 19" alloy wheels, power side bolster support for the driver seat, a Brembo® performance braking system and a mechanical limited-slip differential. The 3.3T Sport adds an electronically controlled suspension to optimize the harmony between disciplined handling and a relaxed ride. And every G70 is available with advanced All Wheel Drive, which syncs with Intelligent Drive Mode to gauge driving conditions and optimize the rear-wheel-drive bias for each driving mode. The AWD system also features Dynamic Torque Vectoring Control, which uses inner rear-wheel braking and adjusts the torque distribution to each wheel for optimal traction and improved agility through and out of corners.

### INTELLIGENT DRIVE MODE

Behind the wheel of the G70, you can choose between five distinct driving dynamics: Eco, Comfort, Sport, Smart and Custom. Each one adjusts stability control and steering, transmission and throttle response – even the suspension settings on the 3.3T Sport.

### LAUNCH CONTROL

A feature normally reserved for exotic European supercars, launch control helps minimize wheel spin and maximize traction when accelerating from a stop. The result? Breathtakingly quick starts with increased stability off the line.

### CURTAIN CALL

The aggressive-looking vents on the front end of the G70 aren't just for show. Air curtain intake grilles help reduce airflow resistance around the front wheels for maximum aerodynamic performance – and the kind of high-speed stability critical for a sport sedan.

# PERFORMS UNDER PRESSURE.

Drive practically anywhere these days, and potential trouble is all around. To take pressure off its driver, the G70 comes standard with the most advanced safety features in its class.<sup>3</sup> Forward Collision-Avoidance Assist, Blind-Spot Collision Warning and Lane Keeping Assist use radar and cameras to monitor the front, side

and rear of your G70 for potential hazards. A rearview camera with guidelines helps you back into tight parking spaces or out of driveways. And to help answer the question 'How close am I?' when parallel parking, available front and rear parking sensors alert you before your G70 has gotten too close for comfort.

**2020 IIHS TOP SAFETY PICK+**  
2020 Genesis G70 built after December 2019<sup>9</sup>

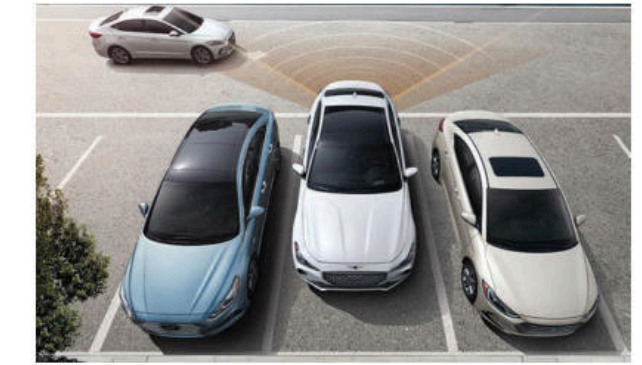

## FORWARD COLLISION-AVOIDANCE ASSIST WITH PEDESTRIAN DETECTION

Forward Collision-Avoidance Assist helps alert you to potential vehicle or pedestrian hazards in front of your car. If necessary, the system automatically applies braking to help avoid a collision.<sup>4</sup>

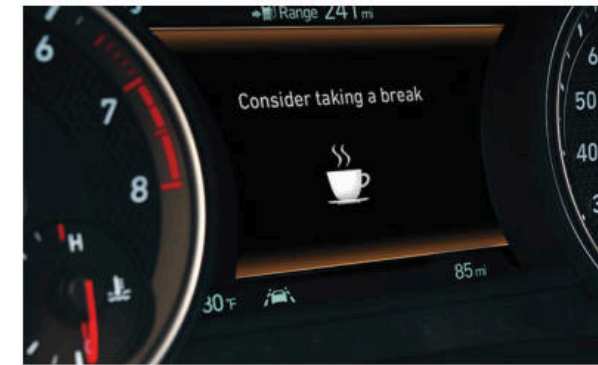

## LANE KEEPING ASSIST

Should your car begin to drift outside of its driving lane, the G70 alerts its driver and uses reverse steering torque to apply slight corrective measures that help keep your car safely in its lane. The system includes three settings with varying degrees of assistance.<sup>5</sup>

## REAR CROSS-TRAFFIC COLLISION WARNING

You know that feeling of uncertainty: You're backing out of a parking space and wondering whether there's cross traffic coming your way. The G70 is equipped to help alleviate your concern by alerting you to vehicles approaching from the sides.<sup>6</sup>

## DRIVER ATTENTION WARNING

The G70 can help detect whether its driver is potentially fatigued or distracted by analyzing your driving patterns and your car's position within its lane. When necessary, it issues a visual and audio alert suggesting the driver take a break from the road.<sup>7</sup>

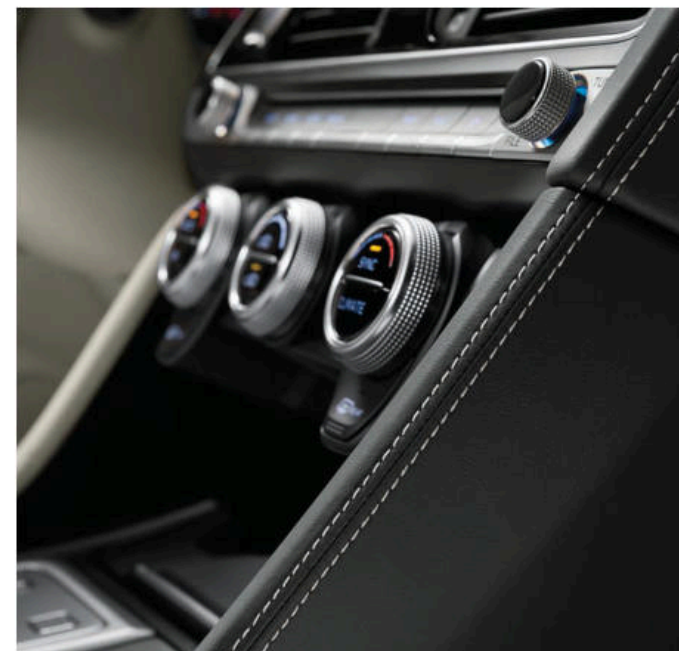

## BLIND-SPOT COLLISION WARNING

Serving as an extra set of eyes when you are changing lanes, Blind-Spot Collision Warning comes standard with your G70. It continually monitors your flanks, and if it detects a vehicle in your blind spot, it warns you using audio and visual alerts.<sup>7</sup>

## LOW BEAM AND HIGH BEAM ASSIST

Available Low Beam Assist turns the G70's LED headlight beams in sync with your steering for better visibility in corners. High Beam Assist switches from high to low headlight beams automatically when the front camera detects an oncoming or leading vehicle ahead.

## PRESTIGE IN EVERY DETAIL.

Open the door of the Genesis G70, and you'll enter a richly detailed interior – one filled with the kind of refinement usually reserved for a luxury class above. Slip behind the wheel of a 3.3T Sport or any G70 Prestige model, and the premium stitching of quilted Nappa leather seating surfaces makes an immediate impression. The seat seams are double-stitched and trimmed with piping. The control knobs are cut with jewel-like facets around the edges, a technique called knurling.

A driver-oriented instrument panel punctuated by large analog-style gauges ringed with aluminum bezels conveys the G70's sporting character. To ensure your comfort, the dual automatic temperature control system includes a filter that cleanses the cabin air. And with available amenities like heated and ventilated seats, a heated steering wheel and an expansive sunroof, it won't take long for the G70 to convince you it has its priorities in all the right places.

## IT BLURS THE LINE BETWEEN SPORTS SEDAN AND LUXURY CAR.

Slip into the G70 Sport's 16-way adjustable power driver seat, and you're seated in the lap of luxury. The power extension of a thigh support cushion is complimented by power adjustment of the side bolsters for a fit precisely tailored to your form. Turn the Drive Mode knob to Sport during a session of spirited driving, and your G70 Sport automatically adjusts the width of the driver seat's side bolsters for improved lateral support in turns.

Notice how easily your eyes lock onto the information you need at speed. Aluminum bezels surround a pair of large dials that display a colorful 3D effect as red needles sweep across the faces of the tachometer and speedometer. Every 3.3T model also comes standard with a navigation system integrated into the car's 8" floating touchscreen display.

The soundtrack for your G70's performance? It comes from a Lexicon® premium audio system available with QuantumLogic® Surround and 15 high-efficiency speakers – including two subwoofers under the front seats.

Genesis G70  
Best Multimedia Quality Among  
All Compact Premium Vehicles  
In 2019<sup>10</sup>

## IT KNOWS YOUR EVERY MOVE.

What distinguishes a luxury from something ordinary is how intuitively it seems to know your preferences. How clearly it speaks to your inner voice. And how precisely it reflects your unique sense of style and refinement. Through a range of intelligently engineered features, your G70 reveals just

how well it knows you – and your needs. From the elegant simplicity of its hands-free smart trunk release to the natural integration of your smartphone with its floating center display, you'll be delighted by the way your G70 seamlessly syncs with your life.

### SMART CRUISE CONTROL WITH STOP & GO

Far more than an ordinary cruise control, this feature automatically adjusts your speed to help maintain a set distance from the vehicle ahead. Smart Cruise Control can also bring your G70 to a complete stop, then start again without driver input.<sup>11</sup>

### HANDS-FREE SMART TRUNK

Walking up to your car with your hands full? The G70's hands-free smart trunk opens automatically for easy access to a spacious cargo area. It works by detecting the key fob in your pocket or purse. Simply wait behind the trunk area for a few seconds, and it pops open.<sup>12</sup>

### SURROUND VIEW MONITOR

An available Surround View Monitor uses four cameras to display the perimeter of your G70 from multiple angles. Use it to guide your way into tight parking spaces and for clear views of the curb when parallel parking on the street.

### HEADS-UP DISPLAY

The quicker you move, the faster you need information. Which is why the G70 can be equipped with an available full-color Heads-up Display. Adapted from fighter jet technology, it projects speed, navigation and safety alert data directly onto the windshield in front of the driver.

### SMARTPHONES MADE SMARTER

Standard Android Auto™ and Apple CarPlay® allow you to tap into your smartphone using a familiar interface on the G70's touchscreen or simple voice commands. Access your music library, contact lists, texts, calls, navigation, maps and more.<sup>13</sup>

### WIRELESS CHARGING PAD

Your life moves with your smartphone, but only if it's charged. An available wireless charging pad makes it easy to keep your smartphone powered on the go. Just set it down, and the charging status is shown by a colored indicator light.<sup>14</sup>

# GENESIS CONNECTED SERVICES

SEND DIRECTIONS TO THE AIRPORT  
FROM MY PHONE TO MY CAR

WHAT IS THE FASTEST ROUTE TO GET  
TO THE RESTAURANT?

REMIND ME TO SCHEDULE AN OIL  
CHANGE NEXT WEEK

START THE ENGINE AND SET THE CABIN  
TEMPERATURE TO 72 DEGREES

As a G70 owner, you'll have full access to Genesis Connected Services – a suite of technologies that puts powerful capabilities in the palm of your hand.<sup>15</sup> Complimentary for the first three years of ownership, it enables you to remotely start your car's engine and climate controls using the Genesis Intelligent Assistant app on your smartphone<sup>16</sup> or your Amazon Echo® or Google Home™ device before you walk out the door.<sup>17</sup> You can

also leverage the power of your smartphone to find points of interest and send driving directions directly to your car's navigation system,<sup>18</sup> or find your G70 in a crowded parking lot. Connected Care services extend your peace of mind with Monthly Vehicle Health Reports, SOS Emergency Assistance, Enhanced Roadside Assistance and more. Visit [genesis.com](http://genesis.com) for more information on the innovative features at your fingertips.

# IT'S LIKE YOU WERE IN THE RECORDING STUDIO.

You're all about being at the center of powerful, moving performances. Like the kind you'll hear when you turn on your G70's Lexicon® premium audio system.<sup>19</sup> With two modes of sound reproduction programmed in the mix, it creates a rich, immersive sonic experience wherever you're seated. From HD Radio™ to Bluetooth® streaming playlists and SiriusXM Satellite Radio's wide range of channels, you'll hear it all with remarkable depth and clarity.<sup>20</sup>

QuantumLogic® Surround transforms your G70 into a multi-channel soundstage. Your music sounds powerful and sparkling, thanks to Clari-Fi™ Music Restoration Technology that enhances digital audio during playback to restore sound qualities lost in today's compressed streaming playlists or satellite radio.

## 15-SPEAKER LEXICON® QUANTUMLOGIC® SURROUND SOUND AUDIO SYSTEM

- T** Door-mounted tweeters
- S** Subwoofers mounted under front seats
- W** Door-mounted woofers
- M** Midrange surround sound speakers
- L** Lexicon® 11-channel digital external amplifier

# THE GENESIS EXPERIENCE

True luxury is about your complete experience, both on and off the road. It reflects a profound commitment to meeting your needs and wants precisely, in a way that values your precious time. Welcome to the Genesis Experience, our thoughtfully crafted suite of owner benefits designed to elevate the way you drive. And live.

## EXPERIENCE LUXURY LIKE NEVER BEFORE.

### COMPLIMENTARY SERVICE VALET

You may never need to bring your vehicle to a Genesis service center. Allow your Genesis retailer to pick up your G70 and deliver a courtesy replacement vehicle, perform any required maintenance, then return your car to your location...all while you enjoy more pleasurable pursuits. Complimentary for 3 years or 36,000 miles.

### COMPLIMENTARY SCHEDULED MAINTENANCE

Enjoy a worry-free Genesis ownership experience with Complimentary Scheduled Maintenance for 3 years or 36,000 miles, whichever comes first. Complimentary oil changes are also included with normally scheduled maintenance appointments at your Genesis service center.

### 24/7 ENHANCED ROADSIDE ASSISTANCE

Peace of mind is another essential luxury. Should your travel plans take an unexpected turn, five-year complimentary Roadside Assistance provides tire changes or transportation to the nearest Genesis retailer. Reimbursement for an overnight stay is included if needed.

### NAVIGATION AND MULTIMEDIA UPDATES

To ensure you're accessing the most up-to-date driving directions, the navigation system available in your G70 comes with complimentary annual map updates for three years as part of your routine maintenance visits with Genesis.

### SIRIUSXM ALL ACCESS SATELLITE RADIO

Complimentary for your first three months, SiriusXM All Access offers one of the widest varieties of entertainment anytime, anywhere. Enjoy every channel available on your satellite radio – including personalized stations powered by Pandora® – and listen in your G70 or on your computer, smartphone or tablet with the SiriusXM app.

### GENESIS CONNECTED SERVICES

Every new G70 includes three years of complimentary Genesis Connected Services. It's an exclusive suite of safety, car care, guidance and remote features that help keep you connected to your digital life and the things you need on the go.

Refer to footnotes on the back page for additional program details.

## 2021 GENESIS G70 TRIM LEVELS

### G70 2.0T ELITE

#### 2.0T Standard features plus:

- + Front and rear parking sensors
- + Integrated Memory System
- + Power tilt-and-telescopic steering wheel
- + 8" touchscreen navigation system
- + Heated front seats (standard with AWD)
- + Genesis logo approach lights
- + Power-folding auto-dimming side mirrors
- + Front passenger seat walk-in device
- + Power tilt-and-slide wide sunroof
- + Lexicon® 15-speaker premium audio system with QuantumLogic® Surround and Clari-Fi™ Music Restoration Technology
- + Leather seating surfaces
- + Aluminum trim (doors and center console)

### G70 3.3T PRESTIGE

#### 3.3T Standard features plus:

- + Heads-up Display
- + Surround View Monitor
- + Nappa leather seating surfaces with luxury quilting
- + Heated rear seats
- + Microfiber suede headliner
- + Power trunk

### G70 2.0T PRESTIGE

#### 2.0T Elite features plus:

- + 19" aluminum alloy wheels  
RWD: Summer tires, AWD: All-season tires
- + Heads-up Display
- + Wireless charging pad
- + Surround View Monitor
- + Rain-sensing wipers
- + Ventilated front seats
- + Heated steering wheel
- + Low Beam Assist
- + Nappa leather seats with luxury quilting
- + Power driver seat cushion extension
- + Front passenger seat 4-way power lumbar
- + Heated rear seats
- + Microfiber suede headliner

### G70 3.3T SPORT

#### 3.3T Prestige features plus:

- + 19" aluminum alloy sport wheels  
RWD: Summer tires, AWD: All-season tires
- + Electronically controlled suspension
- + Copper headlight bezel accents
- + Dark tinted taillight covers
- + Dark chrome grille and side window surround
- + Black Nappa leather seats with sport quilting and red or gray stitching

### G70 2.0T SPORT M/T

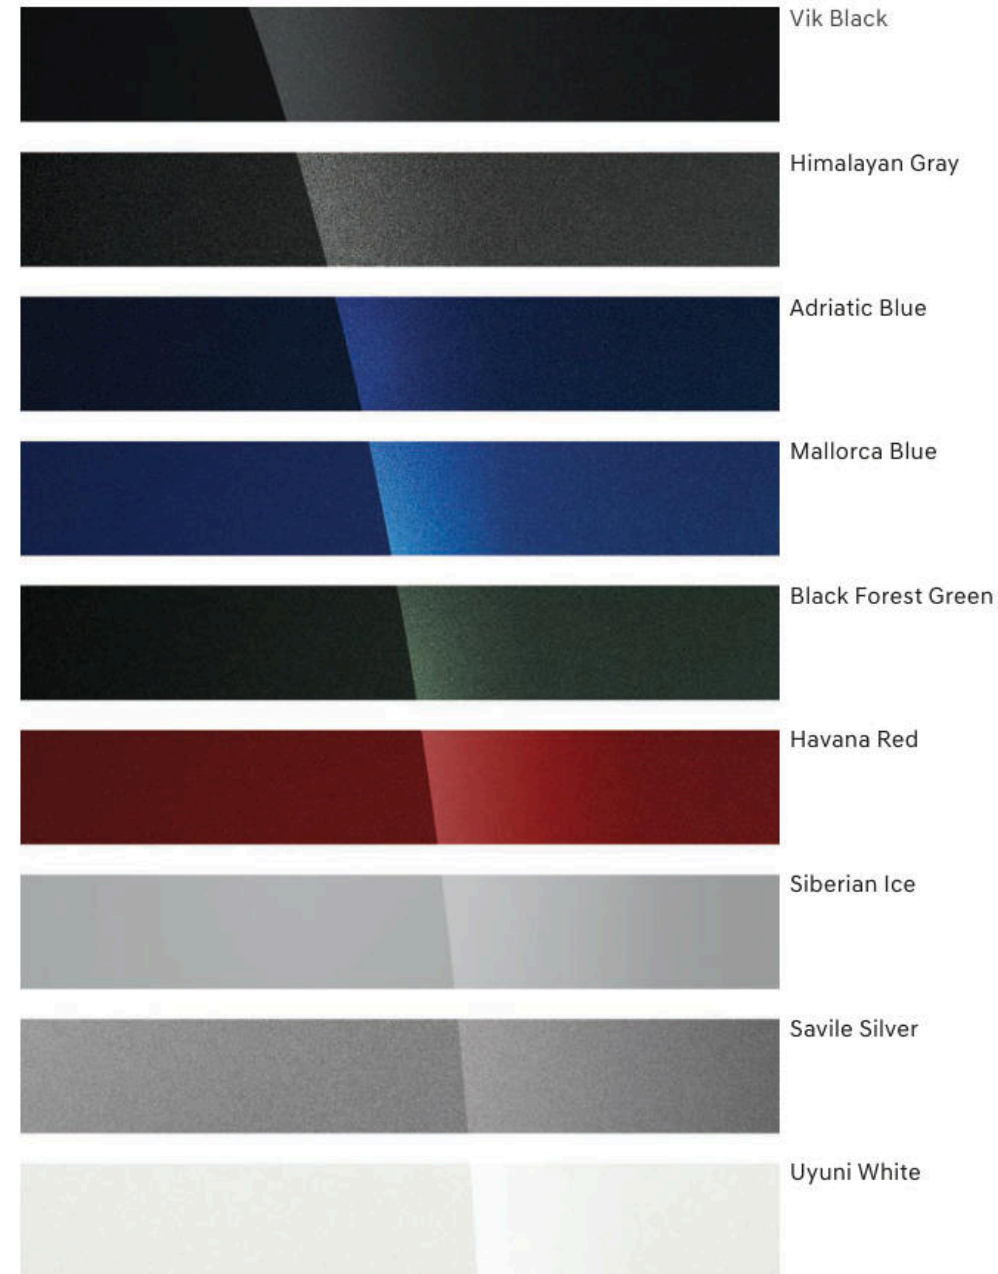

#### 2.0T Standard features plus:

- + 6-speed manual transmission
- + 19" aluminum alloy wheels  
Summer tires
- + Limited-slip differential
- + Brembo® performance braking system
- + Sport exhaust
- + Aluminum trim (doors and center console)
- + Heated and ventilated front seats
- + Integrated Memory System
- + Power tilt-and-telescopic steering wheel
- + Power driver seat cushion extension
- + Power driver seat side bolsters
- + Lexicon® 15-speaker premium audio system with QuantumLogic® Surround and Clari-Fi™ Music Restoration Technology
- + Alloy sport pedals
- + Tire Mobility Kit

#### Deleted features:

- Temporary compact spare tire
- Electronic Parking Brake
- Smart Cruise Control with Stop & Go
- Idle Stop & Go

## 2021 GENESIS G70 EXTERIOR COLORS

## 2021 GENESIS G70 WHEELS AND TIRES

### 18" ALUMINUM ALLOY WHEELS G70 2.0T STANDARD & ELITE

- 18 x 8.0J
- Semi-gloss finish
- 225/45R18 all-season tires

### 19" ALUMINUM ALLOY WHEELS G70 2.0T PRESTIGE & SPORT M/T G70 3.3T STANDARD & PRESTIGE

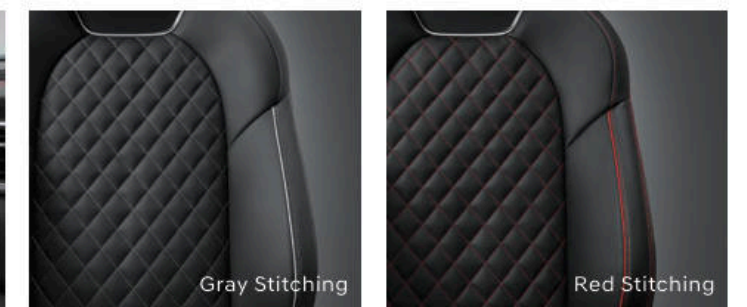

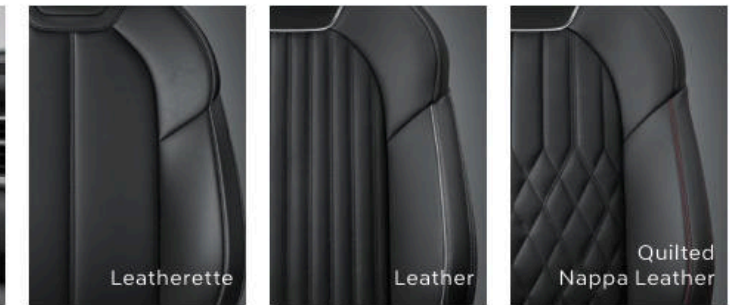

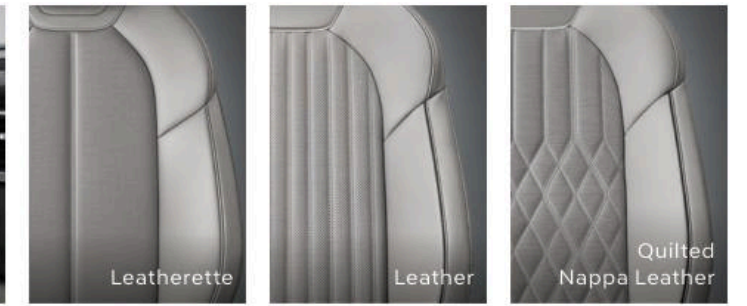

- Front: 19 x 8.0J, Rear: 19 x 8.5J
- Machine-finished gray
- Front: 225/40R19 tires
- Rear: 255/35R19 tires
- RWD: Summer tires, AWD: All-season tires

### 19" ALUMINUM ALLOY SPORT WHEELS G70 3.3T SPORT

- Front: 19 x 8.0J, Rear: 19 x 8.5J

## GENESIS BRAND WARRANTY

**POWERTRAIN LIMITED WARRANTY**  
10 YEARS / 100,000 MILES

**NEW VEHICLE LIMITED WARRANTY**  
5 YEARS / 60,000 MILES

**ANTI-PERFORATION WARRANTY**  
7 YEARS / UNLIMITED MILES

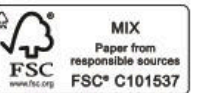

## FOOTNOTES

<sup>1</sup>255 HP with manual transmission. Horsepower ratings with premium fuel. <sup>2</sup>Horsepower and torque ratings with premium fuel. <sup>3</sup>Claim based on comparison of specifications on manufacturer websites. <sup>4</sup>The Forward Collision-Avoidance Assist (FCA) with Pedestrian Detection helps detect pedestrians, but not in all conditions. FCA is designed to assist drivers to avoid, or reduce the severity of, collisions with cars that have slowed or stopped in front of them. It is a supplemental assist and does not replace the need for extreme care and attention by the driver. FCA may not stop the vehicle completely and will not avoid all collisions. See Owner's Manual for further details and limitations. <sup>5</sup>Lane Keeping Assist operates only when the lane markings are clearly visible on the road. It will not work under all circumstances and will not prevent loss of control. It is a supplemental assist and does not replace the need for extreme care and attention by the driver. It uses a camera in the upper windshield area, and it is imperative this area be free of blockage such as stickers, dirt, snow, tinting material, markings and labels. Avoid putting objects on the dashboard that may reflect light or images onto the system camera area. See Owner's Manual for details. <sup>6</sup>Rear Cross-Traffic Collision Warning (RCCW) is active when the vehicle is in reverse gear and backing at a speed less than 6 mph. It only engages during the first activation of reverse gear from park and may not detect all vehicles, depending on the size, angle, distance and speed of the other vehicle. Never rely exclusively on RCCW. Always look over your shoulder and use your mirrors to confirm rear clearance. See Owner's Manual for further details and limitations. <sup>7</sup>Driver Attention Warning (DAW) is only a warning to inform of a potential lack of driver attention or drowsiness. It does not detect and provide an alert in every situation. It is the driver's responsibility to remain alert at all times. See Owner's Manual for details and limitations. <sup>8</sup>Never rely completely on Blind-Spot Collision Warning and be sure to use proper lane-changing procedures. Blind-Spot Collision Warning will not detect every object or vehicle and will not prevent accidents. Always look over your shoulder and use your mirrors to confirm clearance. See Owner's Manual for details and limitations. <sup>9</sup>To qualify for 2020 TOP SAFETY PICK+, a vehicle must earn good ratings in the driver-side small overlap front, passenger-side small overlap front, moderate overlap front, side, roof strength and head restraint tests. It also must earn an advanced or superior rating for vehicle-to-vehicle and vehicle-to-pedestrian front crash prevention and come with standard acceptable- or good-rated headlights. For details visit [www.iihs.org](http://www.iihs.org). <sup>10</sup>For J.D. Power 2019 award information, go to [jdpower.com/awards](http://jdpower.com/awards) for more details. <sup>11</sup>Smart Cruise Control (SCC) is not a collision-avoidance or warning device. SCC is for highway use only and should not be used in poor weather, heavy or varying traffic, or on winding or slippery roads.

Driver remains responsible to slow or stop the vehicle to avoid a collision. SCC initiates a full stop when the traffic ahead stops and reengages if the vehicle ahead moves forward within 3 seconds. See Owner's Manual for details. <sup>12</sup>The smart trunk will open when your Proximity Key is within 40 inches of the detection area for at least 3 seconds. Radio transmitters and other vehicle smart keys may interfere with the normal operation of this feature. See Owner's Manual for further details and limitations. Always close the trunk before operating your vehicle. <sup>13</sup>Android Auto requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 Lollipop or higher. Google, Android, Android Auto, Google Play and other marks are trademarks of Google Inc. Apple CarPlay works with iPhone 5 and later models running the latest version of iOS 7.1 and above. Apple is a registered trademark of Apple Inc. <sup>14</sup>Qi wireless charging function is based on smartphone compatibility and/or specific accessory cases. <sup>15</sup>Genesis Connected Services are complimentary for 3 years and require an active subscription agreement subject to the Connected Services Terms and Conditions. Three-year term starts from the new vehicle date-of-first-use and is available for new 2021 model year vehicle purchases and leases, as well as transferable to subsequent owners subject to the Terms and Conditions. Only use Genesis Connected Services and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications and fees are subject to change. For more on details and limitations, visit [genesis.com](http://genesis.com) or an authorized retailer of Genesis branded products. <sup>16</sup>Remote features are subject to adequate cellular coverage, signal strength and battery power, and only available in the 50 United States. You must be an active subscriber or within the initial free-trial period to receive Genesis Connected Services. <sup>17</sup>Requires active Remote Services subscription. Amazon, Alexa and all related logos and motion marks are trademarks of Amazon.com, Inc. or its affiliates. Google Home and Google Assistant are trademarks of Google Inc. <sup>18</sup>Requires active Guidance Services subscription and navigation-equipped G70. <sup>19</sup>Standard on G70 3.3T, available on 2.0T. <sup>20</sup>All SiriusXM services require a subscription sold separately, or as a package, by Sirius XM Radio Inc. after the trial period has elapsed. The subscription plan you choose will automatically renew, and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](http://siriusxm.com). All fees and programming subject to change. Satellite and outside-the-car lineups vary slightly. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. <sup>21</sup>EPA estimates for comparison only. Your actual mileage will vary with options, driving conditions, driving habits and vehicle condition.

**Genesis Experience Notes:** Genesis Service Valet is for 2021 model year vehicles for maintenance for 3 years/36,000 miles and for warranty repairs. Coverage area varies by retailer. Mileage and ownership limitations may apply. Genesis reserves the right to change program without notice. Exclusions may apply. Genesis Complimentary Maintenance is for 2021 model year vehicles for factory-recommended scheduled maintenance for 3 years/36,000 miles. Ownership limitations may apply. Genesis reserves the right to change program without notice. Exclusions may apply. Multimedia and Navigation Map Care updates are available annually for 2021 model year vehicles for 3 years after purchase with a regularly scheduled maintenance appointment. Availability timing of software updates may vary. Ownership limitations may apply. Genesis reserves the right to change program without notice. Exclusions may apply.
