

2023  
GENESIS GV80

## SHOW THEM WHAT YOU'RE CAPABLE OF

A few short years ago, we created Genesis to reflect a new kind of luxury that is emerging at the intersection of design and technology. Where luxury is not a feature, but a feeling – the direct effect of a seamless interaction with everything that surrounds you.

With the GV80, you will discover just how far beyond traditional luxury a Genesis SUV can take you. It starts with a standard All Wheel Drive system that puts you confidently in control – even when road conditions are far from ideal.

Countless innovations add to your sense of comfort and security. And then there's this: In its 2022 U.S. Vehicle Dependability Study, J.D. Power ranked Genesis #1 in long-term dependability among luxury brands.\*

With all of that at your command, there is no telling what you will be capable of discovering.

## ANTICIPATION MEETS EXPECTATIONS

As the first SUV launched by Genesis, the GV80 was highly anticipated. As it turns out, it was well worth the wait. The GV80 earned a Kelley Blue Book KBB.com Best Buy Award for 2021, and again for 2022.<sup>2</sup>

The formula for success? Add cargo versatility, off-road capability and up to 6,000 pounds of towing capacity<sup>3</sup> to the high standards of design, performance and safety firmly established by our Genesis luxury sedans.

No matter how rugged your adventures, you are sure to arrive in style. Two-Line headlamps frame the GV80's Crest Grille with its signature G-Matrix pattern – a design echoed in the available 22" Aluminum Alloy Wheels and evident throughout the cabin. Uncluttered and elegant, the GV80's spacious interior is centered around an expansive 14.5" HD screen atop the dash.

TURBOCHARGE  
YOUR WEEKENDS

## BORN TO OUTPERFORM

How did Genesis make its first SUV an award-winner? It started with our core principles of quality, reliability and durability – principles instilled in the GV80's turbocharged power, agile All Wheel Drive handling and smooth self-leveling multi-link suspension. And that's true no matter which GV80 you choose: The 300-horsepower 2.5T with its Turbo In-line 4-cylinder engine, or the 3.5T powered by a 375-horsepower Twin-Turbo V6.<sup>4</sup>

An exquisite rotary dial on the center console engages the 8-speed Shift-by-Wire automatic transmission. Another dial – Drive Mode Select – lets you calibrate the driving dynamics of your GV80 to Comfort, Sport, Eco, Smart or Custom settings.

Drive Mode Select syncs with an available Ergo Motion Seat that adjusts its power side bolsters tighter to the driver's body in Sport mode, or more open in Comfort mode. Want even more precision? The 3.5T's Electronically Controlled Suspension with Road Preview continually adjusts the firmness of its shock absorbers, while an available Electronic Limited-Slip Differential optimizes power delivery to make the most of your GV80's traction.

### 2.5L TURBO 4-CYLINDER

**300 HP**  
Maximum Output<sup>4</sup>

**311 LB-FT**  
Maximum Torque<sup>4</sup>

**6,000 LBS**  
Towing Capacity with trailer brakes

### 3.5L TWIN-TURBO V6

**375 HP**  
Maximum Output<sup>4</sup>

**391 LB-FT**  
Maximum Torque<sup>4</sup>

**6,000 LBS**  
Towing Capacity with trailer brakes

## READY FOR WHAT COMES NEXT

The GV80 comes standard with safety innovations that help protect you and your passengers in parking lots, on highways and everywhere in between. It's an approach to your security that has led to Genesis routinely earning the industry's highest safety ratings.

On the 2023 GV80, the innovations include Intelligent Speed Limit Assist.<sup>5</sup> When activated with Smart Cruise Control with Stop & Go,<sup>6</sup> it uses the front camera to detect speed limit signs and notifies the driver of a new speed limit, which the driver can accept or decline. Your GV80 also slows its cruising speed automatically when it senses you are approaching a curve on the highway.<sup>7</sup>

### 01 LANE FOLLOWING ASSIST AND HIGHWAY DRIVING ASSIST

Lane Following Assist helps keep you centered in your lane by scanning lane markers and the path of the vehicle ahead.<sup>10</sup> Highway Driving Assist maintains distance and speed from the vehicle ahead while driving on a highway and helps center you in the driving lane, even through a curve.<sup>11</sup>

### 02 FORWARD COLLISION-AVOIDANCE ASSIST

In addition to detecting vehicles, pedestrians and cyclists that have slowed or stopped in front of you, the GV80's Forward Collision-Avoidance Assist automatic emergency braking technology can also assess the risk of colliding with oncoming traffic while turning left in an intersection.<sup>12</sup>

### 03 REAR CROSS-TRAFFIC COLLISION-AVOIDANCE ASSIST AND PARKING COLLISION-AVOIDANCE ASSIST – REVERSE

The GV80 comes standard with Rear Cross-Traffic Collision-Avoidance Assist<sup>13</sup> and also offers an available Parking Collision-Avoidance Assist for the rear detection area.<sup>14</sup> Both features apply automatic braking to help prevent mishaps if a hazard is detected while backing out of parking spaces in reverse gear.

### 04 BLIND-SPOT VIEW MONITOR AND BLIND-SPOT COLLISION-AVOIDANCE ASSIST

Activate your turn signal, and an available Blind-Spot View Monitor displays video in the GV80's instrument cluster from its side-view cameras.<sup>15</sup> Like an extra set of eyes when you approach the line markings for a lane change, the GV80 engages differential braking automatically to help avoid collisions if a vehicle is detected in the rear blind spot.<sup>16</sup>

### 05 REAR OCCUPANT ALERT AND SAFE EXIT ASSIST

The GV80 is available with a sophisticated new radar-based Rear Occupant Alert. It helps detect the barely perceptible movements of a child's chest from breathing, and warns an exiting driver of children sleeping in the back seat or pets in the cargo area.<sup>17</sup> Safe Exit Assist warns the driver if an approaching vehicle is detected alongside an opening door.<sup>18</sup>

2022 Genesis GV80<sup>8</sup>

## A NATURAL FIT

Your GV80 wraps you in luxuries like open-pore genuine wood trims and the supple feel of expertly stitched leather available on the seating surfaces.

## CONTROL YOUR SURROUNDINGS

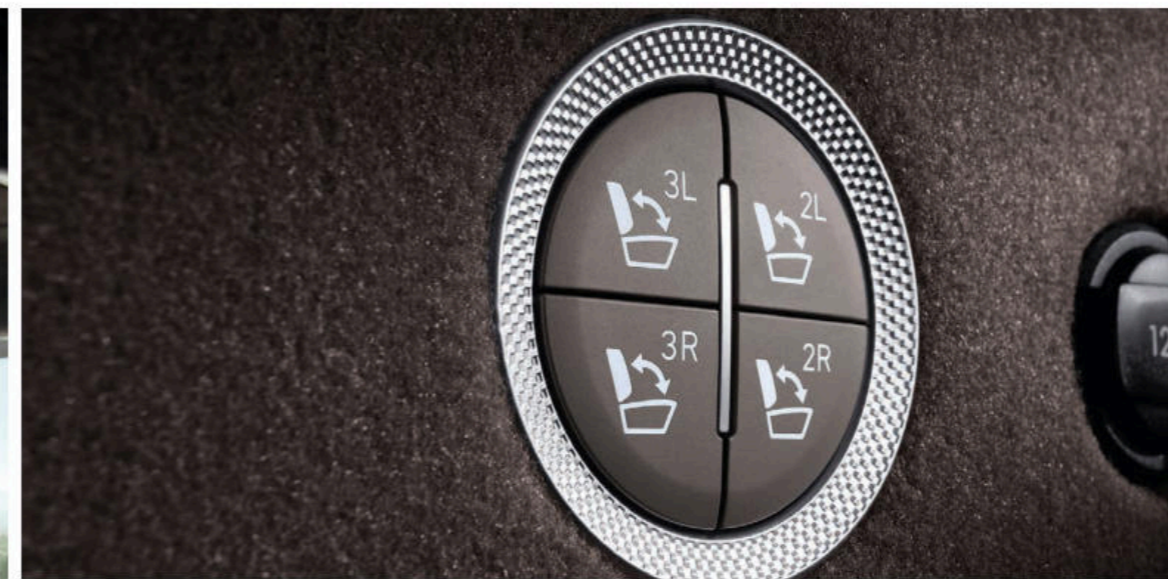

In your GV80 3.5T Prestige, everything you see, touch and interact with creates a sense of pleasure and control. The Power Door Closure gently seals you inside. Noise is sealed out, thanks to acoustic insulation in the windshield and front door glass.

At speed, Active Noise Control technology counteracts road noise by analyzing the information from both microphones and accelerometers, then producing sound waves of opposite phases. Heated Front Seats and a Heated Steering Wheel offer soothing warmth at the press of a button. Want your seat cooled instead? Smart Ventilated Seats increase their fan speed as you accelerate, ensuring your comfort keeps pace.

With a simple swipe of your finger, a capacitive Touch Type Climate Control panel lets you adjust the 3-Zone Climate settings. Intuitive graphics make it easy for the driver to adjust heating or cooling for 2nd-row passengers as well.

Front and center, an infrared camera tracks the driver's eye movements, then displays a stereoscopic 3D image within the 12.3" Digital Instrument Cluster that your eyes can easily follow.

## PLEASE BE SEATED

With available 2nd-row seating features like power slide, recline and cushion tilt adjustment, the rear passengers in your GV80 enjoy first-class treatment. Heating elements in the available Heated 2nd Row Seats are designed to cover larger areas for extra warmth.

Need to quickly transform the rear of your GV80 for carrying cargo? No problem. One-Touch Power Folding Seats create cavernous storage room. The 2nd row can split-fold 40/20/40 for flexible combinations of seating and cargo capacity. A 3rd row is also available, which allows up to seven passengers to be seated in spacious comfort and convenience.

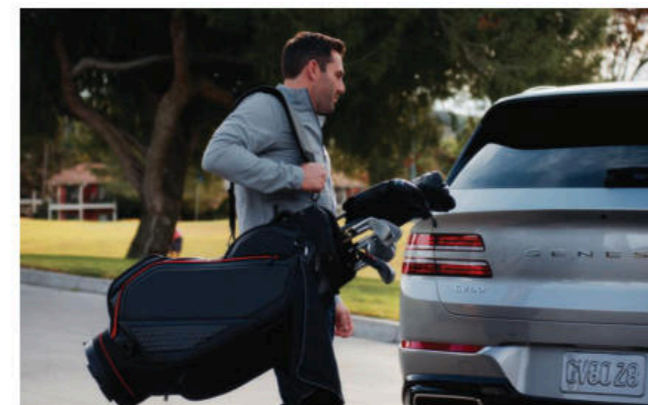

## SPEAK YOUR MIND

As a driver, you have a lot to think about. The GV80 is here to help with Dynamic Voice Recognition that lets you activate climate controls, open the windows, change music channels and more.<sup>19</sup> Instead of barking out truncated voice commands, you can speak in a natural, conversational voice to get the response you want. Simplifying your life – it's another facet of our approach to modern luxury.

### REMOTE SMART PARKING ASSIST

How smart is this? With an available Remote Smart Parking Assist feature, you can park your GV80 using the key fob as a simple remote control. As you stand at the curb, your GV80 moves effortlessly into or out of tight parking spots.<sup>20</sup>

### POWER HANDS-FREE SMART LIFTGATE

Hands full as you approach your GV80? No problem. Stand within three feet of the rear detection area for at least three seconds, and a Power Hands-Free Smart Liftgate with Auto Open recognizes your key fob, then opens automatically for easy access to the spacious cargo area.<sup>21</sup>

### ERGO MOTION SEAT (DRIVER)

The GV80's available Ergo Motion Seat features Smart Posture Care and a Stretching Mode that helps the driver fend off fatigue during long stretches on the road. By adjusting inflatable air cells in the seat cushion and the seatback, it provides optimal comfort behind the wheel.

### GENESIS DIGITAL KEY

The Genesis Digital Key is available for unlocking your GV80's front doors and starting the engine using your compatible Android™ smartphone.<sup>22</sup> Your Digital Key can be shared with up to three people, with driver and guest preferences for the driver seat position, audio presets and more maintained in the Genesis cloud.

### HEAD-UP DISPLAY

An available Head-up Display feature projects critical driving information onto the windshield for at-a-glance updates. Not just the GV80's speed, but also icons for navigation and safety features like Blind-Spot Collision-Avoidance Assist, Lane Keeping Assist, Smart Cruise Control and more.

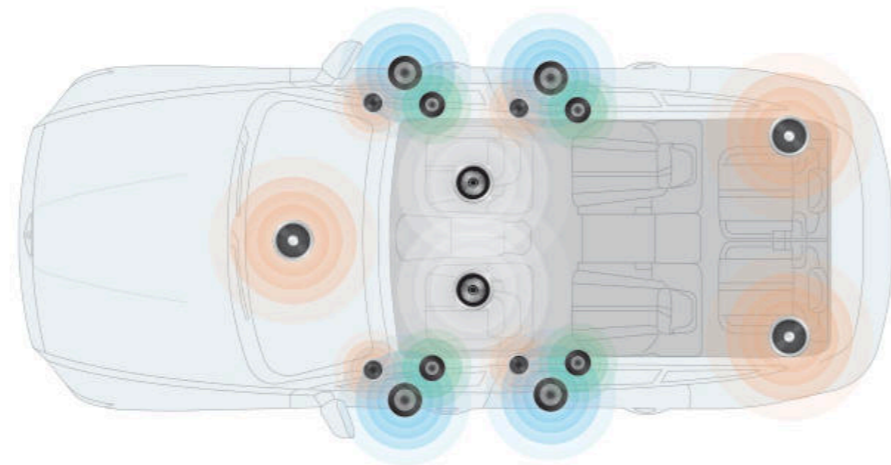

### SURROUND VIEW MONITOR

An available Surround View Monitor uses four cameras to display a 3D view of the perimeter of your GV80. Use it to guide your way into tight parking spaces and for a clear view of curbs when parallel parking. A remote image capture feature lets you check your car's surroundings on your smartphone while you are away.<sup>23</sup>

## HEARING IS BELIEVING

Genesis partnered with award-winning audio technologists to create the GV80's available Lexicon® Premium Audio System. Twenty-one speakers in 17 positions were placed throughout the cabin – including a five-speaker “soundbar” center channel and a pair of subwoofers located beneath the front seats. Lexicon's QuantumLogic® Surround and high-performance 14-Channel Digital External Amplifier ensure that, no matter where you're seated in the GV80, you don't just hear the power of your music – you feel it.

The wide 14.5" HD Screen includes split-screen capabilities that let you control everything from SiriusXM Satellite Radio<sup>24</sup> and HD Radio™ to Bluetooth® audio streaming and Apple CarPlay® or Android Auto™.<sup>25</sup>

### APPLE CARPLAY & ANDROID AUTO

Tap into your smartphone using the familiar interface of Apple CarPlay or Android Auto while keeping your eyes fixed on the road. Access maps and navigation, contact lists, texts, calls, your music library and more using the GV80's 14.5" touchscreen display or simple voice commands.

### WIRELESS DEVICE CHARGER

A Wireless Device Charger in the GV80's front center console helps to keep your smartphone powered up without the hassle of messing with cords.<sup>26</sup> The GV80 also offers power to the people with four USB Charge Ports – two in front, and two in the 2nd row.

### PREMIUM NAVIGATION WITH 14.5" HD SCREEN

The GV80's command center is a 14.5" HD split-screen with audio and climate control functions. It can also display real-time traffic data from a subscription-free HD Radio™ service. Connected Routing delivers faster cloud-based navigation with the latest traffic and road conditions.<sup>27</sup>

# GENESIS CONNECTED SERVICES

With the Genesis Intelligent Assistant® app on your mobile device, you can remotely check to see if you left your GV80's doors unlocked or a window open. You can even view an overhead snapshot of your vehicle and its surroundings on your smartphone.<sup>28</sup>

Want your GV80's cabin to be the perfect temperature when you enter? Ask your Genesis app, or your Amazon Echo® or Google Home™ device, to remotely start the engine and climate controls from the comfort of your couch or office.<sup>29</sup>

The app also lets you check the fuel level and includes a Valet Mode feature to help you keep tabs on your Genesis.

It's all part of Genesis Connected Services' wide range of remote, safety and car care features that include Monthly Vehicle Health Reports and Maintenance Reminders, automatically calling for assistance in an emergency,<sup>30</sup> and much more. For information on all of the services available to GV80 owners, visit [genesis.com](http://genesis.com).<sup>31</sup>

## GENESIS EXPERIENCE

Our thoughtfully crafted suite of owner benefits is designed to enhance not just the way you drive, but the way you live. It reflects our profound commitment to meeting your needs and wants precisely. And while we can't create more time, our convenience-minded features will help you spend the time you have where it matters most.

### COMPLIMENTARY SERVICE VALET

You may never set foot in our service center. With our Genesis Service Valet (complimentary for 3 years or 36,000 miles), we'll perform a remote diagnostic check, pick up your vehicle, send a Courtesy Loaner Vehicle and return your GV80 when the scheduled maintenance or warranty repair is complete.<sup>32</sup>

### COMPLIMENTARY SCHEDULED MAINTENANCE

Enjoy a worry-free Genesis ownership experience with Complimentary Scheduled Maintenance for 3 years or 36,000 miles, whichever comes first.<sup>33</sup> Complimentary oil changes are also included with your normally scheduled maintenance appointments at a Genesis service center.

### 24/7 ENHANCED ROADSIDE ASSISTANCE

Peace of mind is another essential luxury. Should your travel plans take an unexpected turn, our five-year limited and complimentary Roadside Assistance provides tire changes or transportation to the nearest Genesis retailer. If needed, reimbursement for an overnight stay is also included.<sup>34</sup>

### GENESIS CONNECTED SERVICES

Every new GV80 includes a complimentary subscription for Genesis Connected Services. It's an exclusive suite of safety, car care, guidance and remote features that help keep you connected to your digital life and the things you need on the go.<sup>31</sup>

### SIRIUSXM ALL ACCESS SATELLITE RADIO

Complimentary for your first three months, SiriusXM All Access offers one of the widest varieties of entertainment at your fingertips. Enjoy every channel available on your satellite radio – including personalized online stations powered by Pandora® – and listen in your GV80, or on your computer or mobile devices with the SiriusXM app.<sup>35</sup>

### NAVIGATION SYSTEM UPDATES

To ensure you're accessing up-to-date driving directions, your GV80 navigation system also includes annual map updates – complimentary for three years during routine maintenance visits with Genesis. Over-the-Air Updates are available through Genesis Connected Services.<sup>36</sup>

## FEATURES

### POWERTRAIN TECHNOLOGY

	2.5T	3.5T
2.5L Turbo GDI Inline 4-Cylinder engine (300 HP/311 lb-ft)*	•	–
3.5L Twin-Turbo V6 engine (375 HP/391 lb-ft)*	–	•
8-speed Automatic Transmission	•	•
All Wheel Drive	•	•
Multi-link Front & Rear Suspension	•	•
Self-Leveling Rear Suspension	•	•
Electronically Controlled Suspension	◦	•
Electronic Parking Brake with Auto Hold	•	•
Ventilated Front and Rear Disc Brakes	•	•
Monobloc Front Brakes	◦	•
Drive Mode Select	•	•
Rack-mounted Motor Driven Power Steering with Variable Gear Ratios	•	•

### ADVANCED SAFETY TECHNOLOGY

	2.5T	3.5T
Forward Collision-Avoidance Assist	•	•
Lane Keeping Assist	•	•
Lane Following Assist	•	•
Blind-Spot Collision-Avoidance Assist	•	•
Rear Cross-Traffic Collision-Avoidance Assist	•	•
Highway Driving Assist	•	•
Smart Cruise Control with Stop & Go	•	•
Intelligent Speed Limit Assist	•	•
Driver Attention Warning	•	•
High Beam Assist	•	•
Rearview Camera with Dynamic Guidelines	•	•
Parking Distance Warning	•	•
Safe Exit Assist	•	•
Advanced Rear Occupant Alert	•	•
10 Airbags	•	•
Tire Pressure Monitoring System and Temporary Spare	•	•

### EXTERIOR

	2.5T	3.5T
19-inch Alloy Wheels	•	–
20-inch Alloy Wheels	–	•
Panoramic Sunroof	◦	•
Power Hands-Free Smart Liftgate with Auto Open	•	•
Power-Folding Electrochromic Outside Mirrors with Genesis Logo Puddle Lamps	•	•
LED Headlamps and Rear Combination Lamps	•	•
Towing Pre-Wiring	•	•

### INTERIOR & CONVENIENCE

	2.5T	3.5T
Leatherette Seating Surfaces	•	•
Matte Finish Wood Trim	•	•
Leatherette Wrapped Upper Instrument Panel	•	•
Power Front Seats with 4-Way Power Lumbar	•	•
Heated Front Seats	•	•
Ventilated Front Seats	◦	•
Heated Power Tilt & Telescoping Steering Wheel	•	•
Manual Rear Door Sunshades	•	•
Auto-Dimming Inside Mirror with HomeLink®	•	•
Touch Type Dual Zone Automatic Climate Control	•	•
Aluminum Door Sill Plates	•	•
Proximity Key with Push Button Start	•	•
Adjustable Interior Ambient Lighting	•	•
Integrated Memory System with Smart Posture Care	•	•
Passenger Walk-in Device	•	•
Cargo Cover and Cargo Net	•	•
40/20/40 2nd Row Folding Seats	•	•

### MULTIMEDIA & TECHNOLOGY

	2.5T	3.5T
Navigation System with 14.5" HD Screen	•	•
8" Digital Cluster + Analog Gauges	•	•
AM/FM/SiriusXM Radio®/HD Radio™	•	•
Apple CarPlay® and Android Auto™	•	•
Genesis Digital Key	•	•
Wireless Device Charger – Front	•	•
Genesis Connected Services	•	•
Bluetooth® Hands-Free Phone and Audio Streaming System	•	•
Premium Audio with 12 Speakers	•	•
4 USB Ports	•	•
12V Power Outlets (1 Front / 1 Cargo)	•	•
2nd Row 110V AC Power Outlet	•	•

## OPTION PACKAGES

### GV80 2.5T AWD ADVANCED

#### 2.5T AWD features plus:

- + 20-inch Alloy Wheels
- + Leather Seating Surfaces
- + Panoramic Sunroof
- + Surround View Monitor
- + Blind-Spot View Monitor
- + Remote Smart Parking Assist
- + Parking Collision-Avoidance Assist
- + Lexicon® Premium Audio
- + Ventilated Front Seats
- + Monobloc Front Brakes

### GV80 3.5T AWD ADVANCED

#### 3.5T AWD features plus:

- + Leather Seating Surfaces
- + Surround View Monitor
- + Blind-Spot View Monitor
- + Remote Smart Parking Assist
- + Parking Collision-Avoidance Assist
- + Lexicon® Premium Audio
- + Head-Up Display
- + 3-Zone Climate Control
- + Heated 2nd Row Seats
- + Power Cushion Extension, Bolster and Ergo Motion (Driver)

### GV80 2.5T AWD PRESTIGE

#### 2.5T AWD Advanced features plus:

- + 20-inch or 22-inch Alloy Wheels
- + Electronically Controlled Suspension
- + 12.3" 3D Digital Instrument Cluster
- + Head-Up Display
- + Active Noise Control – Road
- + Forward Attention Warning
- + 3-Zone Climate Control
- + Heated 2nd Row Seats
- + Power Cushion Extension, Bolster and Ergo Motion (Driver)
- + Tire Mobility Kit (replaces Temporary Spare)

### GV80 3.5T AWD ADVANCED+

#### 3.5T AWD Advanced features plus:

- + 3rd Row Seats with Power Folding 50/50 Split
- + Tire Mobility Kit (replaces Temporary Spare)

### GV80 3.5T AWD PRESTIGE

#### 3.5T AWD Advanced features plus:

- + 20-inch or 22-inch Alloy Wheels
- + Nappa Leather Seating Surfaces
- + Suede Headliner
- + 12.3" 3D Digital Instrument Cluster
- + Active Noise Control – Road
- + Forward Attention Warning
- + Power and Ventilated 2nd Row Seats (Outboard)
- + Power Door Closure
- + Power Rear Door Shades
- + Electronic Limited Slip Differential
- + 2nd Row Vanity Mirrors
- + Matte Chrome Trim (with Matte exterior colors)
- + Tire Mobility Kit (replaces Temporary Spare)

7 YEARS / UNLIMITED MILES<sup>39</sup>

## FOOTNOTES

<sup>1</sup>Genesis received the fewest reported problems in its segment in the J.D. Power 2022 U.S. Vehicle Dependability Study based on 2019 models. See [jdpower.com/awards](http://jdpower.com/awards) for details. <sup>2</sup>For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. <sup>3</sup>Maximum towing capacity with trailer brakes. <sup>4</sup>Horsepower and torque ratings with premium fuel. <sup>5</sup>Intelligent Speed Limit Assist (ISLA) can help the driver maintain cruise control speed limit using speed limit sign recognition. ISLA cannot detect all speed limit signs, including when speed limit signage is obscured or beyond the camera's field of view. Driver is responsible for observing posted speeds. See Owner's Manual for details and limitations. <sup>6</sup>Smart Cruise Control (SCC) is not a collision-avoidance or warning device. SCC is for highway use only and should not be used in poor weather, heavy or varying traffic, or on winding or slippery roads. The driver remains responsible to slow or stop the vehicle to avoid a collision. SCC initiates a full stop when the traffic ahead stops and re-engages if the vehicle ahead moves forward within 3 seconds. See Owner's Manual for details and limitations. <sup>7</sup>Highway Auto Curve Slowdown is for highway use only and works in conjunction with Smart Cruise Control or Highway Driving Assist, and only when navigation map data is available. It will not work under all circumstances. Driver remains responsible for driving at posted speeds. See Owner's Manual for details. <sup>8</sup>To qualify for 2022 TOP SAFETY PICK+, a vehicle must earn good ratings in the driver-side small overlap front, passenger-side small overlap front, moderate overlap front, side, roof strength and head restraint tests. It also must earn an advanced or superior rating for vehicle-to-vehicle and vehicle-to-pedestrian front crash prevention and come with standard acceptable- or good-rated headlights. For details visit [www.iihs.org](http://www.iihs.org). <sup>9</sup>Government 5-Star Safety ratings are part of the National Highway Traffic Safety Administration's (NHTSA) New Car Assessment Program ([nhtsa.gov](http://nhtsa.gov)). <sup>10</sup>Lane Following Assist (LFA), when actively engaged with Smart Cruise Control or Highway Driving Assist, can help keep the vehicle centered in its lane when the lane markings are clearly visible on the road. LFA will not work under all circumstances and will not prevent loss of control. It is a supplemental assist and does not replace the need for extreme care and attention by the driver. See Owner's Manual for details and limitations. <sup>11</sup>Highway Driving Assist (HDA) is for highway use only and helps keep your vehicle centered in its lane while maintaining a set distance from the vehicle ahead. Lane markings must be clearly visible on the road. HDA should not be used in poor weather, heavy or varying traffic, or on winding or slippery roads. HDA will not work under all circumstances and will not prevent loss of control. Driver remains responsible to slow or stop the vehicle to avoid a collision. See Owner's Manual for details. <sup>12</sup>Forward Collision-Avoidance Assist (FCA) with Pedestrian and Cyclist Detection helps detect pedestrians and cyclists, but not in all conditions. FCA is designed to assist drivers to avoid, or reduce the severity of, collisions with cars that have slowed or stopped in front of them. The system also helps the driver avoid collisions involving turning left at an intersection by applying the opposing front brake only when an oncoming vehicle is detected in the opposing lane. The system is not designed to detect certain stationary objects such as trees or poles, and may not detect all vehicles, pedestrians and cyclists under certain road, weather and vehicle conditions. It is a supplemental assist and does not replace the need for extreme care and attention by the driver. FCA may not stop the vehicle completely and will not avoid all collisions. The driver is responsible for being attentive and maintaining control of the vehicle and should not wait for the system's alerts before braking as there may not be sufficient time to brake safely. See Owner's Manual for details and limitations. <sup>13</sup>Rear Cross-Traffic Collision-Avoidance Assist (RCCA) is designed to notify drivers of approaching cross traffic behind their vehicle. When another vehicle is detected while you are backing out of a parking spot, it provides audible and visual display warnings and applies braking if it senses a collision is imminent. RCCA is active when the vehicle is in reverse gear and backing at a speed less than 6 mph. It only engages during the first activation of reverse gear from park and may not detect all vehicles, depending on the size, angle, distance and speed of the other vehicle. Never rely exclusively on RCCA. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. See Owner's Manual for details and limitations. <sup>14</sup>Parking Collision-Avoidance Assist - Reverse (PCA-R) can alert the driver of a potential hazard by providing an audible warning and applying light braking. PCA-R is active when the vehicle is in reverse and operating at low speeds. Never rely exclusively on PCA-R. It cannot prevent all collisions and may not provide alerts or braking in all conditions. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. See Owner's Manual for details and limitations. <sup>15</sup>The Blind-Spot View Monitor (BVM) assists the driver in changing lanes by providing a live view of the blind spots on either side of the vehicle and an audible alert if another vehicle is detected. Turn signal must be activated, and other system limitations apply. Do not rely exclusively on BVM. It is the driver's responsibility to be aware of the surroundings and ensure it is clear before changing lanes or directions. See Owner's Manual for details and limitations. <sup>16</sup>Blind-Spot Collision-Avoidance Assist (BCA) assists the driver by warning of other cars in the rear blind-spot region. There are limitations to the function, range, detection and clarity of the system. BCA may not operate if sensors are obscured in any way. Do not rely exclusively on BCA - it is a supplemental system, and the driver must be attentive and exercise caution when driving. It is important to always signal, look over your shoulder and through your mirrors before changing lanes. See Owner's Manual for details and limitations. <sup>17</sup>When the vehicle is parked and the engine has been turned off, Advanced Rear Occupant Alert (AROA) can help alert the driver if it detects movement from a child or pet. Upon exiting and locking the vehicle, the AROA may provide visual, audible, and/or Genesis Connected Services (GCS) alerts if the sensor detects movement. AROA is not a substitute for driver attentiveness. Never leave a child or pet unattended in a vehicle. GCS notification requires a properly equipped vehicle with an active GCS account. See Owner's Manual for details and limitations. <sup>18</sup>When your GV80 is parked, Safe Exit Assist (SEA) can alert the driver if a vehicle is detected approaching from behind. When Child Locks are active, SEA prevents

initial disabling of the child safety locks if a vehicle approaching from behind is detected. SEA is not a substitute for driver or passenger attentiveness. Always be aware of your surroundings and approaching vehicles. See Owner's Manual for details and limitations. <sup>19</sup>Dynamic Voice Recognition varies by unit. Speak in a normal voice and minimize background noise for best results. See Owner's Manual for details and limitations. <sup>20</sup>Remote Smart Parking Assist can remotely park the vehicle. However, several factors can reduce the performance of this feature. The parking sensors may not function correctly if one or more of the sensors is damaged, dirty or covered, or if weather conditions (heavy rain, snow or fog) are interfering with sensor operation. Always inspect the parking area with your own eyes. See Owner's Manual for details and limitations. <sup>21</sup>The smart liftgate will open when your Proximity Key is within 40 inches of the detection area for at least 3 seconds. Radio transmitters and other vehicle smart keys may interfere with the normal operation of this feature. See Owner's Manual for details and limitations. <sup>22</sup>The Near Field Communication (NFC) digital smartphone key requires a compatible Android smartphone and an appropriately equipped 2023 GV80 vehicle. Not all Android devices are compatible. The Genesis GV80 must be equipped with smart key with push button start, wireless device charging, and Audio Video Navigation System 5.0 (or newer) or Display Audio 2.0. Lock/unlock functionality works on the front doors only. Features and specifications subject to change. See your Owner's Manual for details and limitations. <sup>23</sup>Surround View Camera System (SVCS) is a parking support system. SVCS cannot completely eliminate blind spots, may not detect every object and does not warn of moving objects. Always check your surroundings before moving your vehicle. See Owner's Manual for details and limitations. Remote image capture requires active Genesis Connected Services account. <sup>24</sup>All SiriusXM services require a subscription sold separately, or as a package, by Sirius XM Radio Inc. after the trial period has elapsed. The subscription plan you choose will automatically renew, and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](http://siriusxm.com). All fees and programming subject to change. Satellite and outside-the-car lineups vary slightly. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. <sup>25</sup>Apple CarPlay works with iPhone 5 and later models running the latest version of iOS 7.1 and above. Apple is a registered trademark of Apple Inc. Android Auto requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 Lollipop or higher. Google, Android, Android Auto, Google Play and other marks are trademarks of Google Inc. <sup>26</sup>Qi wireless charging function is based on smartphone compatibility and/or specific accessory cases. <sup>27</sup>Connected Routing helps drivers access the latest traffic and road conditions. It requires an active subscription to Genesis Connected Services and a wireless connection. See Owner's Manual for details and limitations. <sup>28</sup>Remote features are subject to adequate cellular coverage, signal strength and battery power, and only available in the 50 United States. You must be an active subscriber or within the initial free-trial period to receive Genesis Connected Services. <sup>29</sup>Amazon, Alexa and all related logos and motion marks are trademarks of Amazon.com, Inc. or its affiliates. Google Home and Google Assistant are trademarks of Google Inc. <sup>30</sup>Genesis Connected Services agents will contact existing emergency service responders. <sup>31</sup>Genesis Connected Services require an active subscription agreement subject to the Connected Services Terms and Conditions. Complimentary subscription term starts from the new vehicle date-of-first-use and is available for new 2023 model-year vehicle purchases and leases, as well as transferable to subsequent owners subject to the Terms and Conditions. Only use Genesis Connected Services and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications, and fees are subject to change. For more on details and limitations, visit [genesis.com](http://genesis.com) or an authorized retailer of Genesis branded products. <sup>32</sup>Genesis Service Valet is available for original purchaser of the vehicle from Authorized Genesis Retailers during the scheduled maintenance period which includes scheduled maintenance and normal wear, parts replacement or warranty repairs to your vehicle for 3 years or 36,000 miles, whichever comes first. Coverage area varies by retailer. Charges and fees may apply. Contact your Authorized Genesis Retail Service Advocate for details. <sup>33</sup>Genesis Complimentary Maintenance is for 2023 model-year vehicles for factory-recommended scheduled maintenance for 3 years/36,000 miles, whichever comes first. Ownership limitations and exclusions may apply. See your Genesis Retailer for details. <sup>34</sup>Genesis Roadside Assistance is a limited and complimentary service for 5 years/unlimited miles from date of first use. Coverage is effective from the date the vehicle is delivered to the first retail buyer, or otherwise put into service (in-service date), whichever is earlier. Mileage and ownership limitations may apply. See your Genesis Retailer for details. <sup>35</sup>All SiriusXM services require a subscription sold separately, or as a package, by Sirius XM Radio Inc. after the trial period has elapsed. The subscription plan you choose will automatically renew, and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](http://siriusxm.com). All fees and programming subject to change. Satellite and outside-the-car lineups vary slightly. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. <sup>36</sup>Multimedia and Navigation Map Care updates are available annually for 2023 model-year vehicles for 3 years after purchase with a regularly scheduled maintenance appointment. Availability timing of software updates may vary. Ownership limitations may apply. See your Genesis Retailer for details. Over-the-Air Updates require an active Genesis Connected Services Guidance package subscription. <sup>37</sup>EPA estimates for comparison only. Mileage may vary. Your actual mileage will vary with options, driving conditions, driving habits and the vehicle's condition. <sup>38</sup>Powertrain Limited Warranty available for original retail owner only. <sup>39</sup>For further details and limitations regarding the Genesis Brand Warranty, contact your Genesis retailer or visit [genesis.com](http://genesis.com).
