PRECISION MATTERS

It matters in every pound-foot of torque, every millimeter of fit and finish and every decibel of quiet. It drives us to reimagine solutions and create rewarding driving experiences. That's why the new 2017 Terrain is a testament to design and engineering. More innovations per square inch mean you get full-size capability in a smart, connected crossover.

DENALI

REFINING THE REFINEMENTS.

Looking at the new 2017 Terrain Denali, it's easy to see why it's the ultimate Terrain. With its signature Denali grille and bold styling, satin-chrome door handles, mirror caps, bodyside moldings and Denali-exclusive wheels, it takes the crossover to an enhanced level of premium. After all, at GMC, precision means more than premium refinement—it means precision design, engineering and craftsmanship.

- SIGNATURE DENALI GRILLE
- BOLD EXTERIOR DESIGN WITH UNIQUE DENALI WHEELS
- PROJECTOR-BEAM HEADLAMPS
- PROGRAMMABLE POWER LIFTGATE

P. 3 | DENALI | EXTERIOR

PREMIUM MEASURED IN COMFORT-PER-MILE.

Open the door to Terrain Denali and discover the result of a lot of thinking—about you. To enhance your comfort, convenience and driving experience, GMC designers ensured that style and practicality are equally represented. A generous stitches-per-inch ratio results in a detailed, premium appearance. Denali also elevates all of your tactile, visual and auditory senses. Professional Grade engineering and exacting execution are what we demand of ourselves, because it's what precision demands. Here's proof:

- + DISTINCTIVE DENALI LEATHER-APPOINTED SEATING
- + HEATED FRONT EIGHT-WAY POWER SEATS
- + GENEROUS SECOND-ROW LEG ROOM
- + POWER TILT-SLIDING SUNROOF (AVAILABLE)

SLT

OUR SCULPTORS WORK IN SHEET METAL.

The GMC design philosophy is to create styling that doesn't simply look good; it also must be purposeful. From the angle of the windshield to every line and curve, the whole idea is to disturb less air. That's why Terrain is designed to slice the wind to help create a quiet driving environment. SLT offers additional features that will catch your attention.

+ DISTINCTIVE DIMENSIONAL GRILLE

+ TRIPLE DOOR SEALS

+ 18" ALUMINUM WHEELS

+ CHROME-ACCENTED MIRROR CAPS, DOOR HANDLES AND LUGGAGE RAILS

+ LED DAYTIME RUNNING LAMPS

TUNED TO HEAR WHAT YOU'VE BEEN MISSING.

It's one thing to possess technology that keeps you connected, informed and entertained. It's quite another to be surrounded by an acoustically premium environment, thanks to features such as triple door seals. Options including 4G Wi-Fi[®] turn Terrain into a mobile hotspot,¹ while the IntelliLink[™] audio system enables personalized entertainment and an available Navigation System² provides reliable turn-by-turn guidance. When it comes to solitude, we don't miss a beat, so you never have to.

+ ILLUMINATED CONSOLE AND INTEGRATED CONTROL CENTER

+ LEATHER-APPOINTED SEATING

+ REAR VISION CAMERA SYSTEM

+ STEERING-WHEEL-MOUNTED RADIO CONTROLS

+ ACOUSTIC NOISE SUPPRESSION

shown with available equipment.

NIGHTFALL

DESIGNED FOR ANY OCCASION.

The new available Nightfall Edition is the perfect look for any occasion. Its stylish appearance comes from a charcoal grille with gloss-black surround and accents, gloss-black mirror caps, gloss-black license plate trim and charcoal luggage rails. Terrain's bold, iconic design now has a dark side. The Nightfall Edition also includes:

- 18" ALUMINUM WHEELS WITH GLOSS-BLACK ACCENTS
- PIONEER® PREMIUM AUDIO SYSTEM
- BODY-COLOR DOOR HANDLES
- PROGRAMMABLE POWER LIFTGATE [AVAILABLE ON SLT]
- GLOSS-BLACK FRONT AND REAR ACCENTS
- INTELLILINK® COLOR TOUCH RADIO
- REAR VISION CAMERA SYSTEM
- NAVIGATION SYSTEM² [AVAILABLE]
- LED DAYTIME RUNNING LAMPS
- 4G WI-FI³ HOTSPOT

¹Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. ²Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ³Requires a compatible mobile device, active OnStar service and data plan. 4G service available in select markets. Visit tratar.com for coverage map, details and system limitations.

R 11 | NIGHTFALL | EXTERIOR

DETAILS. DETAILS. DETAILS.

The proportions of Terrain were crafted with a clear understanding of what you look for in a crossover. This is a design that turns an abundance of bold details into a whole new take on the crossover. Terrain provides generous space and many ways for you to tailor its comfort and storage to fit your needs and lifestyle.

DENALI GRILLE Terrain Denali features a satin-chrome grille with a bright surround, giving it a distinctive appearance.

PROJECTOR-BEAM HEADLAMPS Terrain provides bright, focused illumination for confident visibility with integral projector-beam headlamps. For daytime illumination, Terrain offers LED daytime running lamps for excellent visibility and durability.

ALUMINUM WHEELS Terrain Denali models offer two aluminum wheel choices: 18" chrome-clad wheels with the I-4 and 19" ultra-bright machined aluminum wheels with the V-6 engine.

ACOUSTIC LAMINATED GLASS The windshield is engineered with acoustic laminated glass to help keep road noise from entering the cabin.

TRIPLE DOOR SEALS Airtight door seals on all four doors not only help baffle unwanted road noise, but also minimize air leaks for a quieter interior.

PROGRAMMABLE POWER LIFTGATE Terrain offers a programmable power liftgate. It opens and closes with the touch of a button to the programmed height.

DISTINCTIVE DENALI APPOINTMENTS Contrasting stitching outlines perforated leather-appointed seating, with an embossed Denali logo on the front seats.

COMFORTABLE SEATING Standard on Denali and available on SLT, both the driver and front passenger enjoy the comfort of an eight-way power seat with power lumbar. And to help warm you up quickly, available front heated seats can be activated when you use the available remote start.

STORAGE The interior features an oversized glove box in addition to the center console that's deep enough for a laptop or tablet. There's a storage shelf under the radio, a smaller compartment under the center armrest and two-tier storage in the door panels.

ACOUSTICS AND NOISE SUPPRESSION The windshield angle, body shape and mirrors are designed to help manage airflow to reduce wind noise.

LOW ACCESS HEIGHT The floor is at a lower, car-like height, making it easy to enter and exit as well as load large or heavy items. With the second-row seats folded down, Terrain opens up 63.9 cubic feet of available cargo space.*

AMBIENT LIGHTING The center stack is illuminated with warm, red ambient lighting.

*Cargo and load capacity limited by weight and distribution.

TERRAIN DENALI INTERIOR IN JET BLACK
shown with available equipment.

COMMAND AND CONTROL.

From behind the wheel of Terrain you have a direct line of sight to gauges, easy fingertip access to controls and voice command of available entertainment and communication functions. This allows you to focus on the driving experience.

- VOICE-ACTIVATED INTELLILINK¹ (AVAILABLE)
- COLOR TOUCH AUDIO SYSTEM
- THE CONVENIENCE OF REMOTE START (AVAILABLE)
- BLUETOOTH² SMARTPHONE INTEGRATION

¹Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. ²Go to my.gmc.com/learn to find out which phones are compatible with the vehicle.

IN TOUCH. OUT IN THE WORLD.

Terrain offers all the technology you need to stay connected, entertained and mobile. Offering 4G connectivity and an available Wi-Fi hotspot,¹ you can stay connected to your world.

4G WI-FI¹ This available built-in 4G Wi-Fi hotspot means a reliable Internet connection for up to seven devices. It's powerful, easy to use and can connect up to 50 feet away from Terrain. Includes a 3-month or 3GB trial, whichever comes first.

INTELLILINK² Standard on SLE-2, SLT and Denali, IntelliLink provides smartphone integration and voice-activated control of your communication and entertainment selections. This includes making a call, changing the station, streaming Internet radio stations Pandora[®] and Stitcher[™] SmartRadio through your smartphone or accessing your music library.

NAVIGATION SYSTEM³ The available NAV system, which includes IntelliLink,² adds multiple map views. It also features 3 months of NavTraffic,³ so you'll get continuously updated traffic information incorporated into the Navigation System.

REMOTE VEHICLE START Start and warm the cabin to your preset temperature from up to 200 feet away with this available feature. SLE-2, SLT and Denali models can begin heating or cooling the interior based on exterior temperature, and also turn on heated seats, the rear defroster and outside heated side-view mirrors.

USB CONNECTIVITY* Plug into the USB port and control most of your MP3 music player's functions with available steering-wheel-mounted radio controls.

PIONEER® PREMIUM SOUND

The available Pioneer system allows you to hear your favorite music as the artist intended. With the help of eight strategically placed speakers, this available sound system fills the interior with 250 watts of premium sound.

STEERING-WHEEL-MOUNTED CONTROLS

Change stations, adjust volume or search the audio system with your fingertips. Also included are Bluetooth® controls.

*Requires a compatible mobile device, active cellular service and data plan. †40 service available in select markets. ††† Visit onstar.com for coverage map, details and system limitations. PERFORMANCE

HANDLES CURVES, STRAIGHTAWAYS AND YOUR EXPECTATIONS.

Terrain's chassis and suspension tuning provide nimble maneuvering in and around town. It's the kind of precision you've come to expect in a GMC crossover.

+ ELECTRONIC POWER STEERING (2.4L MODELS)

+ INTELLIGENT AWD SYSTEM (AVAILABLE)

+ AVAILABLE 3.6L V-6 WITH 24 MPG HWY* AND CLASS-LEADING 301 HP

+ DENALI'S ADVANCED FRONT SUSPENSION WITH DUAL-FLOW VALVING

*EPA-estimated 17 city/24 hwy mpg for Terrain FWD with 3.6L V-6 engine.

TERRAIN DENALI IN EBONY TWILIGHT METALLIC
shown with available equipment.

P. 19 | PERFORMANCE

ROADS. WEATHER. EFFICIENCY. CONSIDER THEM HANDLED.

Terrain's precision engineering allows you to handle the unexpected. With traction control and available all-wheel drive, even when road and weather conditions turn challenging, you're still in command. Terrain offers two sources of power: The 2.4L I-4 is standard, and with front-wheel-drive models, it offers 31 hwy mpg;¹ or there's the available 3.6L V-6 that generates the most horsepower in its class, 301 hp with 24 mpg hwy.²

RACK-MOUNTED POWER STEERING On 2.4L models, the system delivers assist electronically, eliminating the need for a power-steering pump. It gives you a steering boost when you need it for parking and tight maneuvers.

6-SPEED AUTOMATIC WITH OVERDRIVE For brisk acceleration and reduced highway rpm, this advanced transmission has a wide ratio spread for strong, consistent acceleration at almost any speed.

ALL-WHEEL DRIVE (AWD) An intelligent AWD system is available for extra traction and the ability to adapt to changing road conditions.

TRACTION CONTROL Making the most of available traction, it senses when one or more wheels is spinning, such as on slippery surfaces, and applies the brakes and slows the wheel(s) down to maintain traction.

ADVANCED DUAL-FLOW VALVING This feature in Terrain Denali's front suspension provides a smoother ride and improved handling across a broad range of driving conditions.

301 HP

VARIABLE VALVE TIMING (VVT) Both engines feature VVT to deliver the power of a high-performance engine with the low-speed response you need for trailering or climbing steep inclines.

DIRECT INJECTION (DI) For precise fuel distribution and fast, efficient combustion, both engines feature DI technology. The air and fuel mix more completely for crisp throttle response and a lean blend for efficiency at cruise speeds.

ECO-MODE To help optimize efficiency, the 2.4L I-4 engine has an Eco-Mode button that allows the engine to hold gears longer with only a slight decrease in acceleration.

OIL LIFE MONITOR For long life and durability, the monitor located in the Driver Information Center calculates how much oil life is left, based on when and how you drive.

3.6L V-6

TRAILERING MADE EASY.

We understand that many of your activities may require gear you can't fit inside of your Terrain. That's why Terrain features technologies—and offers an accessory Trailing Package—to help you tow your favorite recreational equipment. Choose the 3.6L V-6 engine and Terrain offers a max trailering capability of up to 3500 lbs.¹ or up to 1500 lbs with the 2.4L I-4 engine.¹

AUTOMATIC GRADE BRAKING To prevent unwanted acceleration and reduce the need for braking during a hill descent, the 6-speed automatic includes this "smart" feature that monitors braking, acceleration, throttle position and even whether a trailer is connected.

TRAILER SWAY CONTROL Keep both you and your trailer heading in the proper direction, automatically. The system uses StabiliTrak sensors to detect the rocking of a swaying trailer, then applies the vehicle's brakes to help bring it back in line.

HILL START BRAKE ASSIST To help prevent your Terrain from rolling back while on a hill or steep incline, it takes over when you lift your foot off the brake. It holds full brake pressure momentarily, giving you time to move your foot to the accelerator.

TRAILERING EQUIPMENT PACKAGE This structural welded steel hitch features a standard 1.25" receiver to fit most ball-mount assemblies and includes a four-wire connection. This is available as a dealer-installed accessory.

REAR VISION CAMERA SYSTEM It displays a real-time image with grid lines in the color touch-screen while in reverse, making it easier when backing up to a trailer.

¹Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

TERRAIN SLT IN EBONY TWILIGHT METALLIC
shown with available equipment.

P. 23 | PERFORMANCE | TRAILERING

PROTECTION

INSTEAD OF WHAT IF, WHAT IF IT DIDN'T HAPPEN?

To help increase your awareness of surrounding traffic, Terrain offers intuitive driver-assist technologies. They're constantly on guard, ready to help you through adverse driving conditions. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

ULTRASONIC REAR PARK ASSIST Uses ultrasonic sensors to help alert you when you may be approaching obstacles behind Terrain at low speeds.

SIDE BLIND ZONE ALERT AND REAR CROSS TRAFFIC ALERT Available Side Blind Zone Alert uses radar to monitor blind spots, alerting you to vehicles in adjacent lanes to help reduce the risk of a collision. While in reverse, the available Rear Cross Traffic Alert system alerts you to vehicles approaching from the left or right.

LATCH CHILD SEAT ANCHORING SYSTEM Lower Anchors and Top tethers for Children (LATCH) enables a child seat top tether strap to be attached to limit movement in a forward crash, helping reduce the chance of injury.

*A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

SIDE-IMPACT AIR BAGS* To help protect the driver and front passenger in a side-impact collision or rollover, Terrain is equipped with side-impact and head curtain air bags.

STABILITRAK STABILITY CONTROL SYSTEM To help you stay in control when road surfaces are loose, snowy, icy, wet or uneven, StabiliTrak monitors how Terrain is responding to your steering and braking commands.

FORWARD COLLISION ALERT AND LANE DEPARTURE WARNING Available Forward Collision Alert provides an audible and visual signal if you are rapidly approaching another vehicle and it appears a collision may be imminent. Available Lane Departure Warning alerts you if you wander from your lane without using your turn signal.

REINFORCED STEEL SAFETY CAGE A robust body-frame-integral structure is engineered to help maintain the integrity of the passenger compartment in the event of a collision.

PROFESSIONAL GRADE PROTECTION.

Pro Grade Protection is standard on every 2017 Terrain. From maintenance to protecting your entire vehicle, you can drive with confidence.

INCLUDES 2 MAINTENANCE VISITS DURING THE FIRST 2 YEARS/24,000 MILES¹

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²

5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY²

5-YEAR/60,000-MILE ROADSIDE ASSISTANCE/COURTESY TRANSPORTATION²

¹Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. ²Whichever comes first. See dealer for limited-warranty details.

WE'RE AS CLOSE AS THE BLUE BUTTON.

Connected by  4G LTE

Standard for 5 months, the OnStar Guidance Plan³ (trial excludes Hands-Free Calling minutes) lets you connect to a specially trained OnStar Advisor just by pushing the blue OnStar button in your Terrain.

4G WI-FI* Now your Terrain has an available built-in 4G Wi-Fi hotspot for connecting up to seven tablets, laptops or other devices at 4G speed, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3GB data trial (whichever comes first).

ONSTAR BASIC PLAN¹ With the Basic Plan, you've got a powerful connection to your vehicle and the world around you standard for 5 years at no additional cost to you. You'll have access to select services, which include limited features of the myGMC mobile app that lets you remote-start your vehicle (if equipped), pinpoint your vehicle on a map on your smartphone and manage your vehicle's Wi-Fi hotspot (if equipped). Plus, send a destination to your in-vehicle navigation screen and lock or unlock your doors—all from your mobile device. Your vehicle can run diagnostic checks on itself and remind you of servicing needs by email.

AUTOMATIC CRASH RESPONSE In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

ROADSIDE ASSISTANCE² If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

STOLEN VEHICLE ASSISTANCE² If your vehicle is stolen, OnStar can use GPS to pinpoint and work with authorities to quickly help recover it. On many models, an Advisor can send a signal to slow the vehicle or prevent it from being started. And with the new Theft Alarm Notification feature, if your car alarm sounds, you'll receive a notification by text, email or phone call.

TURN-BY-TURN NAVIGATION³ Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your vehicle, and a voice calls out every turn. An Advisor can also help you with a database of more than 14 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the myGMC mobile app.⁵

4G CONNECTION⁴ With powerful 4G connectivity built right into your Terrain, you have your very own mobile command center that provides faster service delivery and lets you stay connected on the go.

myGMC MOBILE APP⁵ You can remotely start your vehicle, locate your vehicle on a map, lock or unlock your doors, honk your horn and flash your lights. You can also send destinations to your vehicle through your smartphone.

REMOTE SERVICES⁶ A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It's technology hard at work to get you back on the road.

HANDS-FREE CALLING⁷ Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

ATYOURSERVICE⁸ Life just got easier and more affordable with the personalized connection of AtYourService. By simply pressing the blue OnStar button, our trusted Advisors can deliver offers for everyday savings from restaurants and retailers on your route, help you locate hotels and even book your room.

ADVANCED DIAGNOSTICS⁹ Feel confident and safe knowing you have a self-diagnosing vehicle. Now your vehicle can easily run a check on its key systems and send you a monthly diagnostics report. You'll know more and worry less with Advanced Diagnostics.

DEALER MAINTENANCE NOTIFICATION¹⁰ Is it time for a tire rotation? An oil change? Or a new air filter? You'll always know because your vehicle can email your diagnostics report to the dealer when it's time, and the dealer will contact you to set up a service appointment.

¹Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. ²Requires a compatible mobile device, active OnStar service and data plan. 4G service available in select markets. Visit onstar.com for coverage map, details and system limitations. ³Coverage not available in emergency or security services. Visit onstar.com for coverage map, details and system limitations. ⁴Roadside service provided by Allstate Roadside Services. ⁵Services vary by model and conditions. Visit onstar.com for vehicle availability, details and system limitations. Theft Alarm Notification features vary by make and model. Requires factory-installed theft-deterrent system, Security or Guidance Plan and selection of notification preference(s). Vehicle must be locked electronically to arm the factory-installed theft-deterrent system. Messaging and data rates may apply. ⁶Requires ABS and Distance Plan. Visit onstar.com for coverage map. Services vary by model. ⁷Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations. ⁸Visit atyour.com for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic door locks. Not available in certain markets. Visit onstar.com for coverage map, details and system limitations. ¹⁰Not available on Basic Plan. Valid offers can vary. Check AtYourService through the myGMC mobile app for latest offers. ¹¹Capabilities vary by model. Visit onstar.com for details and system limitations. Message and data rates apply. Requires active OnStar service, email address on file and enrollment in Advanced Diagnostics.

ACCESSORIES

THE ICING.

Available individually or as part of a package, GMC Accessories are the best way to take Terrain's iconic design and add your own personal style. Of course, they're engineered and tested to meet the Professional Grade standards of your Terrain.

ROOF RACK CROSS RAIL PACKAGE These cross rails add function and style to the factory roof rack of your Terrain. The cross rails are the base mount for a variety of cargo management accessories.

CHROME DOOR HANDLES These outside door handles replace the production handles to give your Terrain a stylish and personalized look.

CHROME FUEL DOOR Help your Terrain stand apart with this distinctive chrome fuel door.

OUTSIDE REARVIEW MIRROR COVERS Add a stylish look to your Terrain with these chrome mirror covers.

CARGO-AREA PREMIUM ALL-WEATHER FLOOR MAT This deep-ribbed all-weather cargo mat provides superior protection for the cargo area of Terrain.

CARGO ORGANIZER This durable, flexible, collapsible cargo organizer has multiple compartments, allowing you to carry lightweight items of various sizes. Can be folded flat or removed from the vehicle as needed.

TRAILERING EQUIPMENT PACKAGE This structural welded steel hitch features a standard 1.25" receiver to fit most ball-mount assemblies and includes a wiring harness.

MOLDED SPLASH GUARDS Custom-molded splash guards fit directly behind the wheels. Rear guards feature the GMC logo.

TABLET HOLDER Second-row passengers can enjoy the convenience of using tablets on the road with this holder. It securely attaches to the driver or front-passenger head restraint posts to hold a single tablet against the seatback in either portrait or landscape mode.

CARGO SECURITY SHADE Conceal your possessions in the cargo area with this retractable cargo shade.

CARGO NET It attaches easily to the sides of your cargo area to keep small, light items neat and handy while in transit.

CARGO AREA CLOSE-OUT PANEL Create a flat, easy-to-load cargo area regardless of the rear-seat position. The panel bridges the gap between the cargo floor and the rear seatback.

PROTECTION PACKAGE (V0G)

- + All-weather floor mats
- + Custom-molded splash guards

CARGO CONVENIENCE PACKAGE (V0R)

- + Cargo organizer
- + Cargo security shade
- + Cargo net

¹Not compatible with all devices. ²MSR functions only where stations broadcast MSR information. ³Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. ⁴Go to my.gm.com/team to find out which phones are compatible with the vehicle. ⁵Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. ⁶If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms and geographic limitations at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travelink. XM satellite service is available only in the 48 contiguous United States and Washington, D.C. Sirius, XM and all related marks and logos are trademarks of SiriusXM Radio, Inc. ⁷Basic Plan does not include emergency or security services. Visit siriusxm.com for coverage map, details and system limitations. ⁸Requires a compatible mobile device, active OnStar service and data plan. ⁹MSR service available in select markets. Visit siriusxm.com for coverage map, details and system limitations. The vehicle must be on or Revised Accessory Power must be active. ¹⁰A NOTE ON CHILD SAFETY: Always use safety seats and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information. ¹¹Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ¹²Cargo and load capacity limited by weight and distribution.

IMPORTANT WORDS

PRO GRADE PROTECTION

For 2015 Terrain comes with the Pro Grade Protection Plan, which includes two maintenance visits,¹ 3-year/35,000-mile Bumper-to-Bumper Limited Warranty,² and 5-year/100,000-mile Powertrain Limited Warranty.³ Roadside Assistance and Courtesy Transportation.

Starting with the owner orientation and full tank of gas you receive when you take possession of your Terrain, to the 24-Hour Roadside Assistance, Courtesy Transportation and Travel Benefits, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-6262.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock, trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 60,000 miles (whichever comes first).

COURTESY TRANSPORTATION Available at participating dealers, shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It's easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar service required. OnStar acts as a link to existing emergency service providers, not all vehicles may transmit all crash data. Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions.

SIRIUSXM SATELLITE RADIO

SiriusXM Satellite Radio[®] is standard on most Terrain models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE

GMC CERTIFIED SERVICE To help your Terrain live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Terrain, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard options may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Terrain on our website: gm.com/terrain. More photos and information, hot links to related subjects, convenient dealer locator, pricing guide, spec out your own vehicle. Or call 1-800-GMC-6262.

BUYPOWER CARD[™]

redem. Learn more at buypowercard.com/catalog. YOUR CARD IS THE KEY.[™]

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximate based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC Dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and GM Mid-Utility segment.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or lighter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY At GMC Terrain models come with a fully transferable, no-deductible 5-year/60,000-mile (whichever comes first) Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 35,000 miles (whichever comes first). Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles (whichever comes first). Terrain also comes with two maintenance visits within the first 2 years/24,000 miles (whichever comes first).⁴ See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GM MOBILITY.COM (1-800-323-8836) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmobility.com.

¹Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. ²Perchance comes first. See dealer for limited warranty details. ³If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NewTruFi, visit siriusxm.com/newtruFi. GM satellite service is available only to those in the 48 contiguous USA and DC.
