

# Accord

2015

10Best

CAR AND DRIVER  
2015

## Start something special.

When does a car become more than just a car? That question has inspired us from the beginning, and for over three decades, the Accord has been our answer. Now in its ninth generation, our signature vehicle continues to evolve with drivers and all of their humanity in mind. Perhaps that's why it's been a *Car and Driver* 10Best\* winner for a record 29 times.

\*Car and Driver, January 2015.

Accord EX-L V-6 Sedan shown with Black Leather and available Honda Satellite-Linked Navigation System™<sup>1</sup>

## The luxuries you love.

The Accord is built to indulge, and everything you need to be at ease on the road is all around you. Select models offer HondaLink® featuring Aha™<sup>2</sup> compatibility for all your favorite news and media, a Smart Entry system and heated front seats. So, sit back, relax, and enjoy the drive.

**TWO-POSITION MEMORY FOR DRIVER'S SEAT**  
You and another driver can find the perfect positions for your seat when you're behind the wheel, and lock it in with the two-position memory system. (EX-L Sedan and above, EX-L V-6 Coupe)

**BLUETOOTH®<sup>3</sup> HANDSFREELINK®** Bluetooth HandsFreeLink lets you place or receive calls from a Bluetooth enabled mobile phone without taking your eyes off the road or your hands off the wheel.\*

**DUAL-ZONE AUTOMATIC CLIMATE CONTROL**  
Dual-zone automatic climate control offers customizable temperature settings for both driver and front passenger.

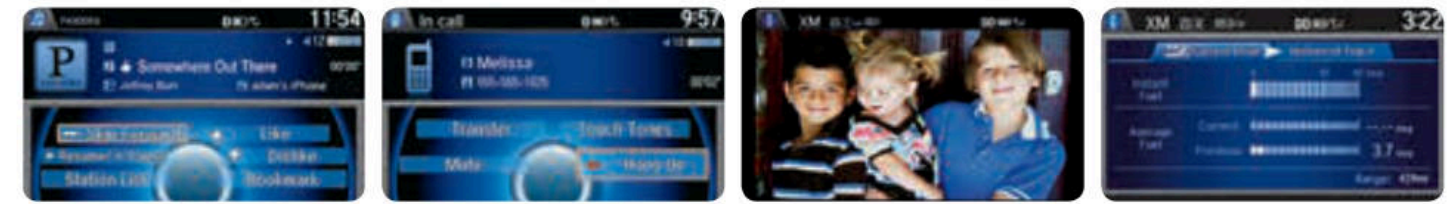

\*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

# Innovative inside.

The Accord is every bit as functional as it is stylish. Its available Honda Satellite-Linked Navigation System<sup>1</sup> with voice recognition helps you find your way, while the standard rearview camera<sup>4</sup> helps you park when you get there. And the audio touch-screen display is the central hub for all your different media programs. The Accord's rich interior indulges drivers and passengers alike. (All features not available on all trims. See specs for application.)

i-MID: Pandora<sup>8</sup> Compatibility

i-MID: Bluetooth<sup>3</sup> HandsFreeLink

i-MID: Custom Wallpaper

i-MID: Vehicle Performance Statistics

i-MID SCREEN Standard on every Accord is the intelligent Multi-Information Display, or i-MID. This 8-inch screen presents content from features like Pandora<sup>8</sup> compatibility and Bluetooth<sup>3</sup> HandsFreeLink. It's also command central for the countless ways you can customize your Accord's settings.

Screens vary by model.

AUDIO SYSTEM WITH TOUCH-SCREEN DISPLAY This amazing touch panel gives you access to all your different media programs. It's an interface for everything from Aha<sup>2</sup> by Harman and Pandora<sup>8</sup> compatibility to Bluetooth<sup>3</sup> streaming audio and Bluetooth HandsFreeLink, your audio system's controls and equalizer, and much more.\*

HondaLink FEATURING Aha<sup>2</sup> COMPATIBILITY Stay connected with cloud-based access to news and information, social-media updates and more.

Honda SATELLITE-LINKED NAVIGATION SYSTEM<sup>1</sup> WITH VOICE RECOGNITION This system recognizes numbers, street names,<sup>7</sup> cities and more than 1,500 voice commands, and it also features FM Traffic.

REARVIEW CAMERA<sup>4</sup> Every Accord is equipped with a rearview camera, and some models feature a multi-angle rearview camera that adds wide-angle and overhead views.

\*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked. <sup>7</sup>Some roads unverified. Please see your Honda dealer for details.

# Sustainability matters.

We all benefit from vehicles that respect our planet. And thanks to innovations like our 2.4-liter, 4-cylinder engine featuring Earth Dreams Technology,<sup>™</sup> the Accord Sedan has earned an impressive 36-mpg highway rating.\* That makes it one of our most fuel-efficient\* Accords ever. The Accord is also available in a unique hybrid model that features our latest breakthroughs in hybrid technology: the extraordinarily efficient Accord Hybrid.

\*27 city/36 highway/31 combined mpg rating for Sedan CVT models. Based on 2015 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle.

36

MPG HIGHWAY RATING\*

Accord EX-L Sedan shown in Alabaster Silver Metallic.

50

MPG CITY RATING\*

Accord Hybrid Touring shown in Obsidian Blue Pearl.

#### THE ACCORD HYBRID

Elegance and efficiency come together beautifully in the 2015 Accord Hybrid. It obtains an impressive 50-mpg city rating\* without sacrificing any of the sophistication and luxury you've come to expect from an Accord. Powered by our brilliant hybrid drive system, the Accord Hybrid has three driving modes that yield a remarkable combination of performance and efficiency. And with a style that echoes the ninth-generation Accord, the Accord Hybrid also features a number of hybrid-only details, such as a blue-accented grille and lights, a unique wheel design, and more.

#### ECO ASSIST<sup>™</sup>

With Eco Assist, there are two ways car and driver work together to help improve fuel efficiency.\* Coaching bars around the speedometer change from white or blue to green depending on how efficiently you're driving. The longer they stay green, the more miles you can get from a tank of gas. Push a button to engage ECON mode, and your Accord automatically adjusts fuel-consuming systems to help maximize efficiency.\*

\*50 city/45 highway/47 combined mpg rating. Based on 2015 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors.

Accord Touring Sedan shown in Modern Steel Metallic.

# A reason for everything.

The Accord is a model of human-centered ingenuity and creativity. Every engineering breakthrough, every design enhancement, every touch of technology featured in the Accord has emerged from our understanding of who people are and what's important to them. It's technology with a purpose, and it's a big part of what makes owning an Accord so special. (All features not available on all trims. See specs for application.)

Accord Touring Sedan shown in Modern Steel Metallic.

**LED HEADLIGHTS** LED headlights are not only a nice accent, but they also help improve visibility, and help reduce power consumption by 50%.

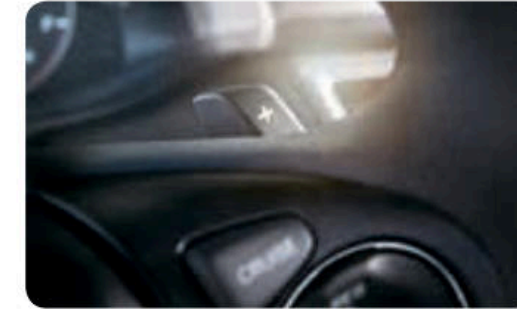

**LED DAYTIME RUNNING LIGHTS (DRL)** Sleek LED Daytime Running Lights are a stylish way to help make your Accord more visible to other drivers on the road.

**18-INCH ALLOY WHEELS** Stylish 18-inch alloy wheels help complete the Accord's sophisticated but sporty look.

**SMART ENTRY** The Smart Entry feature detects when your key is near the vehicle, and it allows you to lock and unlock your doors with the utmost elegance and ease.

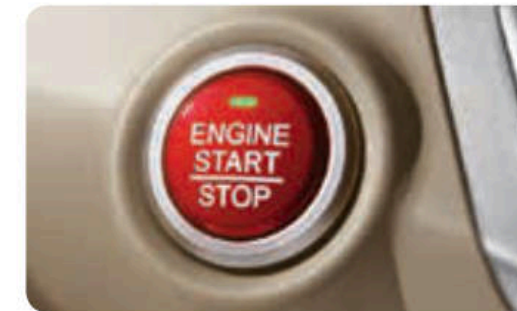

**PADDLE SHIFTERS** Shift your transmission right from the steering wheel with these racing-inspired paddle shifters.

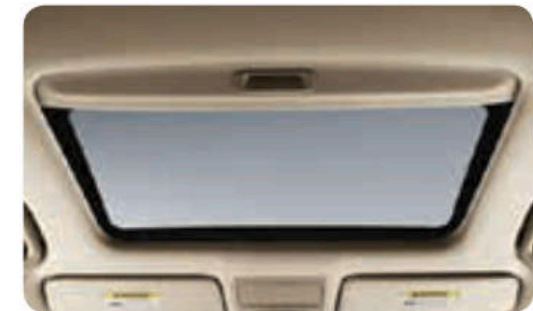

**STEERING WHEEL-MOUNTED CONTROLS** Whether you'd like to change the music, answer a phone call or access the available navigation system,<sup>1</sup> you can do it all and a lot more without ever taking your hands off the wheel.<sup>2</sup>

**6-SPEED AUTOMATIC TRANSMISSION** The 6-speed automatic transmission uses the engine's broad torque curve for brisk acceleration, optimal fuel efficiency<sup>†</sup> and smooth shifting. (V-6 models)

**PUSH BUTTON START** The Accord's smart technology lets you start your engine with the push of a button.

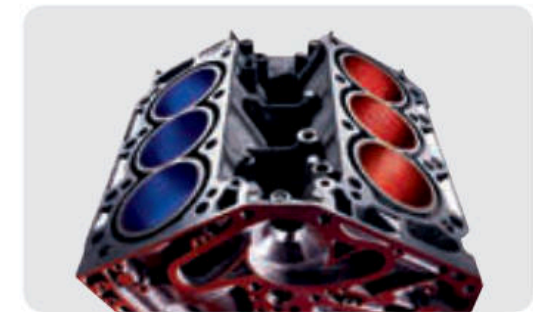

**ONE-TOUCH POWER MOONROOF** The moonroof features a tilt setting and a convenient, one-touch control to open and close. The sliding sunshade keeps you cool when you've had enough sun.

**10-WAY POWER DRIVER'S SEAT** Adjust the power driver's seat in 10 different positions for your most comfortable position behind the wheel.

**HEATED FRONT SEATS** Front seats on all leather-trimmed Accords have built-in heaters with hi/lo settings.

**VARIABLE CYLINDER MANAGEMENT™ (VCM®)** VCM balances power and fuel efficiency<sup>†</sup> by determining if all six or only three engine cylinders are required while driving, and activating or deactivating them as needed.

\*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked. <sup>†</sup>21 city/34 highway/26 combined mpg rating for V-6 Sedan models. 21 city/32 highway/25 combined mpg rating for V-6 Coupe 6AT models. Based on 2015 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle.

# Always thinking about safety.

Every Accord features our latest-generation ACE™ body structure and standard features that are all designed to help protect everyone on the road. Because, of all the things you need the Accord to do, nothing's more important than getting you where you need to go safely. And we're proud to say that the Accord has an impressive history of 5-Star Overall Vehicle Scores from the National Highway Traffic Safety Administration (NHTSA)\* as well as *TOP SAFETY PICK* ratings from the Insurance Institute for Highway Safety (IIHS).

Accord EX-L Sedan shown in Alabaster Silver Metallic.

**SMARTVENT® FRONT SIDE AIRBAGS** In the event of a moderate-to-severe side impact, the side airbag inflates to help protect the driver's or front passenger's upper torso.\*

**DUAL-STAGE, MULTIPLE-THRESHOLD FRONT AIRBAGS (SRS)** The dual-stage, multiple-threshold front airbags (SRS) are capable of inflating at different rates depending on the severity of the crash, seat-belt usage and/or other factors.†

**ADVANCED COMPATIBILITY ENGINEERING™ BODY STRUCTURE** This Honda-exclusive body design distributes frontal crash energy more evenly throughout the front of the vehicle, and the latest-generation ACE body structure features our highest-grade steel yet.

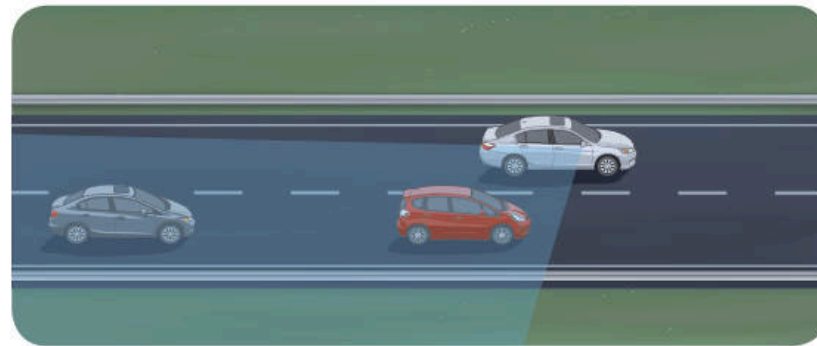

**VEHICLE STABILITY ASSIST™ (VSA®)† WITH TRACTION CONTROL** In the event of an oversteer or understeer condition, VSA works to brake individual wheels and/or reduce engine power to help restore your intended course.

**ANTI-LOCK BRAKING SYSTEM (ABS)** All Accord models feature 4-wheel disc brakes with anti-lock brakes (ABS). ABS modulates the brakes to help prevent wheel lockup and help the driver retain steering control during hard braking.

\*Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat. †VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

# Even more peace of mind.

Select models offer the ingenious Honda LaneWatch™ system that uses a tiny camera to provide a passenger-side view nearly four times greater than using the side mirror alone, and displays it live on your i-MID screen. Lane Departure Warning (LDW)⁹ and Forward Collision Warning (FCW)¹⁰ also utilize small cameras to help you feel more confident, secure and in control on the road (EX-L and above).

Honda LANEWATCH⁴ A camera under the passenger-side mirror captures more of what's beside and behind you. It displays on your i-MID, revealing more than your mirror can. (EX and above)

LANE DEPARTURE WARNING (LDW)⁹ A small camera searches for lane markings on the road. If it detects the driver making an unindicated lane departure, visual and audible alerts will signify the departure. (EX-L and above)

FORWARD COLLISION WARNING (FCW)¹⁰ The FCW system can sense the presence of vehicles in front of you, and if it calculates that you're at risk of a collision with a detected vehicle, it activates audible and visible alerts. (EX-L and above)

ADAPTIVE CRUISE CONTROL (ACC)¹¹ ACC electronically regulates your following distance in Adaptive Cruise Control mode, accelerating or decelerating depending on how close you are to the vehicle detected in front of you. (Touring)

Honda Care<sup>®</sup> is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

<sup>1</sup>The Honda Satellite-Linked Navigation System<sup>™</sup> is available on non-hybrid EX-L and standard on all Touring models in the United States, Canada and Puerto Rico. (FM Traffic service only available in the United States, except Alaska.) Please see your Honda dealer for details. <sup>2</sup>Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Launch smartphone applications only when the vehicle is safely parked. Aha, the Aha logo, and the Aha trade dress are trademarks or registered trademarks of Harman International Industries, Inc. Your wireless carrier's rates may apply. <sup>3</sup>The Bluetooth<sup>®</sup> word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. <sup>4</sup>Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. <sup>5</sup>Pandora, the Pandora logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc. Used with permission. Compatible with select smartphones. See: [www.pandora.com/everwhere/mobile](http://www.pandora.com/everwhere/mobile). Not all devices compatible with USB connection. Your wireless carrier's rate plans apply. <sup>6</sup>The USB Audio Interface is used for direct connection to and control of some current digital audio players and other USB devices that contain MP3, WMA or AAC music files. Some USB devices with security software and digital rights-protected files may not work. Please see your Honda dealer for details. <sup>7</sup>Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program. Model tested with standard side airbags (SABs). For additional information on the 5-Star Safety Ratings program, please visit [www.safercar.gov](http://www.safercar.gov). <sup>8</sup>Display accuracy will vary based on weather, size of object and speed, and the display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. <sup>9</sup>Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>10</sup>Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>11</sup>Adaptive Cruise Control (ACC) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. The driver remains responsible to slow or stop the vehicle to avoid a collision. <sup>12</sup>185 hp @ 6400 rpm (SAE net). <sup>13</sup>Compatible with select phones with Bluetooth<sup>®</sup>. Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely. <sup>14</sup>189 hp @ 6400 rpm (SAE net). <sup>15</sup>HomeLink and the HomeLink house are registered trademarks of Johnson Controls. <sup>16</sup>SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). Fees and programming subject to change.
