

CIVIC SEDAN/COUPE

2017

THE 2017 CIVIC:

TWO WAYS TO TURN HEADS

A legend in reliability can look just as brilliant. The Civic, in both sleek 4-door Sedan and sporty 2-door Coupe, is a quick way to garner attention, and envy, on the road.

COUPE

SEDAN

CIVIC SEDAN:

FUNCTIONALITY AND FLAIR

Clean lines paired with the latest technology and all the comfort of a true Honda icon add up to a driving experience you're not likely to forget. Discover all the functionality you expect from Civic, with a flair for fun, too.

Touring model shown.

LED LIGHTING

LED Daytime Running Lights (DRL) make a distinctive impression. Touring models also feature all-LED headlights to enliven the look.

17-INCH ALLOY WHEELS

Sharp styling starts from the ground up. Accentuate every ride with stunning 17-inch alloy wheels (EX-T and above).

ONE-TOUCH POWER MOONROOF

Driving a Civic is like a breath of fresh air - an available power moonroof helps you experience it with the push of a button.

CIVIC SEDAN INTERIOR DESIGN:

INNOVATIVE ON THE INSIDE

There's something special about a truly intuitive ride, with everything in its place. Premium feel from available features like heated front seats and a 7-inch Display Audio touch-screen can complete the experience.

CIVIC COUPE:

FOR THE THRILL OF IT

Civic Coupe takes a distinct place in the hearts of those who love the road. The sport compact legend has an available turbocharged engine to nail hairpin turns and keep your body pressed to the seat.

WING SPOILER

Give your Civic an aerodynamic exclamation point with this color-matched Honda Genuine Accessory.

FRONT UNDERBODY SPOILER

Enjoy your Civic with a subtle, custom look, manufactured by Honda Genuine Accessories for a precise fit and easy installation.

17-INCH ALLOY WHEELS

These stunning 17-inch alloy wheels are designed exclusively as a Honda Genuine Accessory, helping make your Civic more one-of-a-kind.

Civic Touring Coupe shown in Aegean Blue Metallic.

Civic Touring Coupe shown with Black/Gray Leather.

CIVIC COUPE INTERIOR DESIGN:

CALMING IN FAST CONDITIONS

Civic doesn't sacrifice comfort for speed, and nowhere is that more apparent than inside the sporty Coupe. With options that range from relaxing to racy, you can unwind even while enjoying the ride of your life.

MANUAL SHIFTER
An available 6-speed manual transmission helps you master the performance domain of the Civic.

Honda LANEWATCH

STEERING WHEEL-MOUNTED CONTROLS

APPLE CARPLAY

ANDROID AUTO

REMOTE ENGINE START

CENTER CONSOLE STORAGE

ELECTRIC PARKING BRAKE

POWER FRONT SEATS

HEATED OUTBOARD REAR SEATS

INTERIOR FEATURES:

Honda LANEWATCH™¹

Signal right and a small camera displays live video on your Display Audio screen, revealing nearly four times more than the passenger-side mirror alone (EX and above).

STEERING WHEEL-MOUNTED CONTROLS

Change the music or answer a call via Bluetooth®² HandsFreeLink®. Your hands never leave the wheel, and your eyes never leave the road.*

APPLE CARPLAY™³

The available Apple CarPlay feature allows you to access several iPhone® features on the Display Audio touch-screen.

ANDROID AUTO™⁴

Android smartphone users can access Google Maps™, Google Now™, messages, music and other popular apps with the available Android Auto feature.

REMOTE ENGINE START

Available remote engine start lets you pre-heat or cool your Civic, and be ready to go when you reach the door.

CENTER CONSOLE STORAGE

A massive console with an adjustable beverage holder gives you enough room to store your essentials and hide your valuables.

ELECTRIC PARKING BRAKE

An electric parking brake replaces the conventional hand lever with a simple, sleek switch.

POWER FRONT SEATS

Easily find the perfect driving position with eight ways to adjust (EX-L, Touring Sedan). The front passenger enjoys 4-way power adjustment as well (Touring Sedan).

HEATED OUTBOARD REAR SEATS

These heated outboard rear seats help keep your passengers extra cozy (Touring Sedan).

*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

COLLISION MITIGATION BRAKING SYSTEM™ (CMBS™)⁵
 CMBS can help bring your Civic to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

ROAD DEPARTURE MITIGATION SYSTEM (RDM)⁶
 RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you stay in your lane or provide braking to keep from leaving the roadway entirely.

Civic Touring Sedan shown in Rallye Red.

Honda SENSING:

TECHNOLOGY THAT SENSES

The available Honda Sensing™ suite of safety and driver-assistive technologies is designed to catch hazards you might miss while driving. It's like an extra set of eyes and ears to help keep your drive secure.

5-Star Overall Vehicle Score*

Models with front crash prevention features.

FORWARD COLLISION WARNING (FCW)⁷

The FCW system can sense the presence of vehicles in front of you, and if it calculates that you're at risk of colliding with a detected vehicle, it activates audible and visual alerts.

LANE KEEPING ASSIST SYSTEM (LKAS)⁸

With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Civic centered in a detected lane.

LANE DEPARTURE WARNING (LDW)⁹

A small camera searches for lane markings on the road. If it detects the driver making an unindicated lane departure, visual and audible alerts will signify the departure.

ADAPTIVE CRUISE CONTROL (ACC)¹⁰ WITH LOW-SPEED FOLLOW

ACC helps you maintain a set following interval for highway driving. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval.

*Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program. Model tested with standard side airbags (SABs). For additional information on the 5-Star Safety Ratings program, please visit www.safercar.gov.

ACE BODY STRUCTURE

MULTI-ANGLE REARVIEW CAMERA

ADVANCED COMPATIBILITY ENGINEERING™ (ACE™) BODY STRUCTURE

The ACE body structure is a Honda-exclusive body design that enhances occupant protection and crash compatibility in frontal collisions.

SMARTVENT® AIRBAGS

The SmartVent front side airbags are designed specifically to help protect the driver's or front passenger's upper torso in the event of a side-impact collision.*

TIRE PRESSURE MONITORING SYSTEM (TPMS)¹¹

Because lost tire pressure can dramatically affect a vehicle's performance, TPMS is designed to alert you if air pressure becomes significantly low in any tire.

VEHICLE STABILITY ASSIST™ (VSA®) WITH TRACTION CONTROL

VSA helps you stay on course in the event of an understeer or oversteer condition by braking individual wheels and/or reducing engine power to help restore your intended course.¹

MULTI-ANGLE REARVIEW CAMERA¹²

See more of what's behind you and back up with confidence, thanks to the multi-angle rearview camera with guidelines, standard on every Civic.

ADVANCED BRAKING

An anti-lock braking system (ABS) helps prevent wheels from locking up when braking hard, while Electronic Brake Distribution (EBD) balances braking forces at each wheel based on how the Civic is dynamically loaded.

SAFETY:

DRIVE WITH PEACE OF MIND

It's more than adding an airbag or two or meeting the minimum safety requirements—Honda uses the latest technological advancements to help you have a safer ride.

*Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.
¹VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

FAST

A 1.5-liter turbocharged and intercooled engine produces a thrilling 174 hp¹³ and 162 lb-ft of torque,¹³ and a dual exhaust system helps optimize airflow (EX-T and above).

LIGHT

A lightweight engine and chassis helps the Civic keep its balanced power-to-weight ratio, and gives a boost to its handling characteristics.

SHARP

The Civic is engineered with lateral support in its suspension for cornering, plus wide tires for excellent grip and braking.

Civic Touring Sedan shown in Modern Steel Metallic.

Civic Touring Sedan shown in Aegean Blue Metallic.

PERFORMANCE:

BORN TO CORNER

The Civic is crafted for those with an innate passion for performance. A lightweight body with a wide-set frame is designed for dominating tight corners, and an available turbocharged engine is designed to conquer the road.

EFFICIENT

The Civic earned an impressive 42-mpg highway rating* thanks to its lightweight design, direct-injection technology and an efficient continuously variable transmission.

*32 city/42 highway/36 combined mpg rating for EX-T and above Sedan models with CVT. Based on 2017 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care[®] is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

All 2017 Honda vehicles—and any Honda Genuine Accessories installed at the time of vehicle purchase—are covered by a 3-year/36,000-mile limited warranty.¹⁴ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,¹⁴ too. For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

For more information and complete specifications, go to civic.honda.com

¹ Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ² The Bluetooth[®] word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. ³ Apple CarPlay is a trademark of Apple Inc. ⁴ Android, Android Auto and other marks are trademarks of Google Inc. ⁵ CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁶ Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁷ Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁸ LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁹ Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁰ Adaptive Cruise Control (ACC) with low-speed follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹¹ For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details. ¹² Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. ¹³ 174 hp @ 6000 rpm, 162 lb-ft @ 1700-5500 rpm (SAE net). ¹⁴ 3-Year/36,000-Mile Limited Warranty. 5-Year/60,000-Mile Limited Powertrain Warranty. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. ¹⁵ 158 hp @ 6500 rpm (SAE net). ¹⁶ SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. SPECIFICATIONS

CIVIC SEDAN

LX

- 158-hp,¹⁵ 2.0-liter DOHC i-VTEC[®] 4-cylinder engine
- 6-speed manual or available continuously variable transmission (CVT)
- Electric parking brake with automatic brake hold
- Hill start assist
- 16-inch wheels with full covers
- Multi-angle rearview camera¹² with guidelines
- LED Daytime Running Lights (DRL)
- One-touch turn indicators
- Taillights with integrated LED light bars
- 160-watt audio system with 4 speakers
- Available Honda Sensing™ suite of safety and driver-assistive features (CVT model only)

EX adds to or replaces LX features

- Remote engine start
- Standard continuously variable transmission (CVT)
- 16-inch alloy wheels
- Honda LaneWatch™¹
- Heated side mirrors
- One-touch power moonroof with tilt feature
- Smart Entry with push button start
- 60/40 split fold-down rear seatback
- 180-watt audio system with 8 speakers
- 7-inch Display Audio with electrostatic touch-screen
- Apple CarPlay™³
- Android Auto™⁴
- SiriusXM[®] Radio¹⁶
- HD Radio™¹⁷

EX-T adds to or replaces EX features

- 174-hp,¹³ 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- 6-speed manual or available continuously variable transmission (CVT)
- 17-inch alloy wheels
- Fog lights
- Body-colored decklid spoiler
- Dual-zone automatic climate control system
- Heated front seats

KEY STANDARD FEATURES FOR ALL CIVIC MODELS

- Advanced Compatibility Engineering™ (ACE™) body structure
- Multi-angle rearview camera¹² with guidelines
- LED Daytime Running Lights (DRL)
- Hill start assist
- Automatic climate control system
- Bluetooth^{®2} HandsFreeLink[®]
- Electric parking brake with automatic brake hold
- Capless fuel filler

CIVIC COUPE

LX

- 158-hp,¹⁵ 2.0-liter DOHC i-VTEC 4-cylinder engine
- 6-speed manual or available continuously variable transmission (CVT)
- Electric parking brake with automatic brake hold
- Hill start assist
- 16-inch alloy wheels
- Multi-angle rearview camera¹² with guidelines
- LED Daytime Running Lights (DRL)
- One-touch turn indicators
- Taillights with integrated LED light bars
- 60/40 split fold-down rear seatback
- 160-watt audio system with 4 speakers

LX-P adds to or replaces LX features

- Remote engine start
- Standard continuously variable transmission (CVT)
- One-touch power moonroof with tilt feature
- Smart Entry with push button start

EX-T adds to or replaces LX-P features

- 174-hp,¹³ 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- 6-speed manual or available continuously variable transmission (CVT)
- 17-inch alloy wheels
- Fog lights
- Honda LaneWatch¹
- Heated side mirrors
- Dual-zone automatic climate control system
- Heated front seats
- 450-watt premium audio system with 10 speakers, including subwoofer
- 7-inch Display Audio with electrostatic touch-screen
- Apple CarPlay³
- Android Auto⁴
- SiriusXM Radio¹⁶
- HD Radio¹⁷

EX-L adds to or replaces EX-T features

- Standard continuously variable transmission (CVT)
- Automatic-dimming rearview mirror
- Leather-wrapped steering wheel and shift knob
- Leather-trimmed seats

TOURING adds to or replaces EX-L features

- Honda Sensing suite of safety and driver-assistive features
- Honda Satellite-Linked Navigation System™¹⁸ with voice recognition and Honda HD Digital Traffic
- LED turn indicators (headlights and side mirrors)
- Chrome door handles
- Rain-sensing windshield wipers
- LED headlights (low & high beam) with auto-on/off

Honda proudly races in the Red Bull Global Rallycross series.
