2018 **CLARITY** Plug-In Hybrid

Clarity Plug-In Hybrid Touring shown with High Occupancy Vehicle (HOV) sticker.¹⁸

Put range anxiety in the rearview mirror.

Sometimes, you want to drive an electric car. Sometimes, you need more flexibility. That's why Honda created the Clarity Plug-In Hybrid. Charge up and drive on electricity, or tap into its hybrid engine for unexpected turns—all while spending less time at the pump.

Stay up to speed at [facebook.com/hondaclarity](https://www.facebook.com/hondaclarity)

Clarity Plug-In Hybrid Touring shown in Modern Steel Metallic with optional charging accessories.

*47-mile maximum EV mode driving-range rating. 340-mile combined gas-electric driving-range rating. Ratings determined by EPA. Use for comparison purposes only. Your driving-range will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors.

Interior Features

Three Driving Modes

Select from Normal, ECON or Sport, to help optimize efficiency, power and handling.

Shift-By-Wire

Go from Park to Drive with the touch of a button, while enjoying a more spacious center console.

Deceleration Paddle Selectors

Choose between four levels of regenerative braking using the paddles mounted behind the steering wheel.

Steering Wheel-Mounted Controls

Change the song, make a call or get directions—all from your steering wheel.*

Dual-Zone Automatic Climate Control

Set one temperature for the driver and another for the front passenger.

8-Inch Display Audio Touch-Screen

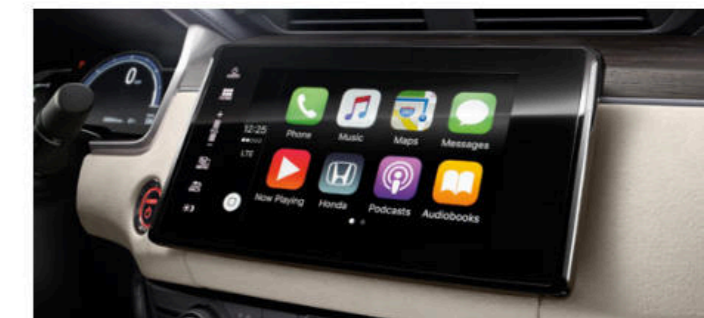

Touch, pinch and swipe your way through music, directions and more.

Apple CarPlay™ Integration

Apple CarPlay provides access to Apple Music®, Maps, Messages and phone calls through Siri® and the Display Audio touch-screen.

Android Auto™ Integration

Android™ smartphone users can access Google Maps™, Google Now™ messages, music and other popular apps with the Android Auto feature.

Clarity Plug-In Hybrid Touring shown with Beige Leather.

*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

A new class of comfort.

Few hybrid vehicles provide the comfort or space you've come to expect from mid-size sedans. The Clarity Plug-In Hybrid stands out as the exception.

Clarity Plug-In Hybrid Touring shown in Moonlit Forest Pearl with Beige Leather.
Honda reminds you to properly secure cargo items.

Spacious Interior

You'll find more than enough room for five adults inside the Clarity Plug-In Hybrid.

Smartphone Pockets

Behind each front seat is a pocket designed for phones of all shapes and sizes.

Full-Size Trunk

The Clarity has a larger trunk than many of its competitors, with plenty of room for all kinds of cargo.³

Heated Front Seats

The Clarity Plug-In Hybrid can quickly take the driver and front passenger seats from zero to toasty.

Premium Materials

The sophisticated, quiet cabin utilizes high-quality leather (Touring) and plant-derived materials.

Driver's Seat with 8-Way Power Adjustment

In addition to two-position memory, the driver's seat provides eight ways to adjust your seat with pinpoint accuracy (Touring).

Built for what-if.

Even the most attentive of drivers can miss things. That's why we've equipped every Clarity with Honda Sensing,[®] a full suite of safety and driver-assistive technologies designed to assist and help protect you and your passengers.

Collision Mitigation Braking System™ (CMBS™)⁴

CMBS can help bring your Clarity to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

Road Departure Mitigation System (RDM)⁵

RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you return to your lane, or provide braking to help keep from leaving the roadway entirely.

Lane Keeping Assist System (LKAS)⁶

With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Clarity centered in a detected lane.

Adaptive Cruise Control (ACC) with Low-Speed Follow⁷

ACC helps you maintain a set following interval behind detected vehicles for highway driving. If the detected vehicle slows to a stop, ACC is designed to slow and stop your vehicle as well. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval.

Clarity Plug-In Hybrid (above and upper right) shown in Modern Steel Metallic with Black Fabric. Clarity Plug-In Hybrid Touring shown in Solar Silver Metallic (far right) and Crimson Pearl (lower right).

Exterior

Interior

PLUG-IN HYBRID

- 1.5-liter 4-cylinder engine with electric motor
- Electronic continuously variable transmission (E-CVT) with sport mode and deceleration paddle selectors
- 212 total system horsepower⁸
- 47-mile EV mode driving-range rating⁹
- Honda Sensing[®] suite of safety and driver-assistive features
- Electric parking brake with automatic brake hold
- Hill start assist
- 18-inch alloy wheels
- Multi-angle rearview camera¹⁰ with dynamic guidelines
- Honda LaneWatch^{™11}
- Smart Entry with Walk Away Auto Lock[®]
- Dual-zone automatic climate control
- Push button start
- HomeLink^{®12} remote system
- Automatic-dimming rearview mirror
- Heated front seats
- 60/40 split fold-down rear seatback with center armrest
- 180-watt audio system with 8 speakers
- 8-inch Display Audio with high-resolution touch-screen and customizable feature settings
- Apple CarPlay^{™1} integration
- Android Auto^{™2} integration
- SiriusXM[®] Radio¹³
- HD Radio^{™14}

PLUG-IN HYBRID TOURING

adds to or replaces Plug-In Hybrid features

- Driver's seat with 8-way power adjustment and two-position memory
- Front passenger's seat with 4-way power adjustment
- Leather-trimmed seats
- Leather-wrapped steering wheel
- Honda Satellite-Linked Navigation System^{™15} with voice recognition and Honda HD Digital Traffic

Featured Honda Genuine Accessories

- Illuminated Door Sill Trim (shown)
- 18-inch Alloy Wheels (shown)
- Ambient Lighting
- Decklid Spoiler
- Chrome Lower Door Trim
- Body Side Molding
- All-Season Floor Mats
- Body-Colored Parking Sensors (rear)
- Rear Bumper Applique

Please see your Honda dealer for details and a complete list of accessories.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care[®] is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

All Honda vehicles—and any Honda Genuine Accessories installed at the time of vehicle purchase—are covered by a 3-year/36,000-mile limited warranty.¹⁶ Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,¹⁶ too. Battery-pack limited warranty¹⁷ may vary. Please see your Honda dealer for details.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

¹Apple CarPlay is a trademark of Apple Inc. ²Android, Android Auto, Google Maps and Google Now are trademarks of Google Inc. ³Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Follow applicable load limits and loading guidelines. ⁴CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁵Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁶LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁷ACC with Low-Speed Follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁸Total system horsepower as measured by the peak, concurrent output of the two electric motors and gasoline engine. ⁹47-mile maximum EV mode driving-range rating. 340-mile combined gas-electric driving-range rating. Ratings determined by EPA. Use for comparison purposes only. Your driving range will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors. ¹⁰Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. ¹¹Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ¹²HomeLink[®] is a registered trademark of Genex Corporation. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranty. ¹³Battery-pack limited warranty may vary. Please see your Honda dealer for details. ¹⁴The High Occupancy Vehicle (HOV) sticker can be applied for through the California Department of Motor Vehicles. Once installed, you may use designated HOV lanes, even if you're driving alone. Stickers valid through January 1, 2019. Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.
