

2014

# Crosstour

## Come together.

Discover the perfect mix of form and function in the 2014 Crosstour. Styling that's aggressive and defiant. Premium refinements you deserve. Innovative technology you demand. And with an available 278-hp\* V-6 engine, the kind of performance that fuels your desire. Finally, the car you should have and the car you must have are one and the same.

\*SAE net.

Crosstour 4WD EX-L V-6 shown in Polished Metal Metallic.

## Jump in. Stand out.

The 2014 Crosstour grabs attention and never lets go. The distinctively streamlined shape and sleek lines make it easy to admire. The athletic stance and bold look make it impossible to ignore.

The Crosstour functions like a versatile crossover thanks to its unique design. It looks and acts like a luxury sports car in just about every other way.

From 18-inch alloy wheels (V-6 models) to chrome door handles and a fin-type roof-mounted antenna, the Crosstour flaunts fresh features from the ground up.

Crosstour 4WD EX-L V-6 shown in Mountain Air Metallic.

## Take everything by storm.

Something special happens when you blend exhilarating power, remarkable efficiency and fist-pumping fun. You get the 2014 Crosstour, a car that proves you can have the best of all worlds.

---

When the weather takes a turn, the available Real Time 4WD™ system takes charge. The system can detect a loss of traction when traveling down practically any low-traction surface. It can then automatically send power to the rear wheels to help you grip the road and stay on course.

---

Corner with confidence. A double wishbone front and multi-link rear suspension offer stable handling and a smooth ride. And the front shocks utilize a rebound spring within the shock tube that enhances front tire contact with the road when cornering.

---

The Crosstour has a high, commanding presence, and yet its center of gravity is low. Honda engineers achieved this by placing the engine, transmission and fuel tank as low as possible in the chassis. The results can be felt in how well the Crosstour handles.

Crosstour 4WD EX-L V-6 shown in Basque Red Pearl II.

## More power to you.

Under the hood, you'll find more than enough juice. Choose between the 2.4-liter i-VTEC® 4-cylinder engine or the 3.5-liter i-VTEC V-6 that produces 278 hp and 252 lb-ft of torque.\* All V-6 models also include a 6-speed automatic transmission that helps improve both efficiency<sup>1</sup> and performance. With Variable Cylinder Management™ (VCM®), the V-6 engine's cylinders activate and deactivate based on power demands. This lets the engine run in 3-cylinder mode longer - maximizing fuel efficiency<sup>1</sup> - while still providing seamless transitions to all 6 cylinders when more muscle is needed.

\*SAE net.

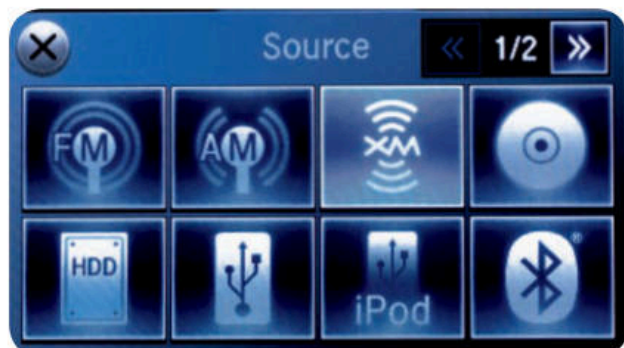

Crosstour 4WD EX-L V-6 shown in Alabaster Silver Metallic.

High tech meets hi-fi in the 2014 Crosstour. And it all starts with HondaLink™ featuring Aha™<sup>2</sup> compatibility. The innovative system gives you cloud-based access to current online content, from news and information to Facebook and Twitter updates. Then, rock out to new music on Pandora®<sup>3</sup> - or personal favorites using the USB Audio Interface<sup>4</sup> - through a 360-watt audio system (EX-L and V-6 models).

Crosstour EX-L V-6 shown in Black Leather with available Honda Satellite-Linked Navigation System.<sup>TM5</sup>

With the available audio touch screen display, you can access information and media options while looking straight ahead.

Tell your Crosstour where you want to go. The available Honda Satellite-Linked Navigation System<sup>5</sup> with voice recognition will show you the way.

Steering-wheel mounted controls let you answer a phone call or change the music.\* Paddle shifters (V-6 models) let you change gears, too.

\*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

Improve your passenger-side visibility. A lot. Signal right (EX-L and V-6 models) and Honda LaneWatch™<sup>6</sup> delivers a view to your i-MID that is nearly four times greater than what you would see using the passenger-side mirror alone.

The Forward Collision Warning (FCW)<sup>7</sup> system can sense the presence of vehicles in front of you and issues alerts if it calculates that you are at risk of a collision (EX-L models).

With the Lane Departure Warning (LDW)<sup>8</sup> system, a small camera between the windshield and the rearview mirror can track lane markings on the road. The system alerts you when it detects you moving into a different lane without signaling (EX-L models).

Improve your outlook. Shift into reverse and the standard rearview camera helps you back up. On EX-L and V-6 models, a multi-angle rearview camera lets you choose wide-angle and overhead views, too.

## Sacrifice nothing.

The 2014 Crosstour puts a premium on interior design. It's got all the luxurious features you've always wanted. And an expansive cargo space<sup>9</sup> that meets your every need.

It doesn't matter if you and your front passenger run hot or cold. Available dual-zone climate control lets each of you select your own temperature setting.

Heated front seats bring warmth to cool days. Leather trim on the steering wheel, shift knob and adjustable seats add even more comfort and style. (EX-L models)

With plenty of room, rear vents and a flip-down center armrest, rear passengers get the royal treatment, too.

Crosstour EX-L V-6 shown in Black Leather with available Honda Satellite-Linked Navigation System.<sup>5</sup>

Honda reminds you to properly secure items stored in the cargo area.

If you've got something to hide, or something that's wet, put it in the removable, water resistant utility box. It's also great for carrying tools, storing a first-aid kit and more.

The cargo floor is covered with pristine, high-quality carpet. Keep it that way by simply flipping the floor panels for a durable surface that's easy to clean.

one-touch levers

Sometimes you need room for people. Other times you need room for packages. The 60/40 split rear seatback can be folded down so you can carry both.

Bulky items don't stand a chance. With the rear seatback folded down, you'll have a full 51.3 cubic feet<sup>9</sup> of packing pleasure at your disposal.

At Honda, safety never goes out of style. Our engineers design systems that not only help protect you, but also help you avoid collisions altogether. Making advanced safety features standard is more than a goal. It's a philosophy.

The Crosstour's standard front, front side and side curtain airbags\* can help reduce the likelihood of injuries in a collision. The side curtain airbags also feature a rollover sensor. The front passenger's side airbag uses the Occupant Position Detection System (OPDS) to help prevent deployment if a child or small-statured passenger is out of position and in the airbag's path of deployment.

The Crosstour has an Advanced Compatibility Engineering™ (ACE™) body structure. This Honda-exclusive design enhances occupant protection and crash compatibility in frontal collisions. By dispersing crash energy more evenly throughout the front of the vehicle, less force is transmitted to the passenger compartment.

Brake Assist, a component of the anti-lock braking system (ABS), helps apply full braking force in some emergency situations. Electronic Brake Distribution (EBD) helps balance braking forces, depending upon dynamic loading.

To help reduce the likelihood of whiplash injuries, the front seats have active head restraints that move up and forward in a sufficient rear collision.

Airbags inflated for display purposes only.

\*Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat.

†VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

All five passengers benefit from 3-point seat belts. And the front seat belts are equipped with an automatic tensioning system that will tighten in a moderate-to-severe frontal impact.

During oversteer or understeer, Vehicle Stability Assist™ (VSA®)† can brake individual wheels and/or reduce engine power to help restore your intended course.

Crosstour 4WD EX-L V-6 shown in Alabaster Silver Metallic with Black Leather.

#### EX

- 192-hp,<sup>10</sup> 2.4-liter i-VTEC® 4-cylinder engine
- 5-speed automatic transmission
- ULEV-2 CARB emissions rating<sup>11</sup>
- EPA mileage ratings<sup>1</sup> (city/highway/combined): 22/31/25 mpg
- 17-inch alloy wheels
- Vehicle Stability Assist™ (VSA®) with traction control
- Advanced Compatibility Engineering™ (ACE™) body structure
- Six airbags
- One-touch power moonroof with tilt feature
- Security system with remote entry
- Heated, body-colored power side mirrors with Expanded View Driver's Mirror
- Rearview mirror, including rearview camera display and guidelines
- Bluetooth<sup>®12</sup> HandsFreeLink®
- Illuminated steering wheel-mounted controls
- Tilt and telescopic steering column
- Center console with armrest and storage compartment
- Driver's seat with 10-way power adjustment, including power lumbar support
- Easy fold-down 60/40 split rear seatback with center armrest
- 360-watt AM/FM/6-disc in-dash audio system with 7 speakers, including subwoofer
- USB Audio Interface<sup>4</sup>
- MP3/auxiliary input jack

#### EX-L (Adds to or replaces EX features)

- Forward Collision Warning (FCW)<sup>7</sup>
- Lane Departure Warning (LDW)<sup>8</sup>
- Memory-linked side mirrors with reverse gear tilt-down
- Dual-zone automatic climate control system
- i-MID with 8-inch high-resolution screen and customizable feature settings
- Multi-angle rearview camera with guidelines
- Honda LaneWatch™<sup>6</sup>
- SMS text message function<sup>13</sup>
- Leather-trimmed interior
- Heated front seats with driver's seat two-position memory
- Front passenger's seat with 4-way power adjustment
- 360-watt AM/FM/CD premium audio system with 7 speakers, including subwoofer
- HondaLink™ featuring Aha™<sup>2</sup> compatibility
- Audio touch-screen
- Pandora<sup>®3</sup> compatibility
- Bluetooth<sup>12</sup> streaming audio
- XM<sup>®</sup> Radio<sup>14</sup>

#### EX-L with Navigation (Adds to or replaces EX-L features)

- Honda Satellite-Linked Navigation System™<sup>5</sup> with voice recognition and FM Traffic
- Hard disk drive (HDD);<sup>15</sup> including 16-GB audio memory
- Song By Voice® (SBV)

#### EX V-6 (Adds to or replaces EX features)

- 278-hp,<sup>10</sup> 3.5-liter i-VTEC V-6 engine
- 6-speed automatic transmission with Sport Mode and paddle shifters
- Variable Cylinder Management™ (VCM®)
- ULEV-2 CARB emissions rating<sup>11</sup>
- EPA mileage ratings<sup>1</sup> (city/highway/combined): 20/30/23 mpg
- 18-inch alloy wheels
- Smart Entry
- Dual-zone automatic climate control system
- i-MID with 8-inch high-resolution screen and customizable feature settings
- Multi-angle rearview camera with guidelines
- Honda LaneWatch<sup>6</sup>
- SMS text message function<sup>13</sup>
- Push button start
- Front passenger's seat with 4-way power adjustment
- 360-watt AM/FM/CD premium audio system with 7 speakers, including subwoofer
- HondaLink featuring Aha<sup>2</sup> compatibility
- Audio touch-screen
- Pandora<sup>3</sup> compatibility
- Bluetooth<sup>12</sup> streaming audio

#### EX-L V-6 (Adds to or replaces EX V-6 features)

- Available Real Time 4-Wheel Drive™
- EPA mileage ratings<sup>1</sup> (city/highway/combined): 2WD: 20/30/23 mpg; 4WD: 19/28/22 mpg
- Forward Collision Warning (FCW)<sup>7</sup>
- Lane Departure Warning (LDW)<sup>8</sup>
- Memory-linked side mirrors with reverse gear tilt-down
- HomeLink<sup>®16</sup> remote system
- Leather-trimmed interior
- Heated front seats with driver's seat two-position memory
- XM Radio<sup>14</sup>

#### EX-L V-6 with Navigation

(Adds to or replaces EX-L V-6 features)

- Honda Satellite-Linked Navigation System<sup>5</sup> with voice recognition and FM Traffic
- Hard disk drive (HDD);<sup>15</sup> including 16-GB audio memory
- Song By Voice (SBV)

#### KEY STANDARD FEATURES FOR CROSSTOUR

Bluetooth<sup>12</sup>  
HandsFreeLink

USB Audio  
Interface<sup>4</sup>

Rearview  
Camera

Side Curtain Airbags  
with Rollover Sensor

All 2014 Honda vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-year/36,000-mile limited warranty.<sup>17</sup> Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,<sup>17</sup> too. For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care<sup>®</sup> is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

GENUINE ACCESSORIES

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Powerful. Agile. Versatile enough to handle almost any condition. It's no wonder Honda is the official vehicle of the NHL.<sup>®18</sup>

<sup>1</sup> 22 city/31 highway/25 combined mpg rating for 2WD 4-cylinder models. 20 city/30 highway/23 combined mpg rating for 2WD V-6 models. 19 city/28 highway/22 combined mpg rating for 4WD V-6 models. Based on 2014 EPA mileage ratings. Use for comparison purposes only. Your actual mileage will vary depending on how you drive and maintain your vehicle. <sup>2</sup> Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Launch smartphone applications only when the vehicle is safely parked. Aha, the Aha logo, and the Aha trade dress are trademarks or registered trademarks of HARMAN International Industries, Inc. Your wireless carrier's rates may apply. <sup>3</sup> Pandora, the Pandora logo and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc. Used with permission. Compatible with select smartphones. See: [www.pandora.com/everywhere/mobile](http://www.pandora.com/everywhere/mobile). Not all devices compatible with USB connection. Your wireless carrier's rate plans apply. <sup>4</sup> The USB Audio Interface is used for direct connection to and control of some current digital audio players and other USB devices that contain MP3, WMA or AAC music files. Some USB devices with security software and digital rights-protected files may not work. Please see your Honda dealer for details. <sup>5</sup> The Honda Satellite-Linked Navigation System is available on EX-L models in the United States, Canada and Puerto Rico. (FM Traffic service only available in the United States, except Alaska.) Please see your Honda dealer for details. <sup>6</sup> Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. <sup>7</sup> Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>8</sup> Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>9</sup> Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Follow applicable load limits and loading guidelines. <sup>10</sup> 192-hp @ 7000 rpm; 278-hp @ 6200 rpm (SAE net). <sup>11</sup> ULEV-2 (Ultra-Low Emission Vehicle) models as certified by the California Air Resources Board (CARB). <sup>12</sup> The *Bluetooth*® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. <sup>13</sup> Compatible with select phones with *Bluetooth*®. Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely. <sup>14</sup> SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). Fees and programming subject to change. XM satellite service is available only to those at least 18 years and older in the 48 contiguous United States and D.C. ©2013 Sirius XM Radio Inc.
