

2020 Hyundai

VELOSTER VELOSTER N

Blend out.

Following in the attention-grabbing tracks of the Hyundai Veloster, our new racing-inspired Veloster N performance hatchback seems to have sparked a movement among a dedicated core of driving enthusiasts. Sporting a signature three-door design, Veloster and Veloster N appeal to drivers wanting to stand apart, not blend in.

Yet they stand together, too, unified by a shared pride in driving what, in the words of *MotorTrend*, “certainly won’t be mistaken for anything else.”¹ Not with that rakish roofline, wicked rear air diffuser, flared wheel arches, center exhaust and, on Turbo Ultimate models, contrasting two-tone roof.

Clearly separating itself from the pack of cookie cutter designs, Veloster is all about connecting you directly to both the road below, and your digital world afar. The firm grip of a multi-link rear suspension lets you tackle tight corners with confidence. And connectivity technologies, voice assistants and custom apps help transform the relationship between you, your Veloster and your smartphone.

If this sounds like a car you can’t wait to drive, check out the free downloadable Veloster via Forza Motorsport 7 on Xbox One®.² Before you take to the streets for a test drive, you’ll revel in Veloster’s rally-bred performance where it all started – in our virtual R&D labs.

2019 Hyundai Veloster N is the Best Buy of the Year among Performance Cars according to Kelley Blue Book’s KBB.com.³

“This is a hatchback that no longer just looks quick; it’s genuinely athletic.” – *Edmunds 2019 Veloster Expert Review*

¹“2019 Hyundai Veloster First Look: Halo Kiddy”, January 2018. ²Xbox One is a registered trademark of Microsoft. ³For more information, visit Kelley Blue Book’s KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

Driver-centric. And just slightly eccentric.

Slip behind the wheel, and Veloster makes you the focus of its design. A driver-oriented asymmetrical dash layout and intuitive technologies like Apple CarPlay® and Android Auto™ fill your need for command and control.¹ Automatic temperature control and an oversized sunroof are available to let you choose the perfect climate inside the cockpit.² And you'll breathe easy knowing Veloster's air filter is cleansing dust and pollen from the cabin air.

The available 8" floating touchscreen display equipped on most Veloster models controls an Infinity® Premium Audio system. Veloster Turbo Ultimate includes advanced navigation with a split-screen display, junction view lane guidance and subscription-free traffic flow/incident data via HD Radio.™ Turbo Ultimate's driving tech also includes a full-color Heads-up Display that projects vital driving information and navigation onto a pop-up dashboard screen that helps keep you focused on the road.

Opening the hidden third door makes it easy for rear-seat passengers to enjoy your Veloster almost as much as you do. And unlike most sport coupes, Veloster's rear seats are roomy enough for adults. Got cargo? With its wide-opening hatch and 60/40 rear seats folded down, Veloster becomes its own interpretation of a compact sport utility vehicle.

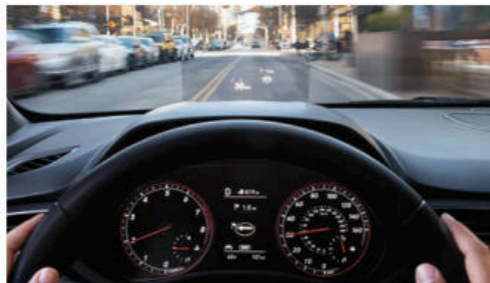

"A dab of asymmetry, undeniable value, coupe-flavored hatchback styling, and a penchant for a good time? That's a great way to get the judges' attention." – MotorTrend 2019 Car of the Year Finalist

¹Apple CarPlay works with iPhone 5s, iPhone 5c, iPhone 5 and later models running the latest version of iOS 7 and above. Apple and Apple CarPlay are registered trademarks of Apple Inc. Android Auto works with smartphones running on Android 5.0 Lollipop and higher. Android, Android Auto, Google Play and other marks are trademarks of Google Inc. ²Automatic temperature control standard on Veloster 2.0 Premium, Turbo, Turbo Ultimate and Veloster N. Wide sunroof standard on Veloster 2.0 Premium, Turbo and Turbo Ultimate.

! Safety features vary by model. For details, refer to the Features chart in the back of this brochure or visit hyundai.com.

VELOSTER Turbo Ultimate in Sunset Orange with two-tone black roof

It's your own personal launching pad.

Beneath Veloster's innovative exterior styling is a body structure that's equally advanced. The strategic use of high-strength steel delivers the crashworthiness of a body that's highly rigid, and the responsiveness of a body that's remarkably light. Taking pounds off is what turns Veloster on – it results in quick acceleration and precise handling. And it enabled Hyundai engineers to create a range of Veloster models, each with its own way of transferring power to the pavement.

Veloster 2.0 features a 2.0L Atkinson Cycle 4-cylinder engine rated at 147 hp and 132 lb-ft of torque. This fuel-efficient, low-emissions engine is offered with your choice of 6-speed manual or automatic transmissions. Veloster Turbo is powered by a 201-hp 1.6L Turbo GDI engine that serves up 195 lb-ft of peak torque from as low as 1,500 rpm. And launches you off the line via a quick-shifting 7-speed Dual Clutch Transmission with paddle shifters. Veloster R-Spec features a 6-speed manual gearbox that lets you wring maximum revs – and enjoyment – from every one of the engine's 201 horsepower. Ready for liftoff?

SmartSense Safety Features¹

Serious Safety

Driving is not all fun and games. It has a serious side, too. Veloster features a long list of advanced safety technologies, so you can enjoy the drive with a reassuring measure of confidence. That's SmartSense.

¹Horsepower rating with premium fuel.

VELOSTER N with Performance Package in Performance Blue

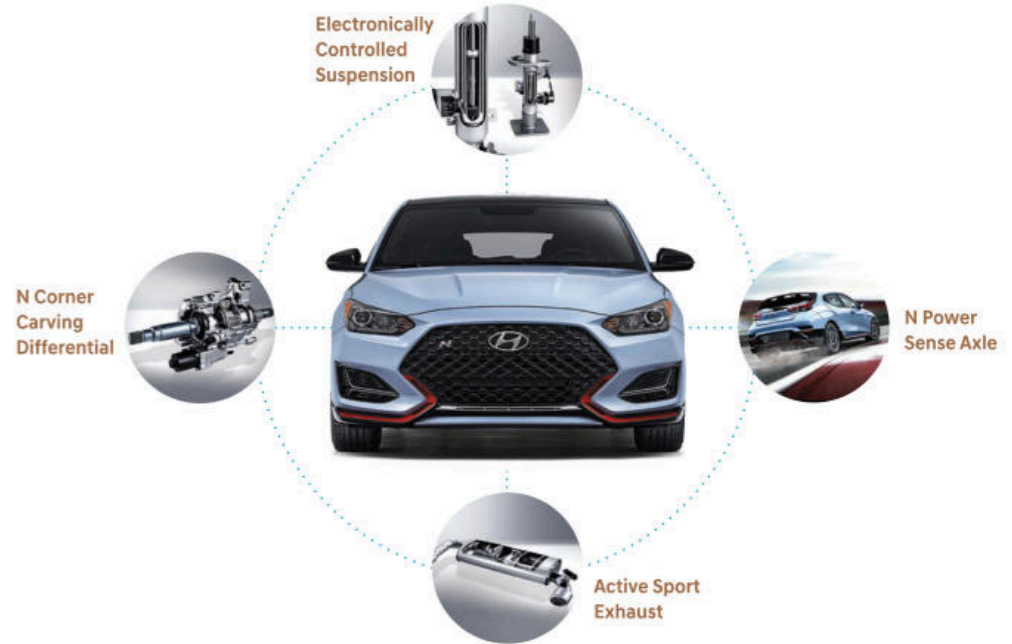

Veloster N: This is why you learned to drive a stick.

Veloster N is the first in Hyundai's high-performance N series. It's named after Namyang, our global R&D facility. And flush with engineering proven in FIA World Rally Championship and Touring Car Racing – where Hyundai won the 2018 Pirelli World Challenge TCR Team Championship and Manufacturer's series title.

N is also for Nürburgring, the epic track where features like Veloster N's Electronic Controlled Suspension and N Corner Carving Differential were refined. This available limited-slip differential offers electronic control and uses true torque vectoring to intelligently distribute torque where it's needed most. The result? Maximum turning speed is increased, while wheel slip and understeer are reduced for enhanced cornering agility.

Veloster N looks, sounds and reacts like it was born in the heat of battle. A 2-stage rear spoiler and large-bore dual exhaust outlets tucked into the rear air diffuser hint at the high-performance powerplant beneath the hood. With an available 275-hp turbocharged 2.0L GDI engine¹ and rev-matching 6-speed manual transmission – plus a reinforced body, suspension and brakes to handle the added power – Veloster N is the tip of our high-performance spear.

To keep you firmly in command through twists and turns, Veloster N's front seats – marked by contrasting blue stitching – are deeply bolstered. To ignite your senses, the steering wheel and gear shift knob are trimmed in perforated leather. To maximize performance, an LED indicator signals the optimal time for shifting gears. And to keep you totally dialed in, instrument data is rendered in 3-D. Truly, Veloster N transports you to another dimension.

The Hyundai Veloster N was named a 2019 *AUTOMOBILE* All-Star and received *MotorWeek's* 2019 Drivers' Choice Award for Best Sport Coupe

¹ Not available with Veloster 2.0, Blue Link Connected Care, Remote, and Guidance (factory-equipped navigation required) packages are complimentary for the first 3 years of ownership and require an active Blue Link subscription agreement subject to the Connected Services Terms and Conditions. Three-year term starts from the new vehicle date-of-first use, is available for new vehicle purchases and leases, and is transferable to subsequent owners subject to the Terms and Conditions. Only use Blue Link and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications, and fees are subject to change. For more on details and limitations, visit hyundai.com or your authorized Hyundai dealer. ² Requires Blue Link Remote package. Not available on all models. Requires vehicles equipped with push button start and an automatic transmission or Dual Clutch Transmission. Remote climate control available on properly equipped models with fully automatic temperature control. Remote stop only available when in remote start mode. ³ Amazon, Alexa and all related logos and motion marks are trademarks of Amazon.com, Inc. or its affiliates. Google Home is a trademark of Google Inc. ⁴ Requires Blue Link Guidance package with Veloster Turbo Ultimate. ⁵ Blue Link agents will contact existing emergency service responders. ⁶ Smartphone GPS location must be within 1-mile radius of vehicle's location to display searched location.

VELOSTER Turbo Ultimate in Sunset Orange with two-tone black roof

One good device deserves another.

We know how connected you are to your smartphone. So we made sure that connection extends to another highly intelligent device – your Veloster. With Hyundai Blue Link® and our MyHyundai app,¹ your smartphone becomes a remote control capable of unlocking your Veloster's doors and starting the engine before you walk out the door.² You can also use your Amazon Echo® or Google Home™ device to set the cabin temperature in your car using voice commands from the comfort of your couch.³

Blue Link Guidance lets you search, download and navigate to addresses and points of interest using voice commands from the driver seat or your smartphone before entering your vehicle.⁴ And on every Veloster, Apple CarPlay® and Android Auto™ come standard. Your smartphone syncs to Veloster's large touchscreen display, allowing you to access your contact lists, texts, calls, maps and navigation, music library and more.

And then there's Blue Link Connected Care. Complimentary for your first three years, it offers exceptional peace of mind. Wherever you may roam, trained operators are standing by to provide emergency roadside assistance in the event of an accident where airbags are deployed.⁵ Your Blue Link app can even help law enforcement recover your Veloster if it's ever stolen. Visit hyundaibluelink.com for more information on the complete list of innovative features Blue Link puts at your fingertips.

“Standard smartphone connectivity is just about best-in-class.”
– Edmunds 2019 Veloster Expert Review

Apple CarPlay

Wireless device charging

Automatic Emergency Assistance
 Blue Link Connected Care offers 24/7 SOS Emergency Assistance and Automatic Collision Notification that calls for help if you're in an accident where airbags deploy.⁵

On-Demand Diagnostics
 Run vehicle diagnostics from your Veloster's touchscreen, report issues at the press of a button and receive Monthly Vehicle Health Reports or maintenance reminders by email.

Destination Send-to-Car
 Use your smartphone to find restaurants or points of interest that may not be updated on your vehicle's maps, then send the destination to Veloster's navigation system.⁴

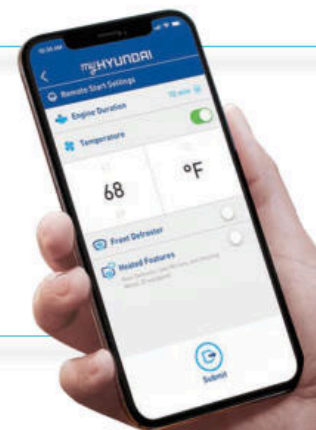

Remote Controls
 Use your smartphone, home assistant or wearable device to remotely start your Veloster's engine, unlock the doors, set the cabin temperature and more.²

Car Finder
 Our Car Finder smartphone app feature lets you navigate your way through crowded parking lots back to your Veloster.⁶

Service Link
 Conveniently schedule your vehicle for service from the driver seat of your Veloster or MyHyundai smartphone app.
