ICONIC CROSSOVER COUPE DESIGN

Unbridled Originality.  
Daring Authenticity.

BACK TO SECTION

**ICONIC CROSSOVER COUPE DESIGN**

In the QX55, the best of both crossover and coupe forms are combined for a daring shape that has both presence and sportiness. You can see it in the **coupe roofline**, which unabashedly states its nonconformity and stakes its claim as the original in the genre that INFINITI once created – the crossover coupe.

Coupe roofline

**ICONIC CROSSOVER COUPE DESIGN**

Forged from a single piece of sheet metal, the **clamshell hood** overlaps the fenders and launches the character lines that sculpt the sides of the QX55. The **20-inch dark-painted and machine-finished aluminum-alloy wheels** fill the wheel arches to enhance its presence no matter the event – so you can show up in confidence and style.

FRONT DETAILS

Master the Art  
of Distinctiveness

## FRONT DETAILS

True visionaries know how to reinvent the familiar into the tantalizingly unexpected. Projecting creative tension, the **double-arch grille** resembles a bridge reflecting in calm waters. The grille's **3D mesh pattern** radiates energy as it widens from the badge to the edges.

Double-arch grille

## FRONT DETAILS

Styled after the most audacious sport coupes, the **sport front fascia** includes an aggressive front splitter and angular fog light surrounds, while the prism-like appearance of the available **unique cube design LED headlights** reveals more depending on the angle at which they're viewed.

REAR DETAILS

A Stunning Yet  
Subtle Exit

**REAR DETAILS**

Even as you pull away, onlookers will be transfixed by **Digital Piano Key Taillights** that offer depth and geometric dimension, with an arrangement like the series of keys on a piano. They'll also notice the sheen of **gloss black accents**, as on the scene-stealing **rear spoiler**.

A sleek, minimalist rear liftgate is satisfying to look at and to open. Simply press the **integrated liftgate button**, which is elegantly hidden within the INFINITI emblem.

Interior

DRIVER-CENTRIC,  
PASSENGER-MINDED

Humanity,  
Welcomed

**DRIVER-CENTRIC, PASSENGER-MINDED**

QX55 invites all who journey to revel in its unrelenting aestheticism. Just look at the **wide stage dash**: the seam between the dashboard and the door purposely varies to appear to the eye as if made from a single, uninterrupted brushstroke. It's not mathematically exact, but it's visually perfect.

Wide stage dash

**DRIVER-CENTRIC, PASSENGER-MINDED**

Visual elegance meets ergonomic support in the **driver-focused armrest**, which creates an asymmetric space that flows between passenger and driver. Consider, too, the decadent, available **semi-aniline leather-appointed seating**, and it's clear these surfaces were curated for an unequivocal journey in comfort and style for all on board.

DESIGN DETAILS

# A Sensory Symphony

## DESIGN DETAILS

The details of the QX55 interior reveal a deeper dimension, like the **Black Natural Maple Wood Open Pore interior trim accents**,<sup>3</sup> which subtly lead the eye toward the center of the cabin. On the seats, door panels and dashboard, **laser-cut contrast stitching** creates unconventional shapes that define the free-flowing interior of the QX55. And the concentric circle dot pattern on the **Bose® Performance Series Audio system**<sup>3</sup> completes a cabin designed to indulge all the senses.

INTERIOR ROOM

Life-Sized Space<sup>1</sup>

## INTERIOR ROOM

Live for the moment. **Sliding second-row seats** glide back to free up almost six inches of legroom for friends or move forward to expand the **26.9 cu. ft. of cargo space**.<sup>1,4</sup> To maximize room, fold one or both seats down virtually flat to expand your capacity up to **54.1 cu. ft.**<sup>1</sup>

WELCOMING CONVENIENCES

# Escape Into the Moment

BACK TO SECTION

**WELCOMING CONVENIENCES**

Indulge your tastes and your sense of comfort. When you go far, **Zero Gravity Seats**,<sup>6</sup> inspired by NASA research, support you, helping you to stay comfortable in the moment and feel fresh on arrival. On the leather-appointed seatbacks and cushions, available **climate-controlled front seats** cool down or warm up to achieve your ideal temperature.

Zero Gravity Seats<sup>6</sup>

## WELCOMING CONVENIENCES

Breathe deeply. Constantly monitoring the incoming air, the available **Advanced Climate Control System** can detect outside fumes and automatically close the vents, recirculating purified air throughout the interior.<sup>7</sup> And with available amenities like the **heated steering wheel** and **enhanced LED interior ambient lighting**, your sporty CUV just might become your secret sanctuary.

STREAMLINED ROUTINES

# Touches of Intuitiveness

**STREAMLINED ROUTINES**

Start traversing distance before you embark. With **Remote Engine Start**, you can start your vehicle from up to 200 feet away.<sup>8</sup> And when you need to create distance between yourself and the outside world, **Active Sound Enhancement** and **Active Noise Cancellation**, aided by the **acoustic front side-window glass**, accentuate the engine sounds you want and reduce the ones you don't.

CONNECTIVITY

# Inherent Connection

## CONNECTIVITY

Being on the move doesn't have to mean leaving your world behind. With **wireless Apple CarPlay® integration**, you can enjoy the iPhone® experience directly on the touch-screen of the QX55 – and do so without plugging in.<sup>10,13</sup> And when it's time to recharge, simply rest your compatible smartphone on the **wireless charging pad** – no cables or cords required.<sup>13</sup> Because staying connected is in the design.

Wireless Apple CarPlay® integration<sup>10</sup>

PROPILOT ASSIST

# Journey in Confidence

BACK TO SECTION

**PROPILOT ASSIST**

Transform your commute. Standard **ProPILOT Assist** with **Steering Assist** and **Intelligent Cruise Control** can automatically react to the flow of highway traffic by braking, coming to a complete stop and accelerating up to speed again. Even around gentle curves, the vehicle can help steer to keep you centered in your lane.<sup>15,16,17</sup>

Drive Assist Technology

AROUND VIEW® MONITOR

Broadened  
Perspective

**AROUND VIEW® MONITOR**

The big city has tight parking. The available **Around View® Monitor with Moving Object Detection** makes it easier to see and maneuver in even the tightest spaces. Four cameras create a virtual composite 360° view from above, elevating your perspective to show you any detected obstacles in motion for added awareness when you need it most.<sup>18,19</sup>

HEADLIGHTS

Clarity of Vision

## HEADLIGHTS

Maintaining a clear view of the road ahead requires the right tools. **High Beam Assist** automatically adjusts the headlights between high and low beams based on the surrounding conditions. It enhances visibility at night by providing optimal lighting without blinding oncoming drivers. And with the available **Adaptive Front Lighting System** turning the headlights in the direction you're steering, QX55 helps your path remain illuminated.

Adaptive Front Lighting System<sup>3</sup>

## ADDITIONAL DRIVE ASSIST FEATURES

## Vigilance in Action

**PREDICTIVE FORWARD COLLISION WARNING**

Can alert you to a potential collision up to two cars ahead<sup>20</sup>

**FORWARD EMERGENCY BRAKING WITH PEDESTRIAN DETECTION**

Helps watch for vehicles and pedestrians in your path, and if detected, can apply the brakes<sup>21</sup>

**LANE DEPARTURE PREVENTION**

Constantly monitors lane markings, helping guide you back if the system detects you unintentionally begin to drift<sup>22</sup>

**BLIND SPOT INTERVENTION®**

Helps alert you of vehicles detected in the blind spot area and actively assists you back toward the center of your lane<sup>23</sup>

**REAR CROSS TRAFFIC ALERT**

Uses sensors when backing up to detect approaching vehicles from either side and alert you<sup>24</sup>

**REAR AUTOMATIC BRAKING**

Can help apply the brakes if large stationary objects are detected behind you<sup>25</sup>

1 Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

2 INFINITI driver assist technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information.

3 Features not equipped on all vehicles.

4 Do not perform slide forward function with the Child Restraint System occupied.

5 Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information.

6 Zero Gravity Seats for outboard passengers only.

7 The Advanced Climate Control System with Plasmacluster® air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.

8 Remote Engine Start to be used only in accordance with laws or rules in effect in your vehicle's location.

9 Information displayed is dependent on how vehicle is equipped. Do not use for extended periods of time. See Owner's Manual for important safety information.

10 Feature availability is dependent on vehicle model, trim level, packaging and options. Trial included with vehicle purchase. **Consumer activation of INFINITI InTouch Services package required.** Compatible connected device and wireless network may be required. Refer to connected device's owner's manual for details. Late availability for some features.

Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. **Cellular network not available in Guam, Puerto Rico, U.S. Virgin Islands, Saipan or American Samoa.**

Some services and features are provided by and dependent on third party service providers and not INFINITI. **Should service providers terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to INFINITI or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within INFINITI or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. INFINITI and its partners or agents are not responsible for associated costs or other third-party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within INFINITI's or its partners' or agents' control.

Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new INFINITI. Trial periods and feature availability may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. INFINITI InTouch® with Wi-Fi terms and conditions of subscriber agreement apply. Trial is included with vehicle purchase on equipped new INFINITI vehicles. Once your vehicle has exceeded the coverage parameters of the roadside assistance benefits included with your vehicle purchase, you will be responsible for any charges incurred by obtaining roadside assistance for your vehicle.
