JOURNEY IN GRAND COMFORT Leather-appointed seating and a heated, leather-wrapped steering wheel give the QX80 an atmosphere of luxury you can touch. Opt for the Sensory Package² and the experience is amplified with soft semi-aniline leather-appointed seating, ventilated front seats that warm and cool, heated second-row seats and your choice of Espresso or Charcoal Burl accent.²

ENTERTAIN MORE OPTIONS You are going places, but surely not alone. Extend to your guests their entertainment of choice with the Theater Package², where dual 8-inch color monitors allow second-row passengers the option to play movies or games.

EXPAND YOUR AWARENESS Enjoy peace of mind with innovative technologies that can help watch for and avoid danger. An INFINITI world's first, Predictive Forward Collision Warning can respond to a potential collision in front of you, along with Forward Emergency Braking with Pedestrian Detection.^{2,3,4} As part of the ProASSIST Package,² INFINITI world's first Blind Spot Intervention^{®2,5} helps you avoid vehicles in your blind spot area. While Lane Departure Warning and Lane Departure Prevention^{2,6} help keep you from unintentionally drifting from your lane.

REFLECT ON YOUR VISION Always forward-thinking, the Smart Rearview Mirror^{2,7} in the ProACTIVE Package² means your view is never blocked by passengers, cargo, or even darkness. The toggle transforms it from a mirror into an LCD screen, displaying the enhanced view from a wide-angle high-resolution camera.

INVITE EVERYONE Generously share the full-size experience with three rows that abound in leg room. Second-row captain's chairs comfort your guests, while the Split Bench Seat Package² can make room for 8 passengers and folding second and third rows allow for a generous 95.1 cubic feet of space.⁸

FROM EXCLUSIVE TO INCLUSIVE: QX80 LIMITED 4WD

Say the word 'LIMITED' and images of exclusive exterior and interior treatments come to mind. That, however, is just the beginning. Upscale elements like specially designed dark machine-finished 22-inch forged aluminum-alloy wheels, stainless steel running boards, INFINITI Welcome Lighting, and a satin chrome exterior further accentuate the appearance. Inside, you would picture a space devoted to modern luxury – a unique two-tone Stone and Graphite seat design with quilted semi-aniline leather-appointed and Alcantara® accents on the first two rows, and Matte Silver Open Pore Ash Wood trim plus a smooth leather-wrapped steering wheel. While craftsmanship and premium materials on the QX80 LIMITED 4WD go beyond, what truly defines it is the belief that luxury is better when shared. Which makes this exclusive vehicle one of the most inclusive full-size SUVs on the road today.
