

THE NEW
2019 JEEP® CHEROKEE

GIVE YOUR CURIOSITY FREE REIN

FRESH STYLE, ENHANCED POWER AND NEW TECHNOLOGY

This new Cherokee delivers on the promise for what lies ahead. A future filled with discovery and exploration that connects this vehicle to the world.

- All-New 2.0L Turbo I-4 Engine with Engine Stop/Start Technology, Available
- New LED Headlamps, Daytime Running Lamps, Fog Lamps and Taillamps
- New Capless Fuel-Fill System
- World-Class Craftsmanship with Premium Interior Leather Trim, Finishes and Soft-Touch Materials, Available
- New Apple CarPlay™¹ compatibility and Android Auto™² on Uconnect® Radio with 7-inch Display, Standard; Uconnect 4C NAV with 8.4-inch Touchscreen Display, Available
- New Off-Road Pages and Graphics, Available on Trailhawk®
- Tire Fill Notification with Audible Alert
- New Hands-Free Power Liftgate, Available

JEEP® BRAND CAPABILITY OPENS POSSIBILITIES

Every Cherokee 4x4 is equipped with the Selec-Terrain® Traction Management System, including the exclusive Rock Mode on Trailhawk®. Match your capability to your adventurous nature and the road conditions you meet along the way.

Premium performance is yours, with the available 2.0L Turbo I-4 engine. At 270 hp and 295 lb-ft of torque, it has the power of much larger engines, yet delivers incredible efficiencies.

Cherokee Trailhawk arrives with Trail Rated® Jeep® Active Drive Lock 4WD, with the improved traction capability to dig in deep, thanks to its electronic rear axle lock.

ALL-NEW AVAILABLE 2.0L TURBO I-4 ENGINE

Delivers the performance of
a V6 and the fuel efficiency of a 4-cylinder

THE NEW 2019 CHEROKEE TRAILHAWK® SHOWN IN HYDRO BLUE PEARL

EVOLUTION OF STYLE

Designed to inspire the everyday
adventure, and raise it to beautiful,
new heights.

THE NEW 2019 CHEROKEE OVERLAND® IN VELVET RED PEARL

A new, refreshed style enhances the powerful stance of the 2019 Cherokee.

The 2019 Cherokee features a new front end and LED headlamps that shine bright and far, for safe driving day and night.

The new liftgate is crafted from strong, lightweight materials for improved efficiency.

MORE CARGO ROOM: LOADS MORE FUN

Properly secure all cargo

Properly secure all cargo

Expanded! A smart, configurable interior opens to offer more “bring-along room” than ever before.

The available Keyless Enter 'n Go™ means no more fumbling for keys to get going.

Properly secure all cargo

New! When your hands are full, easily open the rear liftgate with a swipe of your foot. A convenient available feature.

New! The convenient capless fuel-filler door helps keep your hands clean.

The refreshed cockpit is enhanced with premium materials, even on entry-level models, delivering a sophisticated driving experience.

THE STANDARD OF TECHNOLOGY IS RAISED

New! Next-generation Uconnect® technology puts an available full-color, high-definition touchscreen at your command, including 4G Wi-Fi³, Android Auto™² and Apple CarPlay™¹ compatibility.

Here's the opportunity to do even more with the available advanced technology offered in the new Cherokee. Uncover new destinations with navigation, avoid traffic snarls, and get the most from new safety features.

The new available full-color 7-inch Driver Information Display is a convenient feature that provides real-time vehicle stats along with safety and performance data.

Properly secure all cargo.
The larger premium console includes convenient storage cubbies and cup holders.

80+ AVAILABLE SAFETY AND SECURITY FEATURES

Enhancements to the front end help provide front passengers with reassuring security in the event of an impact.

Forward Collision Warning - Plus with Active Braking⁵ detects fast approaches to objects and vehicles, and provides alerts and brake assistance if the driver does not react in time. Available.

Parallel and Perpendicular Park Assist⁴ actively guides steering to help you ease into parking spots. Available.

Advanced technology aids safe travel, including available 4G Wi-Fi³.

SURROUNDED BY SENTRIES ALWAYS ON GUARD

ADAPTIVE CRUISE CONTROL
WITH STOP AND GO⁵

BLIND SPOT MONITORING⁷

REAR CROSS-PATH DETECTION⁴

(1) Apple CarPlay uses your smartphone's data plan. Additional charges may apply. To use Apple CarPlay, you must be in an area with cellular coverage. (2) Android Auto uses your smartphone's data plan. Additional charges may apply. To use Android Auto, you must be in an area with cellular coverage. Requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 Lollipop or higher. (3) Wi-Fi subscription required. Vehicle must be properly equipped and in active and usable cellular range for Wi-Fi usage. Wi-Fi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of Wi-Fi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using Wi-Fi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. (4) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (5) This system is not intended to avoid collisions on its own, nor can FCW detect every type of potential crash. The driver must remain aware of traffic conditions and be prepared to brake and steer to avoid potential collisions at all times. (6) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (7) Always check visually for vehicles prior to changing lanes. (8) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (9) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.
