

The Jensen-Healey, a product of a new era in technology, is designed for performance, comfort and safety. Power from the cast aluminium 4 cylinder 2 litre twin D.H.C. engine with 4 valves per cylinder offers performance normally associated with cars of a much higher capacity. Precise sensitive rack and pinion steering and dual circuit

disc/drum brakes inspire confidence in handling and stability under all conditions. Thoughtfully sited location of a full range of instruments and controls in the padded fascia permits effortless operation from the relaxing comfort of the body contoured fully reclining seats. The counterbalanced hood and 4 kw fan assisted heating and ventilation

system provides "Saloon Car" conditions in winter weather. A collapsible steering column, energy absorbing bumpers, laminated windscreen and lap and diagonal safety belts are but a few of the many safety features which make the Jensen-Healey a car you can drive with confidence and own with real pride.

JENSEN-HEALEY

Specification

Engine:

4 cylinders, in line, start 45° O.H.V., twin overheads
120.5 cu. in. (1973 cc.) Bore 3.75 in. (95.2 mm) Stroke
2.73 in. (69.3 mm) Compression ratio 8.4:1. Fuel capacity
11 gallons (Imp gal) (50 litres).

Transmission:

4 speed manual gearbox. Ratios: 1st 11.63:1, 2nd 7.42:1,
3rd 4.87:1, 4th 3.73:1, reverse 12.37:1. Hypoid rear axle
ratio 3.73:1.

Steering:

Rack and pinion. Ratio 16.2:1. Turning circle 32 ft.
(9752 mm) 0.16 turns lock to lock.

Brakes:

Hydraulic dual line servo assisted. Front discs: diameter
10 in. (254 mm) swept area 194 sq. in. (1250 cm²) rear
discs: diameter 8 in. (229 mm) swept area 99 sq. in.
(640 cm²).

Suspension:

Front: Independent double wishbones, coil springs.
Rear: Live axle, four links, coil springs. Telescopic dampers
front and rear.

Wheels and Tyres:

13 in. (330 mm) cast aluminium wheels, 185-70 SR 13 tyres.
Tyres wheel below front floor.

Heating and Ventilation:

Integral heater/boiler air unit. Blower/fan level vents.
4 kw 2 speed heater/blower. Ram air to footwells.

Instruments:

Speedometer, tachometer, voltmeter; oil pressure, water
temperature and fuel gauges.

Dimensions:

Length, 13 ft. 0 in. (3963 mm). Width, 5 ft. 0 in.
(1524 mm). Weight, 3 ft. 1 1/2 in. (1210 mm). Wheelbase
7 ft. 8 in. (2337 mm). Ground Clearance, 5 in. (127 mm).
Gross Weight, 2850 lbs. (1200 kg).
