## A premium sedan with a powerful presence

The 2016 Kia Cadenza is a premium sedan that commands attention, artfully combining sophisticated exterior styling, a luxurious interior, and exhilarating performance. Its many technologically advanced available features include Advanced Smart Cruise Control,<sup>1\*</sup> Blind-Spot Detection with Lane-Change Assist,<sup>1\*</sup> and Lane Departure Warning System.<sup>1\*</sup> A 293-hp, 3.3L Gasoline Direct Injection (GDI) V6 engine delivers exceptional performance, while its finely tuned suspension system provides a smooth, quiet ride and precise handling. In addition, the 2015 Cadenza was honored with the prestigious AutoPacific<sup>®</sup> "Best in Class Vehicle Satisfaction — Large Car"<sup>2</sup> award, a measurement of owner satisfaction with everything from performance to interior comfort and convenience. Like all Kia models, Cadenza comes with an industry-leading, 10-year/100,000-mile warranty program<sup>3</sup> — a reflection of its outstanding quality and reliability.

"Best in Class Vehicle Satisfaction - Large Car"<sup>2</sup>  
FOR THE 2015 CADENZA

## A spacious and luxurious private retreat

With luxurious appointments and a roomy cabin, Cadenza is designed to satisfy the most demanding driver. Spacious seating invites everyone to relax and travel in first-class accommodations. The heated, 10-way, power-adjustable driver's seat and 8-way, power-adjustable front passenger seat are designed to provide an ideal balance of comfort and support. Leather seat trim, wood-grain-style trim, and available chrome accents\* throughout the interior further add to Cadenza's sophistication and refinement.

\* See Features page for availability. Not all optional features are available on all trims. LIMITED SHOWN.

- 1. PANORAMIC SUNROOF\*** Brighten any drive with the available panoramic sunroof. It includes a power-retractable sunshade for enhanced convenience.
- 2. POWER REAR-WINDOW SUNSHADE\*** Rear-seat passengers can enjoy a cool and comfortable ride with an available power rear-window sunshade.
- 3. MEMORY SETTINGS\*** An available memory system remembers two drivers' seating preferences, recalling stored positions for the driver's seat, outside mirrors, and power-adjustable steering column.
- 4. POWER SEAT-CUSHION EXTENSION\*** An available power-adjustable driver's seat-cushion extension is a welcome luxury, providing extra support and allowing drivers to select their own custom comfort settings.

## Designed for optimum comfort

Cadenza's elegant interior is appointed with luxurious features that take comfort to the next level. For distinctive styling and a soft, inviting feel, premium Nappa leather seat trim\* is available. Other available refinements include ventilated front seats,\* a power-adjustable driver's seat-cushion extension,\* and a power rear-window sunshade.\*

- 5. VENTILATED FRONT SEATS\*** Enjoy optimal comfort in warm weather with available ventilated front seats that circulate air through perforations in the seat leather.
- 6. HEATED SEATS\*** Heated front seats and available heated rear outboard seat cushions help ensure comfortable driving in cold weather.
- 7. DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL** To create personalized comfort zones, the available dual-zone automatic temperature control allows the driver and front passenger to adjust individual temperature settings. Rear-seat passengers can adjust a separate ventilation outlet.
- 8. HEATED STEERING WHEEL\*** Driving during colder months is more pleasant with the available heated steering wheel. The steering wheel has leather and wood-grain-style trim for additional refinement.

\* See Features page for availability. Not all optional features are available on all trims. Simulated images shown for illustration only. PREMIUM WITH TECHNOLOGY PACKAGE SHOWN.

## Confidence-inspiring technology

A long list of innovative systems allow Cadenza drivers to enjoy every moment behind the wheel. Its technologically advanced features are designed to make everyday driving remarkably convenient, help you confidently take command of the road, and provide a variety of premium entertainment options.

### 1. VOICE-COMMAND NAVIGATION\*

A voice-command navigation system features a vivid 8-inch color screen and delivers quick access to vehicle and road information, including continuously updated highway conditions from SiriusXM Traffic.<sup>5</sup>

### 2. INFINITY® AUDIO SYSTEM

The premium Infinity® audio system includes 12 speakers, an external amplifier, and a subwoofer. It provides you with exceptional audio entertainment, filling the cabin with crisp, balanced sound.

### 3. PUSH-BUTTON START

For everyday driving convenience, the Smart Key remote lets you start or stop the engine with the push of a button, even when you have the key fob in your pocket or purse.

### 4. POWER-FOLDING OUTSIDE MIRRORS\*

To make parking in tight spots easier, available power-folding outside mirrors with integrated LED turn-signal indicators are easily folded in or out by using a door-mounted control or the key fob.

### 5. SUPERVISION METER CLUSTER\*

The available Supervision meter cluster's 7-inch, high-definition, LCD display has sharp, high-contrast graphics and outstanding readability, thanks to Thin-Film Transistor (TFT) coating.

### 6. ELECTRONIC PARKING BRAKE\*

The available Electronic Parking Brake with Auto Hold functions like a conventional parking brake. Plus, when activated, Auto Hold prevents your Cadenza from rolling when stopped in slow traffic or on an incline.

### 7. HYDROPHOBIC GLASS\*

To help improve visibility in rainy weather, the front side windows, with available hydrophobic glass, repel water quickly and efficiently. Plus, the hydrophobic glass is easy to clean and resists streaking.

### 8. SIRIUSXM® SATELLITE RADIO<sup>5</sup>

Enjoy 150 channels of commercial-free music, plus sports and news during your 3-month SiriusXM All Access trial subscription, which also includes 160+ channels on your computer, smartphone, and tablet.

## Highly intelligent features

Cadenza is equipped with impressive systems that help monitor your driving environment. Innovative available features include Advanced Smart Cruise Control,<sup>1\*</sup> Rear Cross-Traffic Alert,<sup>1\*</sup> and Blind-Spot Detection with Lane-Change Assist,<sup>1\*</sup> which utilizes a radar system to help detect vehicles in the driver's blind spot and recognize those approaching from behind.

### 9. BLIND-SPOT DETECTION WITH LANE-CHANGE ASSIST!\*

An available radar system helps detect vehicles in the driver's blind spot and then provides alerts. Lane-Change Assist helps detect vehicles approaching from behind.

### 10. REAR CROSS-TRAFFIC ALERT!\*

Available Rear Cross-Traffic Alert warns the driver of cross-traffic while the vehicle is in reverse by activating audible and visual alerts to help reduce the likelihood of a collision.

### 11. LANE DEPARTURE WARNING SYSTEM!\*

Available Lane Departure Warning System is designed to detect the vehicle moving out of its lane without the turn signal being used. Then a combination of audible and visual warnings alerts the driver.

### 12. ADVANCED SMART CRUISE CONTROL!\*

Available Advanced Smart Cruise Control uses radar to maintain a predetermined distance from the vehicle directly ahead, automatically slowing or accelerating your Cadenza when appropriate.

### 13. DYNAMIC BENDING LIGHT\*

Cadenza's advanced technology includes available Dynamic Bending Light. It pivots the headlights to follow the curves of the road for enhanced visibility and features High-Intensity Discharge (HID) headlights that provide brilliant illumination.

### 14. SURROUND-VIEW MONITOR!\*

On the Limited model, Surround-View Monitor utilizes four cameras located at the front, rear, and sides to provide a view around the vehicle. This helps enhance driver visibility when maneuvering into parking spaces.

### 15. REAR PARK ASSIST SYSTEM!\*

An available sonar system is concealed in the rear bumper. When you're parking, it gives an audible warning if it detects certain objects close to your vehicle.

### 16. REAR-CAMERA DISPLAY!\*

To help you see things behind your vehicle that you might not see by looking over your shoulder, Cadenza features an available Rear-Camera Display with a large and bright screen.

# It's nice to be well connected

## ADVANCED VOICE RECOGNITION

UVO eServices<sup>4</sup> advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free<sup>4</sup> use of your phone — with simple, intuitive verbal commands.

## MY POINTS OF INTEREST

UVO eServices<sup>4</sup> allows you to use a web-enabled computer to send locations that you find on Google Maps<sup>SM</sup> mapping service to the navigation system for route guidance.

## PARKING MINDER<sup>9</sup>

Parking Minder can record a vehicle's location whenever it's parked. Then a compatible smartphone<sup>7</sup> can be used to help find the car. It also lets you take pictures of the surrounding area for reference, write a reminder note, or set an alarm if you're parked at a meter.

## 911 CONNECT<sup>8</sup>

In the event that an airbag is deployed, 911 Connect automatically initiates a call to emergency services. In some circumstances, UVO eServices<sup>4</sup> can also transmit your vehicle's location to the emergency services operator.

## ENHANCED ROADSIDE ASSIST<sup>9</sup>

You can call for roadside assistance by touching an icon on the smartphone<sup>7</sup> app<sup>4</sup> screen. UVO eServices<sup>4</sup> then sends your location to the Call Center and connects you to an operator.

## VEHICLE DIAGNOSTICS<sup>10</sup>

Vehicle Diagnostics lets you perform a diagnostics check at any time or schedule one to occur on a monthly basis. Critical Diagnostics automatically alerts you to schedule an appointment or request roadside assistance if the system detects a critical powertrain issue.

**UVO** — short for "your voice." Cadenza is equipped with the innovative UVO eServices<sup>4</sup> Infotainment System with voice-command navigation. It provides you with an easy, hands-free<sup>4</sup> way to connect to your vehicle by seamlessly integrating your compatible smartphone<sup>7</sup> with your Cadenza. UVO eServices<sup>4</sup> also lets you

stream music and gives you a digital library to store your favorite songs. Its many advanced capabilities include the ability to connect with 911 Connect<sup>8</sup> or Enhanced Roadside Assist<sup>9</sup> and monitor maintenance requirements with Vehicle Diagnostics.<sup>10</sup> Additionally, there are no subscription fees<sup>4</sup> to enjoy all these benefits.

## UVO eSERVICES APP<sup>4</sup>

An available free app allows you to integrate your compatible smartphone<sup>7</sup> with your vehicle — and make the most of UVO eServices.<sup>4</sup> This app can be downloaded at the Apple App Store<sup>SM</sup> and Google Play<sup>TM</sup> Store.<sup>11</sup>

## MY CAR ZONE

My Car Zone provides Curfew, Speed, and Geo Fence alerts based on your targeted presets. You may also use the touch screen to check driving habits — including the history of preset violations for curfew time, speed limit, or geographical radius parameters.

## eSERVICES<sup>4</sup> GUIDE

To learn more about UVO eServices<sup>4</sup> features, you may access an automated user manual by using the touch screen on the vehicle.

## VOICE-COMMAND NAVIGATION

The voice-command navigation system has a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic.<sup>5</sup>

## MYUVO.COM WEB/MOBILE

MyUVO.com lets you check Vehicle Diagnostics<sup>10</sup> and schedule appointments with your preferred or nearby Kia retailer using your home computer or mobile device.

## Responsive and exciting performance

Cadenza delivers exhilarating performance and precise handling. A 3.3L Gasoline Direct Injection (GDI) V6 engine generates 293 horsepower for dynamic acceleration. Its 6-speed, Sportmatic® transmission allows you to choose between automatic mode or, for sportier driving, clutch-free manual shifting with available steering-wheel-mounted<sup>4</sup> paddle shifters.\* To ensure a remarkably smooth and quiet ride, Cadenza features a finely tuned suspension system, along with sound-absorbing insulation that reduces and absorbs road noise.

## Advanced safety systems to help handle unexpected conditions

Cadenza features advanced standard safety systems designed to help give you peace of mind every time you drive. Each one is engineered to help you maintain control, even in harsh road conditions and in some emergency situations.\* These safety systems are designed to function automatically, leaving you free to focus on safe driving.

**VEHICLE STABILITY MANAGEMENT (VSM)**

For additional steering-direction-control capability, VSM intervenes in appropriate situations to help the driver regain control of the vehicle.

**ELECTRONIC STABILITY CONTROL (ESC)**

ESC provides improved directional stability, which helps you maintain better control in difficult driving situations. During emergency maneuvers, it can control the engine and brakes to help keep your Cadenza on course.

**TRACTION CONTROL SYSTEM (TCS)**

When TCS senses wheelspin during vehicle acceleration, it uses a combination of both engine power and brake force to help transfer power to the wheels that have the most traction.

**ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)**

To help maintain more consistent braking as vehicle loads and weight distribution change, EBD automatically adjusts the front-to-rear balance of brake pressure.

**BRAKE ASSIST SYSTEM (BAS)**

If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

**HILL-START ASSIST CONTROL (HAC)**

To help keep you from rolling backward when starting off on a steep hill, the HAC system automatically holds brake pressure for two seconds after you take your foot off the brake pedal.

\*No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. PREMIUM WITH TECHNOLOGY PACKAGE SHOWN.

## Designed to help protect driver and passengers

Cadenza is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front and rear seat-mounted side, and full-length side curtain airbags. Cadenza wraps all of this — and you — in a protective, high-strength, tensile steel-reinforced body that absorbs impact energy to help protect you in case of a collision.<sup>14</sup>

### **EIGHT ADVANCED AIRBAGS**

Dual front airbags, full-length side curtain airbags, and front and rear seat-mounted side airbags are managed by an advanced sensor system that can even respond in certain rollover situations.

### **AIRBAG & SEAT-BELT SENSORS**

This advanced system monitors the severity of certain impacts, the presence of a front passenger, and seat-belt use and then controls airbag inflation accordingly.<sup>14</sup>

### **FRONT SEAT-BELT PRETENSIONERS**

Pretensioners have been designed to tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

### **HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS**

The front height-adjustable seat-belt anchors allow the driver and front-passenger seat belts to be raised and lowered for a proper fit.

### **SIDE-IMPACT DOOR BEAMS**

All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The A and B pillars are also reinforced to help strengthen the body of the vehicle.

### **FRONT & REAR CRUMPLE ZONES**

Front and rear crumple zones are specially engineered to help absorb and dissipate impact energy, helping to preserve the structural integrity of the passenger compartment in certain collisions.

**TAKING ON THE COMPETITION**

The Kia Racing team is dedicated to competing against world-class rivals — and winning. Motorsport is a proven test bed for reliability, durability, and performance, and the knowledge gained on the race track helps Kia manufacture award-winning vehicles that perform beyond your expectations. In only six years of racing, Kia has won a total of seven championships across three models: Rio 5-Door, Forte Koup, and Optima, and continues to be a fierce competitor on the track.

**INDUSTRY-LEADING WARRANTY PROGRAM<sup>3</sup>**

Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance

**COMPELLING DESIGN**

Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia as bold as it is distinctive. Today, the lineup consists of vehicles that fill owners, as well as Kia's designers, with pride.

# Delivering on a promise

Kia is committed to producing world-class vehicles to suit almost every driving need. This commitment has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems. Kia's dedication to quality and value has been widely recognized — one reason why Kia was named as a top 100 brand in Interbrand's 2015 Best Global Brands report.<sup>15</sup>

KIA GT4 STINGER CONCEPT VEHICLE SHOWN (not available for sale).

**COMMITMENT TO AMERICA**

Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant has produced more than 1.5 million vehicles since 2009. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant.<sup>1</sup> Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 15,000 jobs in West Point and the surrounding areas. It's all part of Kia Motors' commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

**B.R.A.K.E.S. PRO-ACTIVE DRIVING SCHOOL FOR TEENS**

Kia understands that teaching teenagers safe driving skills can save lives. To accomplish this goal, Kia has formed a partnership with the B.R.A.K.E.S. (Be Responsible And Keep Everyone Safe) Pro-Active Driving School for Teens ([www.PutOnTheBrakes.org](http://www.PutOnTheBrakes.org)), with support including a fleet of 32 vehicles. B.R.A.K.E.S. provides teenagers ages 15-19 nationwide with no-cost, hands-on defensive training on a closed course in a controlled environment to respond to real-world driving scenarios.

# PACKAGES

## LUXURY PACKAGE (REQUIRES PREMIUM MODEL)

1. Blind-Spot Detection w/Lane-Change Assist<sup>1</sup>
2. Rear Cross-Traffic Alert<sup>1</sup>
3. HID headlights w/ Dynamic Bending Light
4. Ventilated front seats
5. Heated rear outboard seat cushions
6. Nappa leather seat trim (beige or black)
7. Integrated memory system for driver's seat, power tilt & telescopic steering column, outside mirrors
8. Power-adjustable driver's seat-cushion extension
9. Heated steering wheel
10. Power rear-window sunshade
11. Supervision meter cluster w/7" Thin-Film Transistor (TFT) LCD
12. Windshield wiper de-icer (not shown)
13. First aid kit (not shown)

## TECHNOLOGY PACKAGE (REQUIRES LUXURY PACKAGE)

1. Lane Departure Warning System<sup>1</sup>
2. Advanced Smart Cruise Control<sup>1</sup>
3. 19" alloy wheels
4. Hydrophobic glass (front side windows)
5. Electronic parking brake
