WE ARE KIA

## TIME FOR YOU TO GET TO AMAZING.

Kia SUVs are built for people like you. The ones who work smarter, try harder, and relentlessly chase their dreams. It's why we're constantly driven to innovate. Sweat every detail. And never settle for less.

### WE BELIEVE YOU DESERVE THE HIGHEST QUALITY.

When you're out there going for it, we believe nothing should slow you down. This collection of tough and ready SUVs is meticulously crafted for all who share our unwavering spirit. Those brave few who are ready to step up. Stand out. And say yes to life's journey, wherever it leads.

**#1 LONG-TERM DEPENDABILITY

DO IT ALL.

## A POWERFUL PERFORMANCE THAT STAYS WITH YOU.

### STRONG GROUND GAME.

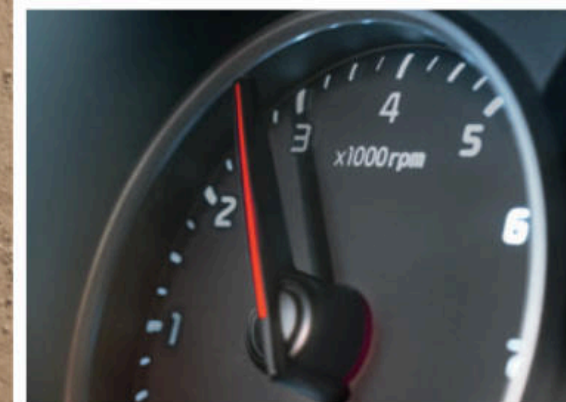

If you want the confidence to tackle even the most challenging terrain — look no further. The Kia SUV lineup has torque-vectoring all-wheel drive systems<sup>3</sup> available on many models, including: Telluride, Seltos, and Sorento.

### DRIVING SUCCESS.

In a Kia SUV, you'll have the confidence to take on all of your travels. The turbocharged engine options available on a wide range of Kia SUVs give you the horsepower and torque to command the road — no matter where it leads.

### WHAT ARE YOU TRYING TO PULL?

Bringing the big toys is no sweat in a Kia. Telluride is rated for up to 5,000 lbs. of pure towing power.<sup>4</sup> In the Carnival MPV and Sorento, you can pull up to 3,500 lbs.<sup>4</sup> And you'll get maximum towing capacities of 2,000 lbs. in Sportage and Sorento Hybrid.<sup>4</sup>

# STYLED TO STEAL THE SCENERY.

## COMMANDING PRESENCE.

In Telluride — Kia's largest SUV — you won't go unnoticed. The look combines the angles of a true off-roader with the refined curves of modern design. Add in details like the expansive grille, chrome trim accents, and available black alloy wheels, and Telluride is impossible to ignore.

## OFF ROAD, ON POINT.

Got some challenging road conditions ahead? Perfect. Telluride's active all-wheel drive system continually adjusts power distribution to the wheels for increased traction.<sup>3</sup> And when things get tricky, you can use available AWD Lock Mode to give you full-time all-wheel drive at the push of a button.<sup>3</sup> Now, you can stare down the toughest trails with confidence.

## POWER WITH POISE.

It comes standard on Telluride. Each model is equipped with a 291-horsepower 3.8L V6 engine, paired with an 8-speed automatic transmission, that allows you to accelerate easily and pass with confidence.

# 2022 TELLURIDE NIGHTFALL EDITION

DARING, DISTINCTIVE AND IRRESISTIBLE.

## IT'S ALL ABOUT THE ATTITUDE.

### **DARK, EVEN IN DAYLIGHT.**

What do you get in the 2022 Telluride Nightfall Edition? Exactly what you desire. Black-finish grille, black roof rails, black skid plates, and black 20" alloy wheels with black center caps. It's all the finer points, all in black.

### **EVERYTHING AND MORE.**

In addition to the exclusive black design cues, Telluride Nightfall Edition still brings all the elements of a true SUV. Powerful capability. Advanced features. Endless versatility. It's what has made Telluride a multi-award winner, and it's why you'll enjoy every adventure.

TAILORED TO  
EXPLORE NEW TERRITORY.

ADVENTURE GOES UPSCALE.

High-end amenities are the calling card of the spacious Telluride SX with Prestige Package. Imagine it. You nestle into the ultra-soft Nappa leather-trimmed seats. Then you fine tune the automatic dual-zone climate control, and heated<sup>5</sup> and ventilated seats. As the Head Up Display appears in perfect view<sup>6</sup> — it dawns on you. You're not imagining anything.

LEAVES YOU TO YOUR OWN DEVICES.

Whether you're headed across town or cross-country, Telluride keeps you connected. Standard Apple CarPlay<sup>®7</sup> and Android Auto<sup>™8</sup> allow you to easily access music, messages, and navigation. When your battery runs low, available wireless smartphone charging<sup>9</sup> and up to six USB charging ports for all three rows will get you back to 100%.

ROOM FOR ROAMING.

Whatever you're bringing on the journey, Telluride can accommodate. The cabin can be configured to seat up to eight or be equipped with available one-touch slide and fold 2nd-row captain's chairs to hold up to seven adults. Either way, you'll get up to 87 cu. ft. of cargo space with a dual-level cargo floor to keep items secure and out of view.<sup>10</sup>

# 2022 SORENTO

MAKES EACH JOURNEY  
MEMORABLE.

## EVERY ADVENTURE IS A NEW STORY.

### START YOUR SAGA.

Every great character has their unique way to travel. Yours is the 2022 Kia Sorento. The standout styling, anchored by bold LED lights and muscular lines, combined with powerful capability make it the perfect companion for filling in the pages of your autobiography.

### IT'S QUITE THE CLIFFHANGER.

Sorento will keep you feeling confident even on the edge of your seat. The available adaptive all-wheel drive continually monitors road conditions and adjusts power to the wheels to enhance traction.<sup>3</sup> Plus, it includes torque-vectoring control which automatically applies braking force to the front and rear inside wheels to give you better stability.

### AWE-INSPIRING TECH.

Would you believe it if we told you the available driver assistance technology on the Sorento could give you a bird's-eye view of your vehicle?<sup>15</sup> How about helping hit the brakes if you're close to backing into something?<sup>15</sup> And there's no way it could show you what's in your blind spot, right?<sup>15</sup> Believe it. Sorento's advanced tech does all this, and a whole lot more.

A SETTING THAT'S FULL OF CHARACTER.

STAY CONNECTED.

You will in Sorento. Through Apple CarPlay<sup>®7</sup> or Android Auto,<sup>™8</sup> you can easily control smartphone features through the available 10.25" touch screen.<sup>11</sup> And when phone batteries are low, available wireless charging,<sup>9</sup> and up to eight USB charging ports located in all rows, will keep you and your passengers powered.

COMFORTABLE SURROUNDINGS.

Even in unfamiliar territory, you'll be at home in Sorento. The available embossed leather seat trim is soft enough to put you at ease. Don't let that fool you. The high-quality stitching is designed to stand up to years of exploring. For year-round travels, Sorento features available amenities like a heated steering wheel<sup>5</sup> and ventilated front seats.

ROOM FOR THE WHOLE CREW.

The best adventures are shared with others. It's why Sorento comes standard with three rows and seating for up to seven adults — or choose six seats with available 2nd-row reclining captain's chairs that slide forward at a touch. And if you've got cargo in hand, the Smart Power Liftgate will automatically open as you approach with Smart Key in your pocket or bag.

## TAKE THE HYBRID HIGH ROAD.

### UNSTOPPABLE EFFICIENCY.

Sorento Turbo Hybrid's powertrain utilizes a combination of an electric motor and turbocharged gas engine to help extend time between fill-ups. We're talking an estimated total range of 655 miles.<sup>21</sup> That means you're getting an EPA-estimated 37 mpg combined.<sup>21</sup> It's the only 3-row SUV on the market that can give you that many miles per gallon.<sup>22</sup>

### YOU HAVE THE POWER.

There's a misconception that hybrids don't deliver great performance. Sorento is here to dispel that rumor. The turbocharged hybrid powertrain kicks out 227 horsepower and 258 lb.-ft. of torque, so you'll have all the punch you need out there.

### HELP ALONG THE WAY.

In Sorento, you'll know you've got some of the most advanced systems helping you reach your destination confidently. The suite of standard driver assistance features includes technology that can help you avoid forward collisions, keep you centered in your lane, and detect oncoming vehicles while turning through an intersection.<sup>15</sup>

# 2021 SPORTAGE

AN SUV TRULY BORN  
TO EXPLORE.

## OUTFITTED FOR THE ROAD LESS TRAVELED.

### TRAIL-TUNED PERFORMANCE.

Most days, you won't have to crawl over rocks, take on steep inclines, power through sand, or plow through snow. But it's nice to know you can. And when the day does arrive, you'll have the confidence that comes with available capability features like torque-vectoring all-wheel drive,<sup>3</sup> multiple drive modes, and a 237-horsepower turbocharged engine.

### LOOKS TO MATCH.

One glance at Sportage, and you know it's an SUV that can do it all. The aggressive hood lines, sweeping LED headlights, and eye-catching chrome accents radiate across the aerodynamic and rugged profile. The rear features full-width tail lights, and the design is completed by the unique wheels found on each trim.

### A BEAUTY IN NIGHTFALL.

Blacked-out badging. Blacked-out grille. Blacked-out trim. It can only mean one thing: The 2021 Sportage Nightfall Edition. You can add this daring sense of style to the outstanding capability and tech available on the S trim level.

FEATURE-PACKED  
AND READY TO GO.

OPEN-AIR FEEL.

Inside Sportage, the available panoramic sunroof and sizable windows give you expansive views and wonderful airflow. Want to have individual controls for you and your front passenger? Sportage has available dual-zone automatic temperature control and available ventilated front seats to keep you both in your comfort zone.

DRIVER-CENTRIC DESIGN.

Sportage was crafted to accommodate your every need. The angled console makes interacting with the 8" touch screen<sup>11</sup> and control panel simple. You'll also appreciate the confidence that comes with Sportage's standard driver assistance technology like Forward Collision-Avoidance Assist with Pedestrian Detection, Lane Keeping Assist, and Driver Attention Warning.<sup>15</sup>

FULLY INTEGRATED.

Sportage and your smartphone will work in perfect harmony. If equipped with UVO link,<sup>26</sup> you can use the app to remotely set your vehicle's cabin temperature,<sup>12</sup> set custom points of interest, and get directions back to your Sportage. You can even control Sportage features through your Amazon Alexa<sup>27</sup> or Google Assistant.<sup>28</sup> Staying connected to your SUV has never been easier.

# 2022 SOUL

## THE ICON THAT DEFIES ALL LABELS.

### A SOUL MADE FOR YOU.

Whatever you're after, Soul delivers. Choose from a wide range of models, including the off-road-inspired Soul X-Line and the 201-horsepower Soul Turbo, for one that's sure to fit your exact taste. And no matter which one you choose, you know you're getting the signature Soul style that sets it apart from all others.

### HEIGHT THAT'S JUST RIGHT.

Higher than a sedan, lower than an SUV — Soul sits in that perfect place to make getting in and out easy for all. Plus, you'll be able to comfortably shift cargo in and out at hip level. When driving, you'll enjoy sitting up high, while keeping a reassuring low center of gravity.

### ADVANCED MADE EASY.

When technology features are hard to use, they become more of a distraction than help. We get it. That's why Soul's suite of available driver assistance technology, including Forward Collision-Avoidance Assist with Pedestrian Detection and Smart Cruise Control, is designed to easily operate in the background and only come to life when you need it.<sup>15</sup>

2022 SOUL

GRATIFYING TO EVERY SENSE.

TASTEFUL DETAILS.

It's the little things that separate good from great. Available comfort features like the heated steering wheel<sup>5</sup> and front seats,<sup>5</sup> as well as dual-zone automatic climate control, ensure you feel right at home. Add in the available sunroof and wireless smartphone charging,<sup>9</sup> and you'll find it hard to leave.

COMMAND AT YOUR FINGERTIPS.

From Soul's available 10.25" touch screen,<sup>11</sup> you're in control of everything. This wide and vibrant information center is capable of displaying multiple features at the same time so you can quickly select your song, set your destination, and see the local weather without navigating a maze of buttons and menus.

RESOUNDING SOUND.

The 2022 Soul was made for music lovers. The available Harman Kardon<sup>®18</sup> Audio System — complete with a powerful center speaker, subwoofer, and amplifier — adds rich bass, clear mid-range, and crisp highs to your music. To bring you the full concert experience, Soul's available interior mood lighting pulsates to the beat along with you.

# 2020 NIRO HYBRID & PLUG-IN HYBRID

EFFICIENCY & VERSATILITY  
IN ONE STYLISH PACKAGE.

## ALWAYS GOING THE EXTRA MILE.

### THE NIRO HYBRID.

Using a combination of a gasoline engine and electric motor, the self-charging Niro Hybrid is able to get up to an EPA-estimated 50 mpg combined.<sup>30</sup> That's some serious traveling power.

### THE NIRO PLUG-IN HYBRID.

This model bridges the gap between a hybrid and full electric vehicle. The Niro Plug-In Hybrid still uses a gas and electric powertrain system, but it also has the ability to be charged externally. The result is a crossover that can give you an EPA-estimated all-electric range of up to 26 miles, plus an EPA-estimated 105 MPGe combined.<sup>30</sup>

### A CROSSOVER SENSATION.

No matter which Niro model suits you best, you'll still get the stylish crossover look you're after. Complete with available machined-finish alloy wheels and LED headlights, you'll garner as much attention from the design as you do from passing fuel pump after fuel pump.

2020 NIRO HYBRID TOURING AND NIRO PLUG-IN HYBRID EX PREMIUM.<sup>2</sup>

FURTHER YOUR  
DRIVING EXPERIENCE.

SET THE TONE.

Configure your Niro how you want. Get comfortable in the available 10-way power-adjustable driver’s seat with lumbar support. Switch on the available color-changing mood lighting to illuminate your drive. And use the 10.25” configurable touch screen<sup>11</sup> to select which song rings out through the available Harman Kardon<sup>®18</sup> Premium Surround Sound audio system.

SURPRISINGLY SPACIOUS.

Niro’s crossover design brings practicality to the forefront. Comfortably seat up to five adults with enough room behind the second row for your essentials. The 60/40 split-folding rear seats allow you to quickly configure the cabin to your needs. And with the rear seats folded down, you’ll have access to up to 54.5 cu. ft. of cargo space.

GOT YOUR BACK.

Niro does a whole lot more than save you gas, it can make you feel more confident behind the wheel. The wide range of available driver assistance features can help you avoid collisions, mind your blind spots, safely back out, and stay in your lane.<sup>15</sup> So even if you’re traveling alone, you know you’ve always got the perfect copilot in Niro.

IS ALREADY HERE.

GIVE ELECTRIC THE GREEN LIGHT.

The new wave of automotive technology has arrived, and the 2020 Niro EV is your chance to get in. Worried about range? Don't be. Niro EV delivers an EPA-estimated 239-mile range.<sup>32</sup> The average American drives around 35 miles per day.<sup>33</sup> We'll let you do the math.

TAKE CHARGE OF YOUR DRIVE.

Niro EV gives you multiple ways to power up your battery. Compatible DC Fast Chargers can return Niro EV to 80% charge in a little under an hour.<sup>34</sup> Level 2 (240V) chargers will bring you back to 100% in the same time as a good night's sleep.<sup>34</sup> And, you can plug into a standard wall outlet to re-energize practically anywhere.

WELL-ROUNDED EXPERIENCE.

With Niro EV, you don't have to sacrifice to go electric. Nearly all of Niro's great available features come on an EV model. And that includes functional cargo space. It's everything you want in a compact crossover — electrified.

## FOR THOSE WHO PUSH THE BOUNDARIES.

### A STYLE ALL ITS OWN.

The 2022 Carnival Multipurpose Vehicle delivers SUV design cues, extensive cargo room, and spacious seating for up to eight adults. Available stylings like 19" black wheels, a matte chrome-coated grille, and satin chrome C-pillar and tailgate garnish give it a look unlike anything else. If you're after versatile capability and cutting-edge design, then there's no better choice than a Carnival MPV.

### IT'S GOT WHAT IT TAKES.

When the job's got to get done — turn to the Carnival MPV. Whether you're hauling passengers or cargo, the 3.5L V6 engine is up to the task. It's capable of producing 290 horsepower and 262 lb.-ft. of torque. What does that get you? Enough to tow up to 3,500 lbs.<sup>4</sup> That should be enough for your suitcases, and then some.

### SAFETY FIRST, SECOND, AND THIRD.

There's nothing more important. The Carnival MPV offers a range of advanced features to help you feel secure. Navigating tight spaces? Available Surround View Monitor is there.<sup>15</sup> Changing lanes? Blind-Spot View Monitor is available to lend a hand.<sup>15</sup> Busy streets? Standard Forward Collision-Avoidance Assist can help you brake.<sup>15</sup> If the unforeseen occurs, rest assured. The Carnival MPV has an advanced airbag system that includes side curtain airbags for all three rows.

## 2022 CARNIVAL MPV

# IT'S WHAT'S ON THE INSIDE THAT COUNTS.

### EVERYONE IS TAKEN CARE OF.

Keep your passengers comfortable and entertained. Available leather-trimmed seats give everyone premium feel. The first two rows will enjoy available heated and ventilated seats, while you monitor and control features through 24.6" of available digital displays.<sup>11</sup> And the available Rear-Seat Entertainment System will make everyone in the back happy.

### ALL-ACCESS BACK-ROW PASSES.

The Carnival MPV makes getting in and loading up easier. Smart Doors and the Power Rear Liftgate can automatically open each door as you approach, and can be opened all at once with the touch of a button. The available 2nd-row VIP lounge seats with one-touch relaxation mode give your passengers a first-rate experience.<sup>35</sup>

### THE FINER POINTS.

The Carnival MPV is packed with the details that make all the difference. Available Passenger View and Passenger Talk allow you to see and easily hear the people in the back seats. The standard voice recognition technology allows you to control an array of features without taking your hands off the wheel. And you can mirror your smartphone to the 12.3" touch screen<sup>11</sup> with Apple CarPlay<sup>®7</sup> and Android Auto.<sup>TM8</sup>

## TECH THAT TRANSCENDS TRENDS.

Advanced vehicle tech is not a fad — it's a must-have. That's why we developed the Kia Drive Wise suite of driver assistance features. Think of them as extensions of your senses, helping you better monitor and react to your surroundings.

### BRING FOCUS TO YOUR BLIND SPOT.

We've all been there. That sudden concern when you can't see what's beside you. The Blind-Spot Collision Warning system will help make that feeling a thing of the past.<sup>15</sup> Using radar sensors, you can be alerted when an approaching vehicle is detected, so you'll feel more aware and in control.

*Standard On: Telluride, Sorento Hybrid, Niro Electric, Carnival MPV*

*Available On: Sorento, Seltos, Sportage, Soul, Niro*

### REACTS TO WHAT'S AHEAD.

You never know when something unexpected may cross your path. With Forward Collision-Avoidance Assist, you'll be ready. This feature is designed to help detect a potential collision and automatically apply the brakes in a variety of circumstances.<sup>15</sup>

*Standard On: Telluride, Sorento, Sorento Hybrid, Seltos, Sportage, Soul, Niro Plug-in Hybrid, Niro Electric, Carnival MPV*

*Available On: Soul and Niro*

### STRAIGHT AS AN ARROW.

Ensure you stay in your lane with Lane Keep Assist.<sup>15</sup> This feature can follow lane markings using a front-view camera on the windshield and even help keep your Kia in a good position.

*Standard On: Telluride, Sorento, Sorento Hybrid, Seltos, Sportage, Carnival MPV*

*Available On: Soul and Niro*

### 360-DEGREE AWARENESS.

Looking for the bigger picture? Look no further than the Surround View Monitor.<sup>15</sup> This amazing feature allows you to view your surroundings in 360 degrees.<sup>15</sup> Plus, with the available Rear Cross-Traffic Alert, you won't be surprised by a car suddenly passing behind you as you back out.<sup>15</sup>

*Surround View Monitor Available On: Telluride, Sorento, Carnival MPV*

*Rear Cross-Traffic Alert Standard On: Telluride, Sorento Hybrid, Niro Electric, Carnival MPV*

*Rear Cross-Traffic Alert Available On: Sorento, Seltos, Sportage, Soul, Niro*

# COMMAND IN THE PALM OF YOUR HAND.

Always stay connected to your Kia. With available UVO link<sup>26</sup> through the Kia Access app, you can control convenient features from anywhere. And if the unforeseen occurs, you'll have quick access to roadside and emergency assistance. Because life happens, in a Kia SUV you'll be ready for it.

## REMOTE FEATURES.

Be in control of your vehicle — even when you're away. Toggle the locks, start the engine, and pinpoint your vehicle's location from anywhere you and your Kia have a signal.<sup>12, 26, 36</sup> You can also use available Remote Climate Control to set your vehicle's temperature from your phone.<sup>12, 26</sup>

*Remote Start, Remote Lock & Unlock, and Find My Car Standard On: Telluride, Sorento Hybrid, Niro Plug-in Hybrid, Niro Electric*

*Remote Start, Remote Lock & Unlock, and Find My Car Available On: Sorento, Seltos, Sportage, Soul, Niro Hybrid, Carnival MPV*

*Remote Climate Standard On: Telluride, Sorento Hybrid, Niro Plug-in Hybrid, Niro Electric*

*Remote Climate Available On: Telluride, Sorento, Sorento Hybrid, Sportage, Soul, Niro Hybrid, Carnival MPV*

## VOICE TECHNOLOGY.

Using UVO Voice Assist, you can change your music, make calls, and search points of interest while keeping your hands on the wheel.<sup>11, 26</sup> Smart Speaker Integration allows you to use Amazon Alexa or Google Assistant devices to remotely control certain features.<sup>27, 28</sup>

*UVO Voice Assist Standard On: Telluride, Sorento Hybrid, Niro Plug-in Hybrid, Niro Electric*

*UVO Voice Assist Available On: Sorento, Seltos, Sportage, Soul, Niro Hybrid, Carnival MPV*

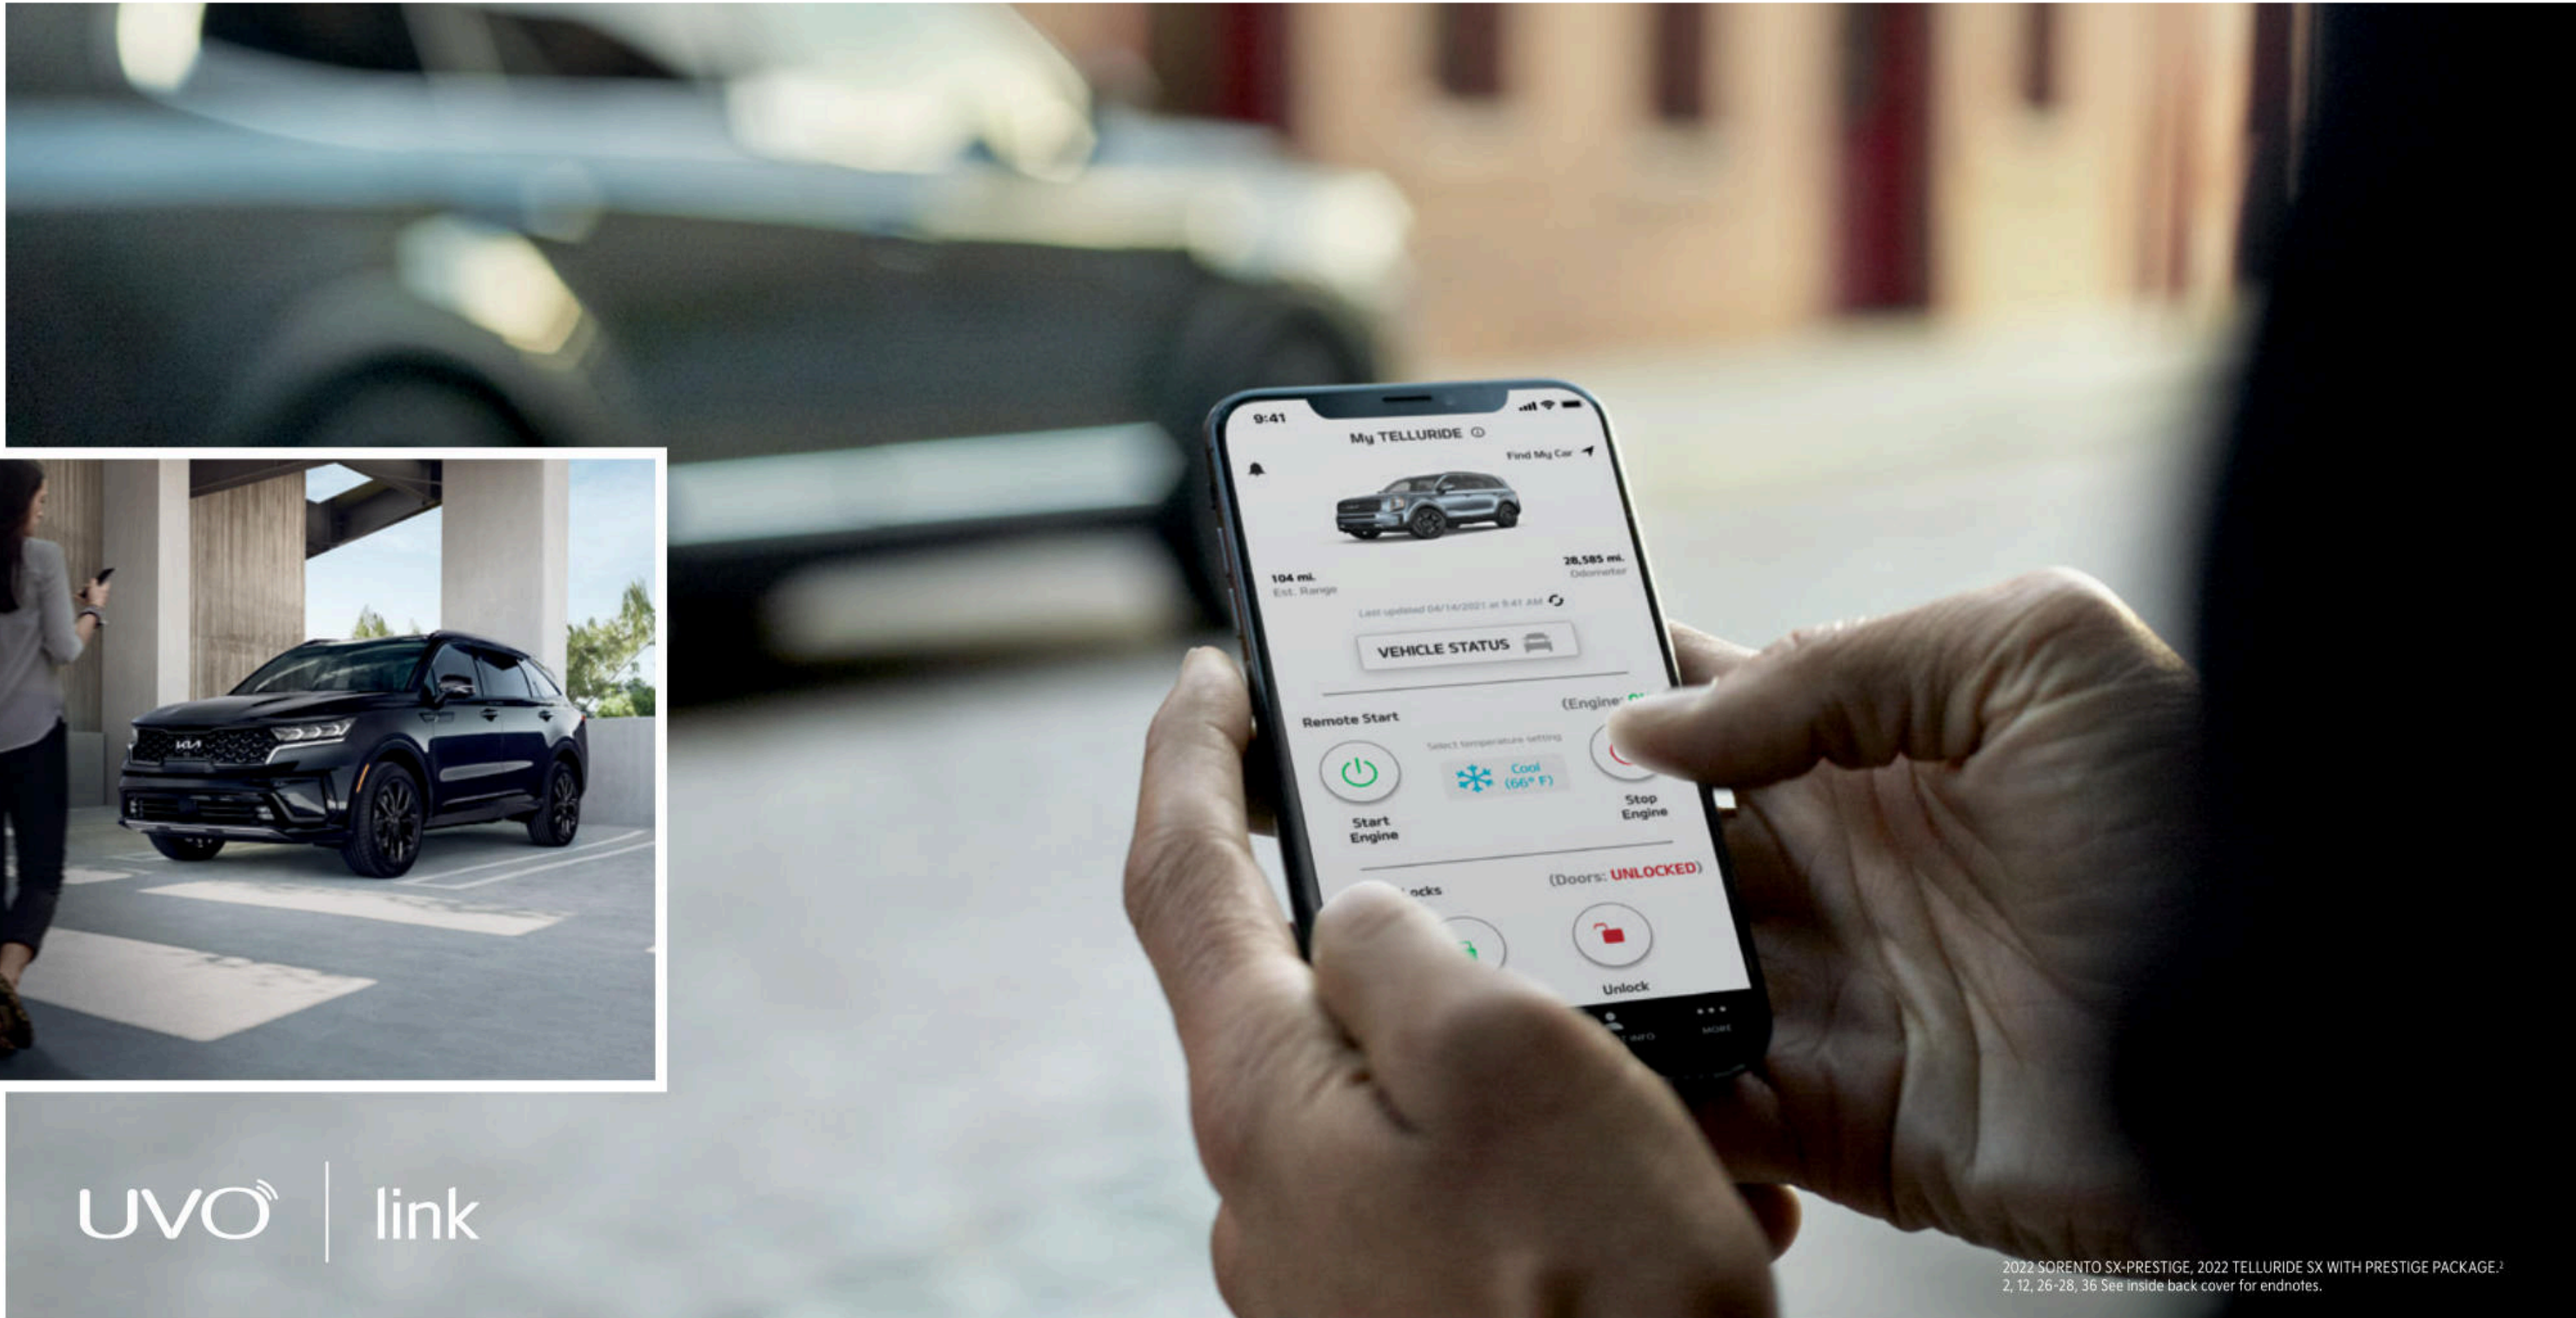

*Smart Speaker Integration Standard On: Telluride, Sorento Hybrid, Niro Plug-in Hybrid, Niro Electric*

*Smart Speaker Integration Available On: Sorento, Seltos, Sportage, Soul, Carnival MPV*

## CONNECTED ROUTING.

Not sure of the best way to take? Your Kia can help. Dynamic route calculation continually optimizes your navigation, and alerts you of reported traffic jams and accidents.<sup>26</sup>

*Available On: Sorento, Telluride, Seltos, Sportage, Soul, Niro Hybrid, Niro Plug-in Hybrid, Niro Electric, Carnival MPV*

## ENDNOTES

**1.** Kia received the fewest reported problems among mass market brands in the J.D. Power 2021 U.S. Vehicle Dependability Study, based on 2018 models. See [jdpower.com/awards](https://jdpower.com/awards) for 2021 details. **2.** Models shown with optional features. Not all optional features available on all trims. Some features may vary. Simulated screens shown. Telluride and Niro Plug-in Hybrid available in limited quantities. 2020 Niro EV is a limited production model sold in select states in select Kia Retailers. **3.** No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive safely and obey all traffic laws. **4.** Towing requires additional equipment. See Owner's Manual for towing capacity, additional instructions, and warnings. Always use caution while towing. **5.** To avoid burn risk, use extreme caution when operating seat warmers. Refer to Owner's Manual for operating instructions and safety information. **6.** Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution. **7.** Apple CarPlay is a registered trademark of Apple Inc. **8.** Android Auto is a trademark of Google LLC. Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 5.0 Lollipop or higher. Data plan rates apply. **9.** Charging system only works with select devices. Refer to the vehicle's Owner's Manual for warnings and instructions. **10.** All cargo should be evenly distributed and properly secured, and never piled higher than the seatback. **11.** Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention, and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle. **12.** Do not use remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command. **13.** Safe Exit Assist is not a substitute for one's attention and may not detect all objects surrounding the vehicle. Always pay attention to traffic and to the area around your vehicle when exiting the vehicle. **14.** Rear Occupant Alert is not a substitute for one's attention and may not detect all movement within the vehicle. Always check the vehicle interior when exiting the vehicle. ROA notifications requires a UVO subscription, a compatible smartphone, and a wireless signal with good coverage to function. Normal cellular service rates may apply. **15.** Driver-assist technologies are not substitutes for safe driving, and may not detect all objects surrounding vehicle. Always drive safely and use caution. **16.** Navigation is for information purposes only, and Kia does not make any warranties about the accuracy of the information. **17.** Highway Driving Assist is not a substitute for safe driving, may not detect all objects surrounding the vehicle, and only functions on certain federal highways. Actual mileage and range will vary with options, driving conditions, driving habits, vehicle maintenance, charging practice, battery age, weather, temperature, and your vehicle's condition. Based on range listed at [fueleconomy.gov](https://www.fueleconomy.gov), which cautions that range assumes a full tank and 100% of fuel in tank will be used before refueling. Actual range will vary with options, driving conditions, driving habits, and your vehicle's condition. Kia recommends that you refuel as soon as possible after the low fuel warning light illuminates or sooner. Battery capacity will decrease with time and use. For more information on range, please see [www.fueleconomy.gov](https://www.fueleconomy.gov). **31.** Purchase/lease of certain new Kia vehicles includes complimentary access to UVO eServices for 5 years starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary term of UVO eServices expires, your access to UVO eServices may immediately terminate. Use of UVO eServices is subject to agreement to the UVO Privacy Policy (available at [owners.kia.com/us/en/privacy-policy.html](https://owners.kia.com/us/en/privacy-policy.html)) and Terms of Service (available at [owners.kia.com/us/en/terms-of-service.html](https://owners.kia.com/us/en/terms-of-service.html)). For more on details and limitations, visit [owners.kia.com](https://owners.kia.com) or your authorized Kia dealer. Apple is a registered trademark of Apple Inc. App Store is a service mark of Apple Inc. Google, Google Play and logos are trademarks of Google LLC. **32.** EPA-estimated 239-mile range based on a full battery charge. Actual mileage and range will vary with options, driving conditions, driving habits, vehicle maintenance, charging practice, battery age, weather, temperature, and your vehicle's condition. Battery capacity will decrease with time and use. For more information on range, please see [www.fueleconomy.gov](https://www.fueleconomy.gov). **33.** Daily average mileage statistic from the U.S. Department of Transportation, Bureau of Transportation Statistics. **34.** Charge time is based on 77 degrees Fahrenheit battery temperature, and under 10% battery state of charge, with the following amps to kW requirement: 50 kW CCS DC Fast Charger at 125 amps; 100 kW CCS DC Fast Charger at 200 amps; Level 2 charger rated at 40 amps using a 240V source. Battery capacity will decrease with time and use. Frequent use of DC fast charging can negatively impact battery performance and durability, and Kia recommends minimizing use of DC fast charging. Please check your local building codes and guidelines for installation of a Level 2 charger. **35.** Reclining seat and/or elevating footrest can reduce the effectiveness of the safety restraint system and may lead to additional injury in an accident. **36.** Parking Minder requires cellular coverage, a USB-connected compatible smartphone, and the UVO eServices app. Cellular service rates apply. **37.** Warranties include 10-year/100,000-mile powertrain and 5-year/60,000-mile basic. All warranties and roadside assistance are limited. See retailer for warranty details. **38.** 24-hour Roadside Assistance is a service plan provided by Kia America, Inc. Limitations apply. See Kia Warranty and Consumer Information Manual for details. Requires cellular coverage.
