

2018 NAVIGATOR | 

REDEFINING THE LUXURY EXPERIENCE

At Lincoln, we believe that luxury extends far beyond material possessions. Which is why, along with the intuitive features and luxury appointments of your all-new 2018 Navigator, you will receive an exclusive collection of services we call the Lincoln Way.[™] These liberating benefits are designed to help uncomplicate your life. Making each day more effortless – and empowering you to soak up every brilliant, wonderful moment along the way.

ITS WELCOMING EMBRACE MARKS YOUR ARRIVAL

Begin each journey together on a bright note. As you approach, Navigator awakens with a graceful greeting. Dynamic signature lighting flows outward beneath the headlamps while the Lincoln Star on the grille glows from within.¹ Illuminated welcome mats, backlit door handles and power-deployable running boards¹ invite everyone inside, where ambient lighting puts on its show. The front door-sill scuff plates and safety belt buckles also illuminate,¹ while a field of stars dances across the instrument cluster. In an instant, Navigator recalls the memory settings for the audio, driver's seat, sideview mirror and pedal positions, climate control preferences and more associated with your Personal Profile. Your front passenger can also recall seat settings¹ with a touch. Navigator welcomes all.

¹Available feature.

Twin-Turbocharged 3.5-liter V6

450 hp¹/510 lb.-ft. torque¹

Knowing where you're headed in life – and how you'll get there – instills you with a calm confidence. Navigator reinforces that feeling with a new Twin-Turbocharged 3.5-liter V6 engine that produces best-in-class² horsepower and torque. It also has an EPA-estimated rating of 23 hwy mpg.³ Plus, the new 10-speed SelectShift[®] automatic transmission is designed to adapt in real-time. Using input from a dozen sensors, it determines what you want, then engages the right gear at the right time to deliver the performance you seek.

Imagine yourself gliding along – blissfully at peace. Adaptive Suspension⁴ helps get you there smoothly by isolating the vehicle from road imperfections, while enhanced sound-absorbing materials and Active Noise Control help keep road noise at bay. The result is a relaxing atmosphere conducive to quiet contemplation or pleasant conversation. The best interior quietness in the class.

EMPOWERING
YOU TO
GLIDE
EFFORTLESSLY

¹Horsepower and torque ratings achieved with 93-octane fuel. ²Class is Large Premium Utilities based on Lincoln segmentation. ³EPA-estimated ratings of 16 city/23 hwy/19 combined mpg, Navigator RWD. Actual mileage will vary. ⁴Available feature.

METICULOUSLY CURATED FOR YOUR COMFORT

The character of a home stands out in its details – and the same is true within this serene sanctuary. Lincoln artisans honed every aspect to encourage tranquility. The sweeping horizontal lines of its hand-wrapped dashboard reinforce the spaciousness. Real wood trim naturally enriches the ambience. European stitching adorns its hand-wrapped leather assist handles and Wollsdorf leather-trimmed heated¹ steering wheel. French seams on the upholstery are stitched precisely 6 mm apart.

Tucked inside the media bin, a wireless charging pad^{1,2} lets you securely stow and charge your phone, while listening to your favorite podcast, all without any wires. The transmission shifter's distinctive piano-key design uses tactile details, like grooves and differing sizes, to help make gear selection intuitive. Only the most relevant details made it into the visuals on the responsive 10" LCD screen in the center stack. And steering wheel-mounted controls make it easy to personalize content on your digital instrument cluster.

Enjoy best-in-class 1st-row shoulder and hip room with your choice of Comfort or Perfect Position™¹ seats. Inspired by private aircrafts, the class-leading 30-way adjustable Perfect Position front seats¹ feature a patented comfort-carrier design that flexes around you. They also include heated and ventilated settings, plus Active Motion® massage functionality to help reduce muscle fatigue in your upper legs and lower back. Navigator is designed to be your relaxing respite – your new home away from home.

¹Available feature. ²Not all phones are compatible with wireless charging. Available wireless phone charger supports Qi and PMA standards.

CARE FOR YOUR CREW

Navigator pampers your passengers with best-in-class 2nd-row shoulder, hip and leg room. They'll also enjoy more 2nd-row head room than in the previous generation. On 8-passenger models, the PowerFold® 2nd-row bench seat¹ features heated outboard positions and independent adjustability for each of its 3 passengers. They can also set a preferred temperature using the climate controls on the back of the 1st-row console, and keep their devices charged with 2 USB ports, a 12V powerpoint and a 110V power outlet – all in the 2nd row.

GIVE THEM CONTROL

On 7-passenger models, the heated, leather-trimmed, 2nd-row captain's chairs feature PowerFold functionality and a convenient 2nd-row center console¹ or a pass-through opening¹ to the 3rd row. The 2nd-row console includes roomy dual cupholders, auxiliary audio controls, and a 4" LCD screen passengers can use to view details like station names and song titles.

LET THEM PLAY

Lincoln Play¹ is the modern take on rear-seat entertainment. It lets your passengers view content from their compatible devices on the 10" adjustable screen mounted securely to the back of each front seat. Content can also be accessed via SD card, HDMI input, or USB device. Using SYNC® AppLink^{®2} allows the front passenger to control viewing. Plus, Slingbox® owners can use it to watch their home TV channels, DVR or On Demand options on the go. Display different content on each screen, and share what you're viewing by pushing it from a screen to another mobile device in the vehicle. Lincoln Play provides a multitude of entertaining options.

MAKE LOADING EASY

For effortless access to the 3rd row, Navigator features one-touch, tilt-and-slide functionality on all of its 2nd-row outboard seats. So your passengers can load and unload quickly and easily, even when there's a child safety seat secured in the 2nd row. With the 2nd-row bench¹ you also get a class-exclusive parent-position middle seat. You can slide it forward, close to the front console, to make it easy for your 1st-row passenger to reach a child seated there.

¹Available feature. ²Commands may vary by phone and AppLink software.

Even your adult passengers can enjoy the 3rd-row seat with power reclining seatbacks, more hip room than in the previous generation, and best-in-class shoulder and leg room. When the 3rd row is empty, you can push a button from the driver's seat to fold down the outboard head restraints to enhance visibility. The Tiered Cargo Management System¹ can be positioned 4 ways to help you make the most of every trip. Use it to create a flat load floor, or to partition the cargo area. Make it a shelf so you can easily access cargo through the liftgate's flip-up glass. Or you can use it to help keep items securely inside while the liftgate is opening.

Relaxing is easy beneath the power panoramic Vista Roof^{®1} with the largest opening in its class.^{2,3} To help maintain those happy vibes, Navigator features a total of 6 USB ports, including 2 in the 3rd row that can keep charging devices for up to 75 minutes after you've turned the engine off. Plus, there's a 12V powerpoint in the rear cargo area. To access the best-in-class cargo room² behind the 1st, 2nd or 3rd rows, simply kick your foot beneath the Hands-Free Liftgate. Then, press the PowerFold[®] 2nd- and 3rd-row seat buttons in the cargo area to create a flat load floor in a flash. Tailgating just got even more fun.

LINCOLN SYNC® 3

Feel free to speak your mind. Navigator listens. With its SYNC 3 enhanced voice-activated technology,¹ you can control calls, music and more with just a touch and your voice. The design of the audio, phone, navigation and other features has been elegantly refined for viewing on the responsive 10" touchscreen. SYNC AppLink^{®2} lets you control compatible mobile apps by voice. Plus, seamless integration with Siri[®] Eyes Free brings the power of your paired iPhone[®] into your vehicle. SYNC 3 also includes Apple CarPlay^{™3} and Android Auto^{™4} compatibility.³ The Voice-Activated Touchscreen Navigation System features vivid 3-D maps with pinch-to-zoom capability. And automatic updates over Wi-Fi⁴ provide the latest SYNC 3 software as new updates become available.

Passengers can connect up to 10 devices at a time using the 4G LTE Wi-Fi hotspot capability of new Lincoln Connect.^{™5} Let them surf the web, stream music and more while you're on the go, and up to 50' away from the vehicle when it's parked. Download the Lincoln Way[™] app⁶ to your smartphone for effortless control of your mobility. It lets you remotely start the vehicle, lock or unlock the doors, and much more. For help making the most of these or any other Navigator features, you can reach your Lincoln Concierge at (800) 521-4140, or chat online at lincoln.com, anytime of the day or night.

STAY CONNECTED WITH VOICE-ACTIVATED SIMPLICITY

Music has the power to calm and soothe... invigorate and liberate. Whatever your preference, our expertly engineered Revel[®] and Revel Ultima^{®7} audio systems can deliver a level of precision and musical accuracy you won't just hear – you'll feel. It's as if you're seated in the "Audience" or right up "On Stage" when you use the personalized listening modes.

Enjoy outstanding, multi-dimensional sound in every seat courtesy of Revel Waveguides, QuantumLogic[®] Surround sound technology, and advanced cabin correction tuning. The 20-speaker Revel Ultima⁷ audio system uses patented Clari-Fi[™] music restoration technology to enhance satellite radio, streaming services, MP3s and other digital sources – for clear, crisp, wide, dynamic sound.

INTENSIFY YOUR AUDIO ENJOYMENT

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Certain restrictions, 3rd-party terms, or message and data rates may apply. See your Lincoln Dealer for details. Commands may vary by phone and AppLink software. ³Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁴Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. ⁵Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 1 on "Your 2018 Navigator/Navigator L Standard Features" page, and your Lincoln Dealer for details. ⁶The Lincoln Way app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ⁷Available feature.

MASTER CHANGING CONDITIONS WITH CONFIDENCE

Life can be unpredictable. Maintain your composure with help from Lincoln Drive Modes. This new system puts you effortlessly in control of every drive. You simply turn a knob to choose the mode that suits your driving conditions or the type of driving you want to do. From Normal to Slow Climb,[†] beautiful animations on the digital instrument cluster help you make your selection, and Navigator takes care of the rest. Everything from steering and pedal response to traction control, 4-wheel drive (4WD)[†] and suspension settings, even the sound of the engine, adjusts automatically according to the mode you've selected.

The adaptive LED headlamps, standard on every Navigator, are speed sensitive, casting a wider beam at slower speeds and more focused, longer beams at faster speeds. With low energy draw and high lumen output, the LEDs also illuminate 10x faster than conventional incandescents, for the sense of instant on. With auto high-beam headlamps,[†] Navigator can detect vehicle and street lights ahead of you, and automatically switch between its low and high beams as a convenience to you and a courtesy to other motorists. In wet conditions, you can set the rain-sensing wipers to high or low sensitivity and let them engage as needed to help keep the windshield clear. So you're free to enjoy the ride.

[†]Available feature.

ENHANCE THE WAYS YOU MAKE MEMORIES

With its best-in-class tow rating of 8,700 lbs.,¹ Navigator makes it easy to enrich your adventures with family and friends. The standard trailer tow features provide all that you need to get towing, including our smart trailer tow connector and trailer sway control² technologies.

Pro Trailer Backup Assist,³ Electronic Traction Assist and an integrated trailer brake controller are offered in the Heavy-Duty Trailer Tow Package. With Pro Trailer Backup Assist,³ you just rotate the control knob in the direction you want your trailer to go, and the system automatically steers the vehicle to turn the trailer for you. Electronic Traction Assist automatically directs torque to certain wheels for improved stability in turns and to help with challenging situations like boat launch ramps. It can shift torque to the wheel with the greatest traction, or even lock the rear axle if needed, to keep you moving.

Navigator also meets the performance requirements for the SAE International[®] trailer weight rating standards, so you can tow your boat, camper or other road-trip essentials with the utmost confidence.

¹Navigator RWD models only, when properly equipped. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ³Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

A high-angle, dynamic shot of a red Lincoln Navigator SUV driving on a winding asphalt road. The SUV is towing a white and black speedboat. The road curves along the edge of a large, calm lake. In the background, there are rolling hills and mountains under a clear sky. The lighting suggests late afternoon or early morning, with long shadows cast across the road. The overall mood is one of freedom and adventure.

TECHNOLOGIES
HELP
SIMPLIFY
YOUR DAY

2018 LINCOLN NAVIGATOR
Lincoln.com

ADAPTIVE CRUISE CONTROL WITH STOP-AND-GO^{1,2} – Certain driving situations can get tedious. When highway cruising or in lower-speed traffic, this system is designed to eliminate the need for constant adjustments. You simply set the speed, and the system can adjust to maintain your choice of 4 preset gaps from the vehicle in front of you, even following it to a complete stop.

PRE-COLLISION ASSIST WITH PEDESTRIAN DETECTION^{1,2} – Using camera and radar technology, the system can monitor your vehicle's proximity to other vehicles and pedestrians. If a potential collision is detected, it can alert you and, if needed, it can help provide full responsiveness when you brake. If the system determines a collision is imminent, Active Braking may automatically apply full braking.^{1,3}

HEAD-UP DISPLAY^{2,4} – Navigator lets you keep your eyes on the road while staying in the know with the biggest and brightest Head-Up Display in its class. Thanks to its automotive-industry-first use of DLP Technology, which is the same technology used in digital movie theaters, this customizable display is easy to view, even while wearing polarized sunglasses. Plus, it automatically elevates the prominence of certain content, such as an adverse road condition or an upcoming turn within navigation, as the relevance of that information increases. It's a new, more compelling way to drive, exclusively from Lincoln.

ENHANCED ACTIVE PARK ASSIST WITH PARK-OUT ASSIST^{1,2} – For help parallel parking or backing into a perpendicular spot, simply activate this class-exclusive system. It uses ultrasonic sensors to help locate an appropriate space, then steers the vehicle into it while you follow on-screen prompts and control the shifter, brake and accelerator pedals. It can also steer out of parallel spots. Plus, the standard Forward and Reverse Sensing Systems can alert you to objects near the front or rear of the vehicle while maneuvering.

360-DEGREE CAMERA^{1,2} – Get help in limited-visibility situations from this technology. It merges the views from 4 cameras to create a bird's-eye view of your vehicle and its surroundings. Displayed on the high-definition 10" color screen, it also offers you a 180-degree front or rear view, and includes front and rear washers.

LANE-KEEPING SYSTEM^{1,2} – If you start to drift out of your lane, this technology can help alert you. Using a forward-facing camera to detect road lane markings, the system can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane.⁵ If it detects that you've crossed the line repeatedly, it can prompt the Driver Alert System^{1,2} to chime and display a coffee cup image to remind you that it's break time.

AUTO HOLD¹ – You don't need to hold down the brake pedal for long stoplights or extended waits in Navigator. Just activate this technology, then come to a complete stop. Even on a hill, the system can hold the vehicle in place until you press the accelerator.

BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH TRAILER COVERAGE¹ – Some vehicles may be out of your line of sight, but they can be detected by this technology. It warns you if it detects a vehicle in your blind spots while driving forward, or approaching from the sides while in Reverse. The range of coverage can also be extended to include a conventional trailer, once it's been programmed into the system.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature. ³Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ⁴Don't drive while distracted. See owner's manual for details and system limitations. ⁵Lane-Keeping System does not control steering.

IMMERSE YOURSELF IN CAPTIVATING ELEGANCE

From the moment the backlit¹ Lincoln Star on its grille illuminates, Navigator commands attention. The carefully curated elements and linear forms within its spacious interior are designed to create a feeling of balance. Note the way the frameless rearview mirror seems to hover in place above real wood trim that flows gracefully through the center of the cabin. Even the beauty of its jewel-like adaptive LED headlamps extends beyond the surface. Navigator is the only vehicle in its class with 100% LED lighting inside and out – and the LEDs are designed to last the lifetime of a vehicle – so you may never need to replace a single one. It's yet another way the all-new 2018 Lincoln Navigator makes life more effortless for you.

¹Available feature.

EXPERIENCE THE LINCOLN WAY

A unique range of services designed
to make Lincoln ownership effortless

LINCOLN *PICKUP & DELIVERY*

AN EFFORTLESS DOOR-TO-DOOR EXPERIENCE

We know your time is valuable. That's why we designed Lincoln Pickup & Delivery^{1,2} to help you move seamlessly through life. We'll pick up your vehicle when it's time for service, and bring it back to you when the work is complete. In between, we'll also provide a complimentary Lincoln loaner² – so your time remains distinctly yours.

You specify the time and location, and we do everything else. With convenient texts or emails, we'll keep you informed about your vehicle and provide timely updates. To complete the experience, we'll deliver your Lincoln back to you serviced, washed and ready for your next journey. When it comes to owning a Lincoln, we make it simple.

- ♦ Schedule a day, time and location for pickup of your Lincoln
- ♦ We'll pick up your vehicle and provide you with a Lincoln loaner
- ♦ We'll deliver your Lincoln back to you, serviced and washed

THE LINCOLN WAY™ APP³

Download the app to your mobile device to enjoy the flexibility and convenience of connecting with Lincoln services and features from wherever life takes you. The app makes it easy to schedule Pickup & Delivery. Find fuel and compare prices. Find, reserve and pre-pay for parking in select cities. Call or chat one-on-one with a Lincoln Concierge anytime. Securely manage your Lincoln Automotive Financial Services account, and more.

LINCOLN CONCIERGE

Always available to answer vehicle questions, help you with roadside assistance⁴ and beyond.

LINCOLN EXPERIENCE CENTERS

Exclusive events, vehicle demonstrations and curated experiences await you in select cities.

¹Lincoln Pickup & Delivery is valid for owners of 2017 and newer model-year Lincoln vehicles. Service available for retail and warranty repairs. Mileage limitations may apply. Lincoln reserves the right to change program at any time without obligation. ²See dealer for details. ³The Lincoln Way app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ⁴Lincoln Roadside Assistance services 24/7 for as long as you own the vehicle – all at no charge. See your owner's manual for complete details.

YOUR 2018 NAVIGATOR/NAVIGATOR L STANDARD FEATURES

POWER AND HANDLING

- ◆ 10-speed automatic transmission with SelectShift® capability and paddle activation
- ◆ 3.73:1 rear axle ratio
- ◆ Active grille shutters
- ◆ Dual exhaust
- ◆ Electric parking brake
- ◆ Lincoln Drive Modes featuring Electric Power-Assisted Steering (EPAS) and Active Noise Control
- ◆ Power 4-wheel disc brakes with Anti-Lock Brake System (ABS)

DRIVER-ASSIST TECHNOLOGY

- ◆ Autolamp automatic on/off headlamps
- ◆ BLIS® (Blind Spot Information System) with trailer coverage
- ◆ Forward and Reverse Sensing Systems
- ◆ Hill Descent Control™ (4WD only)
- ◆ Rain-sensing windshield wipers
- ◆ SYNC® 3 Enhanced Voice Recognition Communications and Entertainment System with 10" color LCD capacitive touchscreen, 911 Assist® AppLink®, Apple CarPlay™ compatibility, Android Auto™ compatibility, and 2 smart-charging USB ports

DRIVER CONTROLS

- ◆ Auto Hold
- ◆ Compass and outside temperature displays
- ◆ Leather- and wood-trimmed steering wheel with controls for audio and cruise control
- ◆ Lincoln Connect™ powered by the Lincoln Way™ app¹ (includes 4G LTE Wi-Fi hotspot capability)
- ◆ Personal profiles (memory settings for positions of driver's seat, sideview mirrors, power-adjustable pedals, power-tilt/-telescoping steering column, audio, climate and displays)
- ◆ Piano-key shift transmission
- ◆ Power-adjustable brake and accelerator pedals with memory
- ◆ Power-tilt/-telescoping steering column with memory
- ◆ Power windows with one-touch-up/-down feature
- ◆ Remote Start System
- ◆ Tri-zone electronic automatic temperature control with rear auxiliary controls and vents
- ◆ Universal garage door opener

EXTERIOR

- ◆ Body-color spoiler
- ◆ Bright roof-rack side rails
- ◆ Easy Fuel® capless fuel filler
- ◆ Hands-Free Liftgate
- ◆ LED daytime running lamps, adaptive headlamps with signature lighting, and taillamps
- ◆ Power-folding, heated sideview mirrors with black caps, integrated turn signal indicators, puddle lamps, reverse-tilt-down, memory and auto-dimming driver's side
- ◆ Rear privacy glass
- ◆ Satin-chrome mesh grille with bright chrome surround
- ◆ Side-wind stabilization
- ◆ Tow hooks integrated into front fascia (4WD only)
- ◆ Trailer Tow Prep Package with 4-/7-pin wiring connectors, transmission oil cooler (4WD only), Smart Trailer Tow Connector, and trailer sway control

LINCOLN EXPERIENCES

- ◆ Approach Detection
- ◆ Illuminated exterior door handles
- ◆ Lincoln logo welcome mat
- ◆ Lincoln signature fade-on/-off exterior lighting

AUDIO AND NAVIGATION

- ◆ Revel® audio system with 14 speakers; includes HD Radio™ Technology
- ◆ SiriusXM® Radio with 6-month trial subscription²
- ◆ Voice-Activated Touchscreen Navigation System with pinch-to-zoom capability, and integrated SiriusXM Traffic and Travel Link® with 6-year prepaid subscription²

INTERIOR

- ◆ 1st-row center floor console with winged armrest
- ◆ 1st-row overhead console with sunglasses holder and conversation mirror
- ◆ 2nd- and 3rd-row smart-charging USB ports (4)
- ◆ 12" configurable digital instrument cluster
- ◆ 12V powerpoints (4)
- ◆ 110V/150W AC power outlet
- ◆ Accessory delay for power features
- ◆ Ambient lighting
- ◆ Auto-dimming, frameless rearview mirror
- ◆ Genuine wood accents on the instrument panel, center console, steering wheel and door panels
- ◆ Illuminated front door-sill plates
- ◆ LED dome and reading lights
- ◆ Reversible cargo area mat

SEATING

- ◆ Premium leather-trimmed 1st- and 2nd-row heated seats; Lincoln Soft Touch 3rd-row seat
- ◆ 2nd-row low-back, PowerFold® captain's chairs with recline and easy entry to 3rd row
- ◆ 3rd-row PowerFold 60/40 split bench seat with power recline and remote-folding outboard head restraints

SAFETY AND SECURITY

- ◆ Personal Safety System™ for driver and front passenger with dual-stage front airbags³, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- ◆ Front-seat side airbags³
- ◆ Safety Canopy® System with 3-row side-curtain airbags³, roll-fold technology and rollover sensor
- ◆ 3-point safety belt restraints for all seating positions; height-adjustable in 1st row
- ◆ AdvanceTrac® with RSC® (Roll Stability Control™)
- ◆ Individual Tire Pressure Monitoring System (excludes spare)
- ◆ Intelligent Access with push-button start
- ◆ LATCH (Lower Anchors and Tether Anchors for Children) for all 2nd-row seating positions and 3rd-row outboard seating positions
- ◆ MyKey® technology to help parents encourage responsible driving
- ◆ Perimeter alarm
- ◆ Rear view camera with washer
- ◆ SecuriCode™ invisible keypad
- ◆ SecuriLock® Passive Anti-Theft System
- ◆ SOS Post-Crash Alert System™

¹Lincoln Connect with Lincoln Way includes complimentary 5-year subscription for remote features, excluding Wi-Fi hotspot, and activates with vehicle sale date. Subscription requires compatible 4G cellular network and is subject to 4G network availability. Evolving technology/cellular networks may affect future functionality. Message and data rates may apply. Lincoln Way is on the App Store® and Google Play™. Wi-Fi hotspot includes complimentary wireless data trial that begins at time of activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first. For more information, see your Lincoln Dealer. ²After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI. ³Always wear your safety belt and secure children in the rear seat.

((SiriusXM))

Enjoy a 6-month All Access trial subscription⁴ including commercial-free music, plus sports, news, talk and comedy – it's the freedom of over 150 channels to enjoy from coast to coast. Along with the Navigation System, you also receive a 6-year prepaid SiriusXM Traffic and Travel Link subscription⁴ – the longest of any automobile manufacturer⁵ – that gives you detailed traffic and weather information, fuel station locations and prices, sports scores and much more.

By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels – per FM station – of new, local content. It can also display song titles and more, all without the need for a subscription.

¹Horsepower and torque ratings achieved with 93-octane fuel. ²Actual mileage will vary. ³When properly equipped. ⁴After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI.

- ◆ Soft cargo organizers (large and standard sizes)

1:1 MODEL

While creating the all-new Navigator, computer-generated data was used to build a life-size model of the vehicle early in its development process. This critical step allowed the designers, engineers, program managers and other key members of the Lincoln team to scrutinize and refine the way the data defines the final product, in order to hone the fit and finish of the most minute details.

LUXURY VALIDATION

In order to provide a highly refined Navigator ownership experience, the Lincoln Luxury Validation Center meticulously inspects the materials, craftsmanship, fit and finish, and function of each Navigator that leaves our manufacturing facility. This process ensures that it meets Lincoln standards in every way, before you see that it meets yours.

Lincoln Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Dealer for details and/or a copy of all limited warranties. ¹Consult owner's manual for details on roof-rack load limits. ²Lincoln Licensed Accessory.

Comparisons based on competitive models (class is Large Premium Utilities based on Lincoln segmentation), publicly available information and Lincoln certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Lincoln makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Lincoln reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Lincoln Dealer is the best source of the most up-to-date information on Lincoln vehicles.

ENJOY THE LUXURY OF PEACE OF MIND
