

2020 NAVIGATOR

ALWAYS BEGIN ON A BRIGHT NOTE

Whatever adventures the day holds for you and your family, the 2020 Lincoln Navigator makes sure they start with a warm embrace. As you approach, Navigator awakens with a graceful greeting. Dynamic signature lighting flows outward beneath the headlamps, while the available illuminated Lincoln Star on the grille glows from within. Power-deployable running boards, backlit door handles and luminous welcome mats invite everyone inside. The front door-sill scuff plates and first two rows of safety belt buckles also feature available illumination, and a field of stars dances across your instrument cluster. Celebrate all of your travels together in Navigator.

REVITALIZE IN YOUR SANCTUARY

Every aspect of the Navigator experience is designed with your serenity in mind. Simply kick your foot beneath the hands-free liftgate to access the spacious cargo area. Then, press the PowerFold 2nd- and 3rd-row seat buttons to create a flat load floor in a flash. The available Tiered Cargo Area Management System can be configured 4 ways: as a partition, a shelf or a flat load surface, or positioned to help keep items securely inside as the liftgate opens.¹

¹Cargo and load capacity limited by weight and weight distribution.

STANDARD LINCOLN CO-PILOT360™

- AUTO HIGH-BEAM HEADLAMPS
- BLIND SPOT DETECTION WITH CROSS-TRAFFIC ALERT AND TRAILER COVERAGE
- LANE-KEEPING SYSTEM
- PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
- REAR VIEW CAMERA WITH WASHER

- ENHANCED ACTIVE PARK ASSIST
- FORWARD AND REVERSE SENSING SYSTEMS
- RAIN-SENSING WINDSHIELD WIPERS

Navigator Reserve adds:

- 360-DEGREE CAMERA WITH FRONT CAMERA WASHER

JOURNEY WITH CONFIDENCE

Our extensive collection of standard and available driver-assist technologies¹ utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the 2020 Lincoln Navigator.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

GLIDE EFFORTLESSLY

Imagine yourself calmly in command – at peace with your surroundings. The standard Adaptive Suspension helps take you there smoothly by isolating the vehicle from road imperfections, while enhanced sound-absorbing materials and Active Noise Control help keep road noise at bay. The result is a relaxing atmosphere conducive to quiet contemplation or pleasant conversation.

Navigator also reinforces your calm confidence with best-in-class 450 horsepower¹ and 510 lb.-ft. of torque¹ produced by its Twin-Turbocharged 3.5-liter V6 engine. The 3.5-liter is mated to a 10-speed SelectShift[®] automatic transmission designed to adapt in real-time, engaging the right gear at the right time to deliver the performance you seek.

ENHANCE THE WAYS YOU MAKE MEMORIES

With a best-in-class tow rating of 8,700 lbs.,¹ Navigator makes it easy to enrich your adventures with family and friends. You'll also benefit from our Smart Trailer Tow Connector and trailer sway control² technologies. Plus, available Pro Trailer Backup Assist™ lets you rotate a control knob in the direction you want your trailer to go, as the system steers the vehicle to turn the trailer for you.³ The available electronic traction assist helps with stability in turns, in addition to situations like boat launch ramps. It can shift torque to the wheel with the greatest traction, to help keep you moving.

¹Max. towing of 8,700 lbs. on Navigator RWD with Heavy-Duty Trailer Tow Package (not shown); max. towing of 8,400 lbs. on Navigator L RWD with Heavy-Duty Trailer Tow Package (shown). Max towing varies based on cargo, vehicle configuration, accessories and number of passengers. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ³Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ⁴When equipped with Heavy-Duty Trailer Tow Package and 4WD.

THRIVE WITH LINCOLN DRIVE MODES

Navigator puts the power to adapt to changing weather and more – right at your fingertips. Simply turn the knob to choose a Lincoln Drive Mode. The system adjusts automatically according to the mode you've selected – traction control, steering and pedal response, suspension and available 4-wheel drive (4WD) settings, even the sound of the engine. From Normal to available Slow Climb,⁴ beautiful animations on the digital instrument cluster help you make your selection, and Navigator takes care of the rest.

COMMAND: WITH YOUR VOICE

SYNC 3 voice-activated technology¹ connects your tech with your Navigator, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 10" touchscreen. To see your phone's familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay^{®2} for your iPhone[®] or Android Auto^{™2} for your Android[™] smartphone.

LINK: TO WHAT MATTERS MOST

Navigator also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink^{®3}. The system works with your Lincoln Way[™] App⁴ and many others. You can use it with the Waze^{™5} community-based traffic and navigation app on your iPhone. It also works with the Lincoln+Alexa app⁶, so you can ask Alexa to play music, listen to audiobooks, check the weather, control smart home devices and more while inside your Navigator.

CONNECT: WITH IN-VEHICLE WI-FI

Since Navigator offers available seating for up to 8 people, a vast array of smartphones, tablets, gaming systems and computers may come along for the ride. Lincoln Connect^{™7} with 4G LTE Wi-Fi hotspot capability provides a strong connection for up to 10 devices at once.⁸ So everyone can enjoy their favorites – from inside of Navigator and up to 50' away.
