The rewards of striving to be the best are even more meaningful in the development of our youth than they are in automobiles. That's why Mercedes-Benz USA is committed to educating and empowering the next generation of diverse leaders. To help equip them with the tools for success, MBUSA partners with two national organizations that invest in the futures of young people in communities across the country. As a Mercedes-Benz driver, you become a part of this effort to give hundreds of thousands of youth a better life today, and all of us a brighter tomorrow. *Learn more about how Mercedes-Benz USA gives back at MBUSA.com/community*

A nationwide network of youth sports programs, Laureus Sport for Good USA is focused on improving the health, education, employment and social cohesion of youth in underserved communities. Since 2012, Laureus USA has helped nearly half a million young people in 150 cities, and has supported the training of more than 8,000 coaches who serve as mentors in their communities. *To learn more, visit laureususa.com*

JOHNNY MAC SOLDIERS FUND

Johnny Mac Soldiers Fund helps to honor military service and sacrifice by providing scholarships to veterans and military family members, particularly the children of our nation's fallen and disabled. Since 2014, Johnny Mac has awarded over \$7.5 million in scholarships to more than 1,000 students. *To learn more, visit johnnymac.org*

A

CLASS

2019

Mercedes-Benz

2019

A

All cars start, and every automaker says they listen to their owners. This time it's different. The 2019 Mercedes-Benz A-Class starts an entirely new age of the automobile – and this time it's the car that listens to its driver. Sporty and spacious, with turbo power and room for five, the A 220 and all-wheel-drive A 220 4MATIC Sedans earn the Star in their grille on all counts: True driving enjoyment. Innovative safety and driver assistance technology. Thoughtful luxuries. Unmistakable style. They also respond in ways no car before them ever has—to your voice. Not just dialing phone calls, but operating cabin features by understanding you, learning new phrases, and remembering what you like. It all starts when you say “Hey, Mercedes.” Then say what you want, from “close the sunshade” to “I need a coffee.” By the way, using its gas pedal, steering wheel and shift paddles might make you exclaim joy out loud, too. Even in the newest car on the road, that part never gets old.

A 220 SEDAN

A 220 4MATIC SEDAN

INTRODUCING AN ALL-NEW MOBILE DEVICE WITH A STATE-OF-THE-ART VOICE ASSISTANT AND TOUCH CONTROLS. AND A TURBO, SINCE THIS ONE IS DESIGNED TO REALLY MOVE YOU.

KEY

PERFORMANCE

188-hp inline-4 turbo engine
 7G-DCT 7-speed transmission with shift paddles
 DYNAMIC SELECT drive modes
 4-wheel independent multilink suspension; adjustable suspension with Adaptive Damping System*
 ECO Start/Stop system
 4MATIC® variable-torque all-wheel drive (A 220 4MATIC)

DESIGN

100% LED exterior and interior lighting, including LED or active LED* headlamps, and LED taillamps
 64-color LED ambient cabin lighting with illuminated dash vents*
 17" to 19" alloy wheels¹
 AMG Line and Night Package*
 Panorama roof with power sunshade
 Aluminum or natural grain wood* cabin trims (two choices of each)

SAFETY

Blind Spot Assist*
 ATTENTION ASSIST,® Mercedes-Benz Emergency Call, and radar-based Active Brake Assist collision mitigation
 Rearview camera, or multicamera Surround View System*
 Pioneering active safety suite* including Active Distance Assist DISTRONIC,® Active Lane Change Assist, Evasive Steering Assist, Active Speed Limit Assist, PRE-SAFE® Sound and PRE-SAFE PLUS
 Hands-free Active Parking Assist*

LUXURY

Power front seats with memory
 40/20/40-split folding rear seats with center armrest and cupholders
 Digital dual-zone climate control with dust and pollen filter
 Heated, ventilated and multicontour front seats*
 Heated steering wheel*
 Burmester® Surround Sound*
 KEYLESS-GO® and HANDS-FREE ACCESS trunklid
 Rain-sensing windshield wipers

TECHNOLOGY

Dual 7" or 10.25"* color screens for instruments and multimedia, including central touchscreen plus Touch Control Buttons on steering wheel and touchpad in console
 Mercedes-Benz User Experience (MBUX); "Hey, Mercedes" voice assistant with Natural Language Understanding; over-the-air updates
 Apple CarPlay™ and Android Auto, wireless phone charging*
 Mercedes me connect featuring smartphone app with Remote Start, 4G LTE WiFi,* and more²

FEATURES

*Optional. Please see features and endnotes at back of brochure.

RESTART

FROM THE INVENTOR OF THE CAR COMES A REVOLUTION IN SMALL CARS. IT'S INNOVATIVE. EXPRESSIVE. AND FAR FROM EXPENSIVE. THE NEXT ERA OF SMALL CARS STARTS WITH "A."

CONNECTIVE innovations make bonding with your new A-Class quick and easy. No studying needed: Its intelligent voice assistant learns how you talk. And with three smart touch interfaces plus Apple CarPlay™ and Android Auto³ standard, it's as smart as a smartphone.

COHESIVE design is evident in every detail—including what isn't there. No excess bulk or fussy lines here. It's a new age of style, inside and out—timelessly modern but available with 64-color ambient lighting, ventilated front seats, and four drive modes to keep it all fresh.

A-CLASS MODELS

A 220 Sedan
188-hp inline-4 turbo
7G-DCT 7-speed dual-clutch automatic transmission with shift paddles
Front-wheel drive
17" alloy wheels¹

A 220 4MATIC Sedan
188-hp inline-4 turbo
7G-DCT 7-speed dual-clutch automatic transmission with shift paddles
Variable-torque 4MATIC[®] all-wheel drive
17" alloy wheels¹

THE CAR

INNOVATION

TALK TO IT, IT LISTENS. GIVE ITS TOUCHSCREEN A PINCH, AND IT ZOOMS OUT. SIGNAL FOR A LANE CHANGE, AND IT CAN CHECK FOR AN OPENING, AND MOVE ON OVER.

SAY "HEY, MERCEDES" to operate cabin features or navigate* to places just by asking like you'd ask a real person. The fully digital dash comes with twin 7" or 10.25"* screens.

Available DRIVER ASSISTS⁴ can help make traffic less stressful, change lanes with a tap, help you see all around you, park hands-free, or help brake for cars or people in your path.

HIGHLIGHTS

Mercedes-Benz User Experience (MBUX) with digital instruments, a natural voice assistant, a central touchscreen, a console touchpad, and steering-wheel Touch Controls

Over-the-air software updating²

Navigation* with augmented video using live imagery of surroundings⁵

Five standard USB-C ports,⁶ wireless phone charging*

Driver Assistance suite* including adaptive cruise with steering assist,⁷ and pre-crash hearing protection⁸

*Optional. Please see back of brochure.

DESIGN

The small sedan is **MODERNIZED** with vivid digital displays, genuinely intuitive controls, and stylishness that'll feel fresh for years. And with software that can be updated in your driveway, its function stays fresh, too.

Your A-Class is easily **PERSONALIZED** with a spectrum of options—like six wheel designs, sporty AMG Line and jet-black Night styling packages, two seat styles, four sleek cabin trims, and 64-color ambient cabin lighting.

HIGHLIGHTS

Power front seats with memory, also available* with heating, ventilation and precise multicontour adjustment

Dual 7" or 10.25** digital screens for instruments and multimedia display

64-color, multizone ambient lighting,* including illuminated dash vents

590-watt, 12-speaker Burmester® Surround Sound System*

Power tinted glass Panorama roof

AMG Line,* including AMG® styling and 18" wheels, sport-tuned chassis, chrome diamond-block grille, sport steering wheel and cabin details

Night Package* with gloss black trim

Split-folding 3-passenger rear seat with center armrest

*Optional. Please see back of brochure.

**THREE STYLING CHOICES,
SIX WHEEL DESIGNS AND
A SPECTRUM OF CABIN
TRIMS LET YOU MAKE IT
YOUR OWN. 64 COLORS
OF AMBIENT LIGHTING
LET YOU MAKE IT OVER.**

PERFORMANCE

A IS FOR ATHLETIC. FOR AGILE. ADAPTABLE. AND FOR ALL-SEASON. TAKE IT TO YOUR FAVORITE ROAD AND YOU'LL FIND OUT SOMETHING ELSE: THIS A IS FOR FUN.

TURBO TORQUE equals quicker going with fewer gas stops. Multispark ignition, Direct Injection and CAMTRONIC technologies react in milliseconds for stronger, cleaner power.

MULTIPLE MODES let you tune how your A-Class responds with the tap of a button. **DYNAMIC SELECT** offers four driving modes from ECO to Sport to a make-your-own setup.

HIGHLIGHTS

188-hp 2.0L inline-4 turbo engine,
221 lb-ft of torque from 1,250 rpm

Variable-torque 4MATIC® all-wheel
drive (A220 4MATIC)

Paddle-shifted 7-DCT 7-speed
dual-clutch transmission

4-wheel independent suspension,
with multimode adaptive damping*

DYNAMIC SELECT drive modes

AMG Line* with perforated front
brakes, painted calipers, lowered
suspension, and Direct-Steer

*Optional. Please see back of brochure.

DRIVER ASSISTANCE PACKAGE⁴

Active Distance Assist DISTRONIC[®] cruise control; Active Steering and Speed Limit Assists; Route-based Speed Adaptation⁹

Active Blind Spot, Emergency Stop, Lane Change and Lane Keeping Assists; Evasive Steering Assist

PRE-SAFE[®] PLUS; PRE-SAFE Sound

AMG LINE

18" AMG[®] twin 5-spoke wheels, AMG styling, chrome diamond-block grille

Sport steering wheel, aluminum shift paddles, sport pedals, AMG floor mats

Perforated front brake discs with painted calipers

Lowered suspension, Direct-Steer

PREMIUM PACKAGE

10.25" digital instrument cluster and touchscreen multimedia displays

Blind Spot Assist; Exit Warning Assist

Auto-dimming driver-side and inside mirrors; power-folding side mirrors

KEYLESS-GO[®] with HANDS-FREE ACCESS

POPULAR OPTION GROUPS HELP YOU CREATE AN A-CLASS THAT FITS INTO YOUR LIFE AND STANDS OUT ANYWHERE.

Stylishly appointed and generously equipped even in standard form, an A-Class also offers a wide array of optional equipment to satisfy your needs and wishes. Many of them have been curated into packages—some of them shown here—that let you enjoy suites of the most-desired items just by checking off a few boxes.

Package contents and standard equipment vary by model. See page 25 for full list of options and packages.

PACKAGES

Please see endnotes at back of brochure.

The pricetag might be the first thing you look at in the new A 220. But it won't be the most notable. By the time you finish taking in everything that comes standard, you might even forget that it's the most affordable 2019 Mercedes-Benz line. There's advanced technology like LED headlamps and taillamps, five USB-C ports,⁶ as well as both Apple CarPlay™ and Android Auto.³ Luxury goods include a Panorama roof, memory front seats, and dual-zone climate control. And a dual-clutch 7-speed with shift paddles, plus the option of torque-varying 4MATIC® all-wheel drive, assert its performance credentials. Even more important is what makes it feel like a Mercedes-Benz: Precise handling that's both sporty and smooth-riding. The reassurance of its extensive safety engineering. The solidity of its body structure. And it all comes with countless features—standard and optional—that not only parallel its industry-leading larger siblings, some even surpass them. Like the most advanced voice assistant in any Mercedes-Benz, as well as the widest array of touch interfaces. The A 220 puts a bright, fun future within easy reach—of your fingertips, your voice, and your budget.

LASTING COMFORT starts as soon as you get in. Power front seats with memory and extendable thigh support are standard. Options include heating and ventilation, as well as sport seats with integrated head restraints, or multicontour comfort seats.

New MB Navigation offers **AUGMENTED VIDEO** of your surroundings. Arrows and street names are graphically overlaid on a live view of where you're about to turn, and shown on the central screen. It's all in the Multimedia Package, along with the helpful on-screen display of Speed Limit Assist.¹⁰

An available **ADAPTIVE SUSPENSION** can adjust the damping to road and driving conditions. You can adjust it yourself, too, via the drive modes of DYNAMIC SELECT. An agile 4-wheel independent suspension is standard. The AMG Line subtly lowers it.

**ARTIFICIAL INTELLIGENCE
BUILT INTO THE A-CLASS
LETS IT LEARN YOUR WAYS
AND SAVE YOUR TIME.
THE REAL INTELLIGENCE
BEHIND IT CAN ALSO
HELP IT SAVE YOUR LIFE.**

KEY STANDARD FEATURES

A 220 A 220 4MATIC
Performance and efficiency

- ● ECO Start/Stop system
- ● DYNAMIC SELECT with Comfort, Sport, ECO and Individual modes
- ● Electromechanical power steering with STEER CONTROL
- ● Electric parking brake with automatic release in Drive or Reverse
- ● 4MATIC variable-torque all-wheel drive
- ● Torque Vectoring Brake

Safety and security

- ● Active Brake Assist radar-based collision mitigation system¹²
- ● ATTENTION ASSIST^{®13}
- ● Electronic Stability Program (ESP[®])
- ● Adaptive braking technology: Predictive Brake Priming, Automatic Brake Drying, Hill-Start Assist, brake HOLD feature
- ● Emergency-sensing Brake Assist (BAS[®])
- ● Advanced Tire Pressure Monitoring System
- ● Mercedes-Benz Emergency Call
- ● 8 air bags
- ● Rearview camera¹⁴
- ● LED Daytime Running Lamps and taillamps
- ● LED headlamps
- ● SmartKey remote locking with KEYLESS-START
- ● Antitheft alarm system with remote panic feature
- ● Rain-sensing windshield wipers

A 220 A 220 4MATIC
Comfort and convenience

- ● Power front seats with 3-position memory and power lumbar support
- ● Adjustable cushion length for front seats
- ● Folding rear center armrest with dual cupholders
- ● 40/20/40-split folding rear seatbacks¹⁵
- ● Tilt/telescoping steering column
- ● Multifunction steering wheel with Touch Control Buttons
- ● 3-spoke steering wheel with leather trim
- ● Dual-zone automatic climate control
- ● Combination dust/pollen and activated-charcoal odor filter
- ● Power glass Panorama roof with power interior sunshade
- ● Heated power side mirrors
- ● Outside temperature display

Entertainment and navigation

- ● 7" high-resolution color digital instrument cluster
- ● 7" high-resolution color touchscreen multimedia display
- ● Console-mounted central touchpad controller with multitouch gestures (swipe, pinch to zoom)
- ● Color multifunction display (integrated with instrument cluster)
- ● Mercedes-Benz User Experience (MBUX)
- ● "Hey, Mercedes" voice assistant with Natural Language Understanding
- ● Smartphone Integration with Apple CarPlay[™] and Android Auto³
- ● Hands-free Bluetooth interface
- ● Five USB-C ports⁵
- ● Bluetooth[®] audio streaming
- ● HD Radio[™] receiver
- ● 3 years of Mercedes me connect services²
- ● Over-the-air software updates

A 220 A 220 4MATIC

THE VALUE OF THE DIFFERENCE

Getting a new Mercedes-Benz may be a dream come true. But from the vehicle and its features to the company and its people, Mercedes-Benz aims to make every experience special—now, and for many miles down the road.

MERCEDES ME CONNECT

More than a smartphone app with remote vehicle features, *Mercedes me connect* helps make your life easier, from the everyday to an emergency, and countless ways in between.² To learn more, visit MBUSA.com/mercedesme

**THE PERKS BEHIND THE STAR**

The Star on the front of your Mercedes-Benz is also a symbol of the treatment you can expect when you're part of the family. It starts at your Mercedes-Benz dealer, where your sales and service teams are equipped to take the best care of your vehicle, and eager to take the best care of you. But you're part of a much bigger world of Mercedes-Benz, too—from special events, offers and partnerships, to exclusive perks for AMG owners like an online "lounge" and the AMG Driving Academy.

**GENUINE ACCESSORIES**

Genuine Mercedes-Benz Accessories let you personalize your vehicle beyond its factory equipment. A range of items let you enhance its convenience, versatility, or appearance—all without compromising its legendary quality, safety or style.

From the Illuminated Star to a rear spoiler, they're stylish. Whether helping you manage cargo, enjoy your electronic devices, or protect your car's finishes, they're functional. And they all fit like they're engineered for your car. Because they are. To see the line of accessories for your vehicle, visit MBUSA.com/accessories

**EASE OF SERVICE**

Your Mercedes-Benz dealer makes it easy to keep your vehicle at its peak of performance. Thanks to *Mercedes me assist*,² so does your car. It can alert your dealer when maintenance is due, send diagnostic info, and even have its software updated over the air.

ROADSIDE ASSISTANCE

The original manufacturer-provided Roadside Assistance Program is just a phone call or in-car button's push away, 24/7, to anyone driving your Mercedes-Benz. From a jump start to a tow to expert attention even before they arrive, the original still puts you first.²⁴

ENDNOTES

* Item is optional or not available on some models. See Packages and Options listing in this brochure or visit MBUSA.com for more information.

- Lower-aspect-ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions.
- All *Mercedes me* services operate only where cellular and GPS signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. *Mercedes me connect assist* services, and 3 years of *Mercedes me connect* services are included at no additional charge with new-vehicle sales and leases at an authorized Mercedes-Benz dealer. Models with MB Navigation also include 3 years of over-the-air map updates, 3 years of live traffic information provided by TomTom,[®] 1 year of Concierge Service, and a 1-month trial (up to 1GB) of in-vehicle WiFi and streaming audio. Subscriber Agreement is required for service to be active. Some services are only available on select vehicles. Your PIN is required to use certain services. Connection may be limited by cellular signal and other factors. Features may be introduced and updated at varying dates, and may also require a vehicle software update. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. The *Mercedes me* Mobile App is compatible with Apple iPhone[®] models and Android-based phones, and may require a software update. See your dealer or MBUSA.com/mercedesme for details.
- Apple CarPlay[™] is a product of Apple Inc. Android Auto is a product of Google Inc. Device and app providers' terms and privacy statements apply. Requires connected compatible device and data plan. Apps, content and features are selected solely by their providers. Connection to apps and streaming services may be limited by the device's network connection. Data usage is routed through device and subject to fees, charges and restrictions in user's wireless plan. Vehicle's factory audio/information interface may not be used simultaneously with Apple CarPlay or Android Auto. When Apple CarPlay or Android Auto is in use, the steering-wheel voice control button accesses Siri[®] or Google voice recognition software for voice commands.

- Even the most advanced safety systems may not be sufficient to avoid an accident. Please refer to more detailed information on specific systems elsewhere in this brochure, at MBUSA.com, and in the vehicle's Operator's Manual. Some systems may be optional.
- While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area. SD card-based navigation is a dealer-installed accessory, and requires factory pre-installation option.
- An adapter cable is required to connect a device with an earlier-generation USB port. One cable is provided with vehicle.
- Active Distance Assist DISTRONIC[®] cruise control is not a substitute for active driving involvement. It does not adapt cruising speed in response to stationary objects, nor does it predict the curvature and lane layout of the road ahead or the movement of vehicles ahead. Active Steering Assist requires driver to hold steering wheel and be ready to steer vehicle at any time. It may not recognize lane markings in some lighting, weather and road conditions. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely.
- Audio/multimedia system must be turned on for system to operate.
- Driver is responsible for safely slowing and/or stopping vehicle at intersections, and for giving right-of-way to other drivers. System is not a substitute for driver awareness to posted speed limits and other conditions. Driver is responsible for safely operating vehicle in accordance with local traffic laws and driving conditions.
- Speed Limit Assist is not a substitute for driver awareness to posted speed limits and other conditions. Driver is responsible for safely operating vehicle in accordance with local traffic laws and driving conditions.
- Stated rates of acceleration are estimated based upon manufacturer's track results and may vary depending on model, environmental and road surface conditions, driving style, elevation and vehicle load.
- Active Brake Assist may not be sufficient to avoid an accident. It does not react to certain stationary or suddenly moving objects or pedestrians, may not react in certain situations where objects cannot be

- clearly identified, nor does it recognize or predict the curvature and/or lane layout of the road or every movement of vehicles and pedestrians ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. See Operator's Manual for system operating speeds and additional information and warnings.
- Driving while drowsy or distracted is dangerous and must be avoided. ATTENTION ASSIST[®] is a warning system only. ATTENTION ASSIST and Active Lane Keeping Assist may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury. See Operator's Manual for system operating speeds and additional information and warnings.
 - Rearview camera and Surround View System do not audibly notify driver of nearby objects and are not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice or snow on the cameras.
 - Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-downs.
 - Blind Spot Assist is a warning system only. Blind Spot Assist or Active Blind Spot Assist may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It must not be used as a substitute for driver awareness and checking of surrounding traffic conditions. See Operator's Manual for system's operating speeds and additional information and warnings.
 - Active Lane Change Assist is not a substitute for active driving involvement. It estimates but does not predict the curvature and lane layout of the road ahead or the movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the driving inputs necessary to retain control of the vehicle. System may not detect some objects, obstacles or vehicles in the area into which the vehicle would move. See Operator's Manual for system operating speeds and additional information and warnings.

- No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Driver's deliberate steering inputs are required to initiate the system's action, and can override its intervention at any time. See Operator's Manual for system operating speeds and additional information and warnings.
- Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. See Operator's Manual for system operating speeds and additional information and warnings.
- System cannot prevent a collision, and does not alert the driver of an impending collision or system activation. It does not intervene if vehicle is backing up, and does not apply the brakes if the driver is accelerating or if Active Parking Assist is operating. When PRE-SAFE closes the side windows, a small gap is left near the fully closed position.
- The purchase of a new, satellite radio-enabled vehicle includes a 6-month introductory subscription to the Sirius All Access package. If you decide to continue your subscription after your trial, the plan you choose will automatically renew and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.
- Wireless charging and NFC pairing available only for devices with compatible technology and size. See Operator's Manual for more information. Devices sold separately.
- Display may not be visible with certain eyewear, including polarized glasses.
- Roadside Assistance repairs may involve charges for parts, service and towing. Vehicle must be accessible from main roads. Depending on the circumstance, these services may be provided by an outside provider, courtesy of Mercedes-Benz Roadside Assistance. Restricted roadways, acts of nature and vehicle accessibility may limit our ability to provide services to you. For full details, eligibility requirements, and limitations/exclusions of Sign and Drive services, as well as the Roadside Assistance Program, please see your dealer.
