The rewards of striving to be the best are even more meaningful in the development of our youth than they are in automobiles. That's why Mercedes-Benz USA is committed to educating and empowering the next generation of diverse leaders. To help equip them with the tools for success, MBUSA partners with two national organizations that invest in the futures of young people in communities across the country. As a Mercedes-Benz driver, you become a part of this effort to give hundreds of thousands of youth a better life today, and all of us a brighter tomorrow. *Learn more about how Mercedes-Benz USA gives back at MBUSA.com/community*

A nationwide network of youth sports programs, Laureus Sport for Good USA is focused on improving the health, education, employment and social cohesion of youth in underserved communities. Since 2012, Laureus USA has helped nearly half a million young people in 150 cities, and has supported the training of more than 8,000 coaches who serve as mentors in their communities. *To learn more, visit laureususa.com*

JOHNNY MAC SOLDIERS FUND

Johnny Mac Soldiers Fund helps to honor military service and sacrifice by providing scholarships to veterans and military family members, particularly the children of our nation's fallen and disabled. Since 2014, Johnny Mac has awarded over \$7.5 million in scholarships to more than 1,000 students. *To learn more, visit johnnymac.org*

GLA

2019

Mercedes-Benz

2019

GLA

If there's only one reason to drive an SUV, you might say "capability." And there may be no SUV as capable as the 2019 Mercedes-Benz GLA. Can it climb trees, swim across the ocean, and seat an entire soccer team? Of course not. But it has a powerful ability to seduce you with its taut, muscular body, and satisfy you with turbo torque. Its nimble size and sporty handling are ideal for carving through canyons and cities alike. Its radar technology is virtually superhuman as it watches traffic ahead. And when your GLA can whisk you to work in stylish comfort, then join you on weekend adventures without missing a beat, ask yourself: What other SUV can do all this, at this price? And that's even before you factor in all the benefits of Mercedes-Benz ownership. The GLA's engineers covered more than a million miles—from the Alps to the Nürburgring to a test site for tanks—to develop its capability. With that came the reason to drive not just any SUV but this one: Character.

GLA 250 SUV GLA 250 4MATIC SUV
AMG GLA 45 SUV

THE MOST COMPACT MERCEDES-BENZ SUV STILL HAS TO MEASURE UP TO ITS FAMILY VALUES. THE GLA IS PROOF THAT YOU CAN FILL BIG SHOES WITH A SMALL FOOTPRINT.

FITS IN

TAUT, TONED AND TURBO-FED, A GLA LOVES TO FLEX ITS MUSCLE ON ANY ROAD. WHILE YOU CAN FIT A LOT INTO ITS FLEXIBLE CABIN, ITS STYLE FITS IN – AND STANDS OUT – EVERYWHERE.

FLUID lines slice the wind and define the cut muscle of its athletic shape. With turbo power, an agile chassis and available 4MATIC® all-wheel drive, it moves like it looks: confidently. Ideally sized for traffic or trailheads, it's engineered to balance ruggedness and refinement.

SOLID credentials assert its lineage, with advanced luxury, safety and tech. An 8" high-res screen, power liftgate and radar-based forward collision mitigation are standard. Options include Apple CarPlay™ and Android Auto,³ a hands-free tailgate, and active cruise control.

GLA MODELS

GLA 250 and GLA 250 4MATIC
208-hp inline-4 turbo
Front-wheel drive, or variable-torque 4MATIC® all-wheel drive

Handcrafted 375-hp inline-4 turbo
Variable-torque AMG Performance 4MATIC all-wheel drive
20" alloy wheels¹

ANYWHERE

Please see endnotes at back of brochure.

CAPABILITY

YOU CAN RECONFIGURE ITS SEATS, DRIVETRAIN AND EVEN ITS AMBIENT LIGHTING TO SUIT YOUR MOOD. THE GLA TAKES SUV VERSATILITY TO SOME NEW DIMENSIONS.

Standard **DYNAMIC SELECT** fine-tunes the throttle, 7-speed shift points and more—from ECO to Sport—with just the push of a dashboard button or twist of a console knob.

MULTICOLOR AMBIENT LIGHTING lets you accent the cabin in any of 12 hues.* The giant power Panorama roof* can bring the sun, stars and breezes to all five seats.

HIGHLIGHTS

2.0L inline-4 turbo engine, 208 hp (GLA 250) or 375 hp (GLA 45)

Variable-torque 4MATIC® all-wheel drive* or AMG Performance 4MATIC

DYNAMIC SELECT driving modes from ECO to Sport, plus a custom Individual program you can set up

Off-Road display, driving mode, and Downhill Speed Regulation (DSR)⁴ (GLA 250 4MATIC)

60/40 split-folding seats, for up to 43.6 cu ft of carpeted cargo room⁵

*Optional or not available on some models. Please see back of brochure.

LUXURY

POWER FRONT SEATS let you fine-tune your lumbar and thigh support. Sport seats—standard on the GLA 45 and included with the GLA 250's leather*—feature integrated head restraints with LED downlighting underneath.

STYLISH TRIM OPTIONS let you adorn the winglike dash with satin or matte wood, or sleek aluminum. AMG exclusives include genuine carbon fiber or black DINAMICA—a rich fabric with the look and feel of suede.

HIGHLIGHTS

Power front seats with memory

60/40-split folding rear seats⁵ with center armrest and cupholders

Sport seats* or AMG Performance front seats,* both with racing-style integrated head restraints

Dual-zone climate control with dust/pollen and activated charcoal filters, aircraft-style dash vents with metallic rings, and rear-cabin air vents

Amber or 12-color* LED ambient lighting including head restraints

Heated front seats*

KEYLESS-GO® with HANDS-FREE ACCESS foot-activated liftgate*

Hand-fitted MB-Tex, DINAMICA microsuede* or leather* upholstery

THOUGH IT'S MINIMIZED ON THE OUTSIDE, THE GLA CABIN IS IN NO WAY MINIMALISTIC. LUXURY IS STANDARD, AND AIMS TO SET A STANDARD FOR THOUGHTFULNESS.

*Optional or not available on some models.
Please see back of brochure.

FROM THE ENGINEERS WHO HAVE PIONEERED COUNTLESS SUV SAFETY BREAKTHROUGHS, THE GLA'S ADVANCED TECH LOOKS OUT FOR YOU BY LOOKING AHEAD.

Standard **RADAR AND CAMERA** systems keep a virtual eye on the road ahead, and help you back up more safely. Radar-based Active Brake Assist can help mitigate forward collisions.⁶ Active steering guidelines enhance the standard rearview camera.⁷

The GLA is available with **ADVANCED DRIVER ASSISTS** to help make driving less stressful, from stop-and-go traffic to changing lanes, and in open-road cruising or tight parking.⁸ The multicamera Surround View System offers a "birdseye" view.⁷

HIGHLIGHTS

Standard Radar-based Active Brake Assist, rearview camera, and **ATTENTION ASSIST**[®] driver drowsiness detection⁹

Parking Assistance Package* including hands-free Active Parking Assist and Surround View System

Driver Assistance Package* with Active Distance Assist **DISTRONIC**[®] cruise control¹⁰ and Lane Keeping Assist⁹

Blind Spot Assist^{*11}

WHETHER KEEPING YOU CONNECTED OR HELPING YOU GET AWAY FROM IT ALL, CONTROL IS AT YOUR FINGERTIPS, OR AS CLOSE AS YOUR VOICE.

An intuitive click-turn controller on the console and **8" SCREEN** with animated menus make it easy to access audio and comfort settings. Two navigation¹² options are available: **COMAND** with an advanced voice control system, or **Garmin's MAP PILOT**.

From standard **HD Radio**[®] stations and **Bluetooth**[®] audio streaming, to available nationwide **SiriusXM Radio**¹³ and global **TuneIn Radio**,¹⁴ an available **harman/kardon** surround sound brings them to life. In-car WiFi is available via *Mercedes me connect*.²

HIGHLIGHTS

8" display with central controller

Hands-free Bluetooth,[®] dual USB ports, and an SD card reader

COMAND[®] navigation and voice control with learning feature,^{*} or accessory **Garmin MAP PILOT**[®] SD card-based navigation

Apple CarPlay[™] and Android Auto^{*3}

450-watt **harman/kardon LOGIC7**[®] surround sound system^{*}

PREMIUM PACKAGE

Blind Spot Assist

Heated front seats

SiriusXM Radio¹³ with a 6-month "All Access" trial (includes app and online)

KEYLESS-GO[®] with HANDS-FREE ACCESS for the power liftgate

(All items standard on AMG GLA 45)

AMG INTERIOR PACKAGES

AMG "Red Cut" Exclusive Package:
Black "Red Cut" leather upholstery,
designo Red seat belts

AMG DINAMICA Interior Package:
AMG DINAMICA Performance steering wheel, AMG Black DINAMICA dash trim

(Available on AMG GLA 45 only)

AMG AERODYNAMICS PACKAGE

AMG Gloss Black rear wing spoiler
(also available separately)

Larger front splitter in Gloss Black

Front apron flics in Gloss Black

(Available on AMG GLA 45 only)

**SMARTLY GROUPED OPTIONS
MAKE IT EASY TO CREATE A
GLA TO SUIT YOUR STYLE AND
FIT YOUR LIFE PERFECTLY.**

While every GLA is generously outfitted, a wide variety of options lets you heighten its functionality, further sharpen its looks, and make it even more fun to drive. The most popular options are grouped into easy-order packages, some of which are shown here. With just a few steps, they let you configure a GLA that easily satisfies your must-haves and indulges your wish list.

Package contents and standard equipment vary by model. See page 25 for full list of options and packages.

PACKAGES

It takes ingenuity to fit so much into a compact package, but if anyone is well-known for that, it's Mercedes-Benz engineers. The GLA 250's engine matches turbocharged response with 4-cylinder efficiency. The 7-speed transmission features a racing-inspired dual-clutch design but no clutch pedal—it's an automatic that you can paddle-shift whenever you're in a manual mood. The available 4MATIC® all-wheel drive sends torque to the rear wheels in precise response to driving conditions.¹⁵ The standard leather-wrapped steering wheel puts you in charge of a sporty chassis and a long list of conveniences, from hands-free Bluetooth® to a multifunction display between the gauges. A turn-and-click controller on the console and 8" screen bring you a world of entertainment, customizable settings and two navigation options.¹² Add in its refined appointments, and you have an SUV with a luxurious soul and the heart of a sports car. In other words, a Mercedes-Benz. The GLA is not just cleverly packaged. It's the whole package.

With 208 hp and 258 lb-ft of torque, the **2.0L INLINE-4 TURBO** engine delivers big thrust without big-engine thirst. State-of-the-art Direct Injection and multispark ignition self-tune every few milliseconds, to help keep performance at its peak.

Standard **OFF-ROAD ENGINEERING** for the GLA 250 4MATIC includes a one-touch driving mode for rugged terrain, and Downhill Speed Regulation to maintain a preset "crawl speed."⁴ A graphic display can show your steering angle, tilt, incline grade, and more on the central screen.

Five different **18" OR 19" WHEELS** are available.¹ Choose either of two 18" styles at no charge. The 19" options include two AMG® multispoke designs—silver with grey inlays for the AMG Line Exterior, or bold black spokes as part of the Night Package.

**HOW MUCH YOU CAN
GET INTO A GLA MAKES
IT A PRACTICAL SUV.
THE DRIVING FUN AND
SATISFACTION YOU'LL
GET OUT OF IT MAKE IT
A MERCEDES-BENZ SUV.**

Please see endnotes at back of brochure.

**AN UNBEATEN
TRACK OF A
DIFFERENT KIND**

WITH THE MOST POWERFUL 4-CYLINDER IN PRODUCTION, THE 375-HP AMG GLA 45 HAS THE WILL AND THE WILES TO LEAVE OTHERS IN ITS DUST.

CLASS-LEADING turbo boost (26.1 psi) and torque-vectoring AMG Performance 4MATIC® apply the power of its handcrafted engine via all four of its standard 20" wheels! The GLA 45 can run 0-60 in 4.3 seconds.¹⁶

The **AMG DYNAMIC PLUS PACKAGE** sharpens the agile sport suspension to a track-tuned edge with multimode AMG RIDE CONTROL—also available on its own—and a limited-slip front differential. Additional performance options include aero enhancements, an active exhaust, racing-style front seats, and a steering wheel with side grips clad in DINAMICA microsuede.

Please see endnotes at back of brochure.

THE VALUE OF THE DIFFERENCE

Getting a new Mercedes-Benz may be a dream come true. But from the vehicle and its features to the company and its people, Mercedes-Benz aims to make every experience special—now, and for many miles down the road.

MERCEDES ME CONNECT

More than a smartphone app with remote vehicle features, *Mercedes me connect* helps make your life easier, from the everyday to an emergency, and countless ways in between.² To learn more, visit MBUSA.com/mercedesme

THE PERKS BEHIND THE STAR

The Star on the front of your Mercedes-Benz is also a symbol of the treatment you can expect when you're part of the family. It starts at your Mercedes-Benz dealer, where your sales and service teams are equipped to take the best care of your vehicle, and eager to take the best care of you. But you're part of a much bigger world of Mercedes-Benz, too—from special events, offers and partnerships, to exclusive perks for AMG owners like an online "lounge" and the AMG Driving Academy.

GENUINE ACCESSORIES

Genuine Mercedes-Benz Accessories let you personalize your vehicle beyond its factory equipment. A range of items let you enhance its convenience, versatility, or appearance—all without compromising its legendary quality, safety or style.

From the Illuminated Star to carbon-style mirrors, they're stylish. Whether helping you manage cargo, enjoy your electronic devices, or protect your car's finishes, they're functional. And they all fit like they're engineered for your car. Because they are. To see the line of accessories for your vehicle, visit MBUSA.com/accessories

EASE OF SERVICE

Your Mercedes-Benz dealer makes it easy to keep your vehicle at its peak of performance. Thanks to *Mercedes me assist*,² so does your car. It can alert your dealer when maintenance is due, send diagnostic info, and even have its software updated over the air.

ROADSIDE ASSISTANCE

The original manufacturer-provided Roadside Assistance Program is just a phone call or in-car button's push away, 24/7, to anyone driving your Mercedes-Benz. From a jump start to a tow to expert attention even before they arrive, the original still puts you first.²⁰

ENDNOTES

* Item is optional or not available on some models. See Packages and Options listing in this brochure or visit MBUSA.com for more information.
 1 Lower-aspect-ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions.
 2 All *Mercedes me* services operate only where cellular and GPS signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. *Mercedes me connect Assist* Services, and 3 years of *Mercedes me connect* services are included at no additional charge with new-vehicle sales and leases at an authorized Mercedes-Benz dealer. Models with COMAND[®] navigation also include 1 year of Concierge Service, and a 1-month trial (up to 1GB) of in-vehicle WiFi and streaming audio. Subscriber Agreement is required for service to be active. Some services are only available on select vehicles. Your PIN is required to use certain services. Connection may be limited by cellular signal and other factors. Features may be introduced and updated at varying dates, and may also require a vehicle software update. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. The *Mercedes me* Mobile App is compatible with Apple iPhone[®] models and Android-based phones, and may require a software update. See your dealer or MBUSA.com/mercedesme for details.
 3 Apple CarPlay[™] is a product of Apple Inc. Android Auto is a product of Google Inc. Device and app providers' terms and privacy statements apply. Requires connected compatible device and data plan. Apps, content and features are selected solely by their providers. Connection to apps and streaming services may be limited by the device's network connection. Data usage is routed through device and subject to fees, charges and restrictions in user's wireless plan. Vehicle's factory audio/information interface, including COMAND[®] navigation, may not be used simultaneously with Apple CarPlay or

Android Auto. When Apple CarPlay or Android Auto is in use, the steering-wheel voice control button accesses Siri[®] or Google voice recognition software for voice commands.
 4 Off-road driving should only be attempted by drivers with the necessary skill, experience and understanding of the vehicle's limits. Read Operator's Manual before driving off-road or in deep water.
 5 Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-downs.
 6 Active Brake Assist may not be sufficient to avoid an accident. It does not react to certain stationary or suddenly moving objects or pedestrians, may not react in certain situations where objects cannot be clearly identified, nor does it recognize or predict the curvature and/or lane layout of the road or every movement of vehicles and pedestrians ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. See Operator's Manual for system operating speeds and additional information and warnings.
 7 Rearview camera and Surround View System do not audibly notify driver of nearby objects and are not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice or snow on the cameras.
 8 Parking assistance systems are not substitutes for driver attention to the immediate surroundings, as well as any people, animals or vehicles in or approaching the vehicle's maneuvering range. System cannot determine if a space is legally available or of a suitable surface for parking. See Operator's Manual for additional information, tips and warnings.
 9 Driving while drowsy or distracted is dangerous and must be avoided. ATTENTION ASSIST[®] and Lane Keeping Assist are warning systems only. They may not be sufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury. See Operator's Manual for system's operating speeds and additional information and warnings.

10 Active Distance Assist DISTRONIC[®] is not a substitute for active driving involvement. It does not adapt cruising speed in response to stationary objects, nor does it predict the curvature and lane layout of the road ahead or the movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. See Operator's Manual for system operating speeds and additional information and warnings.
 11 Blind Spot Assist is a warning system only, and may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It must not be used as a substitute for driver awareness and checking of surrounding traffic conditions. See Operator's Manual for system's operating speeds and additional information and warnings.
 12 While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area.
 13 The purchase of a new, satellite radio-enabled vehicle includes a 6-month introductory subscription to the Sirius All Access package, as well as a 5-year introductory subscription to SiriusXM Traffic and SiriusXM Weather when equipped with Multimedia Package. SiriusXM Traffic and Weather services are available for select markets. SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Weather subscriptions are sold separately or as a package after trial period. If you decide to continue your subscription after your trial, the plan you choose will automatically renew and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.

14 Requires *Mercedes me connect* In-car WiFi, plus Multimedia Package.
 15 No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires.
 16 Stated rates of acceleration are estimated based upon manufacturer's track results and may vary depending on model, environmental and road surface conditions, driving style, elevation and vehicle load.
 17 When equipped with Multimedia Package, the compass is replaced by the navigation system.
 18 Deleted from package and package price adjusted if ordered in combination with Convenience Package on GLA250 models.
 19 Obey local speed and traffic laws.
 20 Roadside Assistance repairs may involve charges for parts, service and towing. Vehicle must be accessible from main roads. Depending on the circumstance, these services may be provided by an outside provider, courtesy of Mercedes-Benz Roadside Assistance. Restricted roadways, acts of nature and vehicle accessibility may limit our ability to provide services to you. For full details, eligibility requirements, and limitations/exclusions of Sign and Drive services, as well as the Roadside Assistance Program, please see your dealer.
