The rewards of striving to be the best are even more meaningful in the development of our youth than they are in automobiles. That's why Mercedes-Benz USA is committed to educating and empowering the next generation of diverse leaders. To help equip them with the tools for success, MBUSA partners with two national organizations that invest in the futures of young people in communities across the country. As a Mercedes-Benz driver, you become a part of this effort to give hundreds of thousands of youth a better life today, and all of us a brighter tomorrow. *Learn more about how Mercedes-Benz USA gives back at MBUSA.com/community*

A nationwide network of youth sports programs, Laureus Sport for Good USA is focused on improving the health, education, employment and social cohesion of youth in underserved communities. Since 2012, Laureus USA has helped nearly half a million young people in 150 cities, and has supported the training of more than 8,000 coaches who serve as mentors in their communities. *To learn more, visit laureususa.com*

JOHNNY MAC SOLDIERS FUND

Johnny Mac Soldiers Fund helps to honor military service and sacrifice by providing scholarships to veterans and military family members, particularly the children of our nation's fallen and disabled. Since 2014, Johnny Mac has awarded over \$7.5 million in scholarships to more than 1,000 students. *To learn more, visit johnnymac.org*

SLC

2019

Mercedes-Benz

2019 — SLC

In a world of SUVs, ridesharing and automation, is there still a place for a sports car? For those who refuse to classify driving as a task, more than ever. The pure thrill of an open roadster is something you can't summon with an app or delegate to a robot overlord. Is it living in the past? When you've got the racing legacies of Mercedes-Benz and AMG, history is something you keep making—not a laurel to rest upon. In an SLC, you get to accelerate the timeless joy of a two-seater into the future. Power down the top. Wind up the turbo torque. And revel in the sensations you can only feel in a roadster: Embracing the road while you touch the sky. Reminding yourself that driving is not only a sport—it's an outdoor sport. And even though the SLC can become a sleek, snug and starlit coupe in seconds, and even though it's technologically advanced and luxuriously appointed, it remains a pure sports car in its body. In its racing soul. And most of all, in your heart.

SLC 300 ROADSTER AMG SLC 43 ROADSTER

NOTHING LETS YOU TAKE TO THE ROAD AND TAKE IN THE SKY LIKE A SPORTS CAR. AND FROM ITS TURBO POWER TO ITS POWER TOP, NO ROADSTER OPENS THEM UP LIKE AN SLC.

Key Features	04
Model Overview	07

KEY

PERFORMANCE

Inline-4 turbo or AMG-enhanced V6 biturbo power

Paddle-shifted 9G-TRONIC 9-speed or AMG SPEEDSHIFT® TCT 9-speed

DYNAMIC SELECT drive modes

Sport exhaust system

Torque Vectoring Brake

Sport or adjustable-damping* suspension (SLC300)

AMG or adjustable-damping AMG RIDE CONTROL* Sport Suspension (AMG SLC43)

DESIGN

17" or 18" alloy wheels in no fewer than four designs¹

Power-retractable Panorama roof

Diamond-block grille, with black or chrome* pins

LED headlamps* and taillamps

AMG Line Exterior* and Night Package* (SLC300)

AMG Performance Studio RedArt Package and AMG Night Package* (AMG SLC43)

More than two dozen leather colors*

SAFETY

Driver Assistance Package* including Active Distance Assist DISTRONIC®, Lane Keeping Assist, and PRE-SAFE®

Blind Spot Assist*

High-strength body with dual fiber-reinforced roll bars

Radar-based Active Brake Assist collision mitigation

ATTENTION ASSIST®

Mercedes-Benz Emergency Call

Rearview camera

LUXURY

Heated seats with AIRSCARF® neck-level heating*

Twin power sport seats, each with 3-position memory

4-way power steering column, included in driver-seat memory

Digital dual-zone climate control*

Panorama roof or variable-tint MAGIC SKY CONTROL®*

Multicolor LED ambient lighting*

harman/kardon® surround sound*

TECHNOLOGY

Multifunction sport steering wheel

7" color screen and rotary central controller

COMAND® navigation or Garmin MAP PILOT®**

Apple CarPlay™ and Android Auto*

Mercedes me connect featuring smartphone app, remote vehicle features, 4G LTE WiFi,* and more²

KEYLESS-GO® with infrared-remote power top operation*

PARKTRONIC*

FEATURES

*Optional or not available on some models. Please see features and endnotes at back of brochure.

WINNING

THE SLC IS BORN TO ONE OF THE MOST BELOVED FAMILIES OF SPORTS CARS IN HISTORY. AND A FAMILY THAT'S MADE MOTORSPORTS HISTORY ON THE WORLD'S GREAT TRACKS.

PRECISE calibration and rigid construction team up to make an SLC feel agile, solid and secure. Whether you're experiencing the crisp feedback of its controls or marveling at the acrobatic moves of its retractable top, the SLC carries on a legacy that, above all, endures.

PLAYFUL spirit comes from the harmony of charisma and character. Advanced performance, safety and luxury features are encased in careful craftsmanship, timeless design, and an abundance of choice—from wheels to styling packages to 24 shades of supple Nappa leather.

SLC MODELS

SLC 300 Roadster
241-hp inline-4 turbo
9G-TRONIC 9-speed
Staggered-width 17" wheels¹

AMG SLC 43 Roadster
AMG-enhanced 385-hp V6 biturbo
AMG SPEEDSHIFT[®] TCT 9-speed
Staggered-width 18" AMG[®] wheels¹

FORMULA

¹Please see endnotes at back of brochure.

PERFORMANCE

PRECISION, POWER AND PATENTED INNOVATIONS TURN ENGINEERING INTO EMOTION – WHETHER YOU’RE GRAZING THE REDLINE OR CRUISING INTO THE SUNSET.

TURBOCHARGING teams with advanced Direct Injection and rapid-multispark ignition to boost power, torque and efficiency. The AMG SLC 43 is updated to 385 hp for 2019.

DYNAMIC SELECT varies the shift points, engine sound, damping* and more with one button. Drive modes include Comfort, Sport+, and an Individual program you can customize.

HIGHLIGHTS

Inline-4 turbo or AMG-enhanced biturbo V6 power

Paddle-shifted 9-speed (SLC 300) or AMG SPEEDSHIFT® TCT 9-speed (SLC 43) transmission

4-wheel multilink suspension, sport-tuned or with adjustable damping (SLC 300)

AMG Sport Suspension, or AMG RIDE CONTROL with adjustable damping (SLC 43)

DYNAMIC SELECT drive modes

*Optional or not available on some models. Please see back of brochure.

AIRSCARF® can envelop your shoulders and neck in warmed air, extending the season for top-down driving. An innovative treatment of the leather upholstery* helps fend off the sunlight, enhancing comfort and durability.

The power **PANORAMA ROOF** retracts in under 20 seconds, even at speeds to 25 mph. Top-up, a tinted panel brings in the sky while the spacious trunk lets you bring 10.1 cu ft of luggage. Over 60% of that remains top-down.

HIGHLIGHTS

Twin power sport seats with memory

Heated seats with AIRSCARF*

Dual-zone climate control with dust/pollen/activated charcoal filtration*

See-through mesh windblocker

Flat-bottom steering wheel hand-stitched in Nappa leather, or with DINAMICA microsuede side grips*

Hand-fitted upholstery in MB-TEX, leather,* Nappa leather,* or *designo* Nappa leather in 10 solid colors and 9 two-tones*

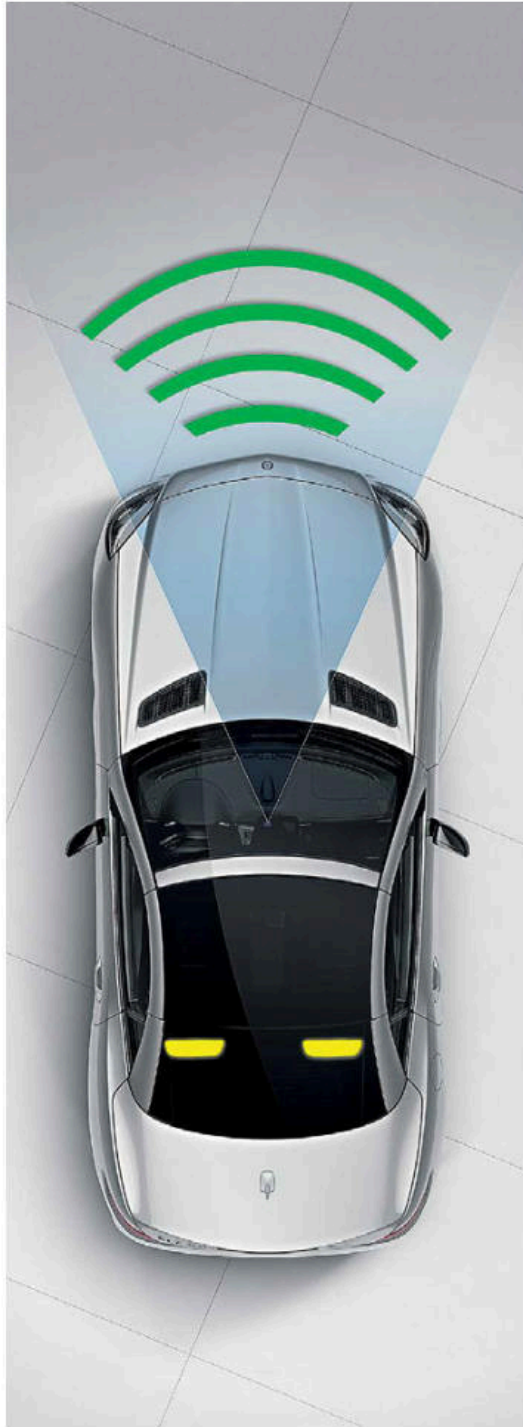

Four choices in cabin trim, from sleek aluminum to *designo* piano lacquer* or AMG Carbon Fiber*

KEYLESS-GO® with remote hardtop operation from outside the vehicle*

*Optional or not available on some models. Please see back of brochure.

AN SLC ISN'T DESIGNED JUST TO TRANSPORT YOU BUT TRANSFORM YOU. IT CAN BRING YOU THE SUN AND STARS, AND TURN A CHILLY EVENING INTO A TOP-DOWN DREAM DATE.

ON THE ROAD OR THE RACETRACK, SAFETY IS A KEY COMPONENT OF PERFORMANCE. WITH A VIRTUAL EYE AND REAL ACTION, AN SLC LOOKS OUT FOR YOUR FUTURE.

Standard **RADAR AND CAMERA** systems keep a virtual eye on the road ahead, and help you back up more safely. Radar-based Active Brake Assist can alert you if you're closing in too quickly on a vehicle ahead, and even initiate braking if you don't react.³

Advanced **DRIVER ASSISTS*** help you negotiate city streets, traffic (even stop-and-go), blind spots, and lane changes. Engineered as a roadster from the ground up, its high-strength body integrates dual micro-alloy steel roll bars behind each seat.⁴

HIGHLIGHTS

- Radar-based Active Brake Assist
- Dual roll bars
- Rearview camera⁵
- Blind Spot Assist⁶
- Driver Assistance Package* with Active Distance Assist DISTRONIC,⁷ PRE-SAFE[®] collision preparation,⁸ and Lane Keeping Assist⁹
- NECK-PRO[®] active head restraints

WHETHER KEEPING YOU CONNECTED OR HELPING YOU GET AWAY FROM IT ALL, CONTROL IS AT YOUR FINGERTIPS, OR AS CLOSE AS YOUR VOICE.

An intuitive click-turn controller on the console and **7" SCREEN** with animated menus make it easy to access audio and comfort settings. COMAND[®] navigation,¹⁰ Apple CarPlay[™] and Android Auto^{*11} each offer their own interfaces and voice control.

From standard HD Radio[®] stations and Bluetooth[®] audio streaming, to available nationwide SiriusXM Radio¹² and global TuneIn Radio,¹³ you can fill the air with available harman/kardon[®] surround sound. It "listens" to ambient noise and adapts automatically.

HIGHLIGHTS

- Central controller with 7" display
- COMAND[®] navigation or SD card-based Garmin MAP PILOT^{®*}
- Apple CarPlay[™] and Android Auto^{*}
- 500-watt harman/kardon LOGIC7[®] surround sound system^{*}
- Active LED headlamps with Adaptive Highbeam Assist^{*}
- Multicolor LED ambient lighting^{*}

SLC 300 EXTERIOR PACKAGES

Exterior Lighting Package: Active LED headlamps, Adaptive Highbeam Assist (standard on AMG SLC 43)

AMG Line Exterior (SLC 300): AMG body styling, 18" AMG® multispoke wheels, chrome-tipped diamond-block grille, galvanized shift paddles

AMG HANDLING PACKAGE

AMG RIDE CONTROL Sport Suspension, AMG limited-slip differential, red brake calipers, additional engine water cooler

AMG Nappa/DINAMICA Performance steering wheel

IWC® "Ingenieur" dashtop analog clock

(Package available on SLC 43 only)

SLC 43 STYLING PACKAGES

AMG Night Package: Gloss Black front air-dam elements, fender-vent trim and rear diffuser; black chrome tailpipes

AMG Performance Studio RedArt Package: AMG Performance Studio RedArt exterior and interior styling, black 18" AMG 10-spoke wheels with red accents, red brake calipers

**CAREFULLY CURATED OPTIONS
LET YOU MAKE YOUR SLC A
PERFECT FIT FOR THE WAY
YOU LIVE AND LOVE TO DRIVE.**

While the SLC roadsters are generously outfitted and stylishly appointed in standard form, an array of options helps you tailor yours to fit your needs, desires and driving style. Many popular options are grouped into easy-order packages—some shown here—that let you select entire collections of conveniences or suites of styling cues to suit your wishes in a single step.

Package contents and standard equipment vary by model. See page 25 for full list of options and packages.

PACKAGES

To truly experience the magic of a sports car, you have to put the top down. Or not. The SLC 300 has some magic of its own that transcends the classic roadster formula while fully honoring it. Its power hardtop integrates a tinted polycarbonate panel so you can welcome the sun while rejecting its harshness. Its cockpit wraps advanced tech in timeless style, like aluminum vent rings flanking a 7" color display that stays vivid in sunlight. Or an electronic transmission selector that's a sculpture of aluminum and leather. Shift paddles on the flat-bottom steering wheel put nine speeds at your fingertips, letting you revel in the revs and the intoxicating sounds of 241 turbo-fed horses. And while the iconic grille and muscular shoulders give the SLC perfect proportions when the top is stowed, its stylishness doesn't vanish when the top reappears. Unlike many retractable hardtops, the SLC's sleek profile and minimized body seams mean it's equally elegant as a coupe or a roadster. You don't have to choose between road and sky in an SLC. You just have to love being between them.

The standard **SPORT SUSPENSION** is a sprightly, slightly lowered 4-wheel multilink design that's acclaimed for its balance of precise control and a poised ride. Optional electronically controlled shock absorbers adapt to conditions or let you adjust them.

The **PREMIUM PACKAGE** enhances the SLC in every season: Heated seats feature AIRSCARF.® KEYLESS-GO® adds remote operation of the power hardtop. Dual-zone climate control and SiriusXM Radio¹² add comfort and joy to any drive. And Blind Spot Assist helps smooth any journey.⁶

Available **MAGIC SKY CONTROL**® is an innovative enhancement of the Panorama roof. Magnetic particles in the glass panel line up when electricity is applied, to make the roof transparent. Switch the feature off and they scatter, darkening the panel.

**BLUE SKY AND BLACKTOP.
TURBO-FED POWER AND
A SUN-FUELED BREEZE.
YOU AND YOUR FAVORITE
PASSENGER. YOU AND
YOUR SLC. SOME PAIRINGS
ARE SIMPLY PERFECT.**

Please see endnotes at back of brochure.

**BORN ON THE
RIGHT SIDE
OF THE TRACK**

AMG
DRIVING PERFORMANCE

WITH A DEEP INFUSION OF AMG TECHNOLOGIES PROVEN IN MOTORSPORTS, THE SLC 43 IS BORN TO A RACING LEGACY AND RAISED TO 385 HP.

AMG ENHANCEMENTS to its biturbo V6 raise boost and cut friction for increased output of 385 hp. An AMG SPEEDSHIFT® TCT 9-speed reacts more quickly in the paddle-shifted Manual mode of AMG DYNAMIC SELECT.

AMG STYLE is backed up by AMG substance, with an exclusive suspension, sizable perforated brakes, and an active exhaust. The AMG Handling Package includes a limited-slip diff, red brake calipers, variable-damping AMG RIDE CONTROL, a steering wheel with DINAMICA microsuede side grips, and a dashtop clock modeled after the legendary IWC® "Ingenieur" sports watch.

Please see endnotes at back of brochure.

THE VALUE OF THE DIFFERENCE

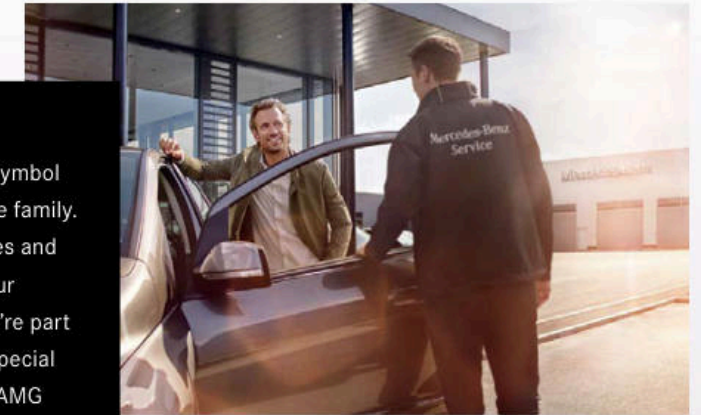

Getting a new Mercedes-Benz may be a dream come true. But from the vehicle and its features to the company and its people, Mercedes-Benz aims to make every experience special—now, and for many miles down the road.

MERCEDES ME CONNECT

More than a smartphone app with remote vehicle controls, *Mercedes me connect* helps make your life easier, from the everyday to an emergency, and countless ways in between.² To learn more, visit MBUSA.com/mercedesme

**THE PERKS BEHIND THE STAR**

The Star on the front of your Mercedes-Benz is also a symbol of the treatment you can expect when you're part of the family. It starts at your Mercedes-Benz dealer, where your sales and service teams are equipped to take the best care of your vehicle, and eager to take the best care of you. But you're part of a much bigger world of Mercedes-Benz, too—from special events, offers and partnerships, to exclusive perks for AMG owners like an online "lounge" and the AMG Driving Academy.

**GENUINE ACCESSORIES**

Genuine Mercedes-Benz Accessories let you personalize your vehicle beyond its factory equipment. A range of items let you enhance its convenience, versatility, or appearance—all without compromising its legendary quality, safety or style.

From wheels to backlit door sills, they're stylish. Whether helping you manage cargo, find your way, enjoy your electronic devices, or protect your car's finishes, they're functional. And they all fit like they're made for your car. Because they are. To see the line of accessories for your vehicle, visit MBUSA.com/accessories

**EASE OF SERVICE**

Your Mercedes-Benz dealer makes it easy to keep your vehicle at its peak of performance. Thanks to *Mercedes me assist*,² so does your car. It can alert your dealer when maintenance is due, send diagnostic info, and even have its software updated over the air.

ROADSIDE ASSISTANCE

The original manufacturer-provided Roadside Assistance Program is just a phone call or in-car button's push away, 24/7, to anyone driving your Mercedes-Benz. From a jump start to a tow to expert attention even before they arrive, the original still puts you first.¹⁶

**ENDNOTES**

- * Item is optional or not available on some models. See Packages and Options listing in this brochure or visit MBUSA.com for more information.
- Lower-aspect-ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions. SLC models are not provided with a spare tire.
 - All *Mercedes me* services operate only where cellular and GPS signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. *Mercedes me connect* Assist Services, and 3 years of *Mercedes me connect* services are included at no additional charge with new-vehicle sales and leases at an authorized Mercedes-Benz dealer. Models with COMAND[®] navigation also include 1 year of Concierge Service, and a 1-month trial (up to 1GB) of in-vehicle WiFi and streaming audio. Subscriber Agreement is required for service to be active. Some services are only available on select vehicles. Your PIN is required to use certain services. Connection may be limited by cellular signal and other factors. Features may be introduced and updated at varying dates, and may also require a vehicle software update. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. The *Mercedes me* Mobile App is compatible with Apple iPhone[®] models and Android-based phones, and may require a software update. See your dealer or MBUSA.com/mercedesme for details.
 - Active Brake Assist may not be sufficient to avoid an accident. It does not react to certain stationary or suddenly moving objects or pedestrians, may not react in certain situations where objects cannot be clearly identified, nor does it recognize or predict the curvature and/or lane layout of the road or every movement of vehicles and pedestrians ahead. It is the driver's responsibility at all times to be attentive

- to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. See Operator's Manual for system operating speeds and additional information and warnings.
- The roll bar system is designed to enhance the level of rollover protection compared to a vehicle without one. No system, regardless of how advanced, can eliminate the chance of injury in an accident. Please always wear your seat belt.
 - Rearview camera does not audibly notify driver of nearby objects and is not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice or snow on the camera.
 - Blind Spot Assist is a warning system only, may not be sufficient to avoid all accidents involving vehicles in your blind spot, and does not estimate the speed of approaching vehicles. It must not be used as a substitute for driver awareness and checking of surrounding traffic conditions. See Operator's Manual for system's operating speeds and additional information and warnings.
 - Active Distance Assist DISTRONIC[®] cruise control is not a substitute for active driving involvement. It does not adapt cruising speed in response to stationary objects, nor does it predict the curvature and lane layout of the road ahead or the movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely.
 - PRE-SAFE[®] closes the front side windows when the system's sensors detect side movements that suggest a possible rollover or side impact. A small gap is left near the fully closed position.
 - Driving while drowsy or distracted is dangerous and must be avoided. ATTENTION ASSIST[®] and Lane Keeping Assist are warning systems only, may be insufficient to alert a fatigued or distracted driver of

- lane drift, and cannot be relied on to avoid an accident or serious injury. See Operator's Manual for system's operating speeds and additional information and warnings.
- While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area.
 - Apple CarPlay[™] is a product of Apple Inc. Android Auto is a product of Google Inc. Device and app providers' terms and privacy statements apply. Requires connected compatible device and data plan. Apps, content and features are selected solely by their providers. Connection to apps and streaming services may be limited by the device's network connection. Data usage is routed through device and subject to fees, charges and restrictions in user's wireless plan. Vehicle's factory audio/information interface may not be used simultaneously with Apple CarPlay or Android Auto. When Apple CarPlay or Android Auto is in use, the steering-wheel voice control button accesses Siri[®] or Google voice recognition software for voice commands.
 - The purchase of a new, satellite radio-enabled vehicle includes a 6-month introductory subscription to the Sirius All Access package, as well as a 5-year introductory subscription to SiriusXM Traffic and SiriusXM Weather when equipped with the Multimedia Package. SiriusXM Traffic and Weather services are available for select markets. SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Weather subscriptions are sold separately or as a package after trial period. If you decide to continue your subscription after your trial, the plan you choose will automatically renew and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.
 - Requires *Mercedes me connect* In-car WiFi and Multimedia Package.

- Stated rates of acceleration are estimated based upon manufacturer's track results and may vary depending on model, environmental and road surface conditions, driving style, elevation and vehicle load.
- Parking assistance systems are not substitutes for driver attention to the immediate surroundings, as well as any people, animals or vehicles in or approaching the vehicle's maneuvering range. System cannot determine if a space is legally available or of a suitable surface for parking. See Operator's Manual for additional information, tips and warnings.
- Roadside Assistance repairs may involve charges for parts, service and towing. Vehicle must be accessible from main roads. Depending on the circumstance, these services may be provided by an outside provider, courtesy of Mercedes-Benz Roadside Assistance. Restricted roadways, acts of nature and vehicle accessibility may limit our ability to provide services to you. For full details, eligibility requirements, and limitations/exclusions of Sign and Drive services, as well as the Roadside Assistance Program, please see your dealer.
