10 YEARS OF CONFIDENCE

We stand behind what we build. Period.

Our vehicles are backed with a 10-year/100,000-mile Powertrain Limited Warranty,⁵ a 5-year/60,000-mile fully transferable New Vehicle Limited Warranty, a 7-year/100,000-mile Anti-Corrosion/Perforation Limited Warranty and 5-year/Unlimited Miles Roadside Assistance.

Like our cars, we intend to serve you well for many years to come with some of the most comprehensive warranties in the industry.

Drive your Ambition

(5) All coverage terms are from the original in-service dates and are applicable only to the original owner of new, retailed models purchased from an authorized Mitsubishi dealer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5 years/60,000 miles. See retailer for limited warranty and roadside assistance terms and conditions. (6) Based on Model Year 2019 Fuel Economy Guide: <https://www.fueleconomy.gov/feg/pdfs/guides/FEG2019.pdf>

SMALL BATCH. BIG DEAL.

Double the style. Double the fun. The 2020 Mitsubishi Mirage and Mirage G4.

Sharp lines and expressive exterior colors. Improved technology and comfort. These are all the qualities you will find in the 2020 Mitsubishi Mirage and Mirage G4.

Don't let their size fool you. Both the Mirage and Mirage G4 offer flexible and functional cargo space without sacrificing passenger comfort. The Mirage G4 has room for anything from groceries to day trips with its spacious trunk size. Whatever your weekend has in store, the Mirage and Mirage G4 have the flexibility to get you there comfortably.

Safety is always a priority and the Mirage and Mirage G4 are no different. RISE body construction, Active Stability Control, 7 airbag safety system⁶ and a rearview camera are now standard on all Mirage models.

The 2020 Mirage and Mirage G4 were built with you in mind. Which will you go for?

CHOOSE YOUR ADVENTURE

DESIGN

The 2020 Mirage and Mirage G4 showcase sharp, distinct styles without sacrificing the practicality and efficiency you'd expect from a subcompact. Expect to turn heads with whichever model you choose.

STYLE

With expressive exterior colors, sleek alloy wheels and sharp lines, the 2020 Mirage and Mirage G4 boast big style in a small package. With adventure perpetually on the horizon, the view behind the wheel is always as stunning as where you're headed.

COLOR | MIRAGE

COLOR | MIRAGE G4

MIRAGE

The Mirage offers 4 trim levels, combining a stylish appearance with ample cargo space. Standard features on the Mirage include Remote Keyless Entry, 12V Power Outlet, a USB charging port, rearview camera and LED taillights.

ES | **LE** | **SE** | **GT**

MIRAGE G4

The Mirage G4 offers 3 trim levels, offering a balance of practicality, technology and size. While it may be a subcompact car, it's packed with many standard features, including a USB charging port, rearview camera and automatic climate control.

(3) Requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 5.0 Lollipop or higher. Google, Android, Android Auto, and other marks are trademarks of Google LLC. (4) Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, always wear your seat belt, sit upright in the middle of the seat, and do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear-facing infant restraint in the front seat. See your Owner's Manual and instructions provided with your child restraint for additional information.

PERFORMANCE

UNDER THE HOOD

The Mirage and Mirage G4 feature Mitsubishi Innovative Valve-timing Electronic Control (MIVEC) engines. The MIVEC 1.2-liter delivers a balanced 78 horsepower and 74 lb.-ft. of torque. Matched to our available CVT (Continuously Variable Transmission) or an easy-shifting 5-speed manual transmission, the Mirage G4 and Mirage provide smooth power with outstanding fuel efficiency.

FUEL ECONOMY

The 2020 Mirage is the most fuel-efficient non-hybrid compact car in America⁶. The Mirage's 1.2-liter MIVEC engine helps deliver a budget-savvy and fuel-efficient combined MPG rating of 39¹.

The 2020 Mirage G4 allows you to get more out of every mile. The Mirage G4's 1.2-liter MIVEC engine delivers a combined MPG rating of 37¹ when equipped with its available Continuously Variable Transmission (CVT).

SAFETY

RISE BODY CONSTRUCTION

Mitsubishi's Reinforced Impact Safety Evolution (RISE) body construction is engineered for maximum protection in the event of a collision. Our RISE body construction utilizes crumple zones that help route and absorb energy during high-impact collisions, a super-rigid rear occupant cell, reinforced side-impact doors and energy-absorbing materials in the side pillars. The Mirage and Mirage G4 are small but tough.

7 AIRBAG SAFETY SYSTEM

The Mirage and Mirage G4 offer seven standard airbags in total. Six are located in the front, including front-seat-mounted airbags and side-curtain airbags. The seventh is located underneath the driver's side dashboard and is designed to stabilize your lower body during certain frontal collisions, providing an extra level of protection when you need it.⁴

ACTIVE STABILITY CONTROL WITH TRACTION CONTROL LOGIC

Active Stability Control (ASC) with Traction Control Logic (TCL) helps you maintain control in adverse driving conditions and during emergency maneuvers. Utilizing a series of sensors that monitor the grip of each tire, the ASC communicates with the Anti-lock Braking System if a wheel begins to slip and can apply brakes to specific wheels to help your car track in the intended direction.

REARVIEW CAMERA

The moment you shift into reverse, the standard rearview camera system provides a wide-angle view behind the vehicle on the audio display screen, helping you safely back out of a driveway and making it easier to fit into tight parking spots.

TECHNOLOGY

FAST-KEY ENTRY WITH PUSH START BUTTON

Available FAST-Key (Free-hand Advanced Security Transmitter) makes vehicle entry easy. To unlock the doors, simply press the button on either front door or the tailgate. Starting the engine is also push-button easy with the keys tucked safely away in a pocket or purse.

SMARTPHONE-LINK DISPLAY AUDIO

The available 6.5-inch Smartphone-link Display Audio system is compatible with Apple CarPlay® and Android Auto™. Apple CarPlay® is the smarter, safer way to use your phone to access Apple Music® and Maps, send messages and make calls with Siri® or the car's touchscreen. Utilize Android Auto™ by pressing the Push To Talk button, allowing you to connect to Google and access all the most commonly used features on the Android™ platform, such as Google Play™ Music, Google Maps™ and Hangouts™.^{2,3}

COMFORT

AUTOMATIC CLIMATE CONTROL

This feature helps keep the cabin comfy by automatically controlling the temperature and fan speed, as well as the air source. Hot city streets or chilly mountain air, you'll be comfortable.
