Drive your Ambition

## 10 YEARS OF CONFIDENCE

We stand behind what we build. Period.

Our vehicles are backed with a 10-year/100,000-mile Powertrain Limited Warranty,<sup>7</sup> a 5-year/60,000-mile fully transferable New Vehicle Limited Warranty, a 7-year/100,000-mile Anti-Corrosion/Perforation Limited Warranty and 5-year/Unlimited Miles Roadside Assistance.

Like our cars, we intend to serve you well for many years to come with some of the most comprehensive warranties in the industry.

**MITSUBISHI  
MOTORS**

**Drive your Ambition**

(7) All coverage terms are from the original in-service dates and are applicable only to the original owner of new, retailed models purchased from an authorized Mitsubishi dealer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5 years/60,000 miles. See retailer for limited warranty and roadside assistance terms and conditions. (8) Standard on the SE and GT models. (9) SiriusXM® services require a subscription sold separately, or as a package, by SiriusXM® Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM® at 1-866-635-2349. See SiriusXM® Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Sirius®, XM®, SiriusXM® and all related marks and logos are trademarks of SiriusXM® Radio Inc.

## SMALL BATCH. BIG DEAL.

Redesigned, redefined and reimagined. The 2020 Mitsubishi Outlander Sport.

---

Bold form and rugged exterior styling. Sophisticated lighting. Improved technology and comfort. These are all the qualities you will find in the 2020 Mitsubishi Outlander Sport. We combined a versatile and meticulously crafted interior and award-winning safety features to bring you a vehicle ready for any adventure.

The low cargo floor, one-touch seat-release button, folding back seat and 60/40 split means cargo versatility. Whether you're loading up your gear for a weekend hike or heading to school with the kids, the Outlander Sport's flexibility will get you there comfortably.

Mitsubishi's Advanced Safety Features are now standard,<sup>a</sup> including Automatic High Beam, Forward Collision Mitigation with Pedestrian Detection, Blind Spot Warning with Lane Change Assist, Rear Cross Traffic Alert and Lane Departure Warning.

For more grip on the road, 2WD is standard across all models. For those who adventure on all terrains, the All-Wheel Control (AWC) offers exceptional traction and handling at the push of a button.

We built the 2020 Outlander Sport with adventure in mind. The rest of the story is up to you.

# CHOOSE YOUR ADVENTURE

## DESIGN

The 2020 Outlander Sport has been redesigned with adventure in mind. With several enhancements, like the rugged exterior styling and LED headlight/taillights, the standard for adventure has been redefined.

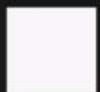

## STYLE

With a bold new exterior and feature-rich interior, the 2020 Outlander Sport blurs the line between function and form. With adventure perpetually on the horizon, the view behind the wheel is always as stunning as where you're headed.

(4) The Forward Collision Mitigation (FCM)/Pedestrian Detection (PD) system are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, the systems may not detect other vehicles and/or pedestrians correctly. (5) The Blind Spot Warning (BSW) system, Lane Change Assist (LCA) system, and Rear Cross Traffic Alert (RCTA) system are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, the systems may not detect other vehicles correctly. (6) The Lane Departure Warning (LDW) system is designed to read the lane marks under certain conditions. It is not a collision avoidance system and is not a substitute for safe and careful driving.

SE features **PLUS:**

- Black Roof Rails
- Auto-Dimming Rearview Mirror with Homelink<sup>®</sup>
- Soft-Touch Seating Surfaces
- Black Headliner and Pillars

**STEERING WHEEL VOICE RECOGNITION CONTROL**

## PERFORMANCE

### ALL-WHEEL CONTROL

Mitsubishi's revolutionary electronically controlled All-Wheel Control (AWC) system continually monitors the road. By intelligently transferring power to the wheels with the most traction, the Outlander Sport provides improved handling and performance. Through rain, snow and gravel, you can rely on All-Wheel Control to help keep your adventure on the right track.

### UNDER THE HOOD

The Outlander Sport offers two Mitsubishi Innovative Valve-timing Electronic Control (MIVEC) engines. The MIVEC 2.0-liter boasts a combination of 148 horsepower and 30 mpg highway,<sup>1</sup> while the GT model offers a 2.4-liter MIVEC engine that produces 168 horsepower at 6,000 rpm and 167 lb.-ft. of torque at 4,100 rpm.

### FUEL ECONOMY<sup>1</sup>

<b>24</b>	<b>30</b>	<b>27</b>
CITY	HIGHWAY	COMBINED

(1) EPA mileage estimate. Actual mileage may vary. Outlander Sport ES, ES Conv. Pkg, SP and SE 2.0 2WD are 24 city / 30 highway / 27 combined, and EPA mileage estimate for Outlander Sport ES, ES Conv. Pkg, SP and SE 2.0 AWC is 23 city / 29 highway / 26 combined. Outlander Sport GT 2.4 2WD is 23 city / 29 highway / 25 combined, and EPA mileage estimate for Outlander Sport GT 2.4 AWC is 23 city / 28 highway / 25 combined. (2) Apple CarPlay® and Siri® are trademarks of Apple Inc., registered in the U.S. and other countries. iPhone is a registered trademark of Apple Inc. (3) Requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 5.0 Lollipop or higher. Google, Android, Android Auto, and other marks are trademarks of Google LLC.

## **SAFETY**

### **LED LIGHTING**

The Outlander Sport's redesigned, sleek daytime running LED headlights and available LED fog lights offer better visibility when inclement weather descends. In fog, rain or snow, navigate safely with a clear view of the road ahead.

### **FORWARD COLLISION MITIGATION WITH PEDESTRIAN DETECTION**

The Forward Collision Mitigation with Pedestrian Detection (FCM) system utilizes radar and camera technology to determine if a frontal collision with a vehicle or pedestrian is imminent. If so, it warns the driver with audible and visual signals, and automatically applies moderate to emergency braking to reduce the severity of the collision and, if possible, prevent the collision.<sup>4</sup>

### **LANE DEPARTURE WARNING**

The Lane Departure Warning (LDW) system uses an onboard camera to monitor lane position in front of the vehicle and alert the driver audibly and visually if it detects the vehicle leaving its lane unintentionally.<sup>6</sup>

### **BLIND SPOT WARNING AND LANE CHANGE ASSIST**

Together, the Blind Spot Warning (BSW) and Lane Change Assist (LCA) systems alert you when a vehicle is in or approaching your blind spot. When a vehicle is traveling in the detection areas, a warning light will illuminate in the corresponding side mirror. If your turn signal is on, the warning light on the corresponding mirror will blink and the system will beep three times to alert you that it is unsafe to change lanes.<sup>5</sup>

### **REAR CROSS TRAFFIC ALERT**

The Rear Cross Traffic Alert (RCTA) system detects a vehicle approaching from either side while you're backing up. The warning lights on both side mirrors will blink, a buzzer will sound to alert you, and a warning message will appear on the information screen.<sup>5</sup>

## TECHNOLOGY

### FAST-KEY ENTRY WITH PUSH START BUTTON

Available FAST-Key (Free-hand Advanced Security Transmitter) makes vehicle entry easy. To unlock the doors, simply press the button on either front door or the tailgate. Starting the engine is also push-button easy with the keys tucked safely away in a pocket or purse.

### SMARTPHONE-LINK DISPLAY AUDIO

The new 8-inch HD Smartphone-link Display Audio system is compatible with Apple CarPlay® and Android Auto™. CarPlay® is the smarter, safer way to use your iPhone® to access Apple Music® and Maps, send messages and make calls with Siri® or the car's touchscreen. Utilize Android Auto™ by pressing the Push To Talk button, allowing you to talk to Google and access all the most commonly used features on the Android™ platform, such as Google Play Music, Google Maps and Hangouts.<sup>2,3</sup>

## COMFORT

### INTERIOR STYLING

The 2020 Outlander Sport balances its new bold exterior design with exceptional interior styling, featuring upscale seating fabrics, available heated front seats, redesigned HVAC controls, and more. Tackle your next adventure in comfort.
