

**Thumbs Off Your Phone While Driving!**

Every year, too many people die because we can't put our phones down while driving. That's why Nissan is supporting the Red Thumb Movement as part of our ongoing commitment to help reduce fatalities on the road. So paint your thumbnail red as a reminder not to pick up your phone when you're behind the wheel. Find out more at [NissanUSA.com/redthumb](http://NissanUSA.com/redthumb)

**LOOKING FOR MORE INFO?**

Go to [NissanUSA.com](http://NissanUSA.com), where you'll find a complete interactive digital brochure for every vehicle in our lineup. You'll get the full product story, enhanced with interactive demos and videos, plus an easy-to-use guide to trim levels, colors, accessories, and more. Or you can get the Interactive Brochure Hub and enjoy it on your tablet.

Available on the App Store\* and Google Play.\*

**ELECTRIFY YOUR** drive with all energy, no exhaust. Wake up fully charged, and get where you're going with swift power out of the gate. Change course: Take the scenic route, stay out longer with confidence. Embrace the future in America's best-selling fully electric vehicle.<sup>1</sup> Now with even longer range available.<sup>2</sup> The 2016 Nissan LEAF.<sup>®</sup> A whole new outlook on **LIFE.**

<sup>1</sup>Source of data: InsideEVs.com Cumulative Sales Data (December 2010—May 2015). <sup>2</sup>2016 Nissan LEAF<sup>®</sup> S trim EPA range is 84 miles. 2016 Nissan LEAF<sup>®</sup> SV and SL trim EPA range is 107 miles. Actual mileage may vary with driving conditions — use for comparison only.

Nissan LEAF<sup>®</sup> SL shown in Pearl White.

## STEP UP TO MORE RANGE THAN EVER.

LEAF® is all about progress. Now you can step up to a larger battery capacity with extra range.

**107 MILE RANGE<sup>1</sup>**

**30 kWh BATTERY**

SV and SL models.

**84 MILE RANGE<sup>1</sup>**

**24 kWh BATTERY**

S model.

Your home dock will be your primary charging station, but you've got options:

### Normal Charge – 240-volt charging dock:

LEAF® SV and SL charge in as little as 6 hours. S model, in about 8, or as little as 5 with the available S Charge Package.<sup>2</sup>

### Quick Charge – DC fast-charge station:

Available Quick Charge port lets you reach 80% charge in about 30 minutes.<sup>2</sup> Do your shopping, come back out, and you're good to go.

### Opportunity Charge – 110/120-V cable:

Every LEAF® comes with an opportunity-charge cable. The slowest way to go, but works in a pinch.<sup>3</sup>

### Public Charge Availability:

With approximately 22,000 public charging stations currently available, we're constantly working with government and private companies to expand private charging networks.

Download the free LEAF® EZ-Charge<sup>SM</sup> app to find a station near you.<sup>4</sup> Available in the iTunes® and Android app stores.

Watch how to get your home charging dock installed at [bit.ly/leafdock16](http://bit.ly/leafdock16)

<sup>1</sup>2016 Nissan LEAF® S trim EPA range is 84 miles. 2016 Nissan LEAF® SV and SL trim EPA range is 107 miles. Actual mileage may vary with driving conditions — use for comparison only.  
<sup>2</sup>Approximate time. Charge times may vary depending on temperature, age of battery, quick charger used, and other conditions. Quick Charge charging networks are third party owned, not within Nissan's control. Availability of charging stations not guaranteed. <sup>3</sup>Use only a 110 – 120 volt, 15-amp dedicated outlet for charging. <sup>4</sup>PlugShare® charging network is a third party not within Nissan's control. Availability/accessibility of charging stations is not guaranteed. PlugShare® is a registered trademark of Xatori, Inc. iTunes® is a registered trademark of Apple, Inc. All rights reserved.

## 100% TORQUE. INSTANT FUN.

Say "hello" to your seatback – Nissan LEAF®'s 100% torque off the line introduces you instantly. Its acceleration brings a fun, new kick to your everyday to-do list. And the LEAF®'s low center of gravity means curve-hugging and easy control in the driver's seat.

## THE PERKS YOU DESERVE.

Power up your LEAF® and you're greeted with high-tech features you'd expect from a vehicle this innovative, like the available Bose® sound system. Standard heated front seats keep you cozy, while available black leather-appointed seats are a sleek touch to top it off.

## TOOLS TO TAKE YOU FARTHER.

Drive more. Do more. The available NissanConnect<sup>SM</sup> EV and Zero Emissions menus help you manage your driving range, calculate range-saving routes and find the nearest spot to charge.<sup>1,2</sup>

Zero Emissions Menu | NissanConnect<sup>SM</sup> EV<sup>1</sup>

## THE FUTURE

<sup>1</sup>NissanConnect<sup>SM</sup> EV requires compatible GSM/GPRS cellular network provided by independent cellular companies not within Nissan's control. Cellular network not available in all areas and/or available at all times. In areas with network coverage, signal strength may vary and/or not be available at all times. Technology is evolving, and changes to cellular networks or other third party changes may affect future NissanConnect<sup>SM</sup> EV functionality. Should a third party provider terminate/further restrict network service, NissanConnect<sup>SM</sup> EV service may be suspended or terminated without notice or liability to Nissan and/or its agents or affiliates. Like other devices that rely on network coverage, once the network is terminated, NissanConnect<sup>SM</sup> EV will not function unless equipment replacements, upgrades, or alternative network coverage are available at that time, which Nissan cannot guarantee. Nissan is not responsible for associated costs that may be required for continued NissanConnect<sup>SM</sup> EV operation.

## LOOKS LIKE THIS.

due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Certain remote functions require compatible smartphone, not included with vehicle. NissanConnect<sup>SM</sup> EV subscription service requires owner consent to activate. Text rates and/or data usage may apply to NissanConnect<sup>SM</sup> EV communications received by email or SMS/text message. Terms and conditions of Subscription Agreement apply. <sup>2</sup>Quick Charge charging networks are third party owned, not within Nissan's control. Availability of charging stations not guaranteed. Charge times may vary depending on temperature, age of battery, quick charger used, and other conditions. <sup>3</sup>Rear heated seats available on SL trim only. Bose® is a registered trademark of The Bose Corporation. EZ-Charge<sup>SM</sup> is a service mark of NRG EV Services LLC.

## AN APP TO KEEP YOU IN CHARGE.

Stay up to date. The LEAF® EZ-Charge<sup>SM</sup> app gives you access to the most accurate and complete public charging station maps available. You can filter results by charging network and charger type. Need a fast boost? Pinpoint the closest DC Quick chargers, delivering an 80% charge in 30 minutes or less, at your fingertips.<sup>2</sup>

## FAST. EASY. CHARGING.

With the EZ-Charge<sup>SM</sup> card and LEAF<sup>®</sup> EZ-Charge<sup>SM</sup> app, it's never been easier to charge up on the go.

**EZ-Charge<sup>SM</sup>** lets you carry a single access card for charging your Nissan LEAF<sup>®</sup> on multiple networks across America, while the LEAF<sup>®</sup> EZ-Charge<sup>SM</sup> app helps you out with charging station maps, the closest DC Quick charger, a Route Planner, and more.<sup>14</sup> Available in the iTunes and Android app stores.

<http://EZ-Charge.com>

<sup>1</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>2</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>3</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. See [NissanUSA.com/bluetooth](http://NissanUSA.com/bluetooth) for details. <sup>4</sup>Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. <sup>5</sup>Driving is serious business. Only use features when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See [NissanUSA.com/connect](http://NissanUSA.com/connect) for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Technology is evolving, and changes by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Should a third party provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See [NissanUSA.com/connect](http://NissanUSA.com/connect) for details. Thirty-six (36) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required (excluding Pandora app via NissanConnect is equipped on vehicle) at the then current rate to continue to receive services. Text rates and/or data usage may apply. <sup>6</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>7</sup>Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. <sup>8</sup>TPMS is not a substitute for regular tire pressure checks. <sup>9</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. <sup>10</sup>Faster estimated charge time based with 240-volt charging dock and 6.6 kW onboard charger, which is standard on all trims except S. Charge times may vary. <sup>11</sup>NissanConnect<sup>SM</sup> EV requires compatible GSM/GPRS cellular network provided by independent cellular companies not within Nissan's control. Cellular network not available in all areas and/or available at all times. In areas with network coverage, signal strength may vary and/or not be available at all times. Technology is evolving, and changes to cellular networks or other third party changes may affect future NissanConnect<sup>SM</sup> EV functionality. Should a third party provider terminate/further restrict network service, NissanConnect<sup>SM</sup> EV service may be suspended or terminated without notice or liability to Nissan and/or its agents or affiliates. Like other devices that rely on network coverage, once the network is terminated, NissanConnect<sup>SM</sup> EV will not function unless equipment replacements, upgrades, or alternative network coverage are available at that time, which Nissan cannot guarantee. Nissan is not responsible for associated costs that may be required for continued NissanConnect<sup>SM</sup> EV operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Certain remote functions require compatible smartphone, not included with vehicle. NissanConnect<sup>SM</sup> EV subscription service requires owner consent to activate. Text rates and/or data usage may apply to NissanConnect<sup>SM</sup> EV communications received by email or SMS/text message. Terms and conditions of Subscription Agreement apply. <sup>12</sup>Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather<sup>®</sup> service, and SiriusXM Travel Link<sup>®</sup> services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at [siriusxm.com](http://siriusxm.com). ©2015 Sirius XM Radio Inc. Sirius<sup>®</sup> XM<sup>®</sup> and all related marks and logos are trademarks of Sirius XM Radio Inc. <sup>13</sup>Cloth contains Polyethylene terephthalate (PET), a recycled material. <sup>14</sup>Quick Charge charging networks are third party owned, not within Nissan's control. by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. See [NissanUSA.com/bluetooth](http://NissanUSA.com/bluetooth) for details. <sup>7</sup>NissanConnect<sup>SM</sup> EV requires compatible GSM/GPRS cellular network provided by independent cellular companies not within Nissan's control. Cellular network not available in all areas and/or available at all times. In areas with network coverage, signal strength may vary and/or not be available at all times. Technology is evolving, and changes to cellular networks or other third party changes may affect future NissanConnect<sup>SM</sup> EV functionality. Should a third party provider terminate/further restrict network service, NissanConnect<sup>SM</sup> EV service may be suspended or terminated without notice or liability to Nissan and/or its agents or affiliates. Like other devices that rely on network coverage, once the network is terminated, NissanConnect<sup>SM</sup> EV will not function unless equipment replacements, upgrades, or alternative network coverage are available at that time, which Nissan cannot guarantee. Nissan is not responsible for associated costs that may be required for continued NissanConnect<sup>SM</sup> EV operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Certain remote functions require compatible smartphone, not included with vehicle. NissanConnect<sup>SM</sup> EV subscription service requires owner consent to activate. Text rates and/or data usage may apply to NissanConnect<sup>SM</sup> EV communications received by email or SMS/text message. Terms and conditions of Subscription Agreement apply. <sup>8</sup>Cloth contains Polyethylene terephthalate (PET), a recycled material. <sup>9</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod<sup>®</sup> is a registered trademark of Apple, Inc. All rights reserved. iPod<sup>®</sup> or other external device not included. <sup>10</sup>Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. <sup>11</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>12</sup>TPMS is not a substitute for regular tire pressure checks. <sup>13</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. Bose<sup>®</sup> is a registered trademark of The Bose Corporation. HomeLink<sup>®</sup> is a registered trademark of Genlex Corporation. iPhone<sup>®</sup> is a registered trademark of Apple, Inc. All rights reserved. iPhone<sup>®</sup> or other external device not included. 1617501N-10/15-50M-CGI

<sup>1</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>2</sup>Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather<sup>®</sup> service, and SiriusXM Travel Link<sup>®</sup> services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at [siriusxm.com](http://siriusxm.com). ©2015 Sirius XM Radio Inc. Sirius<sup>®</sup> XM<sup>®</sup> and all related marks and logos are trademarks of Sirius XM Radio Inc. <sup>3</sup>Driving is serious business. Only use features when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See [NissanUSA.com/connect](http://NissanUSA.com/connect) for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Technology is evolving, and changes by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Should a third party provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See [NissanUSA.com/connect](http://NissanUSA.com/connect) for details. Thirty-six (36) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required (excluding Pandora<sup>®</sup> if Pandora app via NissanConnect is equipped on vehicle) at the then current rate to continue to receive services. Text rates and/or data usage may apply. <sup>4</sup>Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. <sup>5</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>6</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned
