NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

SEE NV200® COMPACT CARGO COME TO LIFE

Go to **NissanUSA.com** and find an interactive brochure for NV200 and every Nissan in the lineup. Available on desktop or smartphone, it's the full product story – including demos, videos, and complete info on trims, colors, and accessories.

[1]Owner receives a commercial upfit package designed, manufactured, tested and installed by an independent upfit supplier. All participating upfit suppliers must be National Truck Equipment Association members. Parts supplied by upfit suppliers and any damage or failures caused by installation or use of upfit parts are not covered by the Nissan New Vehicle Limited Warranty. Owner should review the upfit supplier's warranty. **Nissan is not responsible for the safety or quality of the parts or modifications made by the upfit supplier.** The Nissan Commercial Incentive Program is only available to valid business entities. Program not available to retail consumers. Certain model restrictions apply. See dealer for complete details and restrictions. [2]Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. [3]Available feature. [4]The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. [5]Vehicle(s) shown equipped with third-party accessories. [6]Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's owner's manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. For important safety information, system limitations, and additional operating and feature information, see dealer, Owner's Manual, or **NissanUSA.com/connect/important-information.** Terms and conditions of Subscriber Agreement apply. NissanConnect EV features are provided by Nissan North America. Sirius XM Connected Vehicle Services Inc. ("Sirius XM") partners with Nissan North America to provide NissanConnect Services powered by SiriusXM. All stated terms, disclosures and limitations of liability associated with connected vehicle services extend to Sirius XM and its affiliate, Sirius XM Radio Inc. SiriusXM is a registered trademark of Sirius XM Radio Inc. [7]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [8]RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. [9]Claim based on years/mileage (whichever occurs first) covered under the New Vehicle Limited Warranty basic coverage. *Wards* Light Vehicle Segmentation: 2019 Nissan NV Cargo, NV Passenger v. in-market Large Van Class; 2019 Nissan NV200® v. in-market Small Van Class. Commercial Vans compared only. Nissan's New Vehicle Limited Warranty basic coverage excludes tires, corrosion coverage and federal and California emission performance and defect coverage. Other terms and conditions apply. See dealer for complete warranty details. NV200® Taxi is covered under a separate limited warranty with a different level of coverage. [10]For a period of 36 months/36,000 miles from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is earlier. [11]Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. [12]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [13]Air bags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. [14]Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving technique. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. [15]All prices listed herein are Manufacturer's Suggested Retail Prices (MSRP), which exclude installation, taxes and other costs, and are subject to change without prior notice. Dealer sets actual price. Pictures are for informational purposes only. [16]Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 5-year/100,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. [17]Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [18]Fuel Economy based on targeted 2019 EPA fuel economy estimates for 2019 NV200. EPA data not available at time of publication. Targeted fuel economy estimate based on Nissan internal testing results, subject to EPA confirmation. Actual mileage may vary with driving conditions — use for comparison only. NISSAN

Innovation that excites

2019 NV200® COMPACT CARGO

The NV200® Compact Cargo is the smart way to handle big jobs. With loads of room and easily upfitted,[1] it's a capable hauler.[2] Nimble and efficient, it's great for tight quarters and tight budgets. And with advanced technology[3] along for the ride, you help minimize wasted time while maximizing driver comfort. The 2019 NV200 Compact Cargo. Bring on more work.

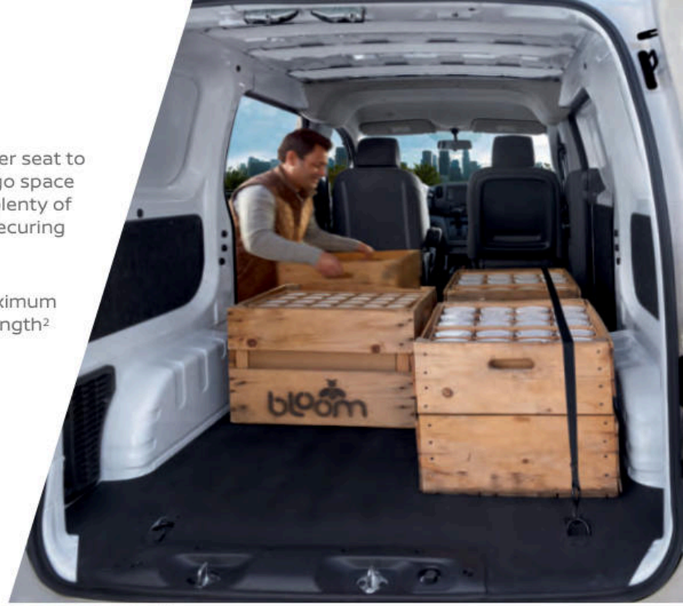
See NV200® Compact Cargo in action at: **bit.ly/19NV200video**

NV200® Compact Cargo SV shown in Brilliant Silver Metallic with Rear Sonar System[4] and Rear Door Glass Package.[4,5]

FLEXIBLE WORK SPACE

From flat wheel wells to a fold-down passenger seat to a generous interior height, all 122 cu. ft. of cargo space is ready to adapt to the job at hand. And with plenty of integrated reinforced cargo-mounting points, securing your cargo has never been easier.[2]

Room for a 40" x 48" pallet[2] / Six available floor-mounted D-rings[2] / 9.7' maximum cargo length[2]



STREAMLINED PERFORMANCE

With a 2.0-L 4-cylinder engine and efficient Xtronic CVT® (Continuously Variable Transmission), you get a smooth and powerful drive while keeping a watchful eye on the bottom line. Add in responsive handling and a tight turning radius, and you'll see why NV200® Compact Cargo is as good at maneuvering crowded streets as it is at avoiding big fuel bills.[2, 5]

Xtronic CVT® / 131-hp, 4-cylinder engine / 36.7' turning diameter

HARDWORKING TECHNOLOGY

Never miss a beat with the available Navigation Package. With Nissan Navigation System as well as NissanConnect® Mobile Apps,[6, 7] a suite of high-tech features ready to give your business a boost. Add in a standard RearView Monitor,[8] and it's never been easier to tackle tough jobs.

SiriusXM® Radio[6] / Nissan Navigation System[7] / SiriusXM® Traffic & Travel Link®[6]

YOUR MOBILE OFFICE

When it's time to get down to business, the NV200 Compact Cargo converts easily into your mobile office. The fold-down passenger seat creates a work desk, while smart storage and power outlets are all within easy reach.[2]

Fold-down passenger seat / Flexible center console / 12-volt DC power outlet

OVER 530000 MILES AND 6,600 QUALITY AND DURABILITY TESTS

When it comes to making the toughest commercial vans you can buy, we go the extra distance for you. We simulate years of corrosion, soaking a vehicle with salt, baking it, then pounding it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 140° and humidity to 95% to break down seals and age interiors. We go to such extremes because every day, you depend on your Nissan Commercial Van to do your job. And that's the motivation for us to do ours.

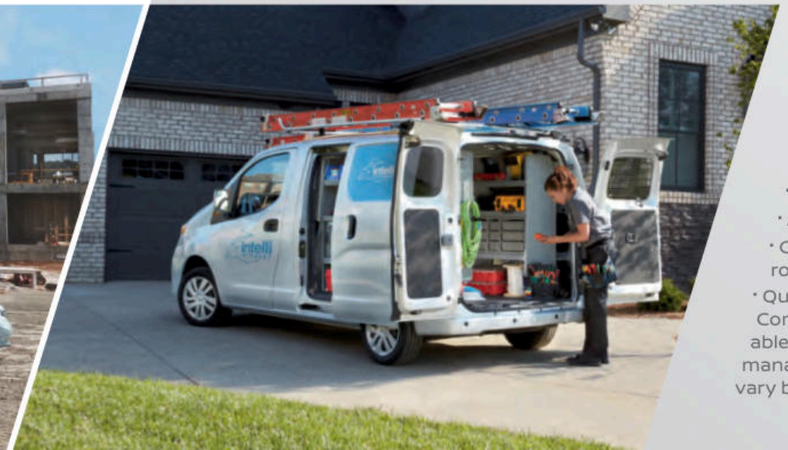
America's Best Commercial Van Warranty

5 YEARS/100,000 MILES

BUMPER-TO-BUMPER WARRANTY[9]

See dealer for limited warranty details.

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce America's Best Commercial Van Warranty, a bumper-to-bumper limited warranty for 5 years or 100,000 miles, whichever comes first.[9] And that means we've got your back, so you can keep moving forward. For more details of the limited warranty, please go to **NissanCommercialVehicles.com** or ask your Nissan Business Certified Dealer.



BUSINESS CERTIFIED

It's a Nissan Commercial Dealer that specializes in selling and servicing the entire NV® lineup. Only Business Certified Dealers offer exclusive commercial incentive packages while providing dedicated Commercial Vehicles Account Managers and Priority Service. We offer complimentary upfit packages as part of our exclusive commercial incentive program. We also offer Commercial Lending Programs and much more.[1, 2, 5]

KEY BENEFITS FROM BUSINESS CERTIFIED DEALER:

- Priority Service with Next Available Bay and Next Available Technician
- Special Commercial Lending programs, including available lines of credit
- Dedicated Commercial Vehicles Account Manager to handle commercial customer transactions at your location
- Fleet Pricing available for qualified accounts
- 24-hour towing with Roadside Assistance, including Trip Interruption reimbursement on select models[10]
- A commercial sales and service experience that fits your schedule
- Complimentary shuttle service
- Available Demonstrator Vehicles
- Mailings with special offers and incentives
- Access to Commercial Vehicles inventory
- Commercial service advisors to get you on the road quickly and minimize downtime
- Qualifying customers will receive support from the Commercial Upfit Incentive Program, and will be able to choose from complimentary options: cargo management equipment or cash back – offers vary by model.[1]

CHOOSE YOUR COLOR

Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your dealer.
