

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future - moving through life with greater confidence, excitement and connection to the world around you.

ROGUE®

2022

<sup>1</sup>Leather appointments. <sup>2</sup>Do not use for extended periods of time. See Owner's Manual for important safety information. <sup>3</sup>Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>4</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>5</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>6</sup>Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. <sup>7</sup>Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. <sup>8</sup>All non-Nissan Genuine Accessories are not warranted by Nissan. Refer to accessory product manufacturer for warranty details. Nissan limited warranty also does not cover damages or failures to the vehicle caused by improper installation or alterations. Damage or failures caused by use of non-Nissan-affiliated parts/accessories are also excluded from Nissan warranty coverage. Read the new vehicle limited warranty information booklet or contact your dealer for details. <sup>9</sup>Fuel economy based on targeted 2022 EPA Fuel Economy Estimates for 2022 Rogue. EPA data not available at time of publication. Targeted 2022 fuel economy 30 City MPG / 37 Highway MPG / 33 Combined for Rogue S and SV FWD, 28 City MPG / 35 Highway MPG / 31 Combined for Rogue S and SV AWD, 29 City MPG / 36 Highway MPG / 32 Combined for Rogue SL and Platinum FWD, 28 City MPG / 34 Highway MPG / 31 Combined for Rogue SL and Platinum AWD. MPG estimate based on Nissan internal testing results, subject to EPA confirmation. Actual mileage may vary with driving conditions. Use for comparison only. <sup>10</sup>Available feature shown. Use feature only when safe and legal. Compatible device and service required. Subject to third party service availability. For more information see [NissanUSA.com/connect/legal](https://www.nissanusa.com/connect/legal). <sup>11</sup>Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. <sup>12</sup>Nissan Safety Shield technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. <sup>13</sup>Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>14</sup>Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>15</sup>Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. <sup>16</sup>Blind Spot Warning and Intelligent Blind Spot Intervention cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. <sup>17</sup>Lane Departure Warning and Intelligent Lane Intervention only operate when lane markings are able to be detected. See Owner's Manual for safety information. <sup>18</sup>ProPILOT Assist and ProPILOT Assist with Navi-link cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. Systems operate only when lane markings are detected. Do not function in all weather, traffic and road conditions. Systems have limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. <sup>19</sup>Extra cost option. <sup>20</sup>Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. <sup>21</sup>Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. <sup>22</sup>Rear Door Alert System does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. <sup>23</sup>Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. <sup>24</sup>Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle's location. <sup>25</sup>Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. <sup>26</sup>Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. <sup>27</sup>Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details. <sup>28</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>29</sup>Genuine Nissan Accessories are covered by Nissan's limited warranty on Genuine Nissan Replacement Parts, Genuine NISMO® 5-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 36-months/36,000-mile (whichever occurs first) new vehicle limited warranty. Terms and conditions apply. See dealer, warranty information booklet, or [parts.nissanusa.com](https://www.nissanusa.com) for details. <sup>30</sup>Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>31</sup>RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. <sup>32</sup>Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. <sup>33</sup>Intelligent Trace Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. <sup>34</sup>Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. <sup>35</sup>Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. <sup>36</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. <sup>37</sup>Roadside assistance coverage period varies by model-year model. For complete information concerning warranty coverage, conditions and exclusions, see your Nissan dealer and read the warranty information booklet for the model-year model. ## How will you go Rogue?

Capable of crossing over into every aspect of your day in fresh, unexpected ways. Thinking fast and responding faster. A never-ending capacity for adventure. This is the Nissan Rogue®.

Nissan Rogue® Platinum AWD shown in Two-tone Boulder Gray Pearl / Super Black.

### Three genius displays, so many pixels to play with

Start with the available Head-Up Display in the upper left corner,<sup>2</sup> then drop your gaze to the digital dashboard – twelve inches of available vibrant data right behind the steering wheel.<sup>3</sup> A third display, the available 9" infotainment screen, sits just to the right. Together, they offer nearly three feet of digital information, allowing you to configure Rogue<sup>®</sup> to what you need in the moment. Now look again. See how each display is positioned to give you the info you want? This is customization – pixel by pixel.

**You heard it here first.** Bose, a leader in high-fidelity sound systems and a long-time Nissan partner, designed an available highly customized listening experience for Rogue. Based on proprietary design and the acoustical analysis of the cabin, Bose brings the power of sound to every seat.

Room for five, space for even the biggest personalities

Pick your seat and relax. Building a crossover from the ground up is about more than premium amenities. It's about designing an experience, where family and friends feel welcome and any size personality fits in. So enjoy the available soft semi-aniline leather appointments, the available rear USB ports,<sup>4</sup> and the available Tri-Zone Automatic Temperature Control. Revel in rear doors that open almost 90° for easier entry. And amaze everyone with the view from the available Dual Panel Panoramic Moonroof.

In the cargo area, it's easy to configure the space. With the available Divide-N-Hide<sup>®</sup> cargo system, a set of adjustable dividers gives you six different configurations. You can construct everything from a private storage area to a series of layered shelves. So get in there and mix it up.

**Nissan Rogue<sup>®</sup> Platinum AWD** shown in Charcoal Quilted Semi-aniline Leather with optional equipment.<sup>1</sup>

## Dial in adventure

Meet Nissan's most capable Rogue® yet. An available Intelligent All-Wheel Drive system with direct coupling reacts almost instantly to help enhance stability and traction.<sup>9</sup> With so many possibilities in front of you, there's virtually no limit to where you can go. That's why Rogue offers up to five drive modes for practically every scenario. Choose Auto Mode to handle your everyday drive, or select one of the specialized modes to tackle more challenging conditions.

**Off-Road Mode** From gravel to sand to dirt, available Off-Road Mode is uniquely tuned to help you get up to speed. By balancing the transmission and throttle response, the Rogue tailors your all-terrain experience for maximum confidence.

**Snow Mode** If one of your favorite routes has fresh powder, available Snow Mode is engineered to help you make fresh tracks. It knows to back off on the throttle and shift to a higher gear ratio, helping you stay in control.

**Eco Mode** Like its name implies, Eco Mode is engineered to help boost fuel economy.<sup>9</sup> When selected, engine and Xtronic CVT\* (Continuously Variable Transmission) controls change to help you drive as efficiently as possible.

**Sport Mode** The fun starts here, especially if you're about to take on a series of curves. Dial up Sport Mode and the Rogue responds with tighter steering and sharper throttle response. You respond with growing confidence and huge grins as you enter every twist and turn.

Nissan Rogue® Platinum AWD shown in Two-tone Pearl White TriCoat / Super Black with Splash Guards, Satin Chrome Rear Bumper Protector, Rear Underbody Trim, Roof Rail Crossbars,<sup>5,7</sup> and Affiliated Yakima® ForkLift.<sup>8,9</sup>

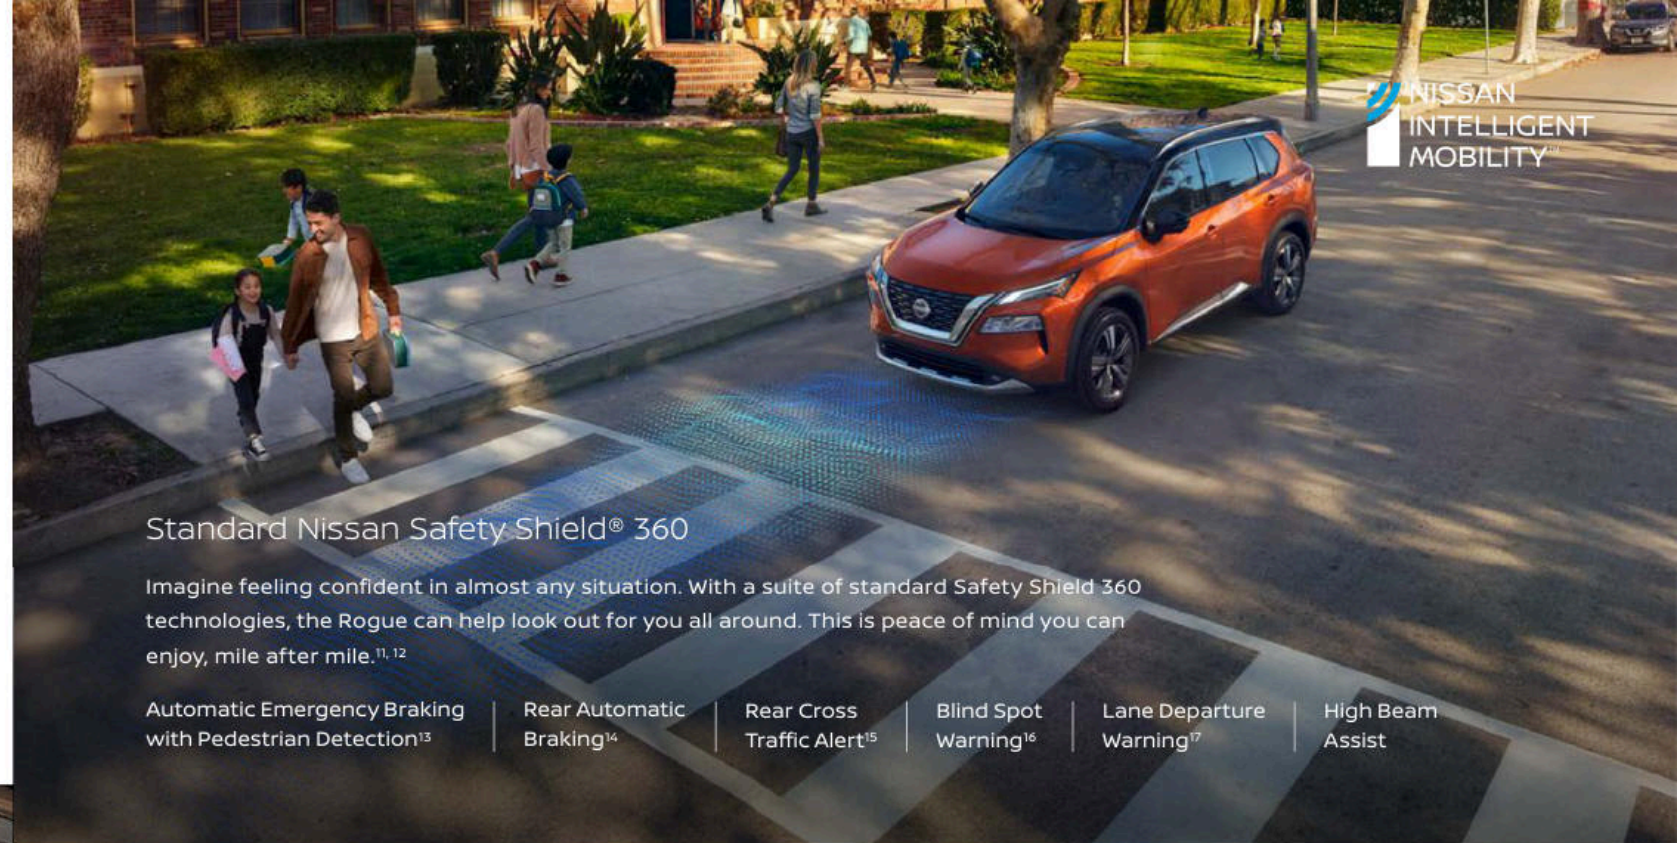

Power or efficiency? Yes

37 | 201 | 225  
hwy mpg<sup>9</sup> | horsepower | lb-ft of torque

Go Rogue® with the kind of numbers designed to exhilarate your soul and satisfy your conscience. It starts with an all-new revolutionary Variable Compression Turbo (VC-Turbo®) engine that can deliver low-compression, turbocharged power and then transform to provide high-compression efficiency.<sup>9</sup> All of which means you get the best of both worlds in one engine. Thrilling power. Long-distance efficiency. No compromise.

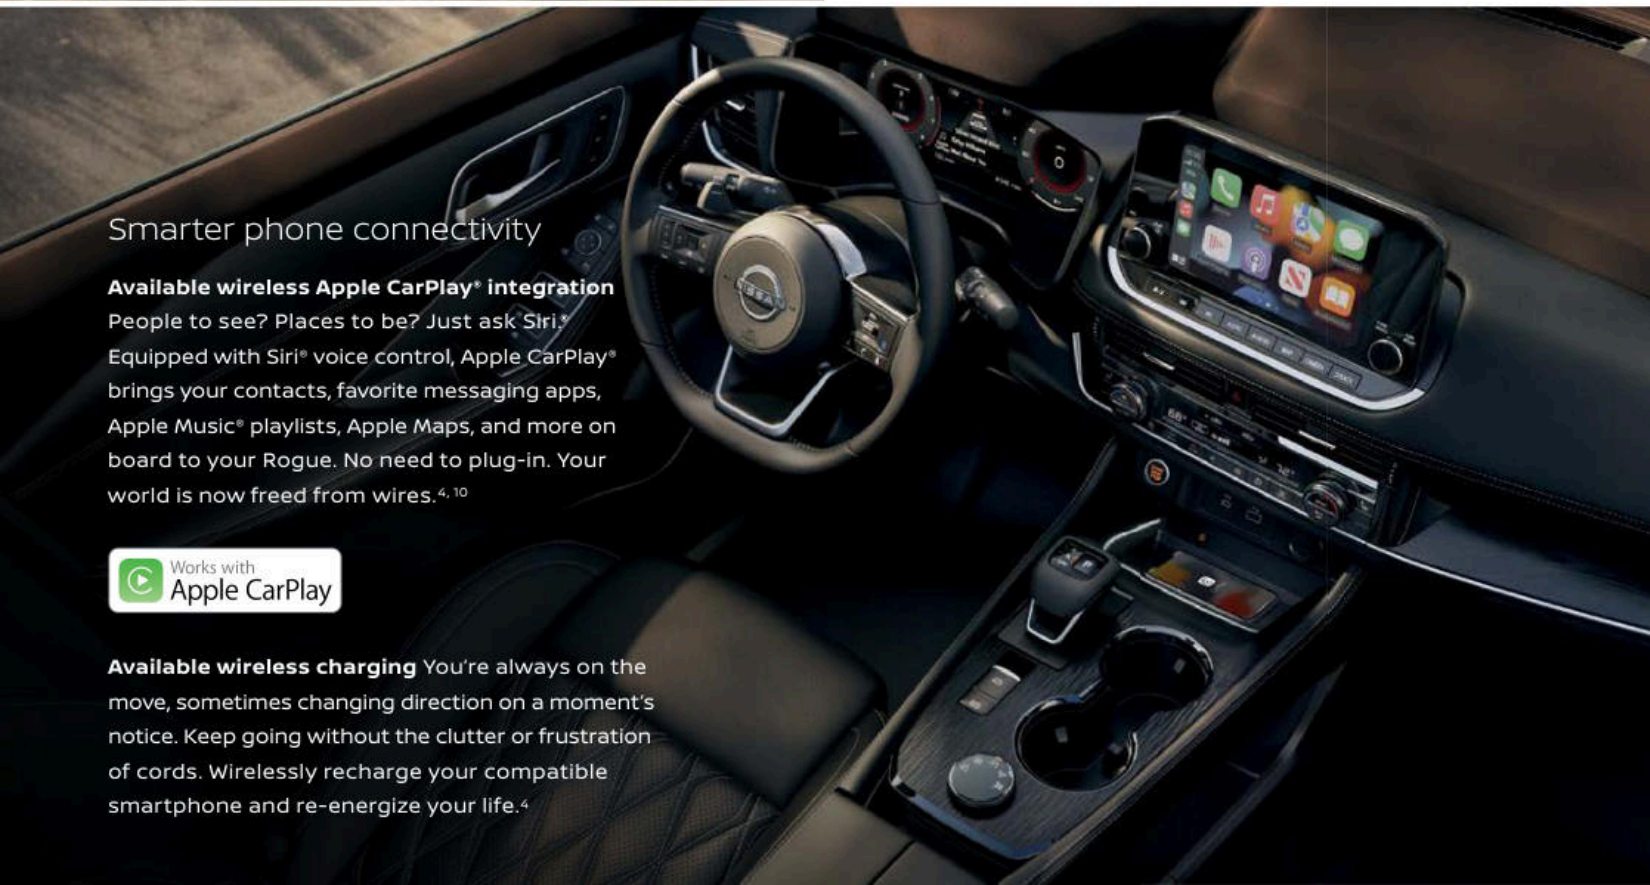

NISSAN  
INTELLIGENT  
MOBILITY™

### Standard Nissan Safety Shield® 360

Imagine feeling confident in almost any situation. With a suite of standard Safety Shield 360 technologies, the Rogue can help look out for you all around. This is peace of mind you can enjoy, mile after mile.<sup>11, 12</sup>

- Automatic Emergency Braking with Pedestrian Detection<sup>13</sup>
- Rear Automatic Braking<sup>14</sup>
- Rear Cross Traffic Alert<sup>15</sup>
- Blind Spot Warning<sup>16</sup>
- Lane Departure Warning<sup>17</sup>
- High Beam Assist

### Smarter phone connectivity

#### Available wireless Apple CarPlay® integration

People to see? Places to be? Just ask Siri.<sup>8</sup> Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Rogue. No need to plug-in. Your world is now freed from wires.<sup>4, 10</sup>

**Available wireless charging** You're always on the move, sometimes changing direction on a moment's notice. Keep going without the clutter or frustration of cords. Wirelessly recharge your compatible smartphone and re-energize your life.<sup>4</sup>

### Available ProPILOT Assist with Navi-link

You may not know what's ahead but with ProPILOT Assist with Navi-link, the Rogue is on it.<sup>18</sup>

Available ProPILOT Assist helps you navigate stop-and-go freeway traffic while also helping to keep you centered in your lane.<sup>18</sup> Opt for ProPILOT Assist with Navi-link, and the concept of hassle-free driving rises to a new level.<sup>18</sup>

By utilizing freeway mapping, available ProPILOT Assist with Navi-link is able to "read the road." What it does with that information gives you a totally new perspective.<sup>18</sup>

- Helps smooth the way for upcoming turns, junctions, and off-ramps by adjusting your speed
- Can track posted speed limits with the ability to alter your set speed accordingly
