

# SINGULAR BEAUTY. MULTIPLE EXPRESSION.

Long wheelbase, athletic stance, lightweight independent suspension — and an instinctive knack for defying convention. In developing G6, we found an expressive form so compelling, we had to express it three ways. A sedan with presence and style that offers an EPA estimated 33 MPG highway. A powerfully seductive coupe. And a convertible without compromise. Each articulates a personal definition of performance and design. There's simply no telling where the pursuit of beauty and performance will take you.

G6 GXP Coupe Street Edition shown in Carbon Black Metallic (extra-cost color).
