IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models, source of components, and availability. Since some information may have been updated since the time of printing, please check with your Pontiac dealer for complete details and verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you. Pontiac reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

ASSEMBLY

Pontiac vehicles and their components, including engines, are assembled or produced by different operating units of General Motors, its subsidiaries, or suppliers to GM worldwide. The engines in Pontiac products may also be used in other GM makes and models.

A NOTE ABOUT CHILD SAFETY

Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See your vehicle Owner's Manual and child safety seat instructions for more information.
