

The Safaris

Pontiac's full- and mid-sized station wagons.

Grand Safari

Pontiac's most luxurious full-sized station wagon.

Catalina Safari

Pontiac's lowest priced full-sized station wagon.

LeMans Safaris

Pontiac's mid-sized station wagons.

Luxury LeMans Safari all-Morrokide upholstery. Shown in burgundy—also available in blue, green and saddle.

For those of you who like the idea of a luxury wagon, but want something a bit smaller or a bit lower priced than Grand Safari, we proudly offer our mid-sized '74 Luxury LeMans Safari.

It has a distinctive die-cast grille, deluxe wheel covers and wood-grain vinyl trim outside. A Custom Cushion steering wheel and special trim inside.

That's in addition to all the great standard features you'll find in our even more affordable '74 LeMans Safari.

Features like a 350 V-8. Power front disc brakes. Cut-pile carpeting. A hidden storage compartment. And an easy-opening, easy-loading liftgate.

And because the '74 LeMans Safari is a mid-sized Wide-Track, you'll discover the kind of handling and stability you might not expect in a wagon with over 85 cu. ft. of cargo space.

'74 Luxury LeMans Safari. '74 LeMans Safari. Whether you like them plain or fancy, Pontiac has a great mid-sized wagon for you.

DIMENSIONS AND CAPACITIES (See Chart on Back)

3-Seat LeMans Safari in Porcelain Blue.

Adjustable pedals you can order. One control on the instrument panel moves pedals toward or away from you and locks them into position.

The '74 Catalina Safari is our lowest priced, full-sized wagon. But that doesn't mean you're getting anything less than you'd expect in a Pontiac.

Standard features like a 400-cu.-in. V-8. For good performance. A Turbo Hydramatic transmission. For convenience. And an all-Morrokide interior with thick foam-padded seats. For comfort.

Then there are power front disc brakes and variable-ratio power steering. Both standard. To help handle the stopping and turning departments. Admirably.

Safari's standard L78—15 belted tires and specifically tuned leaf-spring rear suspension account for its stability and handling.

You'll also notice we didn't leave off Grand Safari's disappearing Glide-away tailgate.

Since our 2- and 3-Seat Safaris already come with so many standard features, you can afford to add a few available options. Like trailer-towing equipment. Air conditioning. Or stereo equipment. To help make your Catalina Safari everything you've ever wanted in a wagon.

Morrokide upholstered full bench seat. Shown in saddle—also available in blue, green and burgundy.

Catalina Safari forward-facing third seat. Shown in green—also available in blue, saddle and burgundy.

Instrument panel with dark flame chestnut wood-grain vinyl accents.

Carpeted load area. Shown in saddle.

The '74 Grand Safari. Think of it as a Grand Ville with a huge trunk. It has all of Grand Ville's comfort and luxury. Plus all the practicality of a station wagon.

There's Grand Ville's luxurious interior. A Custom Cushion steering wheel. Cut-pile carpeting. Simulated carved wood trim. And thick foam-cushion seats. Covered in handsome Morrokide. Or a new rich cloth.

You'll find a standard 455-cu.-in. 4-bbl. V-8 under the hood. There's standard Turbo Hydra-matic. Variable-ratio power steering. And power front disc brakes.

As for practicality...what's more practical than over 106 cu. ft. of carpeted cargo space? Answer: Grand Safari's disappearing Glide-away tailgate. It tucks into the body and roof to let you load and unload in tight situations. There's even a hidden compartment for smaller valuables.

Now just to prove we have a way with luxurious station wagons, we make other gear available. Things like a wood-grain vinyl exterior. Cruise Control. And a new Radial Tuned Suspension.
