

09 Saturn OUTLOOK

SATURN

The philosophy of Rethink has been ours since day one. Rethink is treating customers like people. Rethink is buying made easy. Rethink is style made accessible. Rethink is a greener approach. Rethink is remarkably fuel-efficient vehicles. Rethink is always pushing yourself to come up with a better idea. Rethink is Saturn.

Saturn's commitment to helping the environment

Our devotion doesn't stop at building responsible transportation. We're also doing the little things, like printing this brochure on FSC-certified (Forest Stewardship Council) paper, which includes a minimum of 30% post-consumer recovered fiber. Additionally, electricity used in the manufacturing process is generated from renewable resources. Please help us out and recycle this brochure when you're done.

OUTLOOK XR in Red Jewel Tintcoat with available Touring Package

Big, meet smart. Smart, meet big.

The 2009 Saturn OUTLOOK™ Crossover

17 mpg city, 24 mpg highway

Bluetooth wireless technology is a standard for exchanging data over short distances using radio waves.

Rethink cargo space. There's enough room to be **OUTLOOK** for two families. The cargo space starts six to bag it out. Even with the third row occupied, it offers 24.7 cubic feet of cargo room to back. You can configure the seats to fit more cargo or people, and a convenient power window is available for easy loading and unloading.

115.9

cubic feet of space*

Available with second and third row folded down. Cargo and load capacity limited by weight and distribution. Always use proper tie-down technique. Always use proper tie-down technique. Always use proper tie-down technique. Always use proper tie-down technique.

5-star

most safety rating

equinox.chevrolet.com

Thanks to the built-in body frame integral structure, the OUTLOOK rides smoothly and handles impressively well. Its exceptional comfort and agility come from a long wheelbase, wide stance and four-wheel independent suspension. For more challenging (and beautiful) roads, available intelligent air wheel rims deliver performance and traction when you need them most.

480, Traction Control and Stability

With standard ABS, 480's available Stability Control is a game-changer for your motorcycle. It's an engine control system that monitors the throttle position and engine speed to detect when the engine is revving too high for the current gear. It then automatically adjusts the throttle to keep the engine in the optimal power band.

OUTLOOK SE in Midnight Blue with available features.

Rethink give and take. The OUTLOOK tows up to 4,500 pounds!

Tuning power

The 2011 Ford F150 is a true performance machine. It's a truck that's built to handle the toughest conditions, and it's a truck that's built to handle the toughest drivers. The F150 is a truck that's built to handle the toughest conditions, and it's a truck that's built to handle the toughest drivers.
