

2019 FORESTER

Introducing the all-new Subaru Forester. **The SUV for all you love.**

 **SUBARU**
Confidence in Motion

When it comes to love, go all-in.

The all-new 2019 Forester is an SUV that can't be summed up in three letters. You can pack it up for new destinations, count on it for daily drives, and feel secure with the latest safety technologies we offer, whether it's just you and your playlist or all seats are full. And because 97% of Subaru Forester vehicles sold in the last 10 years are still on the road today,¹ this SUV can keep up with your all-in approach to life.

Safe

Every Forester now includes standard EyeSight[®] Driver Assist Technology² with Pre-Collision Braking, which can help bring you to a full stop if necessary. The all-new DriverFocus[™] Distraction Mitigation System^{3,4} is also available. It's one of the first safety technologies of its kind, designed to reduce distracted or drowsy driving. The Forester also offers the latest SUBARU STARLINK[™] Safety and Security system^{4,5} and advanced safety technologies, including Blind-Spot Detection^{4,6} and Rear Cross-Traffic Alert.^{4,6}

Versatile

Whether you're meeting everyday needs or making the most of long weekends, the Forester offers comfortable room for everyone and up to 76.1 cubic feet of cargo space.⁷ Its extra-wide rear gate opening helps you load with ease, and 60/40-split flat-folding rear seatbacks ensure the Forester can adapt to however the day is shaping up. A full life demands nothing less.

Connected

Wherever you go, you should be able to take your music and apps with you. That's why the Forester features standard SUBARU STARLINK Multimedia with Apple CarPlay[™] and Android[™] Auto integration. A built-in Wi-Fi hotspot^{4,8} with a 4G LTE connection is also available, so you can stay connected on the road. And with the newly available STARLINK Concierge Services^{4,5} and Remote Engine Start with Climate Control,⁹ easily accessed via your smartphone, convenience is part of every drive.

Efficient

It's fun to make stops along the way, but not if you're constantly refueling. On a single tank, the Forester can go over 530 miles¹⁰ and combines 33 highway MPG¹¹ with the all-road confidence of standard Subaru Symmetrical All-Wheel Drive. Thanks to its newly updated 182-hp, direct-injection SUBARU BOXER[®] engine and auto start-stop technology, you'll keep the journey going and the extra stops to a minimum.

1 Based on IHS Markit U.S. vehicles in operation vs. total new registrations in the Non-Luxury Compact CUV segment for MY2008–2017 ending in December 2017. 2 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations. 3 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. 4 Availability varies by model. See your retailer for details. 5 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details. 6 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 7 Without available power moonroof. 8 Activation and subscription required. Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan. See your retailer for details. 9 Keyless Access with Push-Button Start required. 10 Based on EPA-estimated fuel economy for 2019 Forester models at 33 highway MPG and 16.6-gallon fuel tank. Actual range may vary. See your retailer for details. 11 EPA-estimated fuel economy for 2019 Forester models at 33 highway MPG. Actual mileage may vary. See your retailer for details.

Forester Limited with Gray Leather and optional equipment.

76.1 Cubic Feet of Cargo Space¹

Raised Roof Rails²

Spacious Cabin

New Dual-function X-MODE^{®2}

Extra-wide Rear Gate Opening

Fits your life.
And wherever you want to take it.

Extremely adaptable.

With up to 76.1 cubic feet of cargo space,¹ the Forester is designed to leave your options open—especially when you consider its extra-wide rear gate opening. With just the touch of a button, the available Power Rear Gate² gives you easy access to the vast cargo area. And for more space, you can quickly adjust the 60/40-split flat-folding rear seats and easily secure extra cargo to the raised roof rails.² Once you're all packed, your passengers will still have plenty of room.

Expertly capable.

The Forester lets nothing get in the way of an out-of-the-way place. With 8.7 inches of ground clearance and standard Subaru Symmetrical All-Wheel Drive, you'll take on different driving conditions with confidence. And you can count on the newly updated direct-injection SUBARU BOXER[®] engine for increased power without sacrificing fuel economy. If the road changes, standard SI-DRIVE allows you to maximize control. For even tougher roads, newly available dual-function X-MODE[®] with Hill Descent Control includes two specifically engineered settings: one for snow and dirt; one for deep snow and mud.²

¹ Without available power moonroof. ² Availability varies by model. See your retailer for details.

EyeSight
Driver Assist Technology

An extra set of eyes every time you drive.

Every Forester includes standard EyeSight[®] Driver Assist Technology.¹

Creating safer roads by reducing distracted driving.

Every day in the U.S., more than 1,000 people are injured in crashes reported to have involved a distracted driver.¹ As an industry leader in safety, Subaru developed the DriverFocus™ Distraction Mitigation System,^{2,3} one of the first technologies of its kind. Engineered for both new and experienced drivers, it works together with Subaru EyeSight® to help detect distracted or drowsy driving. If the driver's attention strays from the road for too long, DriverFocus™ can deliver visual and auditory alerts to bring attention back to the road—it's like having an attentive co-pilot along for the ride.

1 Centers for Disease Control and Prevention, citing National Center for Statistics and Analysis. Distracted Driving: 2015, in Traffic Safety Research Notes. DOT HS 812 381. March 2017, National Highway Traffic Safety Administration: Washington, D.C. 2 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. 3 Availability varies by model. See your retailer for details.

Forester Limited in Horizon Blue Pearl with optional equipment.

EyeSight® reduces rear-end crashes with injuries by **85%**²

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight®¹ warns you, applies brakes to help avoid impact and, at lower speeds, can even help you stop your Forester.

Adaptive Cruise Control

Traffic doesn't always flow smoothly, so EyeSight® doesn't only keep a set speed. The system looks ahead and helps your Forester automatically adjust to keep your distance, even in stop-and-go traffic.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and can alert you with visual and audible warnings before you leave your lane. And when activated, Lane Keep Assist can even help steer you back into your proper course.

Pre-Collision Throttle Management

This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging, or if you unintentionally put your Forester in Drive instead of Reverse.

Ascent shown.

1 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. 2 Based on data from 2013–2015MY Subaru models equipped with EyeSight through 2014. From an Insurance Institute of Highway Safety report published January 2016.

Our best trait
is our most
important one, too.

Safety that meets the highest expectations.

Subaru is known for safety because we're always working to advance it. The all-new Forester represents the very latest in our safety innovations. For enhanced road visibility, standard LED headlights with available steering responsive functionality help you see better around corners.¹ With High Beam Assist,¹ the Forester can automatically dim and activate the high beams as needed. And the Subaru Global Platform provides a rigid body structure for high crash-energy absorption, so you can feel secure every time you head out.

Forester Touring in Jasper Green Metallic.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection and Lane Change Assist^{1,2} warn you with a visual indicator on your side mirror if they detect a vehicle in your blind spot. And when you signal for a lane change, Lane Change Assist can also alert you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert^{1,2} uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and standard Rear-Vision Camera display, as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking^{1,3} can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Forester to a stop should an object be detected within its range and the driver fail to act. There's also the standard Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK™ Safety and Security

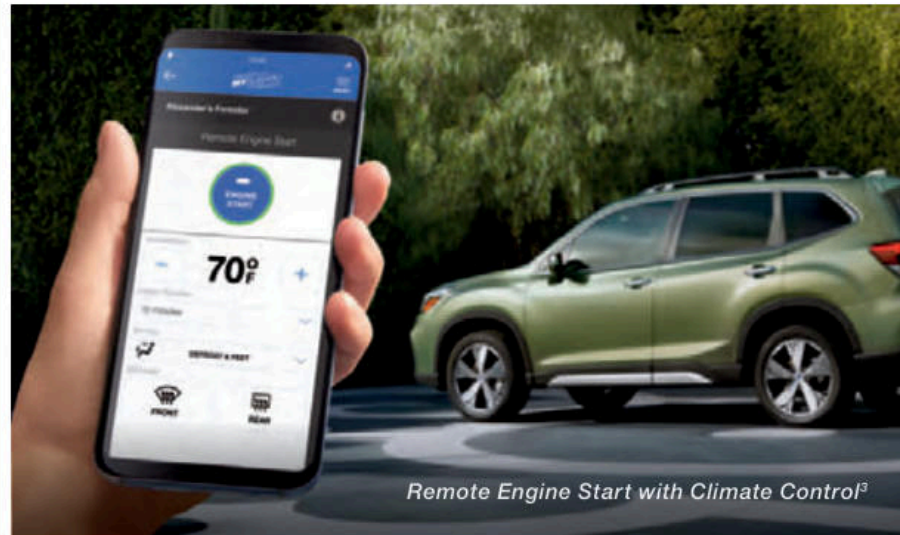

The all-new Forester features the latest STARLINK Safety and Security^{1,4} system, which can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more. And to get you started, Forester drivers enjoy a free three-year STARLINK Safety Plus subscription, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and all-new customizable vehicle alerts.

1 Availability varies by model. See your retailer. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 3 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 4 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.

A cabin space filled with intelligence, comfort and convenience.

Even before you step into your Forester, you can start it up and set the perfect temperature right from your smartphone with newly available Remote Engine Start with Climate Control.^{1,2,3}

The moment you're in, the driver's seat, mirrors and climate settings can automatically adjust to your pre-set preferences, thanks to the all-new available DriverFocus™^{1,4} system. You can easily connect to your music and apps with standard SUBARU STARLINK™ Multimedia with Apple CarPlay™ and Android™ Auto integration. A built-in Wi-Fi hotspot with a 4G LTE connection is also available, allowing your passengers to stream their favorite content, browse the internet and more.^{1,5} And with the newly available STARLINK Concierge Services, you can search for points of interest, make reservations and even find event tickets—all while on the go.^{1,2}

Engineered for
every day and every dream.

You can always look forward to the destination, but in the all-new interior of the Forester, you can also look forward to the way there. High-quality soft-touch materials and up to 111.9 cubic feet of passenger space⁶ ensure a comfortable ride with no shortage of legroom. Up front, you'll find thoughtful details, including standard automatic climate control, an available 8-way power passenger seat¹ and an available heated steering wheel.¹ The second row offers available heated seats, air vents and USB ports.¹ And wherever you're sitting, you can enjoy the available panoramic moonroof overhead and the clarity of the available 576-watt-equivalent Harman Kardon® premium audio system.¹

1 Availability varies by model. See your retailer for details. 2 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details. 3 Keyless Access with Push-Button Start required. 4 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. 5 Activation and subscription required. Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan. See your retailer for details. 6 Without available power moonroof.

Forester Sport with Gray Sport Cloth and optional equipment.

Integrated Roof Rail Tie-downs

18-inch Alloy Wheels

Dual-function X-MODE®

Wear it on your sleeve.
And on your **SUV.**

The All-new Forester Sport

It's hard to miss the distinctive styling of the all-new Forester Sport. Orange and gloss black accents characterize its unique interior and exterior, while 18-inch alloy wheels help to make its presence known. Step in, and you'll notice its LED interior lighting, including an exclusive rear gate light. And once you get going, its abilities will immediately become apparent. The Forester Sport easily meets the demands of the drive with the enhanced SI-DRIVE system. And with the new dual-function X-MODE® feature, it can take on tough conditions and challenging terrain. Wherever the road takes you, roof rail tie-down points keep your cargo tight and secure.

Forester Sport in Crystal White Pearl with optional and accessory equipment.

© 2019 Subaru

The Subaru Forester was named one of the **10 Best All-Wheel Drive Vehicles Under \$25,000** for 2018 by Kelley Blue Book.¹

97% of Subaru Forester vehicles sold in the last 10 years are still on the road today.²

IHS Markit

The Subaru Forester retains its value better than any other vehicle in its class for 2018, according to ALG.³

Subaru is Kelley Blue Book's **Most Trusted Brand** for four years running.⁴

The **best-selling all-wheel drive cars in America** for the past 10 years.⁵

2019 Forester | Models

Forester

- 182-hp 2.5-liter 4-cylinder SUBARU BOXER® engine with direct injection and auto start-stop technology
- EyeSight® Driver Assist Technology®
- Subaru Symmetrical All-Wheel Drive
- Lineartronic® CVT with Active Torque Vectoring
- SI-DRIVE Engine Performance Management
- 17-inch steel wheels with covers
- Auto-on/off LED headlights
- Cloth upholstery
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- SUBARU STARLINK™ 6.5-inch Multimedia Plus with Apple CarPlay™ and Android™ Auto integration, STARLINK™ cloud-based applications, SiriusXM® All Access Radio⁷ and Travel Link,^{8,9} 4 speakers, USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity
- Dual USB ports
- Automatic climate control system
- Rear-Vision Camera

Forester Premium

- Includes Forester key features and adds:**
- X-MODE® with Hill Descent Control
 - 17-inch aluminum-alloy wheels
 - Panoramic moonroof
 - Raised roof rails: black finish
 - Rear spoiler
 - Body-color side mirrors
 - Privacy glass
 - Premium cloth upholstery
 - 10-way power adjustable driver's seat
 - Leather-wrapped steering wheel
 - Rear-seat center armrest with dual cup holders
 - Rear A/C vents
 - 4G LTE Wi-Fi capability¹⁰
 - STARLINK™ Safety and Security enabled¹¹; includes features and services such as Automatic Collision Notification, Remote Engine Start¹⁰ and Concierge Services
 - 6 speakers
 - Cargo-area cover

Forester Sport

- Includes Forester Premium key features and adds:**
- Dual-function X-MODE® with Hill Descent Control
 - SI-DRIVE with Sport Sharp (S#) mode
 - LED fog lights
 - 18-inch aluminum-alloy wheels
 - Roof rails with integrated tie-downs
 - Front, rear and side underguards with orange accents
 - Body-color side mirrors with integrated turn signals
 - Orange and gloss black exterior accents
 - Gray Sport Cloth with leather shifter
 - Orange stitching and interior trim accents
 - Sport gauges with color LCD display
 - 6.3-inch color multifunction display
 - Keyless Access with Push-Button Start
 - Dual rear USB ports
 - LED dome, cargo and rear gate lights
 - All-Weather Package: Heated side mirrors, front seats and windshield wiper de-icer
 - Cargo-area tray

Forester Limited

- Includes Forester Premium key features and adds:**
- Dual-function X-MODE® with Hill Descent Control
 - 18-inch aluminum-alloy wheels
 - LED Steering Responsive Headlights (SRH) with High Beam Assist (HBA)
 - Halogen fog lights

2019 Forester | Specifications

Engine and Drivetrain		Forester
Engine Power Torque	2.5-liter DOHC direct injection aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 182 hp @ 5,800 rpm 176 lb-ft @ 4,400 rpm	●
SI-DRIVE Performance Management System	Subaru Intelligent Drive (SI-DRIVE) enables two distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU) and the transmission control unit (TCU) as well as fine-tuning the electronically controlled throttle. Forester, Forester Premium, Forester Limited and Forester Touring: Intelligent (I) and Sport (S) Forester Sport: Intelligent and Sport Sharp (S#)	●
Auto Start-Stop System	Automatically shuts down and restarts the vehicle engine when stopped, reducing vehicle idle time, emissions and fuel consumption.	●
Automatic Transmission	Lineartronic® CVT (Continuously Variable Transmission) with Adaptive Control, Incline Start Assist and 7-speed manual mode ¹ with paddle shifters.	●
CA Emissions		LEV III/SULEV 30
Maximum Towing Capacity²	1,500 lbs.	●
Traction and Stability		
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●
X-MODE®	X-MODE® optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce or increase individual wheelspin, providing optimal traction on various types of terrain and low friction surfaces. Forester: N/A. Forester Premium: Standard. Single mode system. Forester Sport, Forester Limited and Forester Touring: Standard. Dual mode system with Snow/Dirt and Deep Snow/Mud modes.	○
Hill Descent Control (HDC)	X-MODE® also incorporates Hill Descent Control that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control. Forester: N/A. Forester Premium, Forester Sport, Forester Limited and Forester Touring: Standard.	○
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed Traction Control System that senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC, applying braking power to the inside wheels, resulting in sharper turn-in, more neutral steering and higher cornering limit while turning.	●
Trailer Stability Assist (TSA)	Trailer Stability Assist senses any unsafe yaw conditions and automatically applies braking to specific wheels to help the driver maintain vehicle control.	●

● Standard ○ Optional — Not equipped

Rockford Fosgate® The Rockford Fosgate® audio upgrade consists of an amplifier, upgraded speakers and an integrated digital signal processor tuned to align the system to the listener's preference.

SUBARU STARLINK™ Entertainment Anywhere.¹ The STARLINK™ Entertainment Anywhere package is available to make every trip in your Forester even more enjoyable. With two Apple iPad® 32GB Wi-Fi models, you and your passengers have endless opportunities to stay connected, engaged and entertained. Passengers can also utilize the built-in 4G LTE Wi-Fi capability to stream their favorite content or search the web. This premium entertainment experience—which also includes two sets of Harman Kardon® Bluetooth® Headphones and two OtterBox Defender Series iPad Cases—is a great value and can be enjoyed in the backseat of your Forester or wherever else your travels take you.

¹ Please see your local retailer for details on how to purchase. Components of the Entertainment Anywhere Kits are not Genuine Subaru Accessories and are not covered under any Subaru limited warranties. Any service or warranties on those components are extended by their individual manufacturers. Apple and iPad are registered trademarks of Apple Inc. All sales are final. No returns will be accepted. Headphones shown are prototype.

Cargo Tray. Helps protect the trunk area from stains and dirt, while providing a surface that helps reduce the shifting of cargo while driving.

Door Edge Guards. Help protect your door edges from dings and chips with custom-fit, body color-matched Door Edge Guards. They help preserve the appearance of your Subaru while seamlessly blending into the door design.

Body Side Molding. Color-matched molding helps protect vehicle doors from parking lot dings while attractively blending with the lines of the car.

Auto-Dimming Exterior Mirror with Approach Light. Enhance your Auto-Dimming Mirror experience by adding the Auto-Dimming Exterior Mirrors with Approach Light.* Unlock the doors with the keyless entry system and LED lights located in each exterior mirror help to light the way. Light is cast down from all four doors and onto the ground next to and towards the rear of the vehicle. When in traffic, the Auto-Dimming Exterior Mirrors help add to a safer driving experience by reducing reflected headlight glare.

*Requires Auto-Dimming Interior Mirror.

Rear Bumper Cover. Helps protect the upper surface of painted rear bumper from scratches and dings.

Trailer Hitch. Rated at 176 lbs. tongue weight with 1,500 lbs. of towing capacity. Engineered to the same rigorous standards as the rest of the Forester.

Ball mount sold separately. Hitch ball not included. Trailer brakes may be needed.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with the Cargo Tray.

Auto-Dimming Mirror with HomeLink.® This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Let nothing hold you back.

When your passion is even bigger than your cargo area, Genuine Subaru active lifestyle accessory attachments manufactured by Thule® are a smart way to securely transport larger gear like bikes, skis, snowboards, kayaks, paddleboards and more. Each carrier safely attaches to your roof rack and the available Thule® Portable Step can help you easily access everything.

Thule® Bike Carriers - Fork-Mounted and Roof-Mounted

Thule® Heavy-Duty Roof Cargo Basket

Thule® Cargo Carrier

2019 Forester | Owner Benefits

For additional Subaru resources, including owner's manuals, maintenance schedules, roadside assistance and more, log on to www.mysubaru.com

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

Subaru owners are driven by their passions. Whether hiking to see a sunset or skiing through fresh powder. Paddling through rapids or playing fetch with their furry friend. For many, our exclusive Badge of Ownership lets them personalize their vehicle and express their interests. Owners can go to badgeofownership.com to order FREE Subaru Badge of Ownership lifestyle icons.

Durability

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 97% of Subaru Forester vehicles sold in the last 10 years are still on the road today.¹⁷ We also share your desire for a cleaner, greener world. In 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is headquartered in a zero-landfill office in Camden, N.J.

Warranties

New Car Limited Warranty 3 years or 36,000 miles, whichever comes first.

Powertrain Limited Warranty 5 years or 60,000 miles, whichever comes first.

Wear Item Limited Warranty 3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:

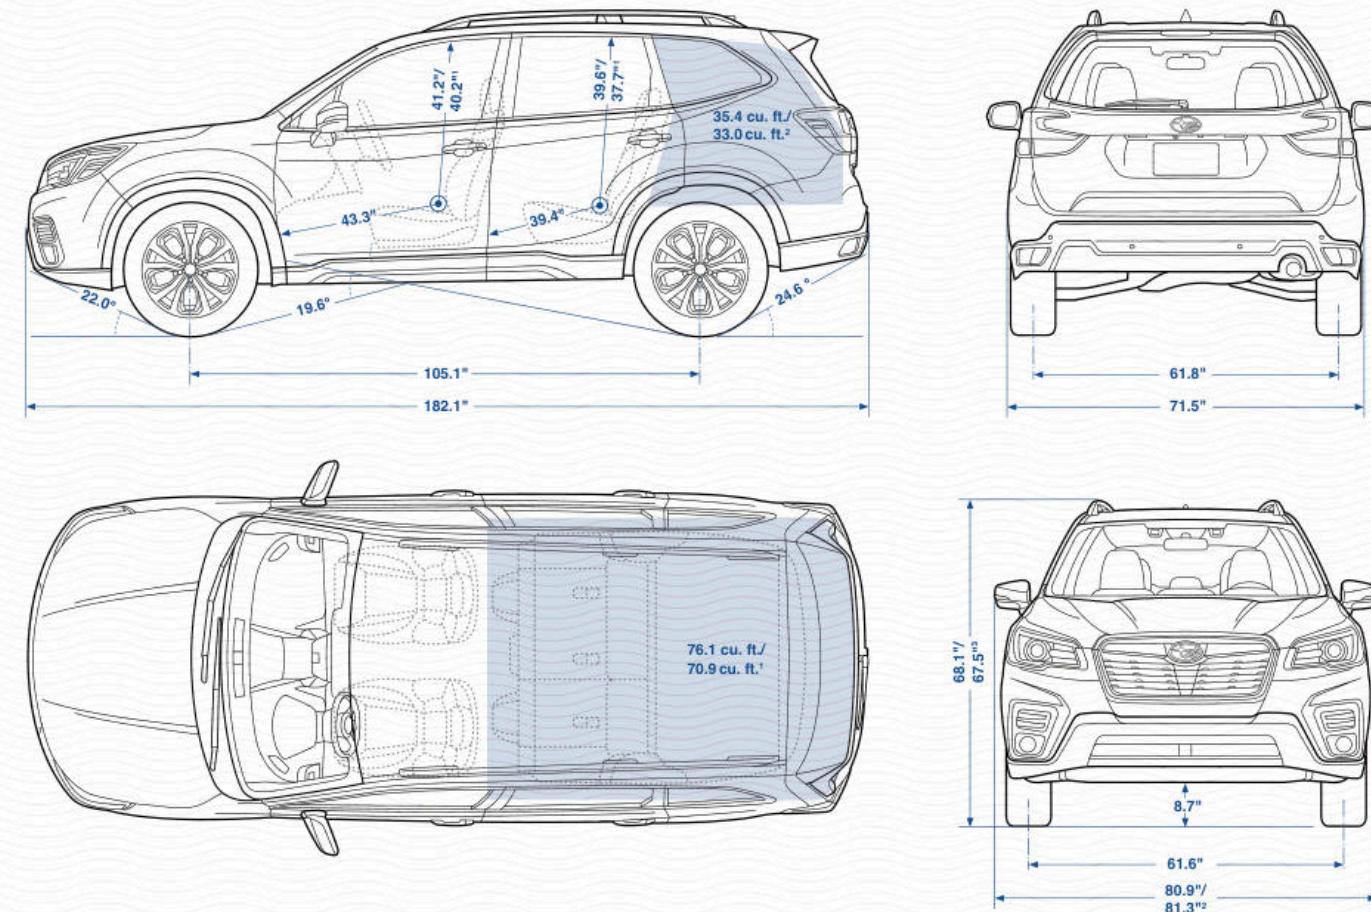

- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmitter Batteries

Rust Perforation Limited Warranty 5 years, unlimited mileage.

24-hour Roadside Assistance 3 years or 36,000 miles, whichever comes first.

1 Sport and Touring models only. 2 Trailer brakes may be needed. Some safety features, including Blind-Spot Detection, Rear Cross-Traffic Alert and X-MODE may not function properly when towing. See your retailer for details. 3 2019 EPA fuel economy estimates. Actual mileage may vary. 4 The glass information listed represents calculated reference values, and may not represent actual values determined by testing. 5 Available only with other features. See Optional Equipment listing. 6 Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 7 Activation and required monthly subscription required. See your retailer for details. 8 Activation and required monthly subscription required. Includes 4-month trial subscription. See your retailer. 9 Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. 10 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. The Pre-Collision Throttle Management System is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Departure and Sway Warning, and Lane Keep Assist operate only when the lane markings are visible and system effectiveness depends on many factors. See Owner's Manual for complete details on system operations and limitations. 11 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 12 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 13 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. 14 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for purchase and for renewal purposes. See your retailer for details. 15 Keyless Access with Push-Button Start required. 16 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat. 17 Based on IHS Markit U.S. vehicles in operation vs. total new registrations in the Non-Luxury Compact CUV segment for MY2008-2017 ending in December 2017.

2019 Forester | Dimensions
