

2018 WRX / WRX STI

The best-handling, best-performing WRX and WRX STI ever.

Drive first. The where will happen.

Cornering

The WRX has all the hardware needed to corner with grace and speed. Starting with the suspension, the WRX has an enviable setup—a rigid unibody chassis with reinforced suspension mounting points, aluminum front lower control arms with pillow-ball joint mounts, and a double wishbone rear suspension architecture with pillow-ball joint bushings. Add Subaru Symmetrical All-Wheel Drive and Active Torque Vectoring, and you've got a recipe for world-class handling.

Responsiveness

Having excellent grip is only half of the handling equation. The other is the driver's sensation of control and precision, which the WRX delivers, thanks to a near-instant 14.4:1 steering ratio¹. With available 18-inch wheels and inverted front struts for less unsprung weight and more cornering response, every road will be met with your absolute confidence.

Power

Pure bliss exists in the form of the 268-hp 2.0-liter Direct Injection Turbocharged (DIT) SUBARU BOXER® engine that lies at the heart of the WRX, where power is generated smoothly, efficiently and instantaneously, thanks to its twin-scroll turbocharger. Matched with either the revised 6-speed manual transmission or the Sport Lineartronic™ Transmission with SI-DRIVE and paddle shifters, the WRX engine is a modern engineering marvel.

Safety

The WRX backs up its potent performance features with appropriately robust safety measures. New for 2018, LED Steering Responsive Headlights (SRH) help you safely see around corners when driving at night. With a standard Rear-Vision Camera, available Blind-Spot Detection,² Rear Cross-Traffic Alert² and High Beam Assist,³ the WRX is proof that performance and safety don't have to be mutually exclusive.

“Purpose-built for the hardcore.”

— Autoweek.com, 2016

Cornering

The WRX STI is laser-focused on handling with a track-tuned suspension that features standard inverted front struts and aluminum front lower control arms for low unsprung weight, an attribute further enhanced by its lightweight 19-inch alloy wheels. And it's all underpinned by Subaru Symmetrical AWD with a newly revised Driver Controlled Center Differential (DCCD), front and rear limited-slip differentials and Active Torque Vectoring, so you can hit your apexes and nail your exits with control, precision and speed.

Responsiveness

The WRX STI driving experience is a synergy between driver and car that's all too rare. You'll feel an invigorating sense of control, thanks to the ultra-quick 13.3:1 steering ratio, rigid unibody chassis and powerful Brembo® high-performance braking system, which features 6-piston front and 2-piston rear monoblock calipers and cross-drilled rotors to stop you with authority and reduced brake fade. For more stability at higher speeds, the signature rear wing of the WRX STI adds downforce for greater control.

Power

It's a potent, race-proven package—a 305-hp 2.5-liter turbocharged SUBARU BOXER® engine coupled with a precise and durable 6-speed, close-ratio transmission and SI-DRIVE for on-the-fly performance adjustments. Invigorating horsepower and addictive torque are always on tap, waiting to be unleashed.

Heritage

For nearly three decades, Subaru Tecnica International (STI) has applied lessons learned in motorsports to Subaru automobiles, not only enhancing performance but the ability to keep performing, lap after lap. Their holistic approach to engineering results in vehicles that are more communicative, responsive, and able to take the sustained punishment that high-intensity driving demands.

5.9-inch Multifunction Display

SUBARU STARLINK™ Multimedia

Electroluminescent Gauges

STI Design Accents

SI-DRIVE

It's not about settling in.

It's about strapping in. The moment you enter a WRX or WRX STI, the available Recaro® performance seats lock you into position. As you grip the leather-wrapped flat-bottom steering wheel, take command with SUBARU STARLINK™ Multimedia, which connects via Bluetooth® or USB port to your smartphone for access to Pandora,® iHeartRadio,® Stitcher,™ Aha,™ SiriusXM® All Access Radio and more.¹ Simply use voice commands, steering-wheel-mounted controls or the high-definition touchscreen, which can read and display incoming texts.² Now just crank up the available 440-watt-equivalent 9-speaker Harman Kardon® premium audio system, and you're off.

1 Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 2 STARLINK can read incoming texts out loud when the vehicle is traveling at speeds over 5 miles per hour, and can display incoming texts on screen when the vehicle is traveling at speeds lower than 5 miles per hour. 7" system required.

Cargo-ready. Passenger-ready.

Track-ready.¹

A sports car with room for weekdays.

Compromises are few, thanks to new standard roof cross-bar mounting points, a 12-cubic-foot trunk, a 60/40 split-folding rear seatback, expansive rear legroom and wide door openings. In fact, the Subaru WRX has the largest passenger volume among all-wheel drive vehicles in its class.² It's a commuter, an errand-runner and a track-day weapon, all rolled into one. This sports car goes anywhere but the garage.

¹ We do not recommend racing your vehicle. Racing may void the vehicle warranty. See Warranty & Maintenance Booklet for details. If you do race the vehicle, do it safely and lawfully on approved racing tracks. Drive responsibly at all times and obey all traffic laws. ² Based on passenger volume information from the EPA for MY17 vehicles within the Non-Luxury Traditional Compact segment only among all-wheel-drive vehicles. Segment definition supplied by IHS Markit.

Subaru is Kelley Blue Book's **Best Performance Brand** for three years running.¹

2018 WRX & WRX STI | Trim Levels

WRX

WRX

- 268-hp twin-scroll turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission
- Sport-tuned suspension
- 17-inch aluminum-alloy wheels
- Low-profile trunk spoiler
- Heated side mirrors
- Cloth upholstery
- Leather-wrapped flat-bottom steering wheel
- SUBARU STARLINK™ 6.2-inch Multimedia with smartphone app integration⁶, 6 speakers, HD Radio⁸ with iTunes[®] tagging capability, USB port/iPod[®] control, SiriusXM[®] All Access Radio⁷, Bluetooth[®] audio streaming and hands-free phone connectivity
- 5.9-inch LCD color multifunction display
- Automatic climate control
- Rear-Vision Camera
- Roof cross-bar fixed mounting points
- 7 airbags

WRX Premium

- Includes WRX key features and adds:**
- Optional Sport Lineartronic™ Transmission with paddle shifters, 6- and 8-speed manual modes and SI-DRIVE
 - 18-inch aluminum-alloy wheels
 - Halogen fog lights
 - SUBARU STARLINK™ 7.0-inch Multimedia Plus with smartphone app integration⁶, Siri[®] Eyes-Free, SiriusXM[®] All Access Radio⁷ and Travel Link^{®7}
 - Power-tilt/sliding moonroof
 - All-Weather Package: Includes heated front seats and windshield wiper de-icer
 - Optional Performance Package: Includes Recaro[®] performance-design front seats, 8-way power driver's seat, moonroof delete, red-painted brake calipers and Jurid[®] performance front brake pads⁸

WRX Limited

- Includes WRX Premium key features and adds:**
- LED Steering Responsive Headlights (SRH)
 - LED fog lights
 - Keyless Access with Push-button Start and PIN-code vehicle access
 - Auto-on/off headlights
 - Leather-trimmed upholstery
 - 10-way power adjustable driver's seat
 - Welcome lighting
 - STARLINK™ Safety Plus enabled⁹

The Subaru WRX was named **Best Resale Value** in its class for 2017 by Kelley Blue Book's KBB.com.²

Your wireless carrier's rates may apply. ⁷ Activation and monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. ⁸ Performance Package models are equipped with brake pads which may produce higher levels of braking noise and brake dust, even under normal driving conditions. ⁹ Activation and required subscription sold separately. Includes 1-year trial subscription. See retailer for details. ¹⁰ Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. ¹¹ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

2018 WRX & WRX STI | Specifications

Engine and Drivetrain		WRX	WRX STI
Power Torque	2.0-liter DOHC Direct Injection Turbocharged (DIT), intercooled, aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 268 hp @ 5,600 rpm 258 lb-ft @ 2,000-5,200 rpm	●	—
	2.5-liter DOHC intercooled, turbocharged, aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 305 hp @ 6,000 rpm 290 lb-ft @ 4,000 rpm	—	●
Intake System	Twin-scroll turbocharger with intercooler. Maximum boost pressure: 15.9 psi.	●	—
	Turbocharger with intercooler. Maximum boost pressure: 14.7 psi.	—	●
SI-DRIVE performance management system	Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU) and by fine-tuning the electronically controlled throttle. For WRX models equipped with Sport Lineartronic™ Transmission, SI-DRIVE also adjusts transmission shift characteristics.	○	●
Transmission	Fully synchronized 6-speed manual with carbon first- and second-gear synchros, and Incline Start Assist	●	—
	Fully synchronized close-ratio 6-speed manual with Incline Start Assist	—	●
	Sport Lineartronic™ Transmission with 6- and 8-speed manual modes, paddle shifters and Incline Start Assist. WRX Premium and WRX Limited : Optional.	○	—
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
	Driver Controlled Center Differential (DCCD) All-Wheel Drive	—	●
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path. Includes standard, off and performance-oriented Traction mode.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC applying braking power to the inside front wheel resulting in sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system that, when sensing a loss of traction, reduces engine torque and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●
Fuel			
Fuel Economy	city/highway/combined ²	Manual: 21/27/23 mpg Automatic: 18/24/21 mpg	17/22/19 mpg
Fuel Requirement	Premium unleaded gasoline (91 octane) required. 93 octane recommended for maximum performance (WRX STI).	●	●
Fuel Capacity	15.9 gallons	●	●

● Standard ○ Optional — Not equipped □ Available retailer-installed accessory

Remote Engine Starter. Allows the vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioner controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access and Smart system. Operating distance is up to 30 feet away, depending on vehicle obstructions.

STI Under Spoiler - Side. Give your vehicle a ground-hugging look down the rocker panels of the WRX or WRX STI. Kit includes both left and right side under spoilers. Includes STI logo.

Body Side Molding. Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect bumper upper surface and leading edge. Includes a discrete pearl-colored Subaru logo.

Side Sill Plates. Metallic-finished panels dress up the sill plates of the WRX. Set of four.

Vortex Generator. Add a stylish look of performance to your WRX or WRX STI.

Footwell Illumination Kit. Casts a soft red or blue glow onto the front floor area.

All-Weather Floor Mats. Custom-fitted, heavy-gauge floor mats help protect the vehicle carpet from sand, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

Kicker® Speaker Upgrade. Enhance the sound clarity of your vehicle's audio system with these high-efficiency, two-way speakers. They have quality-constructed injected-molded Poly cones with 20mm silk dome tweeters and a frequency response rated at 30hz to 22khz.

Excludes models equipped with Harman Kardon® audio.

Kicker® Powered Subwoofer. Provides powerful deep bass and assists in clean sound reproduction from all vehicle speakers. This is achieved by its integrated 100W amplifier and a passive crossover network. The self-contained unit mounts in the trunk.

Excludes models equipped with Harman Kardon® audio.

Kicker® Tweeter Kit. Includes two 22mm tweeters for placement in the front dash to optimize the high frequency detail. Frequency response is 4500hz to 22khz.

Excludes models equipped with Harman Kardon® audio.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

Subaru owners are fueled by their passions, whether trackside or roadside. A coat of mud or muddy paws on the seat. Detouring down a dirt road or downhill skiing. Accelerating round a corner or paddling round the river bend. For many, our exclusive Badge of Ownership lets them personalize their vehicle and express their interests. Owners can go to badgeofownership.com to order FREE Subaru Badge of Ownership lifestyle icons.

Durability

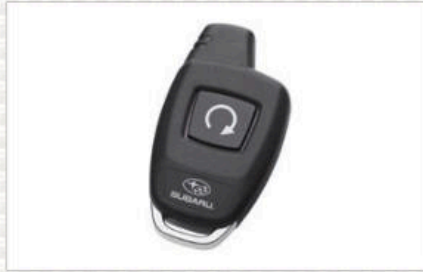

It's not disposable. It's family.

Life moves fast. Don't slow it down with a car you can't trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing and with designs that are inherently tough and resilient. It's why our vehicles excel in the extreme rigors of rally racing. And why 96% of all vehicles sold in the last 10 years are still on the road today¹⁵. It's also why Subaru owners are so likely to stay Subaru owners for years and years. What's more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we've done our job.

Warranties¹⁶

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.	
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.	
Wear Item Limited Warranty	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:	<ul style="list-style-type: none"> • Brake Pads • Wiper Blades • Clutch Linings • Transmitter Batteries
Rust Perforation Limited Warranty	5 years, unlimited mileage.	
24-hour Roadside Assistance	3 years or 36,000 miles, whichever comes first.	

¹ Requires Sport Lineartronic™ Transmission. Not available on base WRX trim. ² 2018 EPA fuel economy estimates. Actual mileage may vary. ³ Available only with other features. See Optional Equipment listing. ⁴ Not available with Sport Lineartronic™ Transmission. ⁵ Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. ⁶ Activation and monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. ⁷ Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. ⁸ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Departure and Sway Warning and Lane Keep Assist operate only when lane markings are visible and system effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. ⁹ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ¹⁰ The Reverse Automatic Braking (RAB) System is designed to assist the driver by detecting objects, to help avoid a possible collision, when the vehicle is moving in a low speed reverse direction. The system will provide automatic vehicle braking, if an obstacle is detected within its range. This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. ¹¹ Activation and required subscription sold separately. Includes 1-year trial subscription. See retailer for details. ¹² The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. ¹³ Activation with subscription is required. See your retailer for details. ¹⁴ Performance Package models are equipped with brake pads which may produce higher levels of braking noise and brake dust, even under normal driving conditions. ¹⁵ Based on IHS Markit U.S. vehicles in operation vs. total registrations MY2007-2016 as of January 2017. ¹⁶ All Subaru vehicles sold by Subaru of America, Inc., are designed and built for normal driving conditions. The Subaru Limited Warranty, as well as the Added Security program, excludes damage or failure resulting from modifications or participation in competition or racing events. See the Subaru Warranty and Maintenance booklet for further details.

Remote Engine Starter. Allows the vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioner controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access and Smart system. Operating distance is up to 30 feet away, depending on vehicle obstructions.

STI Under Spoiler - Side. Give your vehicle a ground-hugging look down the rocker panels of the WRX or WRX STI. Kit includes both left and right side under spoilers. Includes STI logo.

Body Side Molding. Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect bumper upper surface and leading edge. Includes a discrete pearl-colored Subaru logo.

Side Sill Plates. Metallic-finished panels dress up the sill plates of the WRX. Set of four.

Vortex Generator. Add a stylish look of performance to your WRX or WRX STI.

Footwell Illumination Kit. Casts a soft red or blue glow onto the front floor area.

All-Weather Floor Mats. Custom-fitted, heavy-gauge floor mats help protect the vehicle carpet from sand, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

Kicker® Speaker Upgrade. Enhance the sound clarity of your vehicle's audio system with these high-efficiency, two-way speakers. They have quality-constructed injected-molded Poly cones with 20mm silk dome tweeters and a frequency response rated at 30hz to 22khz.

Excludes models equipped with Harman Kardon® audio.

Kicker® Powered Subwoofer. Provides powerful deep bass and assists in clean sound reproduction from all vehicle speakers. This is achieved by its integrated 100W amplifier and a passive crossover network. The self-contained unit mounts in the trunk.

Excludes models equipped with Harman Kardon® audio.

Kicker® Tweeter Kit. Includes two 22mm tweeters for placement in the front dash to optimize the high frequency detail. Frequency response is 4500hz to 22khz.

Excludes models equipped with Harman Kardon® audio.

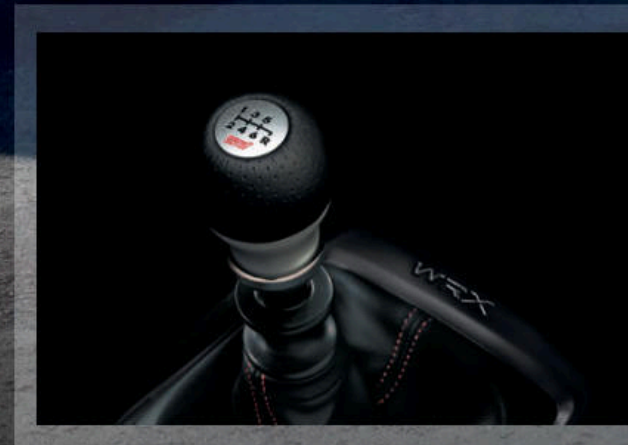

2018 WRX | WRX Sport Package
