

2019

LEGACY

Legacy. It's not just a sedan. It's a Subaru.

 **SUBARU**
Confidence in Motion

Choose where your road leads.

With ease and confidence, you're free to define your own destinations in the 2019 Legacy. From its advanced safety technologies to its well-appointed interior, peace of mind and enjoyment are always along for the ride. It's why 96% of Subaru Legacy vehicles sold in the last 10 years are still on the road today!¹

It's not just a sedan. It's a Subaru.

Safe

Every Legacy now includes EyeSight[®] Driver Assist Technology² as a standard feature. And with available active safety technologies, including Rear Cross-Traffic Alert³ and Blind-Spot Detection,³ the Legacy can help alert you to the dangers you don't always see coming. Plus available SUBARU STARLINK[™] Safety and Security can connect you to help when you need it most.⁴

Efficient

The Legacy gets an excellent 34 highway MPG⁵ and is as capable as ever with standard Subaru Symmetrical All-Wheel Drive. Its Lineartronic[®] CVT also helps maximize efficiency from the SUBARU BOXER[®] engine.

Engaging

With Subaru Symmetrical All-Wheel Drive, your ride feels confident, controlled and downright engaging. Active Torque Vectoring delivers sharper handling. Precision-tuned steering and suspension make for an especially responsive ride. For more power, opt for the Legacy 3.6R with its 256-hp 6-cylinder SUBARU BOXER[®] engine.

Connected

The Legacy makes it easy to bring along your music and apps. To keep you connected, SUBARU STARLINK[™] Multimedia features standard Apple CarPlay[™] and Android[™] Auto integration. And the available 8-inch touchscreen helps provide easier access to all your favorite content.

1 Based on IHS Markit U.S. vehicles in operation vs. total new registrations for MY2008-2017 ending in December 2017. 2 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. 3 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 4 Activation and required subscription sold separately. Includes 1-year Safety Plus trial subscription. See your retailer for details. 5 EPA-estimated fuel economy for 2019 Legacy 2.5i at 34 highway MPG. Actual mileage may vary.

Legacy 2.5i Sport

Distinction is in the details of the 2019 Legacy 2.5i Sport. You'll find exclusive features like 18-inch alloy wheels, a sport grille and satin chrome mirror caps with integrated turn signals. Its sophisticated cabin includes blue accent stitching over Two-Tone Gray cloth and carbon fiber-patterned touches throughout, along with Keyless Access with Push-Button Start. And with the reassurance of standard Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert,¹ you can rest a bit easier as you break away from the ordinary.

1 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

Try a new route.

© 2019 Legacy

Legacy 2.5i Sport in Crystal White Pearl with optional equipment.

Control starts from within.

Refined Interior

From rich materials to advanced technology, the inviting interior of the 2019 Legacy keeps you and your passengers comfortable, well connected and in control. Keyless Access with Push-Button Start is available to make getting in and starting up a rummage-free process. Finding your favorite content is easy, thanks to SUBARU STARLINK™ Multimedia with standard Apple CarPlay™ and Android™ Auto integration. And in the quiet cabin, you'll enjoy the clear, crisp sound of the available Harman Kardon® 576-watt-equivalent 12-speaker premium audio system. Up front, the available driver's seat memory ensures comfort for different drivers, and things stay cozy for everyone with available rear A/C vents and heated rear seats. It's not the everyday drive you're used to.

© 2019 Legacy

Room for the unexpected.

When you spend a considerable amount of time in your car, interior comfort and roominess are non-negotiable. This is exactly what you find when you step into the quiet cabin of the 2019 Legacy, from soft-touch materials to 104.6 cubic feet¹ of pure spaciousness. You can't always predict what the drive will bring, but you can always expect to drive in comfort.

EyeSight® reduces rear-end crashes with injuries by

85%

An extra set of eyes every time you drive.

Every Legacy includes standard EyeSight® Driver Assist Technology.²

Pre-Collision Braking

When a driver ahead unexpectedly hits the brakes or cuts you off, EyeSight^{®2} warns you, applies brakes to help avoid impact and, at lower speeds, can even help bring your Legacy to a full stop, if necessary.

Adaptive Cruise Control

Traffic doesn't always flow smoothly, so EyeSight[®] doesn't only keep a set speed. The system looks ahead and helps your Legacy automatically adjust to keep your distance, even in stop-and-go traffic.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight[®] watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to Lane Keep Assist.

Pre-Collision Throttle Management

This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging or if you unintentionally put your Legacy in Drive instead of Reverse.

¹ Based on data from 2013–2015MY Subaru models equipped with EyeSight through 2014. From an Insurance Institute of Highway Safety report published January 2016. ² EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations.

Safe and sound
is what we do best.

Advanced Safety Features

What's inside is what the Legacy was designed to protect. That's why you'll find standard features like a Rear-Vision Camera and eight airbags,¹ as well as Subaru Symmetrical All-Wheel Drive to give you control and confidence, even in unfavorable weather. And with available LED Steering Responsive Headlights (SRH) with High Beam Assist (HBA) to help maximize your visibility,² the 2019 Legacy can help you feel more confident each time you get behind the wheel.

Legacy 3.6R Limited in Ice Silver Metallic with optional equipment.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection^{2,3} warns you with a visual indicator on your side mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on each side mirror if it senses a vehicle approaching in a neighboring lane while you signal for a lane change.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert^{2,3} uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and an audible warning.

Reverse Automatic Braking

In addition to the standard Rear-Vision Camera, available Reverse Automatic Braking (RAB) detects objects directly behind your vehicle when backing up at a slow speed and can help bring your Legacy to a stop, should an object be detected within its range and the driver fail to act.⁴

SUBARU STARLINK™ Safety and Security

Bringing peace of mind to each drive, STARLINK™ Safety and Security can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more.⁵

¹ Always wear seatbelts. Children should be properly restrained in the rear seat. ² Availability varies by trim levels. See your retailer for details. ³ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ⁴ The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. ⁵ Activation and required subscription sold separately. Includes 1-year Safety Plus trial subscription. See your retailer for details.

The Subaru Legacy was named **one of the 10 Best All-Wheel Drive Vehicles Under \$25,000** for 2018 by Kelley Blue Book.¹

Subaru is Kelley Blue Book's **Most Trusted Brand** for four years running.²

2019 Legacy | Models

2.5i

- 175-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- EyeSight® Driver Assist Technology⁷
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- SUBARU STARLINK™ 6.5-inch Multimedia Plus with Apple CarPlay,⁸ Android™ Auto, Pandora® and Aha™ smartphone app integration,⁸ STARLINK™ cloud-based applications, SiriusXM® All Access Radio⁹ and Travel Link,^{9,9} high-resolution LCD touchscreen display, 4 speakers, AM/FM/CD player, dual USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Cloth upholstery
- 6-way manually adjustable driver's seat and 4-way manually adjustable front-passenger's seat
- Manually adjustable CFC-free air conditioning system with air filtration
- Lineartronic® CVT (Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
- 17-inch steel wheels with covers
- Welcome lighting
- Driver's auto-up/down power window
- Auto-on/off wiper-linked headlights
- Rear-Vision Camera

2.5i Premium

- Includes 2.5i key features and adds:**
- SUBARU STARLINK™ 8.0-inch Multimedia Plus with Apple CarPlay,⁸ Android™ Auto, Pandora® and Aha™ smartphone app integration,⁸ STARLINK™ cloud-based applications, SiriusXM® All Access Radio⁹ and Travel Link,^{9,9} 6 speakers, AM/FM/CD player, HD Radio,⁹ Bluetooth® audio streaming and hands-free phone and text messaging connectivity
 - Dual front and rear seat USB ports
 - 17-inch aluminum-alloy wheels
 - 10-way power adjustable driver's seat
 - All-Weather Package: Heated exterior mirrors, 3-mode heated front seats, windshield wiper de-icer
 - Auto-dimming rearview compass mirror with HomeLink®
 - Dual-zone automatic climate control system
 - Leather-wrapped steering wheel and shifter handle
 - Front-passenger's auto-up/down power window
 - Electroluminescent gauges with LCD color display
 - STARLINK™ Safety Plus enabled¹⁰

2.5i Sport

- Includes 2.5i Premium key features and adds:**
- Keyless Access with Push-Button Start
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert¹¹
 - 18-inch aluminum-alloy wheels in black with machine finish
 - LED fog lights
 - Sport grille
 - Sport trunk spoiler
 - Satin chrome folding side mirrors with integrated turn signals
 - Two-Tone Gray Cloth upholstery with contrast blue stitching
 - Rocker spoiler with chrome trim
 - Silver metallic with carbon fiber-patterned and gloss black interior accents

96% of Subaru Legacy vehicles sold in the last 10 years are still on the road today.³

IHS Markit

2.5i Limited

- Includes 2.5i Premium key features and adds:**
- Leather-trimmed upholstery with distinctive stitching
 - 10-way power adjustable driver's seat with 2-position memory and 4-way power adjustable front-passenger's seat
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert¹¹
 - Harman Kardon® premium audio system with 576-watt-equivalent GreenEdge® amplifier and 12 speakers, including center dash speaker and subwoofer
 - All-Weather Package: Heated exterior mirrors, 3-mode heated front seats and dual-mode heated rear seats, windshield wiper de-icer

- Keyless Access with Push-Button Start
- 18-inch aluminum-alloy wheels in gray with machine finish
- LED fog lights
- Woodgrain-patterned matte finish accent trim
- Side mirrors with integrated turn signals

3.6R Limited

- Includes 2.5i Limited key features and adds:**
- 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
 - Lineartronic® HCVT (High-Torque Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
 - Dual bright-finish exhaust outlets

Subaru vehicles **hold their value** better than **any other brand** for 2018, according to ALG.⁴

The best-selling all-wheel drive midsize sedan for the past 10 years.⁵

IHS Markit

"The Legacy is comfortable, quiet, offers good fuel economy and reliability all in a package with plenty of interior space and with excellent safety scores."⁶

CA Emissions		LEV III/SULEV 30	LEV III/ULEV 125
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC applying braking power to the inside wheels, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed Traction Control System, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●
Fuel			
Fuel Economy	city/highway/combined¹	25/34/29 mpg	20/28/23 mpg
Fuel Requirement	Unleaded gasoline (87 octane)	●	●
Fuel Capacity	18.5 gallons	●	●

Legacy | Accessories

Cargo Net. Neatly holds cargo upright and helps prevent it from sliding while the vehicle is in motion.

Body Side Molding. Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect bumper upper surface and leading edge. Includes a discrete pearl-colored Subaru logo.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry.

Cargo Tray. Helps protect trunk area from outdoor elements while providing a surface that helps keep cargo from shifting.

Trunk Cargo Hook. Conveniently helps to hold shopping bags upright. The hook folds out of the way when not in use. Each kit includes one hook.

Moonroof Air Deflector. Helps to reduce wind noise and sun glare.

Door Edge Guards. Help protect your door edges from dings and dents with custom-fit, body-color-matched, stainless steel Door Edge Guards. They are easy to install and preserve the appearance of your Subaru while seamlessly blending into the door design.

Not Dimmed

Dimmed

Auto-Dimming Exterior Mirror with Approach Light

Make it easier—and safer—to come and go with the accessory Auto-Dimming Exterior Mirrors with Approach Light.¹

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help illuminate the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Auto-Dimming Interior Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the glare out of your eyes. The brighter the light, the dimmer the mirrors and the better you'll be able to see.

Auto-Dimming Mirror with HomeLink®. This upgraded Auto-Dimming Mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

LED Upgrade - Map and Dome Lights. Upgrade your interior map and dome lights with our new LED upgrade accessory. The upgrade offers brighter, whiter and crisper interior lighting of the map and dome lights than the standard equipment lighting.

Splash Guards. Help protect the vehicle's paint finish from stones and road grime.

All-Weather Floor Liners. Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, sand, snow, mud, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

Subaru owners are driven by their passions. Whether hiking to see a sunset or skiing through fresh powder. Paddling through rapids or playing fetch with their furry friend. For many, our exclusive Badge of Ownership lets them personalize their vehicle and express their interests. Owners can go to badgeofownership.com to order **FREE** Subaru Badge of Ownership lifestyle icons.

Durability

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 96% of Subaru Legacy vehicles sold in the last 10 years are still on the road today.¹⁴ We also share your desire for a cleaner, greener world. In 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is headquartered in a zero-landfill office in Camden, N.J.

Warranties

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.	
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.	
Wear Item Limited Warranty	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:	<ul style="list-style-type: none"> • Brake Pads • Wiper Blades • Clutch Linings • Transmitter Batteries
Rust Perforation Limited Warranty	5 years, unlimited mileage.	
24-hour Roadside Assistance	3 years or 36,000 miles, whichever comes first.	

¹ 2019 EPA fuel economy estimates. Actual mileage may vary. ² Available only with other features. See Optional Equipment listing. ³ The glass information listed represents calculated reference values, and may not represent actual values determined by testing. ⁴ Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. ⁵ Activation and subscription is required. See your retailer for details. ⁶ Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. ⁷ Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. ⁸ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Departure and Sway Warning with Lane Keep Assist operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. ⁹ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ¹⁰ The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. ¹¹ Activation and required subscription sold separately. Includes 1-year trial subscription. See your retailer for details. ¹² The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and onboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. ¹³ Available Fall 2018. See your retailer for details. ¹⁴ Based on IHS Markit U.S. vehicles in operation vs. total new registrations for MY2008-2017 ending in December 2017.

¹ Auto-Dimming Exterior Mirrors with Approach Light are accessory equipment. Requires Auto-Dimming Interior Mirror.

Length/Width/Height	189.1 inches/72.4 inches (81.3/81.7 ² , including mirrors)/59.0 inches	Headroom (front/rear)	40.0/37.0 inches (with available moonroof: 37.6/37.0 inches)
