

2006 SUZUKI aerio

suzuki.com

go for it

Is full-speed ahead a perfectly reasonable way to live? Is having fun still legal? Is getting more power and a certain amount of attitude worth waiting for? Will this kind of thinking upset all kinds of mainstream balance? Yeah. Oh, yeah.

MSRP Starting at: **\$14,099***

*MSRP does not include freight, government fees or dealer charges. Aerio Sedan and Aerio SX Premium Packages shown in Silky Silver Metallic and Techno Blue Pearl Metallic with MSRPs of \$15,099 and \$15,299. Shown with optional accessories and equipment. Some features may not be available on some models. Please refer to Specifications pages for complete information.

MORE power... style... comfort.. & safety

Class-leading power.

The Aerio's 2.3-liter, 16-valve DOHC engine kicks out 155 hp, making it the most powerful standard engine in the class.

Functional, real-world performance.

The available QuadGrip® All-Wheel Drive and standard Antilock Braking System (ABS) help you harness the Aerio's power in slippery road conditions.

Make a statement.

Illuminated analog gauges look great, are easy to read – and make a very nice performance statement.

Brighten the road.

Fog lamps help give you more visibility and make you more visible to other drivers, plus they look great, too.

Time to customize.

Racks, covers, alloy wheels, bicycle carriers... check out the full range of accessories and high-performance parts available at your local Suzuki dealer.

You're in control.

One of the best ideas on the planet: audio controls on the steering wheel. Flip stations or pump up the volume, your hands never leave the wheel.

Let the fun begin.

In addition to the Aerio's long list of standard features are automatic climate control air conditioning, a 6-speaker CD stereo system and power everything.

Have cargo. Will travel.

Fold-down rear seats let you take along oversized cargo with ease.

Store more.

For a hide-away with even more storage, just lift up the cargo floor panel in the back of your Aerio.

Smart handling.

The standard Antilock Braking System (ABS) may give you extra control and improved ability to stop in slippery situations.

Advanced airbags.

Aerio gives you standard front and front-side airbags, as well as an advanced airbag for the front passenger with a weight-sensing feature in the seat that deactivates if the passenger is of a lighter weight.

Comprehensive protection.

Aerio was built for safety from the ground up, with a reinforced unibody structure, standard front-side airbags, antilock brakes and available QuadGrip AWD.

Open sesame.

With remote keyless entry, just push the buttons to lock and unlock the doors. It's convenient. And safe.

america's #1
warranty

AMERICA'S #1 WARRANTY
100,000 MILES • NO DEDUCTIBLE • FULLY TRANSFERABLE

See your local dealer for full details.

Suzuki's 100,000-mile/7-year Powertrain Limited Warranty: Every 2005 Suzuki comes standard with **America's #1 Warranty**, a fully transferable, \$0-deductible, 100,000-mile/7-year powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. Most competitive warranties cover only 10,000–12,000 miles per year. **Fully Transferable:** Can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any repairs to covered components are necessary within 100,000 miles or 7 years, there is zero charge for parts and labor.

Suzuki's New Vehicle Limited Warranty: Covers all components of the vehicles as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforation due to corrosion, they're covered for 36 months, with no limit on mileage. Tires are covered by a separate warranty from the tire manufacturer. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year New Vehicle Limited Warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to a defect in materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year New Vehicle Limited Warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days through Enterprise Rent-A-Car.

Drive responsibly: Buckle up for safety—don't drink and drive. WARNING: Sport Utility Vehicles handle differently from ordinary passenger cars. Avoid sharp turns and abrupt maneuvers. Always wear your seatbelt. For specific details, please read your Owner's Manual for on- and off-road driving tips. To avoid injury from an airbag, always place children 12 years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting. Pricing, specifications and equipment based on information available at the time of file posting, subject to change without notice and may differ in each sales area. Some vehicles shown with optional equipment. For more details on 2006 options, accessories, specifications and prices, contact your local Suzuki dealer. Suzuki, the "S" logo, Suzuki and Suzuki model names are Suzuki trademarks or ®. "Tread Lightly®" on public and private land. Along with concerned conservationists everywhere, Suzuki urges you to preserve your future off-road driving opportunities by showing respect for the environment, local laws and the rights of others.
