MORE power... style... comfort.. & safety

**Power to move you.**

Forenza performance all begins with its high-tech 127-horsepower 2.0-liter, DOHC 16-valve engine.

**Speed-Sensitive Power-assisted Steering comes standard on every Forenza.**

SSPS automatically eases steering while you're making low-speed turns and tightens it while you're cruising the highway.

**Automatic attraction.**

Both Forenza packages offer you the option of easy-driving 4-speed electronically controlled automatic transmissions.

**Tremendous stopping power, too.**

4-wheel disc brakes and an optional Antilock Braking System bring the Forenza to quick, controlled stops.

**Sleek, Italian design.**

As Edmunds.com stated in their review, "...Suzuki Forenza Wagon looks more like an upscale European sport wagon than an economy car."

**Who needs a mini van?**

The Forenza Wagon's gives you and your family 24.4 cubic feet of extra cargo space with the rear seats up and a big, 61.8 cubic feet with the rear seats down.

**Get personal.**

Car covers, alloy wheels, bicycle carriers... there are many ways to add more fun and function to your new Suzuki. Ask your dealer for details or visit [suzuki.com](http://suzuki.com).

**Fit for a king (or queen).**

Forenza's roomy interior pampers you and your passengers with air conditioning, micron air filtration, power windows, power door locks and cup holders for all.

**Sounds great.**

Eight-speaker, 140-watt CD stereo sound will brighten every drive from city commutes to cross-country cruises. And available steering wheel integrated controls let you manage the sound without moving your hands from the steering wheel.

**Slip into something more comfortable.**

Premium Forenzas add cruise control, leather-wrapped steering wheels, steering wheel integrated audio controls, passenger underseat storage bins, keyless remote entry, antilock brakes and more.

**Built smart.**

Forenza offers the security of standard front-side airbags, plus an advanced front passenger weight-sensing airbag system that's designed to deactivate if the front passenger is lighter than a standard-sized adult.

**Built tough.**

Side-impact door beams are just one of many systems designed to help protect the Forenza passenger cabin in case of a collision.

**Safe and easy entry.**

The Premium Packages feature a keyless remote entry system that locks and unlocks your vehicle at the push of a button.

**Protection for the whole family.**

The rear seat's LATCH system quickly and easily secures a child safety seat. And rear-door child-safety locks come standard.

Drive responsibly: Buckle up for safety—don't drink and drive. WARNING: Sport Utility Vehicles handle differently from ordinary passenger cars. Avoid sharp turns and abrupt maneuvers. Always wear your seatbelt. For specific details, please read your Owner's Manual for on- and off-road driving tips. To avoid injury from an airbag, always place children 12 years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting.
