SUZUKI 07

MORE IS MORE

Once you've started to live a little, you develop a taste for more. And Forenza delivers. This is one refined ride that combines sophisticated styling with a long list of must-have features. Isn't it time you got what you really wanted?

Automatic Transmission Go for the electronically controlled 4-speed automatic transmission and just drop it into Drive. **2.0-Liter Engine** The Forenza's efficient 4-cylinder, 16-valve engine combines 127 horsepower with EPA estimated highway mileage up to 31 mpg.* That's crisp acceleration. And comfortable highway cruising. **Remote Keyless Entry** Push-button locks make in-and-out a breeze. **Power and Control** Power windows, mirrors and door locks make life easy. **Clever Cockpit** Easy-to-read gauges and well-placed buttons, knobs and switches make the driver's seat a very pleasant place to be. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

MAKE A STATEMENT

Style. Sophistication. The Forenza's bold, contemporary design comes straight from the renowned Pininfarina design house in Italy. With chiseled styling from end to end—backed by a 2.0-liter, 16-valve engine and fully independent suspension—the Forenza makes all your moves look good.

Sometimes getting the most out of life requires special equipment. Or caffeine. For the small stuff, Forenza comes decked out with a collection of **cup holders and compartments**. For larger loads, a **60/40 split-folding rear seat** makes it easy to expand the capacity of Forenza's already accommodating trunk. Your life fits in perfectly. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

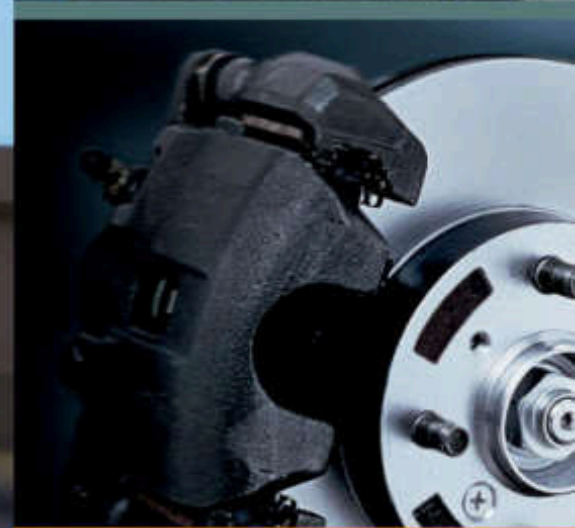

TAKE THE SCENIC ROUTE EVERY DAY

This looks like a good place for a road trip. Or a shopping spree. Even a commute. Settle in and you'll discover comfortable, versatile seating. Plus an 8-speaker CD/MP3 audio system, air conditioning, power everything and more—all standard. If you've ever settled, you never will again. With Forenza, you don't have to.

GO BIG

Pack a bigger cooler. Buy a bigger bookcase. Bring home a bigger plasma TV. Forenza Wagon doesn't just make it all possible, it makes it all easy. And you get all that additional capability without sacrificing the performance, comfort and fuel economy of a sedan. Now that's thinking big.

Playing it safe gives you the freedom to enjoy life. That's why every Forenza sedan and wagon comes equipped with **front and front-side airbags**, **4-wheel disc brakes** and **LATCH**-equipped rear seats that make it easy to install child safety seats securely. Plus a sophisticated anti-lock brake system (**ABS**) with electronic brake-force distribution (**EBD**). Ready to take off? You're covered. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

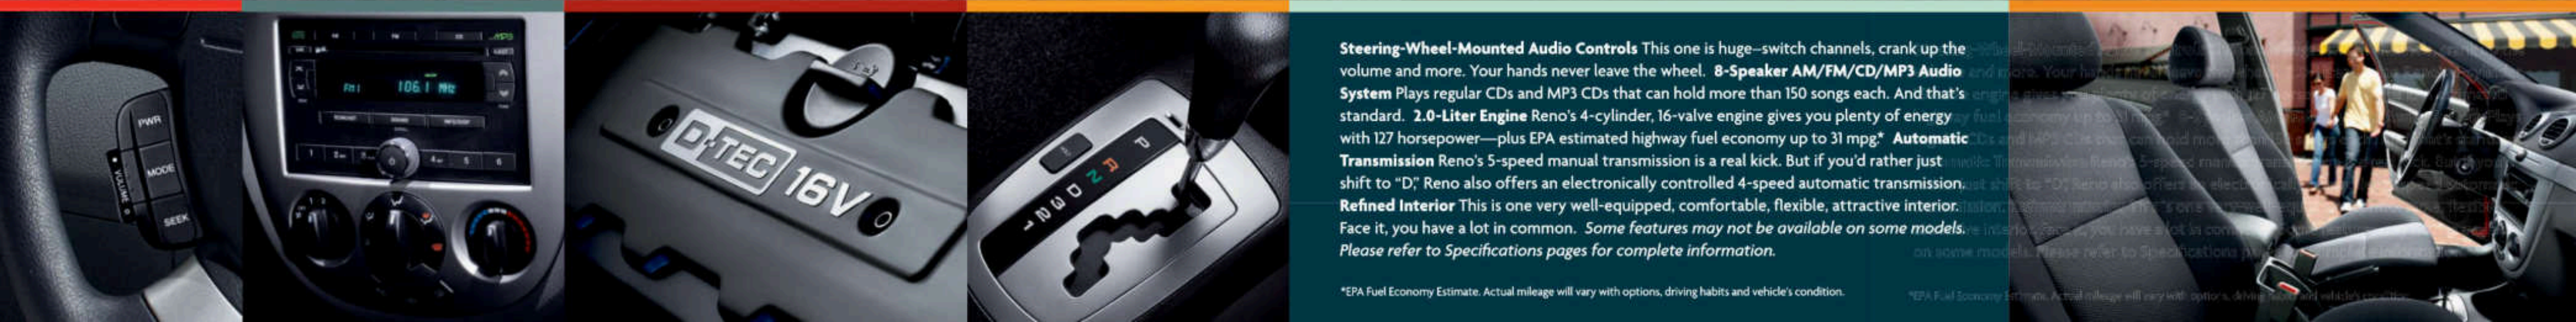

WHAT'S NEXT

Ready for anything? You're ready for Reno. Curvy Italian styling combines with 5-door versatility for a Class A, get-up-and-go ride. Add a long list of standard must-haves that includes a CD/MP3 audio system, air conditioning and more, and you'll always find a good reason to get in and find new places to go.

Reno Popular Package shown with optional equipment and accessories. Some features may not be available on some models. Please refer to Specifications pages for complete information.

Steering-Wheel-Mounted Audio Controls This one is huge—switch channels, crank up the volume and more. Your hands never leave the wheel. **8-Speaker AM/FM/CD/MP3 Audio System** Plays regular CDs and MP3 CDs that can hold more than 150 songs each. And that's standard. **2.0-Liter Engine** Reno's 4-cylinder, 16-valve engine gives you plenty of energy with 127 horsepower—plus EPA estimated highway fuel economy up to 31 mpg.* **Automatic Transmission** Reno's 5-speed manual transmission is a real kick. But if you'd rather just shift to "D," Reno also offers an electronically controlled 4-speed automatic transmission. **Refined Interior** This is one very well-equipped, comfortable, flexible, attractive interior. Face it, you have a lot in common. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

AMERICA'S #1 WARRANTY

100,000 MILES/7 YR • NO DEDUCTIBLE • FULLY TRANSFERABLE

Nothing in its class beats it. It's the only 100,000-mile/7-year powertrain limited warranty around that doesn't have a deductible and is fully transferable for the life of the warranty. That's huge, and that's why thousands of people don't talk about deductibles and transferability. No deductible means covered repairs are covered—you don't pay anything for parts and labor. Fully transferable means the warranty can pass from one owner to the next, increasing resale and trade-in value when it's time to buy your next car. With coverage extended for 100,000 miles or 7 years, whichever

comes first, you can average a more than reasonable 14,000 miles per year. The story of this long-term powertrain protection is complicated by a 36,000-mile/3-year new-vehicle limited warranty that also has no deductible and covers everything from the engine right to the exhaust pipe (except the battery, which is covered for 24,000 miles, and tires, which are covered by the tire manufacturer's warranty), and includes comprehensive 24-hour roadside assistance as well as a courtesy courtesy vehicle program. So, that's why we can say it's America's #1 Warranty. Sounds good, doesn't it?

100,000-Mile/7-Year Powertrain Limited Warranty: Every 2007 Suzuki comes standard with America's #1 Warranty: a 100,000-mile/7-year, fully transferable, \$0-deductible, powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. **Fully Transferable:** Unlike many other warranties, ours can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any covered repairs are necessary within 100,000 miles or 7 years, whichever comes first, there is no charge for parts and labor. **Suzuki's New-Vehicle Limited Warranty:** Covers all components and the vehicle as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. Tires are covered by a separate warranty from the tire manufacturer. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforations due to corrosion, they're covered for 36 months, with no limit on mileage. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year new-vehicle limited warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to defective materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year new-vehicle limited warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days, for up to \$30 a day, through Enterprise Rent-A-Car.

Drive responsibly: Buckle up for safety—don't drink and drive. Always wear your seatbelt. For specific details, please read your Owner's Manual. To avoid injury from an airbag, always place children 12 years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits; distribute cargo evenly and secure it from shifting.
