

**TOYOTA**

2026 Camry

2026 CAMRY

# Everyday drives deserve everyday thrills.

Camry's refined performance and elevated design let you chase your daily thrills in style.

# Transform routine drives into thrilling escapes.

Engineered for efficiency, Camry's all-hybrid powertrain has up to a 51 combined EPA-estimated mpg rating. <sup>1</sup> With an impressive up to 232 net combined hp and available Electronic On-Demand All-Wheel Drive (AWD) capability, it will keep the good drives going.

## Electronic On-Demand All-Wheel Drive (AWD)

Camry's available AWD offers peace-of-mind performance for every drive. When the system senses slippage at the front wheels, it automatically sends torque to the rear wheels to help maximize traction, wherever you're going. So, whether you're driving in the rain or snow or taking on corners, you'll find confidence every time you're behind the wheel.

## Impressive Efficiency

Camry can take you farther with fewer stops, thanks to an up to 51 combined EPA-estimated mpg rating. <sup>1</sup> That means you can spend less time at the pump and more time spent with the windows down and the wind in your hair.

## Responsive Handling

Feel connected in every turn. Camry's suspension delivers unique handling and an exceptionally smooth ride—elevating your comfort and control on every drive.

## PERFORMANCE

### 4-Mode Drive Switch

Four distinct available drive modes give you even more control. Defaulted for everyday driving, Normal Mode blends fuel economy with performance. Sport Mode indulges your spirited side with a sharper acceleration feel. Eco Mode adjusts throttle input to help maximize your efficiency, while EV Mode<sup>2</sup> drives in 100% electric for low speeds and short distances. With these choices, you can instantly tailor your drive to suit your whim, just by pressing a button.

### Dynamic Acceleration

Beneath Camry's hood is an up to 225 net combined horsepower hybrid powertrain—and with available All-Wheel Drive (AWD), Camry has 232 net combined horsepower—that packs a mighty punch. Its grin-inducing acceleration and thrilling power on tap make it incredibly fun to drive.

# Making daily journeys extraordinary.

## Nightshade

### 19-In. Black Satin Wheels

Outfitted with black-finished alloy wheels, each Nightshade expresses more personality on the street, with a design that enhances its total look.

### Nightshade Exterior

Make a statement at every stop. Whether you're coming or going, its black accents and sporty style always make you noticeable.

### Captivating Interior

Leave a lasting impression with sporty SofTex®- and fabric-trimmed seats that continue Nightshade's alluring design.

### Aluminum Sport Pedals

Standard aluminum sport pedals add to Nightshade's sportier vibe while enhancing grip and control for better feedback.

# Exterior

## LED Headlights and Taillights

Camry's LED headlights and taillights shine with clean, sophisticated style and offer bright visibility that illuminates the road in front of you.

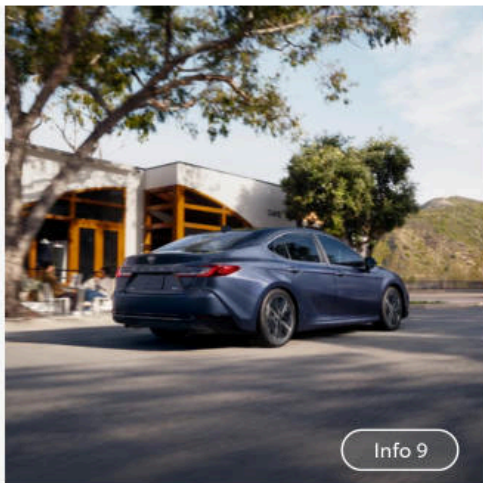

## Contemporary Exterior Styling

Make a statement wherever you go, with Camry's chiseled build and wide, low stance, which complement its sleek roofline and new alluring Dark Cosmos body color.

## Sporty XSE Design

Design with purpose. Camry XSE's modern aerodynamic air ducts and front-side canards, 19-in. black and smoke-gray-finished alloy wheels, and color-matching mesh grille add sporty yet functional touches.

## Refined XLE Design

Embolden your presence in Camry XLE. From its 18-in. two-tone machined and black-finished wheels, and gleaming chrome-finished accents, to a unique dark metallic front grille, XLE commands attention at every angle.

# Interior

## Flex Space

From drinks to sunglasses to snacks and more, Camry's configurable center console offers unique storage solutions for all your favorite things.

Info 12

## Modern Interior Design

Camry's open-concept interior blends premium styling and superior comfort that's sure to impress you from every seat and enhance the experience every time you enter Camry.

## Convenient Charging

Stay connected to fun with Camry's Qi-compatible wireless charging pad.<sup>10</sup> You and your passengers can also power up devices by plugging into one of the five available USB ports.<sup>11</sup>

Info 8

## Aluminum Sport Pedals

It's all about the details. Camry's available aluminum sport pedals give an extra "oomph" to its premium look and feel.

# Comfort

## Heated and Ventilated Seats

Camry's available heated and ventilated front seats put a premium on comfort with the touch of a button, while an available heated steering wheel warms up for those extra chilly drives.

## Dual Zone Automatic Climate Control

Crank up the comfort. Front-seat passengers can fine-tune the temperature to their liking, while rear vents ensure back-seat passengers stay nice and comfortable.

## Memory Seats and Mirrors

Camry's available driver's seat with position memory saves up to two seating and side mirror positions. When it's your turn to drive, just press a button to shift everything into place.

## Rain-Sensing Wipers

Camry's available rain-sensing wipers help keep your line of sight clear by activating when rain is detected on the windshield and adjust their speed according to how much rain is falling.

# Your intelligent sidekick.

Technology at your fingertips. Whether it's a display helping keep you focused on the drive or a system that connects you to the entertainment of wireless fun, a personal drive is always within reach.

## 12.3-In. Digital Gauge Cluster and Head-Up Display

Camry's available 12.3-in. digital gauge cluster with selectable gauges and available Head-Up Display (HUD) puts vitals right in front of you. Keep track of real-time driving data, turn-by-turn directions, safety information and alerts—all while keeping both hands on the wheel.

## Blind Spot Monitor w/Rear Cross-Traffic Alert

Standard Blind Spot Monitor (BSM)<sup>14</sup> warns you when a vehicle in the next lane enters Camry's blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA)<sup>15</sup> helps detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

## Traffic Jam Assist

Enjoy freeway driving with newfound ease. Traffic Jam Assist (TJA)<sup>16</sup> helps navigate the ebb and flow of stop-and-go traffic on controlled access freeways by providing hands-free control of the vehicle steering, braking and acceleration at speeds under 25 mph, when Lane Tracing Assist (LTA)<sup>17</sup> is on. Requires an active Drive Connect trial or subscription.<sup>18 19</sup> 4G network dependent.

## Front Cross-Traffic Alert

Available Front Cross-Traffic Alert (FCTA)<sup>20</sup> is designed to detect the approach of crossing vehicles when Camry enters an intersection at a low speed. It notifies the driver via an audible alert and a visual alert on both the Multi-Information Display (MID) and the Head-Up Display (HUD), to help give you greater awareness of your surroundings.

### Easy and Convenient Charging

Stay connected to fun. Simply place your smartphone on the Qi-compatible wireless charging pad <sup>10</sup> to find a charge. You and your passengers can also power up devices by plugging into one of the available five USB ports <sup>11</sup> found below the climate controls and behind the center console.

### Panoramic View Monitor

Available on Camry XLE and XSE, Panoramic View Monitor (PVM) <sup>21</sup> helps you check your surroundings for hazards. It uses four cameras to display a panoramic view on the touchscreen display. When you're parked and using the Moving View setting, PVM creates a virtual view from above to give you a bigger picture of what's around your Camry.

### Front and Rear Parking Assist with Automatic Braking

Ease into tight spaces with more confidence, thanks to Camry's available Front and Rear Parking Assist with Automatic Braking (PA w/AB). <sup>22</sup> It warns you when it detects nearby obstacles and, if necessary, under certain conditions, will reduce engine power and apply the brakes.

# Audio Multimedia

## SiriusXM® 3-Month Trial Subscription

SiriusXM®<sup>27</sup> has premium entertainment that you won't hear anywhere else. With the SiriusXM® 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

## 12.3-In. Toyota Audio Multimedia Touchscreen

Camry's available 12.3-in. Toyota Audio Multimedia touchscreen heightens your interactions through sight, touch and even voice recognition that lets you activate the system with a phrase like, "Hey, Toyota." From listening to music to finding your destinations, and more—stay connected to every adventure.

## Wireless Apple CarPlay®

Bring along a familiar interface. With Camry's wireless Apple CarPlay®<sup>28</sup> compatibility, you can use your compatible iPhone®<sup>29</sup> with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused on your drive.

## Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™<sup>30</sup> phone with the audio multimedia system, wireless Android Auto™<sup>31</sup> lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

## JBL® Premium Audio

Enjoy the soundtrack of every drive. Camry's available JBL®<sup>32</sup> Premium Audio system utilizes nine speakers with a subwoofer to produce phenomenal sound, for an immersive experience.

# Toyota Safety Sense™ 3.0 <sup>37</sup>

## Proactive Driving Assist

PDA <sup>38</sup> may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

## Pre-Collision System With Pedestrian Detection

PCS w/PD <sup>39</sup> can alert you to potential collisions and may automatically brake.

## Full-Speed Range Dynamic Radar Cruise Control

DRCC <sup>40</sup> helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

## Lane Departure Alert With Steering Assist

LDA w/SA <sup>41</sup> may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

## MORE FEATURES

### Lane Tracing Assist

LTA <sup>17</sup> helps you center the vehicle within its lane while DRCC <sup>42</sup> is active.

### Road Sign Assist

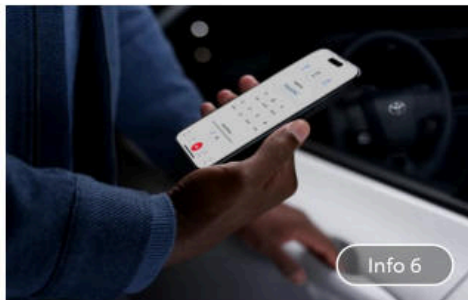

RSA <sup>43</sup> can recognize certain road signs and display them to you inside the vehicle.

### Automatic High Beams

AHB <sup>44</sup> can automatically toggle between high and low beams based on the vehicle's surroundings.

# Connected Services

## Available Digital Key Capability

Available on Camry XLE and XSE, and, with an available active Remote Connect trial or subscription<sup>45</sup> and the Toyota app,<sup>46</sup> Digital Key<sup>47</sup> allows your smartphone and smartwatch to act like your key. You can lock/unlock doors, heat up the cabin on cold winter mornings, and even share your keys with a friend—all from the Toyota app. 1-year Remote Connect trial included on select trims. 4G network dependent.

## Drive Connect

With an active Drive Connect trial or subscription,<sup>18</sup> the Cloud Navigation<sup>48</sup> and Intelligent Assistant<sup>49</sup> features help you find where you need to be, while Destination Assist<sup>50</sup> allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included on select trims. 4G network dependent.

## Remote Connect

Camry is up to speed with the latest tech. With an active Remote Connect trial or subscription,<sup>45</sup> you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app<sup>46</sup> through your compatible smartphone or smartwatch. 1-year trial included on select trims. 4G network dependent.

## Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.<sup>51</sup> You also get 24/7 Roadside Assistance<sup>52</sup> and Stolen Vehicle Locator<sup>53</sup> to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial subscription included. 4G network dependent.

## Service Connect

Stay up to date with your Camry's information. With the 5-year-minimum trial subscription of Service Connect,<sup>54</sup> you're provided with data such as mileage, fuel level and service history. Enable maintenance alerts and receive maintenance reminders that can also be sent to your preferred dealer for extra convenience. 4G network dependent.

## Wi-Fi Connect

Turn Camry into a hotspot. With an active Wi-Fi Connect trial or subscription,<sup>55</sup> you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include a 1-month or 3-GB trial to get you started. 4G network dependent.

# Safety & Convenience

## Hybrid Battery Warranty

Peace of mind for life's many journeys. Every Toyota Hybrid Battery Warranty<sup>58</sup> for 2026 models provides coverage for 10 years from date of first use or 150,000 miles, whichever comes first.

## Hybrid Warranty

Covering hybrid-related components, including the battery control module, hybrid control module and inverter with converter is a warranty that lasts for 8 years or 100,000 miles, whichever comes first.<sup>59</sup>

## Basic Warranty

To make sure every new vehicle is up to Toyota standards, a warranty for 3 years or 36,000 miles, whichever comes first, covers all components and systems other than normal wear and maintenance items.<sup>60</sup>

## No Cost Maintenance Plan and Roadside Assistance

Every new Toyota Camry comes with ToyotaCare,<sup>61</sup> a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 2 years, unlimited mileage.<sup>61</sup>

## Eight Airbags

Camry comes standard with advanced dual-stage SRS driver and front passenger airbags, in addition to front and rear side curtain airbags.<sup>62</sup> Eight airbags total—all designed to help protect you.

# Beyond Zero

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Hybrid EV Camry is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

## Hybrid EV

Camry is a part of the Hybrid EV Family.

### The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

### Going Above and Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability ([toyota.com](https://toyota.com)) for more information.

## INFO AND DISCLOSURES

1. EPA-estimated 52 city/49 hwy/51 combined mpg rating for 2026 Camry LE; 50 city/49 hwy/50 combined mpg rating for 2026 Camry LE AWD; 47 city/45 hwy/46 combined mpg rating for 2026 Camry SE, XLE and XSE; 46 city/46 hwy/46 combined mpg rating for 2026 Camry SE AWD and XLE AWD; 43 city/43 hwy/43 combined mpg rating for 2026 Camry XSE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). 2. EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations. 3. XLE shown in Ocean Gem. Options shown. 4. XSE shown in Heavy Metal with Midnight Black Metallic roof. Options shown. 5. Drive Mode Select shown. 6. XSE shown in Wind Chill Pearl. Options shown. 7. Nightshade shown in Supersonic Red. Options shown. 8. Nightshade interior shown in Black mixed-media trim. 9. XLE shown in Dark Cosmos. Options shown. 10. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 11. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 12. XSE interior shown in Cockpit Red leather trim. Options shown. 13. Screen depiction accurate at time of posting. XLE interior shown in Light Gray leather and Dinamica® microfiber trim. Simulation shown. Options shown. 14. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. 15. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. 16. Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](http://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. 17. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. 18. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](http://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](http://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. 19. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. 20. Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. 21. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. 22. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. 23. Screen depiction accurate at time of posting. XSE interior shown in Cockpit Red leather trim. Options shown. 24. XSE shown in Heavy Metal with Midnight Black Metallic roof. Simulation shown. Options shown. 25. XSE shown in Wind Chill Pearl. Simulation shown. Options shown. 26. XSE interior shown in Black leather trim. Options shown. 27. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](http://siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 28. Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Apple CarPlay® is a registered trademark of Apple Inc. 29. iPhone® is a registered trademark of Apple Inc. All rights reserved. 30. Google, Android, Android Auto, Google Maps, YouTube Music and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. 31. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check [g.co/androidauto/requirements](http://g.co/androidauto/requirements) for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. XSE interior shown in Black leather trim. Options shown. 36. JBL® is a registered trademark of Harman International Industries, Inc. XSE interior shown in Black leather trim. Options shown. 37. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. 38. Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and

## INFO AND DISCLOSURES

attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **39.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **40.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **41.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **42.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **43.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **44.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **45.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **46.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **47.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. **48.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **49.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **50.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **51.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **52.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions

## INFO AND DISCLOSURES

apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **53.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **54.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **55.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **56.** Safety Connect shown. Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **57.** Toyota Service Connect shown. Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **58.** For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details. **59.** Hybrid-related components are covered for 8 years from original date of first use or 100,000 miles, whichever comes first. The HV battery may have longer coverage under emissions warranty. See the Toyota Owner's Warranty and Maintenance Guide for details. **60.** Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations. **61.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **62.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **63.** XSE shown in Heavy Metal with Midnight Black Metallic roof. XLE shown in Ocean Gem. Options shown. **64.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **65.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **66.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **67.** Extra-cost color. **68.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **69.** When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details. **70.** When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See Owner's Manual for limitations. **71.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **72.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **73.** Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See Owner's Manual for limitations. **74.** Do not rely exclusively on the Rear Cross-Traffic Braking. Visually confirm clearance during use. See Owner's Manual for limitations. **75.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **76.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be

## *INFO AND DISCLOSURES*

effective. See Owner's Manual for limitations. **77.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **78.** The Rear-Seat Reminder does not sense objects in the rear seat. The Rear-Seat Reminder is designed to recognize a unique rear-door opening pattern that may be consistent with an object being placed in the rear seating area. See Owner's Manual for additional details.

## INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

## WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
