

TOYOTA

2026 Toyota Crown Signia

2026 TOYOTA CROWN SIGNIA

First-class comfort.

The Toyota Crown Signia brings you effortless elegance so you can embrace life's adventures.

See numbered disclaimer footnotes in Info and Disclosures section.

Seize the day in style.

Elevated Design

With an unmistakably stylish silhouette and available two-tone exterior colors, Toyota Crown Signia seamlessly blends elevated elegance with ultimate comfort. It integrates sleek curves with generous interior space, creating a premium experience both inside and out.

Striking Looks

Toyota Crown Signia's hammerhead front end leads with bold definition and a commanding presence. From its high-end grille to distinct LED Daytime Running Lights (DRL) and headlights, Toyota Crown Signia embodies elegance from head to toe.

Hands-Free Power Liftgate

Access Toyota Crown Signia's rear cargo without lifting a finger, using the hands-free liftgate. ¹ With the Smart Key in your pocket or purse, perform a kicking motion under the rear bumper to easily activate the liftgate to open, making loading and unloading even more convenient.

Your personal oasis.

From the moment you step inside, Toyota Crown Signia puts your comfort at the forefront.

Impressive Cargo Space

Versatile second-row seats fold down all the way, delivering up to 68.8 cu. ft. of cargo space to increase the potential of what you can take with you. From sporting equipment to special workout gear or unique home decor, an extension board makes packing the things you love that much easier.

Heated Steering Wheel

A warm welcome. With the press of a button, Toyota Crown Signia's heated steering wheel offers warmth on demand, making chilly rides a thing of the past.

Heated and Ventilated Front Seats

Comfort for every season. Toyota Crown Signia's standard heated front seats create an inviting atmosphere during cooler nights, while ventilated front seats offer a refreshing retreat from hot summer days.

Fixed Panoramic Roof

Savor the sunlight or bask under the stars. Inviting more natural light into the cabin, Toyota Crown Signia's available fixed panoramic roof creates a premium experience by amplifying a sense of spaciousness that elevates every drive.

INTERIOR

Rear Heated Seats

Toyota Crown Signia's premium feel stretches back to the second row, with heated rear seats that provide maximum comfort for all.

Qi Wireless Charging

Toyota Crown Signia's tech-focused cabin was designed to be completely wireless. With an intuitively placed vertical charging deck in the center console, you can simply place your Qi-compatible ⁵ device down, and its battery will start charging up.

Driven to relax.

Performance

Traditional Hybrid Power and Efficiency

Equipped with a highly efficient hybrid system, Toyota Crown Signia has a manufacturer-estimated 38 combined mpg rating,¹¹ which means you can explore at your leisure.

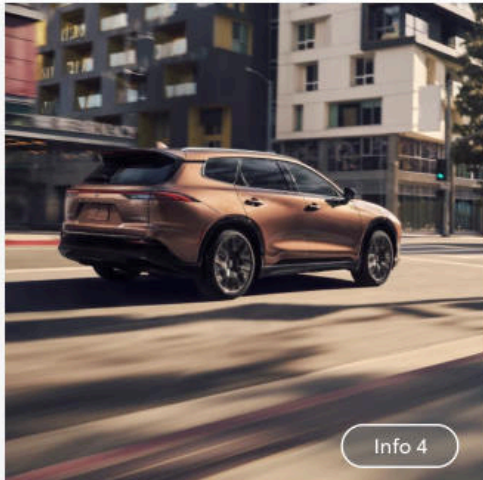

Towing Capacity

With the ability to tow 2700 lbs., Toyota Crown Signia affords you extra power to take more of life with you on the road.

Tranquil Interior

Toyota Crown Signia is designed to provide a roomy interior and engineered to reduce road and exterior noises from disturbing your music or conversations.

Driving Confidence

Designed to give you peace of mind for days that are less than perfect, Toyota Crown Signia's Electronic On-Demand All-Wheel Drive (AWD) sends up to 80% of power to the rear wheels for more muscle, or automatically operates in FWD mode to help optimize fuel efficiency.

Technology

12.3-In. Digital Gauge Cluster

A 12.3-in. digital gauge cluster with selectable gauges puts important vehicle information front and center, so you can stay focused on the road.

Panoramic View Monitor

Toyota Crown Signia's available Panoramic View Monitor (PVM)¹² uses cameras on the front, sides and rear to display a panoramic overhead view of what's going on around you.

Digital Rearview Mirror With HomeLink®

An available digital rearview mirror casts a wider and obstruction-free view of what's behind you. Integrated HomeLink®¹³ universal transceiver buttons provide easy access to your garage door and more.

Traffic Jam Assist

This available feature helps you navigate the ebb and flow of stop-and-go traffic on controlled-access highways by providing driver-supervised control of the vehicle at speeds under 25 mph.¹⁴ Drive Connect trial or subscription required.¹⁵ 4G network dependent.

Safety & Convenience

Blind Spot Monitor With Rear Cross-Traffic Alert

Blind Spot Monitor (BSM)¹⁸ is designed to warn you when a vehicle in the next lane enters your blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA)¹⁹ is designed to help detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

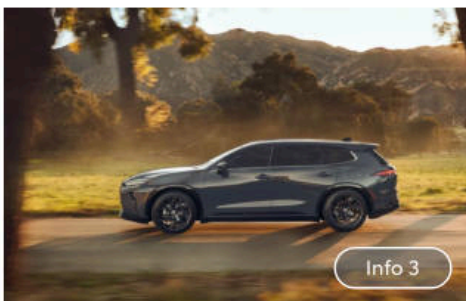

Front and Rear Parking Assist With Automatic Braking

When the system detects there is a possibility of contact with an object or vehicle, Toyota Crown Signia's available Front and Rear Parking Assist with Automatic Braking (PA w/AB)²⁰ sends audible and visual warnings, and in certain conditions may automatically apply the brakes.

Front Cross-Traffic Alert

Discover a new level of driving awareness. Toyota Crown Signia's available Front Cross-Traffic Alert (FCTA)²¹ is designed to detect vehicles that may be approaching from the sides when moving at slow speeds, so you can enter traffic at busy intersections with added confidence.

Hybrid Battery Warranty

Peace of mind for life's many journeys. Every Toyota Hybrid Battery Warranty²² for 2026 models provides coverage for 10 years from date of first use or 150,000 miles, whichever comes first.

ToyotaCare

Every new Toyota Crown Signia comes with ToyotaCare,²³ a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first and 24-hour Roadside Assistance for 2 years, unlimited mileage.

Audio Multimedia

12.3-in. Toyota Audio Multimedia Touchscreen

Toyota Crown Signia's standard 12.3-in. Toyota Audio Multimedia touchscreen heightens your interactions through sight, touch and even voice recognition that lets you activate the system with a phrase like, "Hey, Toyota." From listening to music to finding your destinations, and more—stay connected to every adventure.

JBL® Premium Audio

Enjoy the soundtrack of every drive. Toyota Crown Signia's available 800-watt JBL®²⁶ Premium Audio system utilizes 11 speakers with a subwoofer to produce phenomenal sound for an immersive experience.

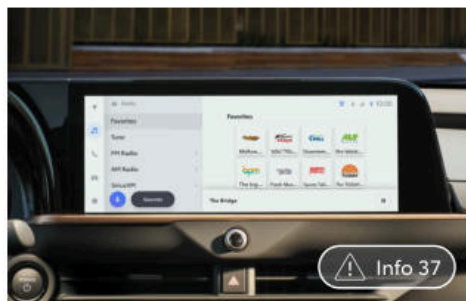

Wireless Apple CarPlay®

Bring along a familiar interface. With Toyota Crown Signia's wireless Apple CarPlay®²⁷ compatibility, you can use your compatible iPhone®²⁸ with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused on your drive.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™²⁹ phone with the audio multimedia system, wireless Android Auto™³⁰ compatibility lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® 3-Month Trial Subscription

SiriusXM®³¹ has premium entertainment that you won't hear anywhere else. With a 3-month trial,³² you get 425+ channels, including 165+ channels in your vehicle to enjoy ad-free music, sports, news, comedy and more. The SiriusXM® App also features a collection of podcasts, music, personalized Pandora® stations, SiriusXM video and more.

Toyota Safety Sense™ 3.0 ³⁸

Pre-Collision System With Pedestrian Detection

PCS w/PD ³⁹ can alert you to potential collisions and may automatically brake.

Full-Speed Range Dynamic Radar Cruise Control

DRCC ⁴⁰ helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA ⁴¹ may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA ⁴² helps you center the vehicle within its lane while DRCC ⁴³ is active.

MORE FEATURES

Road Sign Assist

RSA ⁴⁴ can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

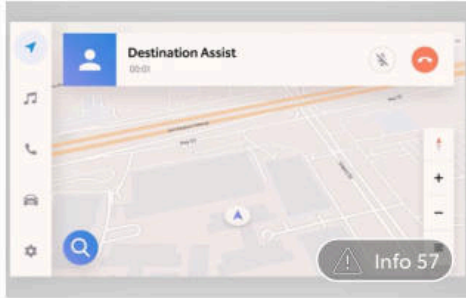

AHB ⁴⁵ can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA ⁴⁶ may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Connected Services

Drive Connect

With a Drive Connect trial or subscription,¹⁵ the Cloud Navigation⁴⁷ and Intelligent Assistant⁴⁸ features help you find where you need to be, while Destination Assist⁴⁹ allows you to talk to a live agent while they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included. 4G network dependent.

Remote Connect With Available Digital Key

Toyota Crown Signia is up to speed with the latest tech. With an active Remote Connect trial or subscription,⁵⁰ you can start the engine, lock/unlock doors, and locate your vehicle using the Toyota app⁵¹ through your compatible smartphone or smartwatch. 1-year trial of Remote Connect included. 4G network dependent.

Wi-Fi Connect

Turn Toyota Crown Signia into a hotspot. With an active Wi-Fi Connect trial or subscription,⁵² you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include a 1-month or 3-GB trial to get you started. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.⁵³ You also get 24/7 Roadside Assistance⁵⁴ and Stolen Vehicle Locator⁵⁵ to give you peace of mind that help is on the way. 5-year-minimum trial included. 4G network dependent.

Service Connect

Stay up to date with your Toyota Crown Signia's information, such as status and alerts, maintenance reminders and more.⁵⁶ It's a convenient way to help make sure your Toyota Crown Signia is running at its best. 5-year-minimum trial included. 4G network dependent.

Beyond Zero

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Hybrid EV Toyota Crown Signia is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Hybrid EV

Toyota Crown Signia is a part of the Hybrid EV Family.

The Power of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above and Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

TOYOTA CROWN SIGNIA GRADES

XLE

Mechanical Features

- ✓ All-Wheel Drive (AWD)
- ✓ Electronically controlled Continuously Variable Transmission (ECVT)
- ✓ Hybrid engine: 2.5-Liter Dynamic Force 4-Cylinder

INFO AND DISCLOSURES

1. Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. 2. Limited shown in Storm Cloud with Black roof. Options shown. 3. Limited shown in Storm Cloud. 4. Limited shown in Bronze Age with Advanced Tech Package. Options shown. 5. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 6. Limited interior shown in Saddle Tan leather trim. 7. Limited interior shown in Saddle Tan leather trim. Simulation shown. 8. Limited interior shown in Black leather trim. 9. Limited interior shown in Saddle Tan leather trim. Simulation shown. 10. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. Qi-compatible wireless charger shown in Limited interior in Black leather trim. 11. EPA-estimated 39 city/37 hwy/38 combined mpg rating for 2026 Toyota Crown Signia. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 12. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. 13. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 14. Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. 15. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. 16. 12.3-in digital gauge cluster with selectable gauges shown. 17. Limited shown in Storm Cloud. Simulation shown. 18. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. 19. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. 20. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. 21. Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. 22. For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details. 23. ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. 24. Blind Spot Monitor (BSM) shown on Limited in Storm Cloud. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. Toyota Crown Platinum in Supersonic Red with Black bi-tone shown in mirror. Options shown. 25. Limited shown in Bronze Age with Advanced Tech Package. Options shown. Simulation shown. 26. JBL® is a registered trademark of Harman International Industries, Inc. 27. Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. Screen depiction accurate at time of posting. **37.** SiriusXM® shown in Limited interior in Black leather trim. Options shown. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](https://www.siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. Screen depiction accurate at time of posting. **38.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **39.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **40.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **41.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **42.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **43.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **44.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **45.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **46.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **47.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **48.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **49.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **50.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through

INFO AND DISCLOSURES

Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **51.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **52.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **53.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **54.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **55.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **56.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. Options shown. **61.** Available Service Connect shown. Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **62.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **63.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **64.** Extra-cost color. **65.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **66.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **67.** When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See Owner's Manual for limitations. **68.** When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details. **69.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. **70.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **71.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **72.** Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See Owner's Manual for limitations. **73.** The Rear-Seat Reminder does not sense objects in the rear seat. The Rear-Seat Reminder is designed to recognize a unique rear-door opening pattern that may be consistent with an object being placed in the rear seating area. See Owner's Manual for additional details. **74.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **75.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **76.** When Vehicle Proximity Notification System is active, it is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects and to drive the vehicle in a safe and attentive manner to avoid making contact. **77.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **78.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **79.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **80.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
