Golf Alltrack

America's Best
Bumper-to-Bumper
Limited Warranty**

The People First Warranty

6 Years/72,000 Miles · Transferable
Bumper-to-Bumper · Limited Warranty

Volkswagen

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. See owner's literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-Bumper/Basic warranty only. Not based on other separate warranties.

Tread happily.

Looking for fun adventures off the beaten path doesn't always mean a smooth ride. Fear not, the Golf Alltrack was engineered with 4MOTION® all-wheel drive, Offroad Mode,* and Hill Descent Control to help provide smooth sailing, even on challenging road surfaces and in inclement weather.

*Always ensure that your vehicle is equipped with appropriate tires and equipment and always adjust your speed and driving style to the road, terrain, traffic, and weather conditions. See Owner's Manual for further details and important limitations.

4MOTION all-wheel drive

Available with a DSG® automatic or manual transmission, the 4MOTION all-wheel-drive system transfers torque between the front and rear wheels. In normal driving conditions, power is delivered to the front wheels. But 4MOTION can also send torque to the rear axle when it's needed. Talk about a power move.

Driving Mode Selection with Offroad Mode and Hill Descent Control*

Offroad Mode is designed to help you traverse a variety of different roads. It allows you to comfortably drive down steep grades and helps optimize driving and traction control. The Hill Descent Control will actively help control the application of your brakes while going downhill, helping to keep your ride at a constant, controlled speed.

Rugged bumper design and exterior cladding

With a tough yet refined exterior, the Golf Alltrack is engineered with sleek reinforcements to help combat rough road conditions and inclement weather. In short, it's ready for the adventure ahead.*

FEATURES

- 1.8L TSI® turbocharged engine
- 6-speed manual transmission
- LED Daytime Running Lights (DRL)
- LED taillights
- 17" 10-spoke alloy wheels
- Increased ground clearance

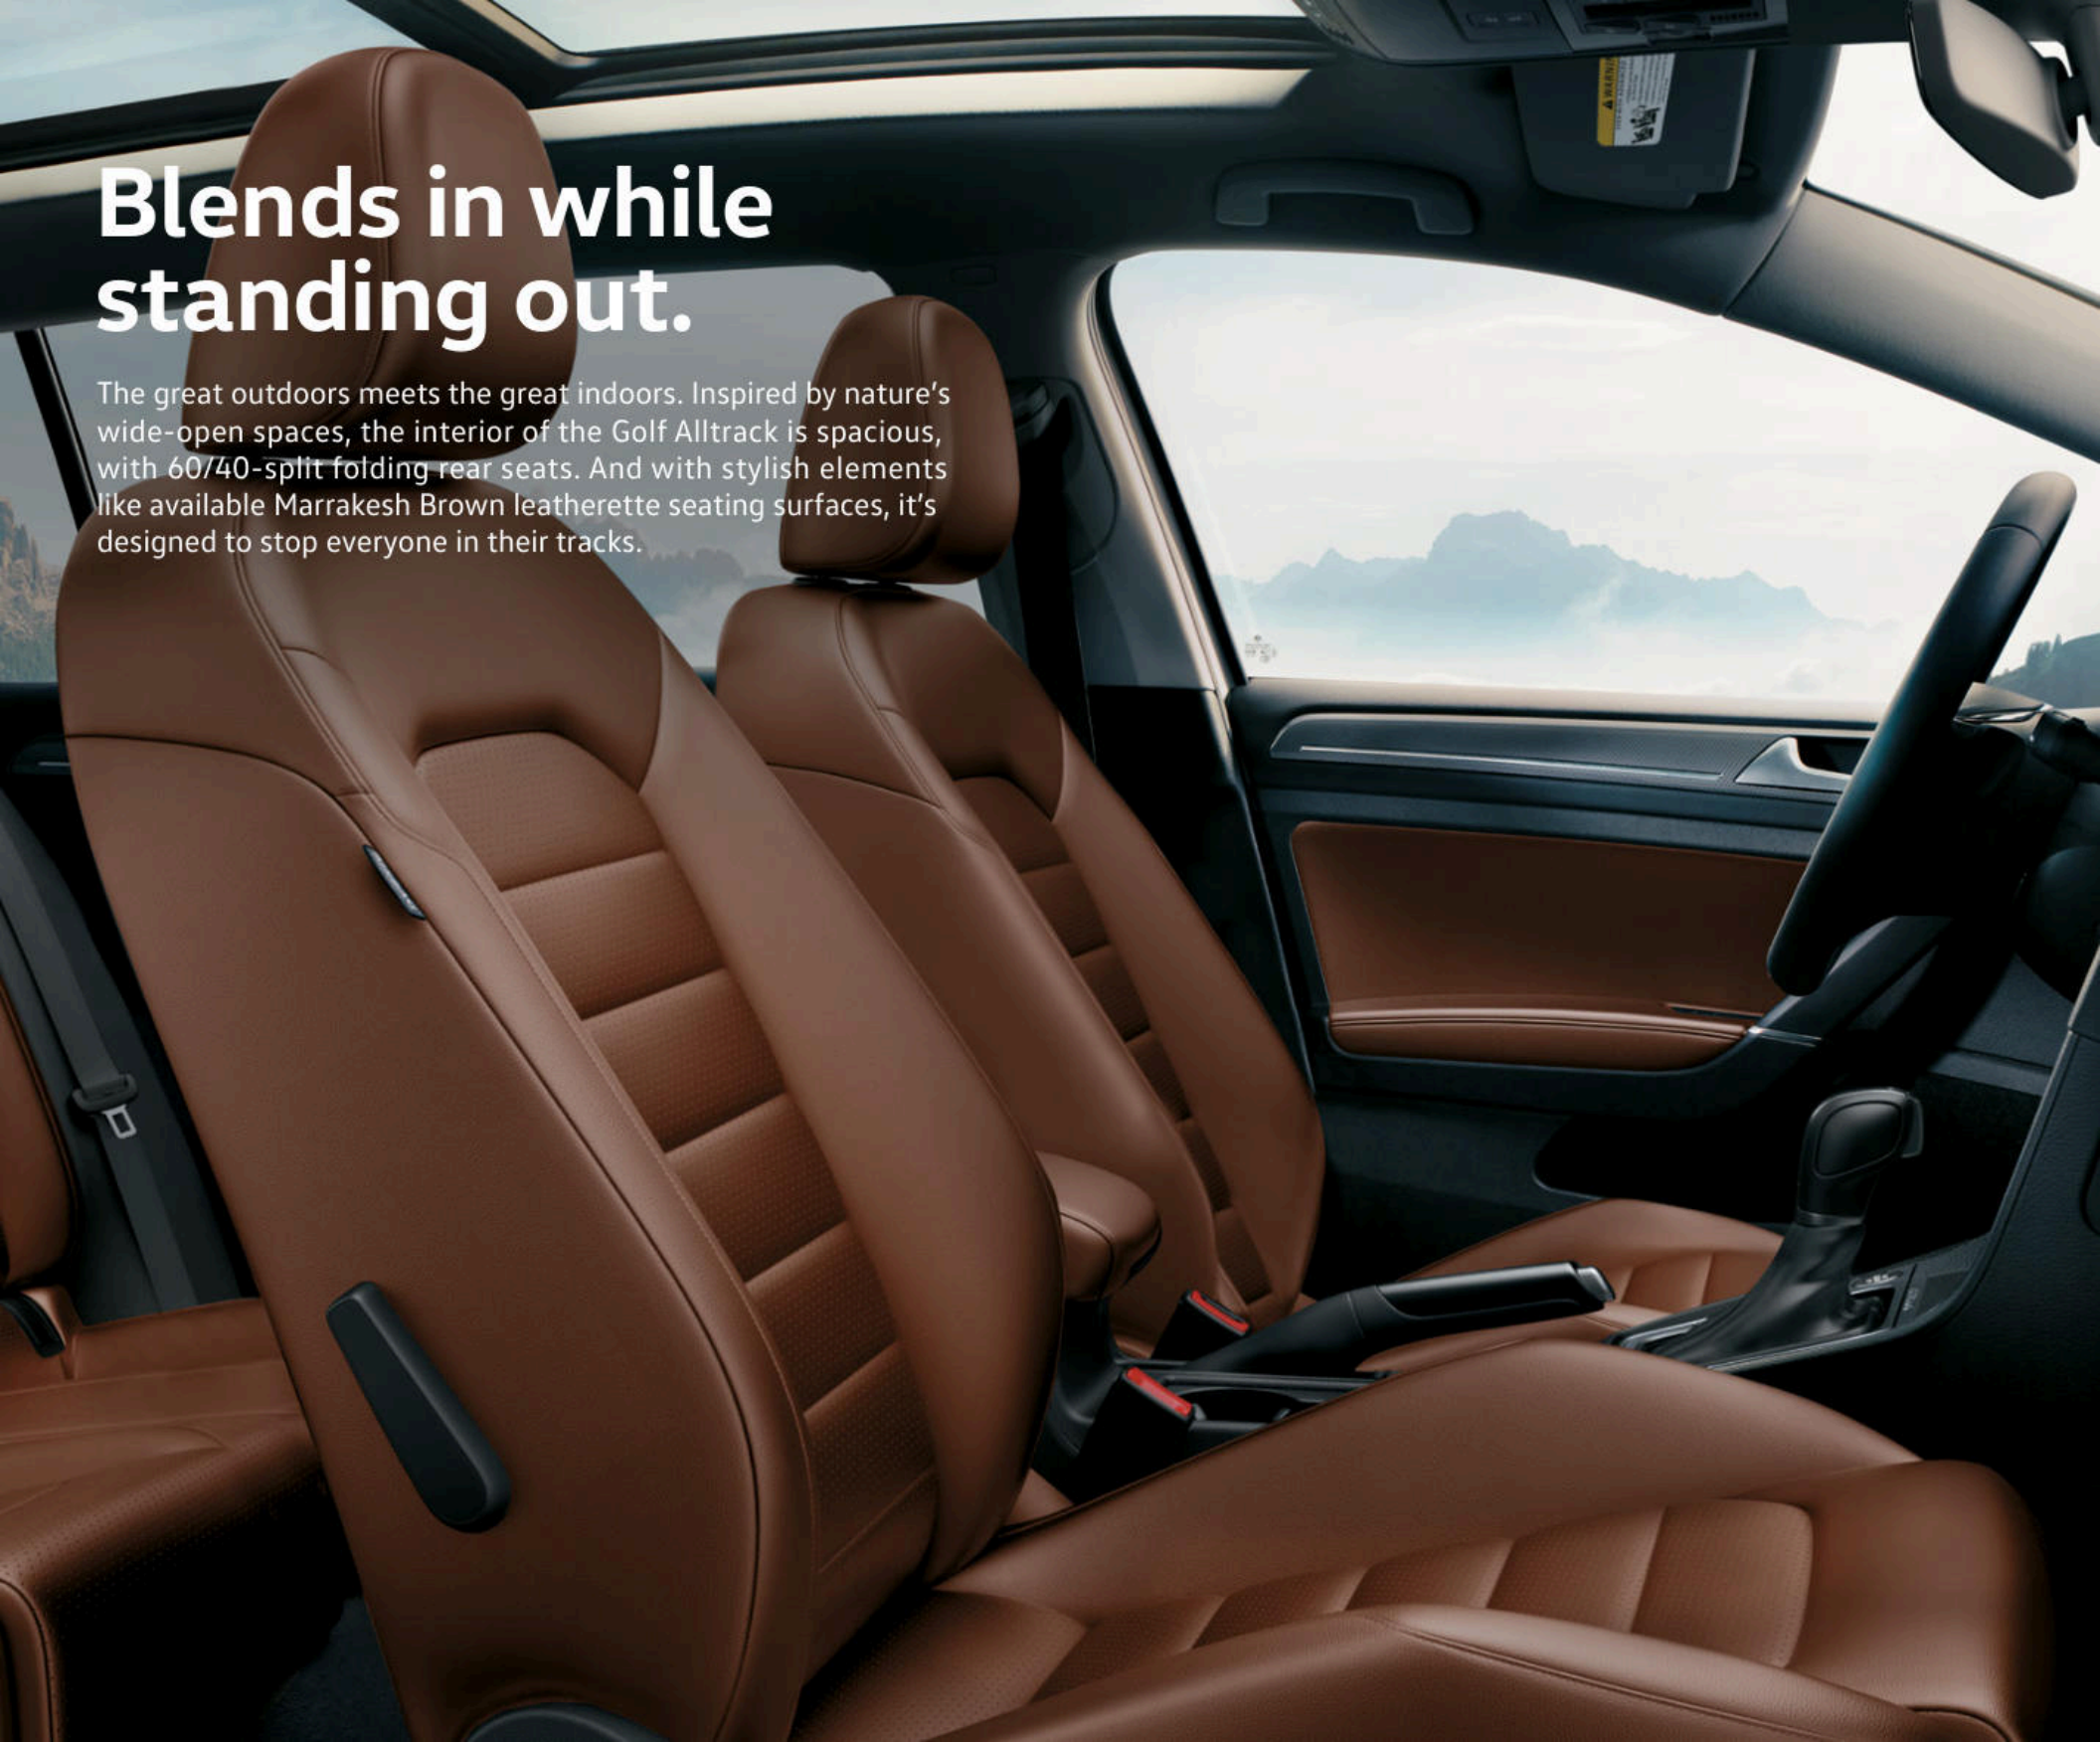

AVAILABLE FEATURES

- LED headlights with Adaptive Front-lighting System (AFS)
- Power tilting/sliding panoramic sunroof
- 18" Y-spoke alloy wheels
- Steering wheel-mounted paddle shifters
- 6-speed DSG automatic transmission with Tiptronic® and Sport mode

*Always ensure that your vehicle is equipped with appropriate tires and equipment and always adjust your speed and driving style to the road, terrain, traffic, and weather conditions. See Owner's Manual for further details and important limitations.

Blends in while standing out.

The great outdoors meets the great indoors. Inspired by nature's wide-open spaces, the interior of the Golf Alltrack is spacious, with 60/40-split folding rear seats. And with stylish elements like available Marrakesh Brown leatherette seating surfaces, it's designed to stop everyone in their tracks.

66.5 cubic feet of cargo space with rear seats folded down*

Expand the cargo space inside by simply dropping the rear seatbacks and start loading up all that roomy 66.5 cubic feet of space.

8" touchscreen navigation system

The available touchscreen navigation can locate your favorite spots, give you turn-by-turn directions, and even help find new destinations.

Volkswagen Car-Net® App-Connect**

VW Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay®, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can all be accessed on the touchscreen.

FEATURES

- 6.5" touchscreen sound system
- Rear seat with center armrest and pass-through
- 60/40-split folding rear seats
- V-Tex leatherette seating surfaces

AVAILABLE FEATURES

- 8" touchscreen sound system
- Fender® Premium Audio System
- Climatronic® dual-zone climate control
- Keyless access with push-button start!

Apple CarPlay integration for your iPhone shown.

*Always ensure cargo is properly secured. See Owner's Manual for details. **Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android and Android Auto are trademarks of Google LLC. Apple CarPlay is a registered trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC. †See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

Don't pass up a chance for greater peace of mind.

Driver Assistance features can help give you more confidence on your drive.

Rear Traffic Alert*

Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse and can even help brake the vehicle if needed.

High Beam Control (Light Assist)*

Available High Beam Control (Light Assist) helps provide better visibility on dark roads by turning on your high beams at certain speeds. A camera mounted at the base of the rearview mirror turns your high beams on when conditions warrant it on dark or poorly lit roads. It then turns them off again if another car approaches or drives in front of you.

Lane Keeping System (Lane Assist)*

When moving, the available Lane Keeping System (Lane Assist) can sense if you start to drift into another lane without using the turn signal. Within the limits of the system, Lane Assist can help steer to help keep you in the current lane.

Adaptive Cruise Control (ACC)*

Available Adaptive Cruise Control (ACC) helps the vehicle maintain a preset speed and distance from the car in front of you. When activated, if the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.

Park Distance Control*

Available Park Distance Control has sensors that can help you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and, on some vehicles, in front of the vehicle when parking. If you get too close, the system beeps as a warning. Maneuver Braking (included with Park Distance Control) can apply emergency braking force automatically to help mitigate and in best case prevent collisions with stationary obstacles while you maneuver the vehicle in reverse gear.

Parking Steering Assistant (Park Assist)*

The available Parking Steering Assistant (Park Assist) can determine if a parking spot is big enough for your Volkswagen. Then it will help steer the vehicle into the space, either parallel or perpendicular. You operate the accelerator, brake, and shifter; it does the rest.

Blind Spot Monitor*

When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to cars that may be in your blind spot. The Active Blind Spot Monitor (available when vehicle is equipped with Lane Assist) on select models can also counter-steer within the limits of Lane Assist to help keep you in your lane if you attempt to change lanes when a vehicle is in your blind spot.

Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*

The Forward Collision Warning (included in Front Assist) system can help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, if the driver does not react at all, it can apply the brakes automatically. Pedestrian Monitoring (included in Front Assist) feature can warn of pedestrians crossing in front of the vehicle and, under certain circumstances, can brake automatically to help prevent or mitigate the outcome of a collision with a pedestrian if the driver doesn't respond adequately to the warnings.

America's Best Bumper-to-Bumper Limited Warranty**

The People First Warranty*

6 Years/72,000 Miles · Transferable
Bumper-to-Bumper · Limited Warranty

Learn more at vw.com/warranty.

Cost of ownership

The 6 years or 72,000 miles New Vehicle Limited Warranty reduces the cost of owning a Volkswagen.†

Peace of mind

Every Volkswagen is designed with quality in mind. So our 6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty isn't just extensive, it's proof of our confidence.*

Coverage

You're covered by the warranty for 6 years or 72,000 miles (whichever comes first).*

The smart choice

Considering the length of the virtual bumper-to-bumper coverage and the ability to transfer the remainder of the coverage to the next owner, The People First Warranty beats the competition every time.*

Transferable

Your vehicle remains covered even if transferred to a new owner. So long as the vehicle is less than 6 years old and has traveled fewer than 72,000 miles, the remainder of the warranty coverage transfers to the subsequent vehicle owner.*

Bumper-to-Bumper Limited Warranty

In general, the warranty provides practically bumper-to-bumper coverage for repairs to correct a defect in manufacturer's material or workmanship (i.e., mechanical defects).*

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. Remainder of warranty coverage transfers to subsequent vehicle owner. See owner's literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-bumper/Basic warranty only. Not based on other separate warranties. †Claim based on 5 years/75,000 miles cost of ownership analysis comparing 6 years/72,000 miles (whichever occurs first) limited warranty and 3 years/36,000 miles (whichever occurs first) limited warranty.

Specifications, standard features, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you select includes the equipment you ordered. Tires are supplied and warranted by their manufacturer. "Volkswagen," the Volkswagen logo, and "Golf Alltrack" are registered trademarks of Volkswagen AG. "Bluetooth" is a registered trademark of Bluetooth SIG, Inc. Volkswagen navigation depends on the signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and an update will be required in order to maintain the latest navigation information available to us. Updates will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW or just look us up at vw.com.
